Service shall be considered as Kentucky teaching service, except that it may not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1). A maximum of six (6) years of military service may be credited, but [~~in no case~~] a greater number of years ***shall not be credited*** than the actual years of contributing service in Kentucky. ***A member may purchase one (1) month of service for each six (6) months of service in the military reserves or the National Guard.***

Two percent (2%) of the thirty-five percent (35%) required payment shall be allocated to the survivor, death, and medical insurance fund. These contributions shall not be picked up, as described in KRS 161.540(2). In purchasing retirement credit for active duty in the armed services ***or service in the military reserves or the National Guard***, the latest years of service shall be considered first in allowing credit toward retirement. The board of trustees shall adopt a table of actuarial factors to be used in calculating the amount of contribution required for crediting this service.

(5) If an active contributing member is called to active duty in the armed forces of the United States, on or after August 2, 1990, as a result of being a member of the national guard or military reserve, the retirement system shall credit the member with service credit during the approved leave of absence without a contribution on the part of the member. The actuarial cost of the service awarded under this subsection shall be paid by the member's employer. The member who is credited with service for a period of active military duty under this subsection shall not be eligible to purchase credit under subsection (4) of this section for the same period of service. In case of refusal to obey a subpoena issued to any person, any Circuit Court of competent jurisdiction, upon application by any party, may issue to that person an order requiring him to comply with the terms of the subpoena. Failure to obey the order of the court may be punished as contempt of court.

On page 18, between lines 18 and 19, by inserting the following:

"Section 9. KRS 157.360 is amended to read as follows:

(1) In determining the cost of the program to support education excellence in Kentucky, the statewide guaranteed base funding level, as defined in KRS 157.320, shall be computed by dividing the amount appropriated for this purpose by the prior year's statewide average daily attendance.

(2) Each district shall receive an amount equal to the base funding level for each pupil in average daily attendance in the district in the previous year. Each district's base funding level shall be adjusted by the following factors:

(a) The number of at-risk students in the district. At-risk students shall be identified as those approved for the free lunch program under state and federal guidelines. The number of at-risk students shall be multiplied by a factor to be established by the General Assembly;

(b) The number and types of exceptional children in the district as defined by KRS 157.200. No later than October 1, 1993, specific weights for each category of exceptionality shall be developed by the Department of Education and shall be used in the calculation of the add-on factor for exceptional children. Prior to the development of the necessary weights, the General Assembly shall determine the costs associated with the education of exceptional children based on the count of pupils with different exceptionalities, an appropriate pupil-teacher ratio, and total per-pupil costs; and

(c) Transportation costs. The per pupil cost of transportation shall be calculated as provided by KRS 157.370. No later than October 1, 1991, the Office of Education Accountability's Division of School Finance shall examine the components of the current system for allocating transportation funds, and recommend any needed changes to the General Assembly, the Governor, and the State Board for Elementary and Secondary Education. Districts which contract to furnish transportation to students attending nonpublic schools may adopt any payment formula which assures that no public school funds are used for the transportation of nonpublic students.

(3) The program to support education excellence in Kentucky shall be fully implemented by the 1994-95 school year. No district shall receive an annual increase in state funds of less than eight percent (8%) for 1990-91 and five percent (5%) in 1991-92 or more than twenty-five percent (25%) in either year.

(4) (a) Except for those schools which have implemented school-based decision making, the chief state school officer shall enforce maximum class sizes for every academic course requirement in all grades except in vocal and instrumental music, and physical education classes. Except in classes combining pupils from two (2) or more grade levels, the maximum number of pupils enrolled in a class shall be as follows:

1. Twenty-four (24) in primary grades (kindergarten through third grade);
2. Twenty-eight (28) in grade four (4);
3. Twenty-nine (29) in grades five (5) and six (6);
4. Thirty-one (31) in grades seven (7) to twelve (12);

(b) Except for those schools which have implemented school-based decision making, class size loads for middle and secondary school classroom teachers shall not exceed the equivalent of one hundred fifty (150) pupil hours per day.

(c) The chief state school officer, upon approval of the State Board for Elementary and Secondary Education, shall adopt administrative regulations for enforcing this provision. These administrative regulations shall include procedures for a superintendent to request an exemption from the State Board for Elementary and Secondary Education when unusual circumstances warrant an increased class size for an individual class. A request for an exemption shall include specific reasons for the increased class size with a plan for reducing the class size prior to the beginning of the next school year. A district shall not receive in any one (1) year exemptions for more classes than enroll twenty percent (20%) of the pupils in the primary grades and grades four (4) through eight (8).

(d) In all schools the chief state school officer shall enforce the special education maximum class sizes set by administrative regulations adopted by the State Board for Elementary and Secondary Education. A superintendent may request an exemption pursuant to paragraph (c) of this subsection. A local school council may request a waiver pursuant to KRS 156.160(2). An exemption or waiver shall not be granted if the increased class size will impede any exceptional child from achieving his individual education program in the least restrictive environment.

(5) In grades four (4) through six (6) with combined grades, the maximum class size shall be the average daily attendance upon which funding is appropriated for the lowest assigned grade in the class. There shall be no exceptions to the maximum class size for combined classes. In combined classes other than the primary grades, no ungraded students shall be placed in a combined class with graded students. In addition, there shall be no more than two (2) consecutive grade levels combined in any one (1) class in grades four (4) through six (6). However, this shall not apply to schools which have implemented school-based decision making.

(6) If a local school district, through its admission and release committee, determines that an appropriate program in the least restrictive environment for a particular handicapped child includes either part-time or full-time enrollment with a private school or agency within the state or a public or private agency in another state, the school district shall count as average daily attendance in a public school the time that the child is in attendance at the school or agency, contingent upon approval by the chief state school officer.

(7) Pupils attending a center for child learning and study established under an agreement pursuant to KRS 65.210 to 65.300 shall, for the purpose of calculating average daily attendance, be considered as in attendance in the school district in which the child legally resides and which is party to the agreement. For purposes of subsection (1) of this section, teachers who are actually employees of the joint or cooperative action shall be considered as employees of each school district which is a party to the agreement.

(8) Program funding shall be increased when the average daily attendance in any district for the first two (2) months of the current school year is greater than the average daily attendance of the district for the first two (2) months of the previous school year. The program funds allotted the district shall be increased by the percent of increase. The average daily attendance in kindergarten is the kindergarten full-time equivalent pupils in average daily attendance.

(9) If the average daily attendance for the current school year in any district decreases by ten percent (10%) or more than the average daily attendance for the previous school year, the average daily attendance for purposes of calculating program funding for the next school year shall be increased by an amount equal to two-thirds (2/3) of the decrease in average daily attendance. If the average daily attendance remains the same or decreases in the succeeding school year, the average daily attendance for purposes of calculating program funding for the following school year shall be increased by an amount equal to one-third (1/3) of the decrease for the first year of the decline.

(10) If the percentage of attendance of any school district shall have been reduced more than two percent (2%) during the previous school year, the program funding allotted the district for the current school year shall be increased by the difference in the percentage of attendance for the two (2) years immediately prior to the current school year less two percent (2%).

(11) ***The General Assembly recognizes the importance of providing teacher compensation that is adequate, rewarding, and competitive on a local and national level. Therefore, for the 1994-96 biennium, local school districts shall increase teacher compensation by an amount equal to the percentage increase for salaries of employees of the Commonwealth of Kentucky as provided in the biennial budget.***

(12)[~~(11)~~](a) Instructional salaries for vocational agriculture classes shall be allotted for twelve (12) months per year. Vocational agriculture teachers shall be responsible for the following program of instruction during the time period beyond the regular school term established by the local board of education: supervision and instruction of students in agriculture experience programs; group and individual instruction of farmers and agribusinessmen; supervision of student members of agricultural organizations who are involved in leadership training or other activity required by state or federal law; or any program of vocational agriculture established by the Office of Vocational Education in the Department of Education. Salary allotments for vocational agriculture units shall be computed by proportionately increasing the salary schedule allocation based on the regular one hundred eighty-five (185) day school year for teachers with comparable qualifications and experience. During extended employment, no vocational agriculture teacher shall receive salary on a day that the teacher is scheduled to attend an institution of higher education class which could be credited toward meeting any certification requirement.

(b) Each teacher of agriculture employed twelve (12) months per year shall submit an annual plan for summer program to the local school superintendent for approval. The summer plan shall include a list of tasks to be performed, purposes for each task, and time to be spent on each task. Approval by the local school superintendent shall be in compliance with the guidelines developed by the State Department of Education. The supervision and accountability of teachers of vocational agriculture's summer programs shall be the responsibility of the local school superintendent. The local school superintendent shall submit to the chief state school officer a completed report of summer tasks for each vocational agriculture teacher employed for twelve (12) months. Twenty percent (20%) of the approved twelve (12) month vocational agriculture programs shall be audited annually by the State Department of Education to determine that the summer plan has been properly executed.

(c) For the 1990-91 and the 1991-92 school years, an add-on appropriation shall be made to local school districts which are operating secondary vocational education programs. The amount provided in the budget shall be allocated on a per pupil basis and shall be used to meet the higher per student cost of operating vocational education programs.

(***13***)[~~(12)~~]——(a) In allotting program funds for home and hospital instruction, statewide guaranteed base funding excluding the capital outlay, shall be allotted for each child in average daily attendance in the current school year who has been properly identified according to State Board for Elementary and Secondary Education administrative regulations. (b) Pursuant to administrative regulations of the Department of Education, local school districts shall be reimbursed for home and hospital instruction for pupils unable to attend regular school sessions because of short term health impairments. A reimbursement formula shall be established by administrative regulations to include such factors as a reasonable per hour, per child allotment for teacher instructional time, with a maximum number of funded hours per week, a reasonable allotment for teaching supplies and equipment, and a reasonable allotment for travel expenses to and from instructional assignments, but the formula shall not include an allotment for capital outlay. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the Department of Education.

It also shall divide the marital property without regard to marital misconduct in just proportions considering all relevant factors including:

Floor Amendment No. 3 to **SB 238**, by Representative Rapier:

On page 18, line 19, after "Section 9.", by adding the following:

"KRS 157.440 is amended to read as follows:

(1) (a) Notwithstanding any statutory provisions to the contrary, effective for school years beginning after July 1, 1990, the board of education of each school district may levy an equivalent tax rate as defined in subsection (12)(a) of KRS 160.470 which will produce up to fifteen percent (15%) of those revenues guaranteed by the program to support education excellence in Kentucky. The levy for the 1990-91 school year shall be made no later than October 1, 1989, and no later than October 1, 1990, for the 1991-92 school year, and by October 1 of each odd-numbered year thereafter. Effective with the 1990-91 school year, revenue generated by this levy shall be equalized at one hundred fifty percent (150%) of the statewide average per pupil assessment.

  (b) ***To participate in the Facilities Support Program of Kentucky, the board of education of each school district shall commit at least an equivalent tax rate of five cents ($0.05) to debt service, new facilities, or major renovations of existing school facilities. The five cents ($0.05) shall be in addition to the thirty cents ($0.30) required by KRS 160.470(12) and any levy pursuant to paragraph (a) of this subsection. The levy shall be made no later than October 1 of each odd-numbered year. Eligibility for equalization funds for the biennium shall be based on the district funds committed to debt service on that date. The five cents ($0.05) shall be equalized at one hundred fifty percent (150%) of the statewide average per pupil assessment . The equalization funds shall be committed to debt service to the greatest extent possible, but any excess equalization funds not needed for debt service shall be deposited to a restricted building fund account. The funds may be escrowed for future debt service or used to address categorical priorities listed in the approved facilities plan pursuant to KRS 157.420.***

  (c) The rate levied by a district board of education under the provisions of this subsection shall not be subject to the public hearing provisions of KRS 160.470(10) or to the recall provisions of KRS 160.470(11).

(d)[~~(c)~~]A school district which is at or above the equivalent tax rates permitted under the provisions of the Kentucky Education Reform Act of 1990, 1990 Ky. Acts ch. 476, shall not be required to levy an equivalent tax rate which is lower than the rate levied during the 1989-90 school year.

(2) A district may exceed the maximum provided by subsection (2) of KRS 160.470 provided that, upon request of the board of education of the district, the county board of elections shall submit to the qualified voters of the district, in the manner of submitting and voting as prescribed in paragraph (b) of subsection (1) of KRS 160.477, the question whether a rate which would produce revenues in excess of the maximum provided by subsection (2) of KRS 160.470 shall be levied. The rate that may be levied under this section may produce revenue up to no more than thirty percent (30%) of the revenue guaranteed by the program to support education excellence in Kentucky plus the revenue produced by the tax authorized by this section. Revenue produced by this levy shall not be equalized with state funds. If a majority of those voting on the question favor the increased rate, the tax levying authority shall, when the next tax rate for the district is fixed, levy a rate not to exceed the rate authorized by the voters.

(3) For the 1966 tax year and for all subsequent years for levies which were approved prior to December 8, 1965, no district board of education shall levy a tax at a rate under the provisions of this section which exceeds the compensating tax rate as defined in KRS 132.010, except as provided in subsection (4) of this section and except that a rate which has been approved by the voters under this section but which was not levied by the district board of education in 1965 may be levied after it has been reduced to the compensating tax rate as defined in KRS 132.010, and except that in any school district where the rate levied in 1965 was less than the maximum rate which had been approved by the voters, the compensating tax rate shall be computed and may be levied as though the maximum approved rate had been levied in 1965 and the amount of revenue which would have been produced from such maximum levy had been derived therefrom.

(4) Notwithstanding the limitations contained in subsection (3) of this section no tax rate shall be set lower than that necessary to provide such funds as are required to meet principal and interest payments on outstanding bonded indebtedness and payments of rentals in connection with any outstanding school revenue bonds issued under the provisions of KRS Chapter 162.

(5) The chief state school officer shall certify the compensating tax rate to the levying authorities.

Section 10. KRS 157.620 is amended to read as follows:

(1) To participate in the school construction funding program, the district must have unmet needs as defined by KRS 157.615 and must meet the following eligibility criteria:

(a) Commit at least an equivalent tax rate of five cents ($0.05) to debt service, new facilities, or major renovations of existing school facilities ***as defined by KRS 157.440***. [~~The five cents ($0.05) shall be in addition to the thirty cents ($0.30) required by KRS 160.470(12). If the current levy of a district exceeds the required thirty cents ($0.30) and the five cents ($0.05), no additional tax shall be required. However, not less than five cents ($0.05) shall be committed under this subsection. The five cents ($0.05) shall be equalized at one hundred fifty percent (150%) of the statewide average per pupil assessment when committed to debt service.~~] A district that levies the five cents ($0.05) and has not accepted an official offer of assistance from the School Facilities Construction Commission, made pursuant to KRS 157.611, may use receipts from the levy for other purposes as determined by the district board of education.

(b) On July 29, 1985, and on June 30 of each year thereafter, the district board of education shall transfer all available local revenue, as defined by KRS 157.615, to a restricted account for school building construction, to be utilized in accordance with the priorities determined by the approved school facilities plan.

(2) Interest earned on funds deposited in the restricted accounts required by this section shall be deposited in the restricted account and shall become a part of the restricted funds.

(3) Funds restricted by the requirements of this section may be used by the district for projects or a portion thereof as listed in priority order on the approved school facilities plan prior to receiving state funds. Any local school district which is not an eligible district may be permitted, upon written application to the Department of Education, to transfer funds restricted by KRS 157.611 to 157.640 for other school purposes.

(4) Not later than October 15 of the year immediately preceding the regular session of the General Assembly, the State Board for Elementary and Secondary Education shall submit a statement to the School Facilities Construction Commission certifying the following in each district:

(a) The amount of school facility construction needs in each district;

(b) The amount of available local revenue in each district; and

(c) That the district has or has not met the eligibility criteria established by subsection (1) of this section.

(5) Construction needs shall be those needs specified in the school facilities plan approved by the State Board for Elementary and Secondary Education as of June 30 of the year preceding the biennium in which funding is approved. All school facilities plans not approved by the State Board for Elementary and Secondary Education since January 1, 1981, shall be revised by December 31, 1985. The State Board for Elementary and Secondary Education shall conduct public hearings on all amendments to approved plans.

(6) If a local board of education determines that for any reason the district's approved facility plan is grossly inconsistent with the administrative regulations governing the development of the plan, the local board may certify, by official action, the reason for such inconsistency and may request that the Department of Education resurvey the building needs of the district. After review of the data, the chief state school officer may require a resurvey and the approval of a new facility plan certified prior to an official offer from the School Facilities Construction Commission, and on or before January 15 of any subsequent year. If the chief state school officer elects to recommend the new facility plan to the State Board for Elementary and Secondary Education, the board shall notify the School Facilities Construction Commission of any change required in the statement of need for the district.

The Senate Committee Substitute to **HB 239** is as follows:

HB 239, AN ACT relating to refunding bonds which finance floating debt of cities and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 66.210 is amended to read as follows:

No county, city, or taxing district shall issue and offer to sell any of its bonds or obligations until the issuance [~~thereof~~] has been approved as provided in KRS 66.310, where applicable to a county, or by a Circuit Court of competent jurisdiction, declaring the bonds or obligations are based upon and cover a valid indebtedness of the county, city, or taxing district within the constitutional limitation governing the creation of the indebtedness***, except that a city may issue bonds or obligations under KRS 66.170 without the approval required by this section to refund floating indebtedness created by the mandates of KRS 78.510 to 78.852. A city may only issue bonds or obligations to refund floating indebtedness if the issuance will result in a lower rate of interest per annum and will not extend the term of the original obligation***. Any bond sold, assigned, or transferred without being so approved in advance of its issuance is void, and shall not thereafter, directly or indirectly, be assumed or paid by the county, city, or taxing district.

Section 2. KRS 66.170 is amended to read as follows:

"Floating indebtedness" means the amount determined as of the last day of a fiscal year, by which general fund expenditures and obligations exceeded general fund revenues during a fiscal year in which a budget was adopted based on reasonable assumptions of expenses and revenues. Subject to the provisions of KRS 66.210 and 66.220, any city may issue bonds to fund its valid floating debt or to refund its valid outstanding bonds. [~~Bonds so issued shall bear interest at not more than six percent (6%) per annum, and shall not be sold for less than par and accrued interest.~~] The city, at the time of issuing the bonds, shall provide for the collection of an annual tax sufficient to pay the interest on the bonds, and to create a sinking fund for their payment within not more than forty (40) years from the date of issuance. ***The provisions of KRS 58.190 shall apply to any bonds or obligations issued pursuant to this section.***

Section 3. Whereas the refunding of floating debt at current interest rates could result in great financial savings to cities, an emergency is declared to exist, and this Act shall become effective upon its passage and approval by the Governor.

The Senate Floor Amendment No. 1 to the Senate Committee Substitute to **HB 239** is as follows:

On page 1, line 9, after "***78.852***", by deleting the remainder of line 9 and all the underlined language on lines 10 and 11, and inserting in lieu thereof the following:

(1) A salvage title shall be obtained by the owner ***of a*** [~~for any~~] motor vehicle ***that meets the following definition of a salvage vehicle:***

(b) The value of repair parts for purposes of this definition shall be determined by using the current published retail cost of the parts equal in kind and quality to the parts to be replaced or the actual retail cost of the repair parts used in repair.

(3) The county clerk shall retain a copy of each salvage title application received and shall forward the original and its supporting documents to the Department of Vehicle Regulation in a manner similar to that for handling of an application for a title.

(4) The Department of Vehicle Regulation shall process the salvage title application in a manner similar to that used in processing a title application and the salvage title shall be delivered in a like manner of a title. Salvage titles shall be construed as proof of ownership of a vehicle in a state as to be unusable upon the highways of the Commonwealth. [~~Under no circumstances shall any~~] ***A*** vehicle ***shall not*** be issued a registration for highway use as long as a salvage title is in force.

(5) The only ***time*** [~~instance under which~~] a vehicle with a salvage title may be operated upon the highways of the

The brand shall be carried forward and printed in the appropriate section on the face of all titles issued thereafter for that motor vehicle.

(4) The owner of a water damaged vehicle shall make application to the cabinet for a salvage certificate of title as provided for in Section 3 of this Act. The owner of a vehicle with a brand from another jurisdiction identifying the vehicle as water damaged or other similar designation who is making application for a Kentucky title shall be issued a title with the words "water damaged" printed on the face of the title.

Upon receipt of this information, the cabinet shall issue the company a certificate of title to replace a salvage certificate of title. The cabinet shall promulgate administrative regulations pursuant to KRS Chapter 13A regarding the forms and any additional information which insurance companies shall be required to obtain and submit when seeking a certificate of title to replace a salvage certificate of title.

(b) In claim settlements that do not involve transfer of the vehicle to the insurance company, an insurer shall not render payment on a damage claim for a vehicle whose damage meets or exceeds seventy-five percent (75%) of the value of the vehicle, until the insurer has received proof that the owner has surrendered the title or has applied for a salvage certificate of title as set forth in Section 3 of this Act. The owner shall apply for a salvage certificate of title within three (3) working days of the agreed settlement.

(c) An insurance company shall not refuse coverage to, and shall not reclassify coverage of, a vehicle that has been issued a rebuilt title pursuant to the provisions of this section.

(7) A motor vehicle owner or a motor vehicle dealer licensed in this state who offers for sale, trade, or transfer a motor vehicle which carries a title brand, as set forth in subsection (2) of this section, shall disclose the nature of the brand to any prospective buyer or transferee, prior to the sale, and according to the following:

(8) Failure of a dealer to procure the buyer's acknowledgment signature on the buyer's notification form or failure of any person other than a dealer to procure the buyer's acknowledgment signature on the vehicle transaction record form shall render the sale voidable at the election of the buyer. (9) The notification provisions of this section shall not apply to motor vehicles more than ten (10) model years old.

(10) The Transportation Cabinet shall promulgate administrative regulations pursuant to KRS Chapter 13A, regarding the administration of the title branding procedure within ninety (90) days from the effective date of this Act. If the member dies after retirement, the option chosen shall prevail over the provisions of subsections (1) and (3) of this section. If the member dies prior to retirement, the option chosen shall prevail over the provisions of subsection (2) of this section. The options shall include:***

(a) Survivorship one hundred percent (100%). The member may elect to receive a decreased retirement allowance during the member's lifetime and have the retirement allowance continued after death to the spouse during the lifetime of the spouse.

(b) Survivorship sixty-six and two-thirds percent (66 2/3%). The member may elect to receive a decreased retirement allowance during the member's lifetime and have two-thirds (2/3) of the retirement allowance continue after death to the spouse during the lifetime of the spouse.

Section 6. KRS 21.360 is amended to read as follows:

(1) Each Judge of the District Court in office on July 1, 1978, may within thirty (30) days after that date, and any judge or justice of any court entitled to be a member thereafter taking office may within thirty (30) days after taking office, elect to make monthly contributions to the retirement system in an amount equal to five percent (5%) of his monthly official salary. The election shall be effective to establish membership in the system as of July 1, 1978, or as of the date the judge or justice took office, as the case may be. The election shall be addressed to and filed with the secretary of the Finance and Administration Cabinet, and shall constitute an authorization by the member, to the secretary, to thereafter cause to be deducted from the member's official salary, each month, an amount equal to five percent (5%) of the monthly salary, as a voluntary contribution by the member towards the funding of the retirement system. ***The contribution shall continue until the judge or justice is vested in a service retirement allowance equal to one hundred percent (100%) of final compensation. Thereafter employee contributions shall be discontinued but continued service and retirement***

benefits shall not be affected thereby.

(2) A judge or justice entitled to elect membership in the retirement system who failed to elect membership within thirty (30) days after taking office in 1980 may elect membership not later than August 31, 1990. An election, upon being made pursuant to this section, shall operate to create an inviolable contract between the member and the Commonwealth, guaranteeing to and vesting in the member the rights and benefits provided for under the terms and conditions of KRS 21.350 to 21.510.

(3) When any judge makes a delayed election of membership in the Judicial Retirement Plan under subsection (2) of this section, his active membership in the Kentucky Employees' Retirement System shall terminate, as of the date his membership in the Judicial Retirement Plan becomes effective, and any credit in the Kentucky Employees' Retirement System, earned for service as a judge, which he then has or which he subsequently regains while being an active member of the Judicial Retirement Plan, shall be transferred to and counted as service credit in the Judicial Retirement Plan, and shall no longer constitute credit in the Kentucky Employees' Retirement System, except for the purpose of validating any other credit in that system. However, any credit he then has in the Kentucky Employees' Retirement System, earned for service in any capacity other than a judge, shall not be affected. No person may attain credit in more than one (1) of the retirement plans or systems mentioned in this section for the same period of service. When credit is transferred from the Kentucky Employees' Retirement System to the Judicial Retirement Plan, the Kentucky Employees' Retirement System shall transfer to the Judicial Retirement Fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to the date of transfer at the actuarially-assumed interest rate of the Kentucky Employees' Retirement System in effect at the time the contributions were made, compounded annually at that same interest rate.

(4) Membership and benefit rights for judges and justices (other than Judges of the District Court), and for the commissioners and administrative director, who took office prior to July 1, 1978, shall be dependent upon valid elections having been made under this section (and KRS 21.355 and 21.365) prior to the 1978 amendment to this section. The terms of such elections, including the contribution rate, shall continue to govern for the duration of the member's service.

(5) When any Judge of the District Court in office on July 1, 1978, elects membership in the Judicial Retirement System in accordance with this section, his membership in the Kentucky Employees' Retirement System shall terminate as of July 1, 1978, and any credit in that system he earned for service as a Judge of the District Court shall be nullified; provided that the effect of such service to validate any other service credit in that system shall not be nullified.

(6) The state shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employee contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(10). The picked-up employee contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982, by the employee contribution, and the picked-up employee contribution shall be in lieu of an employee contribution. The state shall pay these picked-up employee contributions from the same source of funds which is used to pay earnings to the employee. The employee shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employee contributions picked up after August 1, 1982, shall be treated for all purposes of KRS 21.345 to 21.570 in the same manner and to the same extent as employee contributions made prior to August 1, 1982.

(7) An election once made under this section, either to participate or not to participate in the Judicial Retirement Plan, shall be considered to apply, to all future service in any office covered by the plan, whether such service is in the same or a different office, and whether or not it is continuous.

Section 7. KRS 6.525 is amended to read as follows:

The Legislators' Retirement Plan shall be governed by KRS 21.560 and by provisions identical in terms with those provided in KRS 21.345(1) and (3), ***21.360(1),*** 21.370, 21.375, 21.380, 21.385, 21.410, 21.420, 21.425, 21.450, 21.460, 21.470, 21.480, 21.525 and 61.552 for the Judicial Retirement Plan, except that:

(1) Five (5) years of service as a legislator will be sufficient for vesting; and

(2) A member of the Legislators' Retirement Plan may combine his service credit with his service credit in the Teachers' Retirement System, Kentucky Employees' Retirement System, County Employees' Retirement System, and State Police Retirement System at the time of his retirement, according to the procedure of KRS 61.680 (2)(a). A member of the Legislators' Retirement Plan may retire at the completion of thirty (30) or more years of combined service credit, so long as at least fifteen (15) years of such credit were earned after January 1, 1960, and there shall be no reduction in the retirement allowance because of retirement before the age of sixty-five (65). For the purposes of this section, any reference in the KRS sections listed above, to the Judicial Retirement Plan shall also be read as a reference to the Legislators' Retirement Plan, and any reference to the Legislators' Retirement Plan shall also be read as a reference to the Judicial Retirement Plan.".

(5) Subsection (4) of this section shall not apply to ~~[those]~~ children placed for adoption prior to June 14, 1962.

Section 3. KRS 199.473 is amended to read as follows:

(1) All persons other than a ~~[licensed]~~ child-placing agency or institution, the department, or persons excepted by KRS 199.470(4) or (5) who wish to place or receive a child shall make written application to the secretary for permission to place or receive a child. ***Prior to the approval*** ~~[Upon receipt]~~ of an application to place or receive a child, together with the fee required pursuant to subsection ***(6)*** ~~[(5)]~~ of this section, the secretary shall cause ***the*** ~~[an]~~ investigation to be made ***by a Cabinet for Human Resources social worker unless the applicant specifies in the application that the investigation shall be done by an adoption worker*** of the home and the background of the person or persons wishing to receive the child. ***The portion of the investigation pertaining to the home and family background shall be valid for one (1) year following the date of its completion by an adoption worker.*** The purpose of the investigation shall be to determine the suitability of the applicants to receive a child, taking into account at all times the best interest of the child for whom application to receive has been made. The ***adoption*** ~~[child welfare]~~ worker making the investigation shall make a finding in writing recommending either that the application be granted or that the application be denied. In either case, reasons for the ***adoption*** ~~[child welfare]~~ worker's recommendation shall be given in writing. The recommendation of the ***adoption*** ~~[child welfare]~~ worker shall then be reviewed by the secretary. Based on the report and recommendation of the ***adoption*** ~~[child welfare]~~ worker making the investigation, the secretary shall grant or refuse permission for the applicant to place or receive a child as early as practicable, but, in any case, the decision shall be made within sixty (60) days after the receipt of the application. In reaching his decision, the secretary shall be guided by the ability of the persons wishing to receive the child to give the child a suitable home, and shall at all times consider the best interest of the child from a financial, medical, psychological, and psychiatric standpoint. If the application is refused, the secretary shall in general terms furnish in writing the reasons for his refusal.

(2) ***Upon a finding by the Circuit Court that the child should be placed prior to the secretary's ruling on the application, the Circuit Court may grant the applicant temporary custody of the child pending the decision of the secretary. If the application is denied, the temporary custody order shall be set aside and, upon motion of the cabinet or of the child's parent or parents, the Circuit Court may order the child returned to the biological parent or parents or the child's custody may be awarded to the cabinet, another licensed child-placing agency, or such other individuals deemed appropriate by the court. This section shall not be deemed to permit the completion of any adoption proceeding without the approval of the secretary and compliance with KRS 615.030, if required.***

(3) In any case where the cabinet refuses to approve the placement of a child for adoption when requested by the parent or parents of the child, or refuses the request of any person or persons that a child be placed with him or them for adoption, the decision of the secretary in so refusing shall be final unless within ten (10) days after notice of refusal, the biological or proposed adopting parent or parents shall appeal to the Circuit Court of the county in which the adoption is proposed. No placement shall be disapproved on the basis of the religious, ethnic, racial, or interfaith background of the adoptive applicant, if the placement is made with the consent of the parent. ***The cabinet may refuse to approve the placement of a child for adoption if the child's custodial parent is unwilling for the child to be placed for adoption with the proposed adoptive family. The cabinet may approve or deny the placement, in spite of the fact that the custodial parent or parents are unwilling to be interviewed by the cabinet or other approving entity, or if, after diligent efforts have been made, the adoption worker is unable to locate or interview the custodial parent or parents.*** The cabinet shall be made a party defendant to the appeal. In the hearing of an appeal, the court shall review the findings of the secretary and shall determine if the secretary has acted arbitrarily, unlawfully, or in such a manner as to constitute an abuse of discretion.

[~~(3) No person, association, or organization, other than the cabinet or a licensed child-placing institution or agency shall place a child or act as intermediary in the placement of a child for adoption or otherwise, except in the home of a stepparent, grandparent, sister, brother, aunt, or uncle, or upon written approval of the secretary. Nothing in this subsection shall be construed to limit the Cabinet for Human Resources in carrying out its Aid to Dependent Children Program in accordance with KRS Chapter 205.~~]

(4) If a child who does not fall within the exception provided for in KRS 199.470(4) or (5) is placed or received in a home without the permission of the secretary for human resources, or if permission to receive a child has been denied, a representative of the cabinet may petition the juvenile session of District Court of the county in which the child is found setting out the facts concerning the child. When the petition has been filed, the court shall take jurisdiction of the child and shall provide for it as it would provide for a dependent, neglected, or abused child under KRS Chapter 620, except that the child may not be placed in the home of the applicants to receive him unless permission to do so is granted by the secretary or the action is ordered by a [~~Circuit Court, the~~] Kentucky court of ***competent jurisdiction*** [~~Appeals or Supreme Court of Kentucky~~].

(5) ***When either the custodial parent or parents of the child to be placed or the persons wishing to receive the child reside out-of-state, the requirement of KRS 615.030, Interstate Compact on the Placement of Children, shall be met before the cabinet gives approval for the child's placement.***

(6) The secretary of the Cabinet for Human Resources shall be paid a nonrefundable fee of one hundred fifty dollars ($150) upon the filing of the written application for permission to place or receive a child. Payment shall be made by certified or cashier's check only. All funds collected under this section shall be deposited in a restricted account, which is hereby created, for the purpose of subsidizing an adoptive parent for suitable care of a special needs child as authorized in KRS 199.555.

(7)[~~(6)~~] Nothing in this statute shall be construed to limit the authority of the cabinet or a [~~licensed~~] child-placing institution or agency to determine the proper disposition of a child committed to it by the juvenile session of District Court or the Circuit Court, prior to the filing of an application to place or receive.

Section 4. KRS 199.480 is amended to read as follows:

(2) Each party defendant shall be brought before the court in the same manner as provided in other civil cases except that if the child to be adopted is under fourteen (14) years of age and the cabinet, individual, institution or agency has custody of ***the*** [~~such~~] child, the service of process upon ***the*** [~~such~~] child shall be had by serving a copy of the summons in ***the***

[~~such~~] action upon the cabinet, individual, institution or agency, any provision of CR 4.04(3) to the contrary notwithstanding.

(2) There shall be filed with the petition certified copies of any orders terminating parental rights. Any consent to adoption shall be filed prior to the entry of the adoption judgment.

(3) If the petitioner was not excepted by KRS 199.470(4) or (5), a copy of the written approval of the Secretary of the Cabinet for Human Resources or the secretary's designee shall be filed with the petition.

Section 6. KRS 199.500 is amended to read as follows:

(1) *An* [~~No~~] adoption shall *not* be granted without the *voluntary and informed* [~~sworn~~] consent of the living parent or parents of a child born in lawful wedlock or the mother of the child born out of wedlock, or the father of the child born out of wedlock if paternity is established in a legal action or if an affidavit is filed stating that the affiant is the father of the child, except that *the* [~~such~~] consent of the living parent or parents shall not be required if:

(2) A minor parent who is a party defendant may consent to an adoption but a guardian ad litem for *the* [~~such~~] parent shall be appointed.

(3) In the case of a child twelve (12) years of age or older, the consent of the child shall be given in court. [~~, provided that~~] The court in its discretion may waive this requirement.

(5) [~~In no case shall~~] An adoption *shall not* be granted or a consent for adoption be held valid if *the* [~~such~~] consent for adoption is given prior to *seventy-two (72) hours* [~~the fifth day~~] after the birth of the child. *A voluntary and informed consent may be taken at seventy-two (72) hours after the birth of the child and shall become final and irrevocable twenty (20) days after either the interstate or the intrastate placement approval by the secretary of the Cabinet for Human Resources, or twenty (20) days after the execution of the consent if placement approval was given prior to the signing of the consent.*

Section 7. KRS 199.510 is amended to read as follows:

If the cabinet or the designated person, agency or institution is unable to make the report, it shall within ten (10) days of receipt of the petition notify the court of its inability to conduct the investigation, and the court may designate some other person, agency or institution to make the necessary investigation. If the court designates some other person, agency or institution, the clerk shall forward one (1) copy of the petition to such person, agency or institution and shall notify the cabinet of such other designation at the time he forwards the petition to the cabinet.

In the judgment***,*** the name of the child shall be changed to conform with the prayer of the petition. The judgment and all orders required to be entered and recorded in the order book, including the caption, shall contain only the names of the petitioners and the proposed adopted name of the child, without any reference [~~whatsoever~~] to its former name or the names of its birth parents.

(2) Upon entry of the judgment of adoption, from and after the date of the filing of the petition, the child shall be deemed the child of petitioners and shall be considered for purposes of inheritance and succession and for all other legal considerations, the natural child of the parents adopting it the same as if born of their bodies. ***Upon granting an adoption, all legal relationship between the adopted child and the biological parents shall be terminated except the relationship of a biological parent who is the spouse of an adoptive parent*** [~~Except where a biological parent is the spouse of an adoptive parent an adopted child from the time of adoption shall have no legal relationship to its birth parents in respect to either personal or property rights~~].

(3) The clerk of the court shall notify the cabinet of any action of the court with respect to entering a judgment granting an adoption, the amendment of an adoption, or the denial or dismissal of a petition for adoption.

(4) (a) The health history of biological parents and blood relatives of the adopted person, in writing, on a standardized form, provided by the cabinet, if known, shall be given by the cabinet or child-placing agency which has ***the*** [~~such~~] information[~~,~~] to the adoptive parents and to the Circuit Court not later than the date of finalization of the adoption proceedings; and

(2) After the expiration of ***one (1) year*** [~~two (2) years~~] from the date of the entry of judgment of adoption, the validity thereof shall not be subject to attack in any ***action*** [~~procedure~~], collateral or direct, by reason of any irregularity ***or***

SECTION 10. A NEW SECTION OF KRS CHAPTER 199 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding the provisions of KRS 199.500(1), an adoption may be granted without the consent of the biological living parents of a child if it is pleaded and proved as part of the adoption proceeding that any of the following conditions exist with respect to the child:

(a) That the parent has abandoned the child for a period of not less than ninety (90) days;

(b) That the parent had inflicted or allowed to be inflicted upon the child, by other than accidental means, serious physical injury;

(c) That the parent has continuously or repeatedly inflicted or allowed to be inflicted upon the child, by other than accidental means, physical injury or emotional harm;

(d) That the parent, for a period of not less than six (6) months, has continuously or repeatedly failed or refused to provide or has been substantially incapable of providing essential parental care and protection for the child, and that there is no reasonable expectation of improvement in parental care and protection, considering the age of the child;

(e) That the parent has caused or allowed the child to be sexually abused or exploited; or

(f) That the parent, for reasons other than poverty alone, has continuously or repeatedly failed to provide or is incapable of providing essential food, clothing, shelter, medical care, or education reasonably necessary and available for the child's well-being and that there is no reasonable expectation of significant improvement in the parent's conduct in the immediately foreseeable future, considering the age of the child.

(2) Upon the conclusion of proof and argument of counsel, the Circuit Court shall enter findings of fact, conclusions of law, and a decision either:

(a) Granting the adoption without the biological parent's consent; or

(b) Dismissing the adoption petition, and stating whether the child shall be returned to the biological parent or the child's custody granted to the state, another agency, or the petitioner.

Section 11. KRS 199.570 is amended to read as follows:

(1) The files and records of the court during adoption proceedings shall not be open to inspection by persons other than parties to such proceedings, their attorneys, and representatives of the cabinet except under order of the court expressly permitting inspection. Upon the entry of the final order in the case, the clerk shall place all papers and records in the case in a suitable envelope which shall be sealed and shall not be open for inspection by any person except on written order of the court, except that upon the written consent of the biological parents and upon written order of the Circuit Court all papers and records including all files and records of the Circuit Court during proceedings for termination of parental rights provided in KRS 625.108 shall be open for inspection to any adult adopted person who applies in person or in writing to the Circuit Court as provided in KRS 199.572. No person having charge of any adoption records shall disclose the names of any parties appearing in such records or furnish any copy of any such records, except upon order of the court which entered the judgment of adoption. The clerk of the Circuit Court shall set up a separate docket and order book for adoption cases and these files and records shall be kept locked.

(2) After entry of the adoption judgment, the clerk of the Circuit Court shall promptly report to the Cabinet for Human Resources of Kentucky full information as called for on forms furnished by the Cabinet for Human Resources, necessary to make a new birth certificate conforming to the standard birth certificate form. Upon receipt of this information, the Cabinet for Human Resources shall cause to be made a new record of the birth and it shall be filed with the original certificate, and the original certificate shall be stamped with the words, "CONFIDENTIAL -- subject to copy and/or inspection only on written order of the court."

(3) The new certificate shall set forth the new name, if any, of the adopted child, the names of the adoptive parents and such other information deemed necessary in accordance with rules and regulations promulgated by the Cabinet for Human Resources in issuing of birth certificates. If the adopted child is under eighteen (18) years of age, the birth certificate shall not contain any information revealing the child is adopted and shall show the adoptive parent or parents as the biological parent or parents of the child. *If requested by the adoptive parents,* the new birth certificate when issued shall [~~not~~] contain the *location* [~~place~~] of birth, hospital and name of doctor or midwife. This information should be given only by an order of the court in which the child was adopted. The new birth certificate shall recite the residence of the adoptive parents as the birthplace of the child and this shall be deemed for all legal purposes to be the birthplace of the child. If no birth certificate is on file for a child born in Kentucky, the Cabinet for Human Resources shall prepare a certificate of birth in accordance with the information furnished the cabinet by the clerk of the Circuit Court which issued the adoption order. The Cabinet for Human Resources shall furnish to the clerks of the Circuit Courts the necessary forms to carry out the provisions of this section. *If* [~~In the event~~] the child was born in another state, the order of adoption shall be forwarded to the division of vital statistics of the state concerned to be changed in accordance with the laws of such state. *If* [~~In the event~~] the child was born in a foreign country, the report of adoption shall be returned to the attorney or agency handling the adoption for submission to the appropriate federal agency.

(4) Thereafter when any copy of the certificate of birth of any child is issued it shall be a copy of the new certificate of birth, except when an order of the court granting the judgment of adoption shall request the issuance of the copy of the original certificate of such child's birth.

(5) If any judgment of adoption is reversed, modified or vacated in any particular, the clerk of the Circuit Court shall notify the Cabinet for Human Resources of ***the*** [~~such~~] reversal or modification and the effect of same, and ***the*** [~~thereupon such~~] cabinet shall make ***any necessary*** [~~such~~] changes[~~, if any,~~] in its records [~~as may be necessary by such reversal or modification~~].

Section 12. KRS 199.590 is amended to read as follows:

(1) ***A*** [~~No~~] person, corporation, or association shall ***not*** advertise in any manner that it will receive children for the purpose of adoption. ***A*** [~~nor shall any~~] newspaper published in the Commonwealth of Kentucky ***or*** [~~nor~~] any other publication which is prepared, sold, or distributed in the Commonwealth of Kentucky ***shall not*** contain an advertisement which solicits children for adoption or solicits the custody of children.

(2) ***A*** [~~No~~] person, agency, institution, or intermediary ***shall not*** [~~may~~] sell or purchase or procure for sale or purchase any child for the purpose of adoption or any other purpose, including termination of parental rights. [~~Nothing in~~] This section shall ***not*** prohibit a [~~licensed~~] child-placing agency from charging a fee for adoption services. [~~Nothing in~~] This section shall ***not*** be construed to prohibit in vitro fertilization. For purposes of this section, "in vitro fertilization" means the process ***by which*** [~~whereby~~] an egg is removed from a woman, ***and*** [~~then~~] fertilized in a receptacle by the sperm of the husband of the woman in whose womb the fertilized egg will thereafter be implanted.

(3) ***No person, association, or organization, other than the cabinet or a child-placing institution or agency shall place a child or act as intermediary in the placement of a child for adoption or otherwise, except in the home of a stepparent, grandparent, sister, brother, aunt, or uncle, or upon written approval of the secretary. This subsection shall not be construed to limit the Cabinet for Human Resources in carrying out its Aid to Dependent Children Program in accordance with KRS Chapter 205. This section shall not be construed to prohibit private independent adoption or the right to seek legal services relating to a private independent adoption.***

(4) ***A*** [~~No~~] person, agency, institution, or intermediary shall ***not*** be a party to a contract or agreement which would compensate a woman for her artificial insemination and subsequent termination of parental rights to a child born as a result of that artificial insemination. ***A*** [~~No~~] person, agency, institution, or intermediary shall ***not*** receive compensation for the facilitation of contracts or agreements as proscribed by this subsection. Contracts or agreements entered into in violation of this subsection shall be void.

(5) A person, organization, group, agency, or any legal entity, except a child-placing agency, shall not accept any fee for bringing the adoptive parents together with the child to be adopted or the biological parents of the child to be adopted. This section shall not interfere with the legitimate practice of law by an attorney.

(6)[~~(4)~~] In ***every*** [~~any~~] adoption [~~for which approval of the secretary is required under KRS 199.470(4)~~], the total amount of money paid ***by or on behalf of the adoptive parents for any purpose related to the adoption shall be made known to the court for approval or modification prior to a judgment for adoption. The adoptive parents and their attorney shall submit an affidavit to the court stating in detail each item paid including, but not limited to, any fees for legal services, placement services, and expenses of biological parent or parents***[~~, including attorney's fees, by adoptive parents for any purpose related to the adoption shall be made known to the court for approval or modification~~].

Section 13. KRS 199.990 is amended to read as follows:

(1) Any person violating any of the provisions of KRS 199.380 to 199.400 shall be guilty of an offense, and upon conviction thereof, shall be fined not more than five hundred dollars ($500) or imprisoned for not more than twelve (12) months, or be both fined and imprisoned, in the discretion of the court.

(2) Any person who violates any of the provisions of KRS 199.430, 199.470, 199.473, 199.570 and 199.590 ***except subsection (2),*** or 199.640 to 199.670, or any rule or regulation under such sections the violation of which is made unlawful shall be fined not less than five hundred dollars ($500) nor more than two thousand dollars ($2,000) or imprisoned for not more than six (6) months, or both. Each day such violation continues shall constitute a separate offense.

(3) Any person who willfully violates any other of the provisions of KRS 199.420 to 199.670 or any rule or regulation thereunder, the violation of which is made unlawful under the terms of those sections, and for which no other penalty is prescribed in those sections or in subsection (1) of this section, or in any other applicable statute, shall be fined not less than ***one hundred dollars ($100)*** [~~twenty dollars ($20)~~] nor more than two hundred dollars ($200) or imprisoned for not more than thirty (30) days, or both.

(4) Any person who violates any of the provisions of KRS 199.896 shall be fined not less than one thousand dollars ($1,000) or imprisoned for not more than twelve (12) months, or be fined and imprisoned, at the discretion of the court.

This provision shall not affect the right of a court to grant temporary custody under Section 3 of this Act.***

(3) No petition may be filed under this chapter prior to ***three (3)*** [~~five (5)~~] days after the birth of the child.

Section 15. KRS 625.042 is amended to read as follows:

(1) Within three (3) days after a petition for the voluntary termination of parental rights is filed, the Circuit Court shall set a date for a hearing.

(2) The Circuit Court shall require notice to be served upon the local representative of the cabinet in any case in which a statement from the cabinet of willingness to accept custody of the child has not been filed with the petition, or custody of the child is to be placed with an individual ***unless the placement has been approved by the cabinet*** [~~and not the cabinet or a licensed agency unless the cabinet has approved the placement~~]. ***It shall not be necessary to serve notice upon the cabinet if custody of the child is to be placed with the cabinet or with a child-placing agency.***

(3) Proceedings under this chapter shall be completed as soon as practicable. All hearings shall be held before the Circuit Court privately for the purpose of determining the facts.

(4) An official stenographic or mechanical record shall be made of the proceedings and retained for a period of five (5) years.

(5) The best interests of the child shall be considered paramount.

(6) At the time of the hearing, the Circuit Court, after full and complete inquiry, shall determine whether each petitioner is fully aware of the purpose of the proceedings and the consequences of the provisions of this chapter.

Section 16. KRS 625.043 is amended to read as follows:

(1) If the Circuit Court determines that parental rights are to be voluntarily terminated in accordance with the provisions of this chapter, it shall make an order terminating all parental rights and obligations of ***the*** [~~such~~] parent and releasing the child from all legal obligations to ***the*** [~~such~~] parent and vesting care and custody of the child in ***the*** [~~such~~] person, agency***,*** or cabinet [~~as~~] the court believes is best qualified to receive custody.

(2) Upon consent by the Cabinet for Human Resources, the child may be declared a ward of the state and custody vested in the cabinet or in any child-placing agency[~~,~~] or child-caring facility licensed by the cabinet or in another person ***if*** [~~provided~~] all persons with parental rights to the child under the law have had their rights terminated voluntarily or involuntarily. ***If the other person is not excepted by KRS 199.470(4) or (5), a grant of permanent custody shall be made only if the proposed custodian has received the written approval of the secretary or the secretary's designee for the child's placement.***

Section 17. KRS 625.090 is amended to read as follows:

(1) The Circuit Court may involuntarily terminate all parental rights of a parent of a named child, if the Circuit Court finds from the pleadings and by clear and convincing evidence that the child has been adjudged to be an abused or neglected child by a court of competent jurisdiction or is found to be an abused or neglected child by the Circuit Court in this proceeding and that termination would be in the best interest of the child. No termination of parental rights shall be ordered unless the circuit court also finds by clear and convincing evidence the existence of one (1) or more of the following grounds:

(a) That the parent has abandoned the child for a period of not less than ***ninety (90) days*** [~~six (6) months~~];

(b) That the parent has inflicted or allowed to be inflicted upon the child, by other than accidental means, serious physical injury;

(c) That the parent has continuously or repeatedly inflicted or allowed to be inflicted upon the child, by other than accidental means, physical injury or emotional harm;

(d) That the parent, for a period of not less than six (6) months, has continuously or repeatedly failed or refused to provide or has been substantially incapable of providing essential parental care and protection for the child and that there is no reasonable expectation of improvement in parental care and protection, considering the age of the child;

(e) That the parent has caused or allowed the child to be sexually abused or exploited; or

(f) That the parent, for reasons other than poverty alone, has continuously or repeatedly failed to provide or is incapable of providing essential food, clothing, shelter, medical care, or education reasonably necessary and available for the child's well-being and that there is no reasonable expectation of significant improvement in the parent's conduct in the immediately foreseeable future, considering the age of the child.

(2) In determining the best interest of the child and the existence of a ground for termination, the Circuit Court shall consider the following factors:

(a) Emotional illness, mental illness, or mental deficiency of the parent as certified by a qualified mental health professional, which renders the parent consistently unable to care for the immediate and ongoing physical or psychological needs of the child for extended periods of time;

(b) Acts of abuse or neglect toward any child in the family;

(c) If the child has been placed with the cabinet or a child-placing agency or child-caring facility, whether the cabinet has rendered or attempted to render all reasonable services to the parent which reasonably might be expected to bring about a reunion of the family, including the parent's testimony concerning ***the*** [~~such~~] services and whether additional services would be likely to bring about lasting parental adjustment enabling a return of the child to the parent within a reasonable period of time, considering the age of the child;

(d) The efforts and adjustments the parent has made in his circumstances, conduct, or conditions to make it in the child's best interest to return him to his home within a reasonable period of time, considering the age of the child;

(e) The physical, emotional, and mental health of the child and the prospects for the improvement of the child's welfare if termination is ordered; and

(f) The payment or the failure to pay a reasonable portion of substitute physical care and maintenance if financially able to do so.

(3) If the parent proves the following to the satisfaction of the court, the court in its discretion may determine not to terminate parental rights:

(a) That serious physical injury to the child will not occur in the future;

(b) That continuous or repeated physical injury or emotional harm to the child will not occur in the future; or

(c) That sexual abuse or exploitation will not occur in the future.

(4) Upon the conclusion of proof and argument of counsel, the Circuit Court shall enter findings of fact, conclusions of law and a decision as to each parent-respondent either:

(a) Terminating the right of ***the*** [~~such~~] parent; or

(b) Dismissing the petition and [~~in such event~~] stating whether the child shall be returned to the parent or shall remain in the custody of the state.

SECTION 18. A NEW SECTION OF KRS CHAPTER 625 IS CREATED TO READ AS FOLLOWS:

(1) A parent desiring the termination of his or her parental rights and a transfer of the parental rights to a person, persons, or agency for the purpose of adoption may upon the filing of the petition request the Circuit Court to appoint an attorney to represent the parent and provide legal representation in the termination action. If the court determines pursuant to KRS Chapter 31 that the requesting parent is indigent, the court shall appoint an attorney to represent the parent. The attorney for the indigent parent shall receive a fee to be fixed by the court, not to exceed five hundred dollars ($500), and paid by the proposed adoptive parent, parents, or agency before the entry of a judgment of termination, except the attorney's fee shall be paid by the Finance and Administration Cabinet if termination is not granted.

(2) No adoptive parent, proposed adoptive parent, agency, or intermediary shall pay the attorney's fees of a biological parent for any purpose related to a termination action for the purpose of an adoption except as approved by the court.

The tests shall be designed to provide the state with national comparisons and shall be the same as, or similar to those used by the National Assessment of Educational Progress. The interim testing program shall begin during the 1991-92 school year and shall be administered to a sample of students representative of each school and the state as a whole. (2) Upon July 13, 1990, the state board shall contract with three (3) or more authorities in the field of performance assessment to design the specifications for the interim and full-scale statewide assessment development effort. The assessment authorities shall review the bids and make a recommendation to the board. The authorities shall have no pecuniary interest with the successful bidder.

(3) In addition to statewide testing for the purpose of determining school success, the board shall have the responsibility of assisting local school districts and schools in developing and using continuous assessment strategies needed to assure student progress.

(4) By October 1 of each year, local boards of education shall publish in the newspaper with the largest circulation in the county an annual performance report on district accomplishments and activities pertaining to performance goals including, but not limited to, retention rates and student performance, the districts' goals for the succeeding year, and other items as may be set forth in State Board for Elementary and Secondary Education administrative regulations.

Report of Committees (Continued)

The Committee on Labor and Industry reported **SB 284**, with Committee Amendment attached thereto, and **SB 232** with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

SB 284, AN ACT relating to workers' compensation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.700 is amended to read as follows:

(1) Whenever an injury for which compensation is payable under this chapter has been sustained under circumstances creating in some other person than the employer a legal liability to pay damages, the injured employee may either claim compensation or proceed at law by civil action against such other person to recover damages, or proceed both against the employer for compensation and such other person to recover damages, but he shall not collect from both. If the injured employee elects to proceed at law by civil action against such other person to recover damages, he shall give due and timely notice to the employer of the filing of such action. If compensation is awarded under this chapter, the employer, his insurance carrier, the special fund, and the uninsured employer's fund, or any of them, having paid the compensation or having become liable therefor, may recover in his or its own name or that of the injured employee from the other person in whom legal liability for damages exists, not to exceed the indemnity paid and payable to the injured employee, less the employee's legal fees and expense.

(2) A principal contractor, intermediate, or subcontractor shall be liable for compensation to any employee injured while in the employ of any one (1) of his intermediate or subcontractors and engaged upon the subject matter of the contract, to the same extent as the immediate employer. Any principal, intermediate, or subcontractor who pays such compensation may recover the amount paid from any subordinate contractor through whom he has been rendered liable under this section. Every claim to compensation under this subsection shall in the first instance be presented to and instituted against the immediate employer, but such proceedings shall not constitute a waiver of the employee's rights to recover compensation under this chapter from the principal or intermediate contractor nor shall such claim be barred by limitations, provided such claim is filed against the principal or intermediate contractor within one (1) year after a final unappealed order has been rendered by an administrative law judge determining that immediate employer has insufficient security to pay the full and maximum benefits that could be determined to be due him under this chapter. The collection of full compensation from one employer shall bar recovery by the employee against any other. But he shall not collect from all a total compensation in excess of the amount for which his immediate employer is liable. This subsection shall apply only in cases where the injury occurred on, in, or about the premises on which the principal contractor has undertaken to execute work or which are under his control otherwise or management.

(3) It shall be considered contrary to public policy and unlawful for any owner or employer to require another employer to waive its remedies granted by this subsection as a condition of receiving a contract or purchase order. Furthermore, in selecting between two (2) or more contractors or suppliers, consideration may not be given by an owner or employer to whether one (1) contractor or supplier voluntarily waives its remedies under this subsection or offers to accept lesser compensation than another contractor or supplier for that waiver of remedies.

The Committee Amendment No. 1 to **SB 284** is as follows:

On pages 1 and 2, by deleting Section 1. in its entirety and by inserting the following:

DEFINITIONS

Section 1. KRS 342.0011 is amended to read as follows:

As used in this chapter***,*** unless the context otherwise requires:

(1) "Injury" means any work-related harmful change in the human organism, arising out of and in the course of employment, including damage to or loss of a prosthetic appliance, but does not include any communicable disease unless the risk of contracting ***the*** ~~[such]~~ disease is increased by the nature of the employment. The occupational disease shall be incidental to the character of the business and not independent of the relationship of employer and employee. An occupational disease need not have been foreseen or expected but, after its contraction, it must appear to be related to a risk connected with the employment and to have flowed from that source as a rational consequence.

(4) "Injurious exposure" as used in KRS 342.316 shall mean that exposure to occupational hazard which would, independently of any other cause whatsoever, produce or cause the disease for which ***the*** claim is made.

(18) "Agriculture" means the operation of farm premises, including the planting, cultivation, producing, growing, harvesting, and preparation for market of agricultural or horticultural commodities thereon, the raising of livestock for food products and for racing purposes, and poultry thereon, and any work performed as an incident to or in conjunction with ***the*** [~~such~~] farm operations. (b) "Engaged in severance or processing of coal" shall include all individuals, partnerships, corporations, joint ventures, associations, or any other business entity in the Commonwealth which has employees on its payroll who perform any of the acts stated in paragraph (a) of this subsection, regardless of whether ***the*** [~~such~~] acts are performed as owner of the coal or on a contract or fee basis for the actual owner of the coal. A business entity engaged in the severance or processing of coal, including, but not limited to, administrative or selling functions, shall be considered wholly engaged in the severance or processing of coal for the purpose of this chapter. [~~Provided~~] However, a business entity which is engaged in a separate business activity not related to coal, for which a separate premium charge is not made, shall be deemed to be engaged in the severance or processing of coal only to the extent that the number of employees engaged in the severance or processing of coal bears to the total number of employees. Any employee who is involved in the business of severing or processing of coal and business activities not related to coal shall be prorated based on the time involved in severance or processing of coal bears to his total time.

(24) "Premium" for every group of self-insurers means any and all assessments levied on its members by such group or contributed to it by the members thereof.

(25) *(a) "Premiums received" for insurance companies means direct written premiums as reported in the annual statement to the Kentucky Department of Insurance by insurance companies, except that "premiums received" includes premiums charged off or deferred, and, on insurance policies or other evidence of coverage with provisions for deductibles, the calculated cost for coverage, including experience modification and premium surcharge or discount, prior to any reduction for deductibles. For policies with provisions for deductibles with effective dates on or after January 1, 1994, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premiums received" includes the initial premium plus any reimbursements invoiced for losses, expenses, and fees charged under the deductibles. The special fund assessment rates in effect for reimbursements invoiced for losses, expenses, or fees charged under the deductibles shall be those percentages in effect on the effective date of the insurance policy.*

(b) "Direct written premium" for insurance companies means the gross premium written less return premiums and premiums on policies not taken but including policy and membership fees.

(c) "Premium" for insurance companies means all consideration, whether designated as premium or otherwise, for workers' compensation insurance paid to an insurance company or its representative, including, on insurance policies with provisions for deductibles, the calculated cost for coverage, including experience modification and premium surcharge or discount, prior to any reduction for deductibles. (28) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1) shall be the projected value of the employer's workers' compensation claims for the next calendar year as calculated by the ***commissioner*** [~~Workers' Compensation Board~~] using generally accepted actuarial methods as follows:

(a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The ***commissioner*** [~~board~~] shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each [~~such~~] claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim, plus the cost of medical and vocational rehabilitation paid to date and projected to be paid. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of ***the*** [~~such~~] claims using the adjusted weekly benefit shall then be calculated by the ***commissioner*** [~~board~~]. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating organization defined in Subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period.

(b) The ***commissioner*** [~~board~~] shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from [~~board~~] records ***of the department*** and from the records of the Division of Unemployment Insurance. The ***commissioner*** [~~board~~] shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period.

(c) The ***commissioner*** [~~board~~] shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.12 and shall then be multiplied by the employer's most recent annualized payroll, calculated using [~~board~~] records ***of***

the department and ***the*** Division of Unemployment Insurance data which shall be made available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122.

Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews his application for certification to carry his own risk for the next twelve (12) month period and submits payroll and other data in support of the application. The employer and the funding commission shall be notified at the time of the certification or recertification of the premium calculated by the ***commissioner,*** [~~board~~] which shall form the employer's basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification.

(e) If an employer having fewer than five (5) years of doing business in this state applies to carry his own risk and is so certified, his premium for the purposes of KRS 342.122 shall be based on ***the*** [~~such~~] lesser number of years of experience as may be available including the two (2) most recent years if necessary to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation, then his premium shall be the greater of the value obtained by the calculation called for in this subsection or the amount of security required by the ***commissioner*** [~~board~~] pursuant to KRS 342.340(1).

(f) If an employer is certified to carry his own risk after having previously insured ***the*** [~~such~~] risk, his premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is certified to carry his own risk and has paid all amounts due for assessments upon premiums paid while insured***,*** he shall be assessed only upon the premium calculated under this subsection.

(g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection, except that the value for each such employer's claims shall be the total of the indemnity benefits paid by the employer, adjusted to current benefit levels, plus the medical benefits paid.

(6)[~~(5)~~] Any vacancy in the term of an administrative law judge*, which occurs prior to the expiration of the term,* shall be filled by appointment of the *Governor in accordance with subsection (3) of this section within sixty (60) days from the date the vacancy occurs* [~~board~~], with the consent of the Senate *in accordance with KRS 11.160*, for the remainder of the term. [~~In the event the Senate is not in session at the time of the appointment to fill the vacancy, the consent of the Senate shall be obtained during the time the Senate next convenes.~~]

(7) (a) Effective at 12 midnight, December 31, 1997, the terms of administrative law judges who were appointed to fill the five (5) administrative law judge positions which were created in 1990 shall end. On January 1, 1998, the Governor shall make four (4) year appointments to fill these positions.

(b) Effective at 12 midnight, December 31, 1995, the terms of administrative law judges who were appointed to fill the ten (10) administrative law judge positions which were created in 1987 shall end. On January 1, 1996, the Governor shall make four (4) year appointments to fill these positions.

(c) On January 1, 1996, and January 1, 1998, as provided in paragraphs (a) and (b) of this subsection, and every fourth year thereafter, administrative law judges shall be appointed by the Governor for four (4) year terms and confirmed by the Senate in accordance with KRS 11.160. Confirmation hearings for administrative law judges shall be completed by the end of the regular session every four (4) years thereafter beginning with the 1996 Regular Session. Vacancies shall be filled in accordance with subsection (6) of this section.

(8) One (1) of the administrative law judges appointed pursuant to this section shall be appointed as a chief administrative law judge, to have the same qualifications, powers, duties and requirements as those set forth in this section for administrative law judges, and to be subject to removal for the same reasons. The chief administrative law judge shall not be assigned regular dockets but shall instead assist the commissioner by doing all scheduling of the administrative law judges, handling dockets assigned to the administrative law judges in case of an emergency, providing supervision of the administrative law judges, providing educational opportunities for the administrative law judges, and supervising the work of the employees of the Department of Workers' Claims who provide staff support for the administrative law judges. The chief administrative law judge shall be paid at the same rate as the administrative law judges plus an additional one thousand dollars ($1,000) per year. The term of the chief administrative law judge employed in 1994 shall expire on December 31, 1997. On January 1, 1998, the commissioner shall employ a person in this position for a four (4) year term.

Section 13. KRS 342.231 is amended to read as follows:

[~~(1) The commissioner of the Department of Workers' Claims shall be paid a salary not to exceed the salary of an administrative law judge as provided in KRS Chapter 342.~~

~~(2)~~] The Labor Cabinet shall report monthly to the Committee on Appropriations and Revenue its monthly expenditures of restricted agency funds and the nature of such expenditures. Separate reporting shall be done by each department within the Labor Cabinet and for general administration and support.

Section 14. KRS 342.270 is amended to read as follows:

(1) If the parties fail to reach an agreement in regard to compensation under this chapter, either party may make written application to the *commissioner* [~~board~~] for a hearing in regard to the matter at issue and for a ruling thereon. The application must be filed within two (2) years after the accident, or, in case of death, within two (2) years after *the* [~~such~~] death, or within two (2) years after the cessation of voluntary payments, if any have been made.

(2) Except with respect to uncontested claims for retraining incentive benefits by reason of occupational pneumoconiosis related to exposure to coal dust, or for disability or death by reason of occupational diseases, within thirty (30) days after the application has been received the commissioner shall set the date for a prehearing conference, to be held *no later than sixty (60) days after the application is sent to the parties* [~~as soon as practicable in view of the matter involved~~], and shall notify the parties at issue of the time and place of the prehearing conference. *As soon as practicable, but no later than the prehearing conference, all parties shall exchange medical reports; related medical information from all medical providers who have treated, examined, or evaluated the employee; vocational records and reports; and*

payroll records necessary to establish the employee's average weekly wage under this chapter. No discovery of proof shall be taken by deposition or introduced until after the pre-hearing conference unless mutually agreed to by the parties or ordered by the administrative law judge, except that any party may take the deposition of the employee.

(3) The prehearing conference shall be held at or convenient to the place where the employee resides, provided that such prehearing conference shall be held within the boundaries of the Commonwealth. At the prehearing conference, an administrative law judge shall confer informally with the parties at issue and their counsel, if any, for the purpose of defining and narrowing the issues, discussing settlement, and considering other relevant matters that may aid in the disposal of the case. If agreement upon any matter is reached, the administrative law judge shall write a memorandum setting forth the matters agreed upon. The administrative law judge and all parties shall sign the memorandum, and the administrative law judge shall file it with the ***commission*** [~~board~~]. Once filed, the memorandum shall become a part of the record.

(4) If the parties have previously filed an agreement which has been approved by the administrative law judge, and compensation has been paid or is due in accordance therewith and the parties thereafter disagree, either party may invoke the provisions of KRS 342.125, which remedy shall be exclusive.

(5) An application for adjustment of claim shall be held in abeyance by the administrative law judge during any period voluntary payments of compensation are being made under any benefit sections of this chapter to the maximum which the employee's wages shall entitle him, unless it shall be shown that the prosecution of the employee's claim would be prejudiced by delay.

Section 15. KRS 342.275 is amended to read as follows:

In any claim in which settlement is not reached at the prehearing conference, the administrative law judge shall hold a hearing on the matters at issue [~~within sixty (60) days from the date of the prehearing conference~~] in a location at or convenient to the place where the employee resides, ***except that the*** [~~provided that such~~] conference shall be held within the boundaries of the Commonwealth. ***No discovery or proof shall be taken by deposition or introduced until after the prehearing conference unless mutually agreed to by the parties or ordered by the administrative law judge except that any party may take the deposition of the employee.*** The administrative law judge may grant continuances according to criteria established in administrative regulations promulgated by the ***commissioner*** [~~board~~]. The commissioner shall notify the parties at issue of the time and place of the hearing. The administrative law judge shall render the award, order, or decision within ***sixty (60) days following the final hearing unless mutually agreed to by all parties*** [~~thirty (30) days after the case is submitted~~]. The award, order, or decision, together with a statement of the findings of fact, rulings of law, and any other matters pertinent to the question at issue shall be filed with the record of proceedings, and a copy of the award, order, or decision shall immediately be sent to the parties in dispute.

PART 4

ALTERNATIVE DISPUTE RESOLUTION

SECTION 16. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

(1) In accordance with administrative regulations promulgated by the commissioner, a collective bargaining agreement between an employer and a recognized or certified exclusive bargaining representative that contains the following provisions may be recognized as valid and binding:

(a) An alternative dispute resolution system to supplement, modify, or replace the provisions of this chapter that relate to the resolution of disputes, and which may include but is not limited to mediation and arbitration, the results of which may be binding upon the parties;

(b) The use of an agreed list of providers of medical treatment, which may be the exclusive source of all medical and related treatment provided under this chapter;

(c) The use of a limited list of physicians to conduct independent medical examinations;

(d) A light duty, modified job, or return-to-work program;

(e) A vocational rehabilitation or retraining program; and

(f) A twenty-four (24) hour health care coverage plan for medical benefits.

(2) A system of arbitration may provide that the decision of the arbiter is subject to review by an administrative law judge.

(3) Notwithstanding the provisions in subsection (1) of this section, no agreement shall be recognized as valid and binding that diminishes the rights of any of the parties under this chapter. Also, no agreement shall be valid and binding unless it is agreed to by the employer's insurance carrier.

PART 5

MEDICAL PROVISIONS: MANAGED CARE, STATEMENT FOR SERVICES, FEE SCHEDULES, ANTI-BALANCE BILLING, SELF-REFERRAL

Section 17. KRS 342.020 is amended to read as follows:

(1) In addition to all other compensation provided in this chapter, the employer shall pay for the cure and relief from the effects of an injury or occupational disease the medical, surgical, and hospital treatment, including nursing, medical, and surgical supplies and appliances, as may reasonably be required at the time of the injury and thereafter during disability, or as may be required for the cure and treatment of an occupational disease. ***The employer's obligation to pay the benefits specified in this section shall continue for so long as the employee is disabled regardless of the duration of the employee's income benefits. In the absence of designation of a managed health care system by the employer, the employee may select medical providers to treat his injury or occupational disease. Even if the employer has designated a managed health care system, the injured employee may elect to continue treating with a physician who provided emergency medical care or treatment to the employee.*** [~~The employee may select the physician to treat his injury, and the hospital in which he shall be treated.~~] The employer, or an insurer on behalf of the employer, shall make all payments for services rendered to an employee directly to the provider of ***the*** [~~such~~] services within thirty (30) days of receipt of a statement for services. The provider of medical services shall submit the statement for services within forty-five (45) days of the day treatment is initiated and every forty-five (45) days thereafter***,*** if appropriate***,*** as long as medical services are rendered. ***The fee, charge, or request for reimbursement shall be billed at the medical service provider's lowest rate or lowest schedule of charges except for Medicaid. However, in no event shall a medical fee exceed the limitations of an adopted medical fee schedule or other limitations contained in KRS 342.035, whichever is lower. The commissioner may promulgate regulations establishing the form and content of a statement for services and procedures by which disputes relative to the necessity, effectiveness, frequency, and cost of services may be resolved.***

(2) ***Notwithstanding any provision of the Kentucky Revised Statutes to the contrary, medical services and treatment provided under this chapter shall not be subject to copayments or deductibles.***

(3) Employers may provide medical services through a managed health care system. The managed health care system shall file with the Department of Workers' Claims a plan for the rendition of health care services for work-related injuries and occupational diseases to be approved by the commissioner pursuant to administrative regulations promulgated by the commissioner.

(4) All managed health care systems rendering medical services under this chapter shall include the following features in plans for workers' compensation medical care:

(a) Copayments or deductibles shall not be required for medical services rendered in connection with a work-related injury or occupational disease;

(b) The employee shall be allowed choice of provider within the plan;

(c) The managed health care system shall provide an informal procedure for the expeditious resolution of disputes concerning rendition of medical services;

(d) The employee shall be allowed to obtain a second opinion, at the employer's expense, from an outside physician if a managed health care system physician recommends surgery;

(e) The employee may obtain medical services from providers outside the managed health care system, at the employer's expense, when treatment is unavailable through the managed health care system;

(f) The managed health care system shall establish procedures for utilization review of medical services to assure that a course of treatment is reasonably necessary; diagnostic procedures are not unnecessarily duplicated; the frequency, scope, and duration of treatment is appropriate; pharmaceuticals are not unnecessarily prescribed; and that ongoing and proposed treatment is not experimental, cost ineffective, or harmful to the employee; and

(g) Statements for services shall be audited regularly to assure that charges are not duplicated and do not exceed those authorized in the applicable fee schedules.

(5) All medical services rendered pursuant to this chapter shall be under the supervision of a single treating physician or physicians' group having the authority to make referrals, as reasonably necessary, to appropriate facilities and specialists. The employee may change his designated physician one (1) time and thereafter shall show reasonable cause in order to change physicians.

(6) When a compensable injury or occupational disease results in the amputation of an arm, leg, or foot, or the loss of hearing, or the enucleation of an eye or loss of teeth, the employer shall [~~initially~~] pay for, in addition to the other medical, surgical, and hospital treatment enumerated in subsection (1) and this subsection, a modern artificial member and, where required, proper braces ***as may reasonably be required at the time of the injury and thereafter during disability***.

(7)[~~(3)~~] Upon motion of the employer, with sufficient notice to the employee for a response to be filed, if it is shown to the satisfaction of the administrative law judge by affidavits or testimony that, because of the physician selected by the employee to treat his injury or disease, or because of the hospital selected by the employee in which he is being treated, that the employee is not receiving proper medical treatment and his recovery is being substantially affected or delayed; or that the funds for his medical expenses are being spent without reasonable benefit to the employee; or that because of the physician selected by the employee or because of the type of medical treatment being received by the employee that the employer will substantially be prejudiced in any compensation proceedings resulting from the employee's injury or disease; then the administrative law judge may allow the employer to select a physician to treat the employee and the hospital or hospitals in which the employee is treated for his injury or disease. No action shall be brought against any employer subject to this chapter by any person to recover damages for malpractice or improper treatment received by any employee from any physician, hospital, or attendant thereof.

(8)[~~(4)~~] An employee who reports an injury alleged to be work-related or files an application for adjustment of a claim shall execute a waiver and consent of any physician-patient, psychiatrist-patient, or chiropractor-patient privilege with respect to any condition or complaint reasonably related to the condition for which the employee claims compensation. Notwithstanding any other provision in the Kentucky Revised Statutes, any physician, psychiatrist, chiropractor, podiatrist, hospital, or health care provider shall, within a reasonable time after written request by the employee, employer, workers' compensation insurer, special fund, uninsured employers' fund, or the administrative law judge, provide the requesting party with any information or written material reasonably related to any injury ***or disease*** for which the employee claims compensation.

(9) When a provider of medical services or treatment, required by this chapter, makes referrals for medical services or treatment by this chapter, to a provider or entity in which the provider making the referral has an investment interest, the referring provider shall disclose that investment interest to the employee, the commissioner, and the employer's insurer or the party responsible for paying for the medical services or treatment, within thirty (30) days from the date the referral was made.

Section 18. KRS 342.033 is amended to read as follows:

In a claim for benefits, no party may introduce direct testimony from more than ***two (2)*** [~~three (3)~~] physicians without prior consent from the administrative law judge. The motion requesting additional testimony shall clearly demonstrate the need for such additional testimony. A party may introduce direct testimony from a physician through a written medical report. ***The*** [~~Such~~] report shall become a part of the evidentiary record, subject to the right of an adverse party to object to the admissibility of ***the*** [~~such~~] report and to cross-examine the reporting physician. The ***commissioner*** [~~board~~] shall promulgate administrative regulations prescribing the format and content of written medical reports.

Section 19. KRS 342.035 is amended to read as follows:

(1) [~~Within one hundred eighty (180) days following January 4, 1988, and~~] Periodically [~~thereafter~~], the ***commissioner*** [~~board~~] shall promulgate administrative regulations to adopt a schedule of fees for the purpose of ensuring that all fees, charges***,*** and reimbursements under KRS 342.020 ***and this section*** shall be fair, current, and reasonable and shall be limited to such charges as are fair, current, and reasonable for similar treatment of injured persons of a like standard of living in the same community and where such treatment is paid for by the injured person himself. In determining what fees are reasonable, the ***commissioner*** [~~board~~] may also consider the increased security of payment afforded by this chapter. ***In addition to the limitation on fees adopted pursuant to this section, no provider of medical services as defined in this chapter shall charge or attempt to collect a fee, charge or reimbursement for medical services or supplies rendered after April 15, 1994 greater than one hundred fifteen percent (115%) of the maximum amount allowed or permitted to be charged by a provider of medical services under the federal Medicare program (Title XVIII of the Social Security Act). Unless specifically adopted by administrative regulations promulgated by the commissioner, any medical practice standards adopted by the federal Medicare program shall not be utilized in determining the reasonableness or appropriateness of medical care.***

(2) ***No provider of medical services or treatment required by this chapter, its agent, servant, employee, assignee, employer, or independent contractor acting on behalf of any medical provider, shall knowingly collect, attempt to collect, coerce, or attempt to coerce, directly or indirectly, the payment of any charge, for services covered by a workers' compensation insurance plan for the treatment of a work-related injury or occupational disease, in excess of that provided by a schedule of fees, or cause the credit of any employee to be impaired by reason of the employee's failure or refusal to pay the excess charge. In addition to the penalty imposed in KRS 342.990 for violations of this subsection, any individual who sustains damages by any act in violation of the provisions of this subsection shall have a civil cause of action in Circuit Court to enjoin further violations and to recover the actual damages sustained by the individual, together with the costs of the lawsuit, including a reasonable attorney's fee.***

(3) Where ***these*** [~~such~~] requirements are furnished by a public hospital or other institution, payment thereof shall be made to the proper authorities conducting it. No compensation shall be payable for the death or disability of an employee if his death is caused, or if and insofar as his disability is aggravated, caused***,*** or continued, by an unreasonable failure to submit to or follow any competent surgical treatment or medical aid or advice.

(4) The commissioner shall, by December 1, 1994, promulgate administrative regulations to adopt a schedule of fees for the purpose of regulating charges by medical providers and other health care professionals for testimony presented and medical reports furnished in the litigation of a claim by an injured employee against the employer.

(5) (a) To ensure compliance with subsections (1) and (4) of this section, the commissioner shall promulgate administrative regulations by December 31, 1994, which require each insurance carrier, group self-insurer,

and self-insured employer to certify to the commissioner the program or plan it has adopted to ensure compliance.

(b) In addition, the commissioner shall periodically have an independent audit conducted by a qualified independent person, firm, company, or other entity hired by the commissioner, in accordance with the personal service contract provisions contained in KRS 45A.690 to 45A.725, to ensure that the requirements of subsection (1) of this section are being met. The independent person, firm, company, or other entity selected by the commissioner to conduct the audit shall protect the confidentiality of any information it receives during the audit, shall divulge information received during the audit only to the commissioner, and shall use the information for no other purpose than the audit required by this paragraph.

(c) If medical utilization review activities are conducted by an insurance carrier, group self-insurer, or self-insured employer pursuant to this section, these activities shall be performed by a private review agent which is licensed or certified as a private review agent by the Cabinet for Human Resources.

(d) Periodically, or upon request, the commissioner shall report to the Interim Joint Committee on Labor and Industry of the Legislative Research Commission or to the corresponding standing committees of the General Assembly, as appropriate, the degree of compliance or lack of compliance with the provisions of this section and make recommendations thereon.

(e) The cost of implementing and carrying out the requirements of this subsection shall be paid by the Workers' Compensation Funding Commission.

(6) The commissioner may promulgate administrative regulations incorporating managed care or other concepts intended to reduce costs or to speed the delivery or payment of medical services to employees receiving medical and related benefits under this chapter.

(7) For purposes of this chapter, any medical provider shall charge only its customary fee for photocopying requested documents. However, in no event shall a photocopying fee of a medical provider or photocopying service exceed fifty cents ($0.50) per page. In addition, there shall be no charge for reviewing any records of a medical provider, during regular business hours, by any party who is authorized to review the records and who requests a review pursuant to this chapter.

(8) (a) The commissioner shall develop or adopt practice parameters or guidelines for clinical practice for use by medical providers under this chapter. The commissioner may adopt any parameters for clinical practice as developed and updated by the federal Agency for Health Care Policy Research, or the commissioner may adopt other parameters for clinical practice which are developed by qualified bodies, as determined by the commissioner, with periodic updating based on data collected during the application of the parameters.

(b) Any provider of medical services under this chapter who has followed the practice parameters or guidelines developed or adopted pursuant to this subsection shall be presumed to have met the appropriate legal standard of care in medical malpractice cases regardless of any unanticipated complication that may thereafter develop or be discovered.

SECTION 20. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

(1) The commissioner shall promulgate administrative regulations pursuant to KRS Chapter 13A:

(a) Establishing the form and content of a statement for services;

(b) Specifying the manner in which the employee may designate and change the designation of physicians;

(c) Requiring selection of gatekeeper physicians;

(d) Requiring reports from providers on the condition of the employee; and

(e) Establishing procedures by which disputes relative to the necessity, effectiveness, frequency, and cost of medical services shall be resolved.

(2) Pending the effective date of administrative regulations promulgated by the commissioner, all administrative regulations heretofore promulgated by the Workers' Compensation Board pertaining to these matters shall remain in effect, it being determined that those administrative regulations are within the statutory grant of authority, meet legislative intent, and are not in conflict with the provisions of this chapter.

Section 21. KRS 342.735 is amended to read as follows:

The *commissioner* [~~board~~] shall *promulgate administrative* [~~establish rules and~~] regulations to expedite the payment of temporary total disability and medical expense benefits. *The commissioner may promulgate administrative regulations incorporating managed care intended to reduce costs or to speed the delivery or payment of medical services to employees receiving medical and related benefits under this chapter. The commissioner shall promulgate administrative regulations pursuant to KRS Chapter 13A establishing an expedited method for resolving medical issues prior to the filing of a claim with the Department of Workers' Claims. The administrative regulations shall permit an employee or other interested party, prior to the filing of a claim, to request a determination by an administrative law judge on medical issues relating to the*

reasonableness or appropriateness of the proposed medical care or relating to the obligation of the employer or the employer's insurance carrier to make payment of contested medical bills. However, the employee has the burden of proof to show the medical expenses are related to the injury, reasonable and necessary prior to an application of benefits being filed and before an award or order of benefits. Thereafter, the burden is upon the employer. The respondent to the moving party shall be given ten (10) days to answer a request for an expedited determination of medical issues, and the administrative law judge shall issue a ruling within seven (7) days thereafter. The interested parties shall be provided a form to provide to the medical care provider and the completed form filed with the department and served upon the respondent shall initiate the time for response and determination.

Section 22. KRS 342.710 is amended to read as follows:

(1) One of the primary purposes of this chapter shall be restoration of the injured employee to gainful employment***, and preference shall be given to returning the employee to employment with the same employer or to the same or similar employment***.

(2) The ***commissioner*** [~~board~~] shall continuously study the problems of rehabilitation, both physical and vocational, and shall investigate and maintain a directory of all rehabilitation facilities, both private and public. [~~The board shall approve as qualified such facilities, institutions, and physicians as are capable of rendering competent rehabilitation service to seriously injured employees. No facility or institution shall be considered as qualified unless it is specifically equipped to provide rehabilitation services for persons suffering either from some specialized type of disability or general type of disability within the field of occupational injury and is staffed with trained and qualified personnel, and with respect to physical rehabilitation, unless it is supervised by a physician qualified to render such service. No physician shall be considered qualified unless he has had the experience and training specified by the board.~~]

(3) An employee who has suffered an injury covered by this chapter shall be entitled to prompt medical rehabilitation services for whatever period of time is necessary to accomplish physical rehabilitation goals which are feasible, practical, and justifiable. When as a result of the injury he is unable to perform work for which he has previous training or experience, he shall be entitled to such vocational rehabilitation services, including retraining and job placement, as may be reasonably necessary to restore him to suitable employment. In all such instances, the administrative law judge shall inquire whether such services have been voluntarily offered and accepted. The administrative law judge on his own motion, or upon application of any party or carrier, after affording the parties an opportunity to be heard, may refer the employee to a qualified physician or facility for evaluation of the practicability of, need for, and kind of service, treatment, or training necessary and appropriate to render him fit for a remunerative occupation. Upon receipt of such report, the administrative law judge may order that the services and treatment recommended in the report, or such other rehabilitation treatment or service ***likely to return the employee to suitable, gainful employment*** [~~the administrative law judge may deem necessary~~], be provided at the expense of the employer or his insurance carrier. Vocational rehabilitation training, treatment, or service shall not extend for a period of more than fifty-two (52) weeks, except in unusual cases when by special order of the administrative law judge, after hearing and upon a finding, determined by sound medical evidence which indicates such further rehabilitation is feasible, practical, and justifiable, the period may be extended for additional periods.

(4) Where rehabilitation requires residence at or near the facility or institution, away from the employee's customary residence, reasonable cost of his board, lodging, or travel shall be paid for by the employer or his insurance carrier.

(5) Refusal to accept rehabilitation pursuant to an order of an administrative law judge shall result in a fifty percent (50%) loss of compensation for each week of the period of refusal.

(6) The ***commissioner*** [~~board~~] shall cooperate on a reciprocal basis with the Kentucky Office of Rehabilitation of the Department of Education and the Department of Employment Services of the Kentucky Cabinet for Human Resources. In the event medical treatment, medical rehabilitation services, or vocational rehabilitation services are purchased for an injured employee by the Office of Vocational Rehabilitation or Department for Employment Services following the refusal by the employer or his insurance carrier to provide such services, the administrative law judge, after affording the parties an opportunity to be heard, may order reimbursement of the cost of such treatment or services by the employer or his insurance carrier as apportioned in the award. ***This section shall not be interpreted to require mandatory evaluation of employees based on length of disability. Any administrative regulations promulgated pursuant to this section that require mandatory referral to a qualified rehabilitation counselor shall expire on the effective date of this section.***

(7) ***Prior to an order from an administrative law judge, the provisions of this section shall not be mandatory*** [~~The board shall, by July 1, 1988, promulgate administrative regulations to effectuate the provisions of this section. The administrative regulations shall ensure early intervention; prompt and cost efficient delivery of rehabilitation services; and vigorous monitoring of qualified rehabilitation providers, facilities, and agencies~~].

PART 6

TWENTY-FOUR HOUR COVERAGE

SECTION 23. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

(1) The commissioner may establish one (1) or more pilot programs for interested employers of integrated management

of an employer's workers' compensation and group health insurance claims by an insurer authorized to do business in the Commonwealth and may promulgate any administrative regulations necessary to implement the provisions of this subsection. The integrated management of such claims shall in no event affect any benefits, rights, or coverage established pursuant to a workers' compensation insurance policy. Treatment for work-related conditions shall not be subject to either copayments or deductibles. The commissioner shall make a report comparing the results of each pilot program to the expected results under traditional workers' compensation insurance and traditional workers' compensation with a managed care program. The pilot program shall serve as a tentative model for future experiments. Unless continued or modified by law, this subsection shall expire effective September 1, 1998.

(2) No policy for twenty-four (24) hour coverage shall become effective until it is reviewed and approved by the commissioner, in consultation with the commissioner of the Department of Insurance.

(3) The purchase of a twenty-four (24) hour health policy shall not constitute an exemption from statutory provisions which require other nonmedical insurance coverage. However, an insurance carrier shall reduce its premium for insurance coverage written without the medical or health care component. Notwithstanding the provisions of Subtitle 13 of KRS Chapter 304, the premium reduction required in this subsection shall be subject to the approval of the commissioner of the Department of Insurance.

(4) If an employer obtains a twenty-four (24) hour health insurance policy, pursuant to this section, to secure payment of compensation for medical care and treatment under this chapter, the employer shall also procure an insurance policy which shall provide indemnity benefits to ensure that the total coverage afforded by both the twenty-four (24) hour insurance policy and the policy providing indemnity benefits, shall provide the total compensation required by this chapter.

(5) The participants in a pilot project for twenty-four (24) hour health coverage shall comply with periodic reporting requirements of the commission.

(6) Each agency of state government shall cooperate with the commissioner if requested to provide information for the purposes of this section.

Section 24. KRS 342.375 is amended to read as follows:

Every policy or contract of workers' compensation insurance under this chapter, issued or delivered in this state, shall cover the entire liability of the employer for compensation to every one of his employees subject to this chapter, except as otherwise provided in KRS 342.345 ***or in Section 23 of this Act***. However, if specifically authorized by the commissioner, a separate insurance policy may be issued for a specified plant or work location if the liability of ***the*** [~~such~~] employer under this chapter to all his other employees subject to this chapter is otherwise secured and provided that no employee transferred from one plant or work location to another within the employment of the same employer shall thereby lose any benefit rights accumulated under the average weekly wage concept.

PART 7

PERMANENT PARTIAL DISABILITY, RIB, TELEDYNE, AND REOPENING

Section 25. KRS 342.730 is amended to read as follows:

(1) Except as provided in KRS 342.732, income benefits for disability shall be paid to the employee as follows:

(a) For total disability ***due to a work-related injury or occupational disease***, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined in KRS 342.740 during ***that*** [~~such~~] disability. ***Nonwork-related disability shall not be considered in determining whether the employee is totally disabled for purposes of this subsection.***

(b) For permanent, partial disability, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740, multiplied by his percentage of disability caused by the injury or occupational disease as determined by "Guides to the Evaluation of Permanent Impairment," American Medical Association, latest edition available, or by his percentage of disability as determined under KRS 342.0011(11), whichever is greater, for a maximum period, from the date the disability arises, of four hundred twenty-five (425) weeks***. The period of disability under this paragraph for nonwork-related disabilities shall not extend the maximum period of disability under this paragraph***. Any temporary total disability period within the maximum period for permanent, partial disability benefits shall extend the maximum period but shall not make payable a weekly benefit exceeding that determined in subsection (1)(a) of this section. Notwithstanding any section of this chapter to the contrary, there shall be no minimum weekly income benefit for permanent partial disability and medical benefits shall be paid for the duration of the disability.

(2) The period of any income benefits payable under this section on account of any injury shall be reduced by the period of income benefits paid or payable under this chapter on account of a prior injury if income benefits in both cases are for disability of the same member or function, or different parts of the same member or function, and the income benefits payable on account of the subsequent disability in whole or in part would duplicate the income benefits payable on

account of the pre-existing disability.

(3) ***Subject to the limitations contained in subsection (4) of this section,*** when an employee, who has sustained disability compensable under this chapter, and who has filed, or could have timely filed, a valid claim in his lifetime, dies from causes other than the injury before the expiration of the compensable period specified, portions of the income benefits specified and unpaid at the individual's death, whether or not accrued or due at his death, shall be paid, under an award made before or after ***the*** [~~such~~] death, for the period specified in this section, to and for the benefit of the persons within the classes at the time of death and in the proportions and upon the conditions specified in this section and in the order named:

(a) To the widow or widower, if there is no child under the age of eighteen (18) or incapable of self-support, benefits at fifty percent (50%) of the rate specified in the award; or

(b) If there are both [~~such~~] a widow or widower and such a child or children, to ***the*** [~~such~~] widow or widower, forty-five percent (45%) of the benefits specified in the award, or forty percent (40%) of ***those*** [~~such~~] benefits if such a child or children are not living with the widow or widower; and, in addition thereto, fifteen percent (15%) of the benefits specified in the award to each child. Where there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided among all the children, share and share alike; or

(c) If there is no [~~such~~] widow or widower but such a child or children, then to ***the*** [~~such~~] child or children, fifty percent (50%) of the benefits specified in the award to one (1) child, and fifteen percent (15%) of ***those*** [~~such~~] benefits to a second child, to be shared equally. If there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided equally among all the children; or

(d) If there is no survivor in the above classes, then the parent or parents wholly or partly actually dependent for support upon the decedent, or to other wholly or partly actually dependent relatives listed in paragraph (g) of subsection (1) of KRS 342.750, or to both, in [~~such~~] proportions ***that*** [~~as~~] the ***commissioner provides*** [~~board may provide~~] by ***administrative*** regulation.

(e) To the widow or widower upon remarriage, up to two (2) years, benefits as specified in the award and proportioned under paragraphs (a) or (b) of this subsection, if ***the*** [~~such~~] proportioned benefits remain unpaid, to be paid in a lump sum.

(4) If the injury or last exposure occurs prior to the employee's sixty-fifth birthday, any income benefits awarded under KRS 342.750, 342.316, 342.730 or 342.732 shall be reduced by ten percent (10%) beginning at age sixty-five (65); ten percent (10%) at age sixty-six (66); and an additional twenty percent (20%) each year thereafter until age seventy (70). However, if the injury or last exposure occurs at or after age sixty-five (65) but before age sixty-eight (68), income benefits shall be payable to the employee as awarded for two (2) years and thereafter the employee shall receive benefits as though the award had been made prior to age sixty-five (65) with the benefits continuing until age seventy (70). Income benefits shall be paid only until the employee's seventieth birthday, unless the injury or last exposure occurs on or after the employee's sixty-eighth birthday, in which event income benefits shall be payable as awarded for two (2) years without the reduction provided for by this subsection.

Section 26. KRS 342.732 is amended to read as follows:

(1) Notwithstanding any other provision of this chapter, income benefits and retraining incentive benefits for occupational pneumoconiosis resulting from exposure to coal dust shall be paid as follows:

(a) If the administrative law judge finds that an employee has a radiographic classification of category 1/0, 1/1, or 1/2, based on the latest ILO International Classification of Radiographics, resulting from exposure to coal dust, which is validated by two (2) X-rays and reports of the X-rays which conform to the standards for X-rays contained in subsection (2) of KRS 342.316, he shall award a one (1) time only retraining incentive benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740, multiplied by fifty percent (50%) and shall be payable for a period not to exceed two hundred and eight (208) weeks. ***These benefits shall be paid directly to the employee only if the employee is not working in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a), in which event the one (1) time only retraining incentive benefit awarded under this paragraph may be collected semimonthly as provided in KRS 342.040. While the employee is working in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a), and if the employee is enrolled and actively participating in a bona fide training or education program approved under administrative regulations to be promulgated by the commissioner, benefits awarded under this paragraph shall be paid directly to the institution conducting the training or education program on a semimonthly basis. The benefit shall not be paid for a period in which the employee ceases to participate in the program. In no event shall the benefit be paid to the employee while the employee is working in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a), nor shall the employee personally receive any benefits pursuant to this award other than for traveling expenses. When the employee, through no fault of his own, is no longer working in the mining industry in the severance or processing of coal as defined in KRS 342.0011(23)(a),***

then any remaining benefits shall be paid directly to the employee on the same monthly basis as provided in KRS 342.040 [~~The one (1) time only retraining incentive benefit awarded under this paragraph may be collected semimonthly as provided in KRS 342.040, by the employee while he continues to work in the mining industry. The retraining incentive benefit may be collected in a lump sum when the employee leaves his hazardous employment in the mining industry if the parties agree and the agreement is approved by the administrative law judge. Based upon this examination, the administrative law judge may make appropriate findings and enter an award if indicated~~].

(b) If the administrative law judge finds that an employee has a radiographic classification of category 1/0, 1/1, or 1/2, based on the latest ILO International Classification of Radiographics, and respiratory impairment resulting from exposure to coal dust as evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values contained in the chapter on the respiratory system of the latest edition available of the guides to the evaluation of permanent impairment published by the American Medical Association, there shall be an irrebuttable presumption that the employee has an occupational disability rating of seventy-five percent (75%) resulting from exposure to coal dust and the administrative law judge shall award an income benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage multiplied by the disability rating of seventy-five (75%) but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740. The award shall be payable for a period not to exceed four hundred and twenty-five (425) weeks***, but in no event shall a claim be filed under this subsection while the employee continues to work in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a)***.

(c) If the administrative law judge finds that an employee has a radiographic classification of category 1/0, 1/1, or 1/2, based on the latest ILO International Classification of Radiographics, and respiratory impairment as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values contained in the chapter on the respiratory system of the latest edition available of the Guides to the Evaluation of Permanent Impairment published by the American Medical Association, there shall be an irrebuttable presumption that the employee is totally disabled resulting from exposure to coal dust and the administrative law judge shall award income benefits which shall be equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined by KRS 342.740. Income benefits awarded under this paragraph shall be payable to the employee during ***the*** [~~such~~] disability***, but in no event shall a claim be filed under this subsection while the employee continues to work in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a)***.

(d) If the administrative law judge finds that an employee has occupational pneumoconiosis with a radiographic classification of category 2/1, 2/2, 2/3, 3/2, 3/3, or progressive massive fibrosis, based on the latest ILO International Classification of Radiographics, there shall be an irrebuttable presumption that the employee is totally disabled resulting from exposure to coal dust and the administrative law judge shall award income benefits equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the average weekly wage of the state as determined by KRS 342.740. Income benefits awarded under this paragraph shall be payable to the employee during such disability***, but in no event shall a claim be filed under this subsection while the employee continues to work in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a)***.

(2) The presence of respiratory impairment resulting from exposure to coal dust shall be established by using the largest forced vital capacity (FVC) value or the largest forced expiratory volume in one second (FEV1) value determined from the totality of all such spirometric testing performed in compliance with accepted medical standards.

(3) When valid spirometric tests are not provided and a physician certifies to the administrative law judge that spirometric testing is not medically indicated because of the permanent physical condition of the employee, the administrative law judge shall make his decision on the basis of evidence admitted which establishes the existence of a diagnosis of occupational pneumoconiosis and respiratory impairment due to ***the*** [~~such~~] occupational pneumoconiosis. The evidence submitted by the employee shall include one (1) or more arterial blood gas studies performed in accordance with accepted medical standards. Income benefits shall not be awarded in the absence of valid spirometric tests if the claimant's PO2 arterial blood gas value is equal to or higher than one (1) standard deviation from the normal value obtained by the formula (103.5 - 0.42X), where X equals the claimant's age at the time of the arterial blood gas study.

(4) In no event shall income benefits awarded under paragraphs (a) or (b) of subsection (1) of this section be stacked or added to income benefits awarded under KRS 342.730 to extend the period of disability.

Section 27. KRS 342.125 is amended to read as follows:

(1) Upon its own motion or upon the application of any party and a showing of change of ***medical condition*** [~~occupational disability~~], mistake or fraud***,*** or newly discovered evidence, the administrative law judge may at any time reopen and review any award or order, except as provided in subsection (2) of this section, ending, diminishing***,*** or increasing the

compensation previously awarded, within the maximum and minimum provided in this chapter, or change or revoke his previous order, sending immediately to the parties a copy of his subsequent order or award. ***Any final award increasing or diminishing benefits shall require a showing of a change in occupational disability.*** Reopening and review under this section shall be had upon notice to the parties and in the same manner as provided for an initial proceeding hereunder but shall not affect the previous order or award as to any sums already paid thereunder. The employer shall not suspend the payment of benefits during the pendency of any reopening procedures.

(2) (a) Upon the application of the affected employee, and a showing of progression of his previously diagnosed occupational pneumoconiosis resulting from exposure to coal dust and development of respiratory impairment due to ***that*** {~~such~~} pneumoconiosis, the administrative law judge may review an award of a retraining incentive benefit because of ***the*** {~~such~~} diagnosis, and upon a finding of respiratory impairment due to ***that*** {~~such~~} pneumoconiosis shall make an award for benefits as provided in KRS 342.732. Such a reopening may also occur upon a showing of progression of respiratory impairment in a claim for which benefits were previously awarded under the provisions of KRS 342.732. An application for review under this subsection shall be made within one (1) year of the date the employee knew or reasonably should have known that a progression of his disease and development or progression of respiratory impairment have occurred. Review under this subsection shall include a review of all evidence admitted in all prior proceedings.

(b) Benefits awarded as a result of a review under this subsection shall be reduced by the amount of retraining incentive benefits previously awarded and, if applicable, also by the amount of income benefits previously awarded under KRS 342.732. The amount to be deducted shall be subtracted from the total amount awarded, and the remaining amount shall be divided by the number of weeks, for which the award was made, to arrive at the weekly benefit amount which shall be apportioned in accordance with the provisions of KRS 342.316.

(3) Where an agreement has become an award by approval of the administrative law judge, and a reopening and review of ***that*** {~~such an~~} award is initiated, no statement contained in the agreement, whether as to jurisdiction, liability of the employer, nature and extent of disability, or as to any other matter, shall be considered by the administrative law judge as an admission against the interests of any party. The parties may raise any issue upon reopening and review of this type of award which could have been considered upon an original application for benefits.

Section 28. KRS 342.750 is amended to read as follows:

If the injury causes death, income benefits shall be payable in the amount and to or for the benefit of the persons following, subject to the maximum limits specified in subsections (3) and (4) of this section:

(1) (a) If there is a widow or widower and no children of the deceased, to such widow or widower 50 percent of the average weekly wage of the deceased, during widowhood or widowerhood.

(b) To the widow or widower, if there is a child or children living with the widow or widower, 45 percent of the average weekly wage of the deceased, or 40 percent, if such child is not or such children are not living with a widow or widower, and in addition thereto, 15 percent for each child. Where there are more than two (2) such children, the indemnity benefits payable on account of such children shall be divided among such children, share and share alike.

(c) Two (2) years' indemnity benefits in one (1) lump sum shall be payable to a widow or widower upon remarriage.

(d) To the children, if there is no widow or widower, 50 percent of such wage for one (1) child, and 15 percent for each additional child, divided among such children, share and share alike.

(e) The income benefits payable on account of any child under this section shall cease when he dies, marries, or reaches the age of eighteen (18), or when a child over such age ceases to be physically or mentally incapable of self-support, or if actually dependent ceases to be actually dependent, or, if enrolled as a full-time student in any accredited educational institution, ceases to be so enrolled or reaches the age of 22. A child who originally qualified as a dependent by virtue of being less than 18 years of age may, upon reaching age 18, continue to qualify if he satisfies the tests of being physically or mentally incapable of self-support, actual dependency, or enrollment in an educational institution.

(f) To each parent, if actually dependent, 25 percent.

(g) To the brothers, sisters, grandparents, and grandchildren, if actually dependent, 25 percent to each such dependent. If there should be more than one (1) of such dependents, the total income benefits payable on account of such dependents shall be divided share and share alike.

(h) The income benefits of each beneficiary under paragraphs (f) and (g) above shall be paid until he, if a parent or grandparent, dies, marries, or ceases to be actually dependent, or, if a brother, sister, or grandchild, dies, marries, or reaches the age of eighteen (18) or if over that age ceases to be physically or mentally incapable of self-support, or ceases to be actually dependent.

(i) A person ceases to be actually dependent when his income from all sources exclusive of workers' compensation income benefits is such that, if it had existed at the time as of which the original determination of actual dependency was made, it would not have supported a finding of dependency. In any event, if the present annual income of an actual dependent person including workers' compensation income benefits at any time exceeds the total annual support received by the person from the deceased employee, the workers' compensation benefits shall be reduced so that the total annual income is no greater than such amount of annual support received from the deceased employee. In all cases, a person found to be actually dependent shall be presumed to be no longer actually dependent three (3) years after each time as of which the person was found to be actually dependent. This presumption may be overcome by proof of continued actual dependency as defined in this subsection, but full payments shall not be suspended during the pendency of any proceeding to determine dependency.

(2) Upon the cessation of income benefits under this section to or on account of any person, the income benefits of the remaining persons entitled to income benefits for the unexpired part of the period during which their income benefits are payable shall be that which such persons would have received if they had been the only persons entitled to income benefits at the time of the decedent's death.

(3) For the purposes of this section, the average weekly wage of the employee shall be taken as not more than the average weekly wage of the state as determined in KRS 342.740. In no case shall the aggregate weekly income benefits payable to all beneficiaries under this section exceed the maximum income benefit that was or would have been payable for total disability to the deceased, including benefits to his dependents.

(4) The maximum weekly income benefits payable for all beneficiaries in case of death shall not exceed 75 percent of the average weekly wage of the deceased as calculated under KRS 342.140, subject to the maximum limits in subsection (3) above. The maximum aggregate limitation shall not operate in case of payment of two (2) years' income benefits to the widow or widower upon remarriage as provided under paragraph (c) of subsection (1) of this section, to prevent the immediate recalculation and payments of benefits to the remaining beneficiaries as provided under subsection (2) of this section, but the weekly income benefits as to such remaining beneficiaries shall not exceed the weekly income benefit that was or would have been payable for total disability to the deceased. The classes of beneficiaries specified in paragraphs (a), (b), and (d) of subsection (1) shall have priority over all other beneficiaries in the apportionment of income benefits. If the provisions of this subsection should prevent payment to other beneficiaries of the income benefits to the full extent otherwise provided for by this section, the gross remaining amount of income benefits payable to such other beneficiaries shall be apportioned by class, proportionate to the interest of each class in the remaining amount. Parents shall be considered to be in one class and those specified in paragraph (f) of subsection (1) in another class.

(5) All relations of dependency referred to in this section shall mean dependency existing at the time of the accident to the employee or at the time his disability from an occupational disease began.

(6) If death occurs as a direct result of a work related injury, and the deceased has no statutory dependents, as determined by this section, a lump-sum payment of $10,000 shall be paid to his estate, in addition to the amount provided for in KRS 342.720; provided, however, that the lump-sum payment shall be reduced by any income benefits previously paid on account of that injury.

(7) All benefits awarded pursuant to this section shall be subject to the limitations contained in KRS 342.730(4).

Section 29. KRS 342.143 is amended to read as follows:

For the purposes of this chapter the average weekly wage of the state shall be determined by the commissioner as follows: On or before September 1 of each year, the total wages reported by subject employers under the Kentucky Unemployment Insurance Law for the preceding calendar year shall be divided by the average monthly number of insured workers (determined by dividing the total number of insured workers reported for the preceding year by twelve (12)). The average annual wage thus obtained shall be divided by fifty-two (52) and the average weekly wage thus determined rounded to the nearest cent. ***The*** [~~Such~~] average weekly wage shall be certified to the commissioner by the Cabinet for Human Resources in a manner prescribed by the ***commissioner*** [~~Workers' Compensation Board~~] by ***administrative*** regulation. The average weekly wage as so determined shall be applicable for the full period during which income or death benefits are payable, when the date of occurrence of injury or of disability in the case of disease, or of death, falls within the calendar year commencing January 1 following the September 1 determination. Whenever a change in the average weekly wage of the state is of such amount that the minimum weekly income benefits for total disability or for death are increased or decreased by one dollar ($1) or more, or the maximum weekly income benefits for total disability or for death are increased or decreased by two dollars ($2) or more, computed in each case and rounded to the nearest dollar, an adjustment in those minimums or maximums which are affected in the requisite amount by the change in the average weekly wage of the state shall be made which will reflect this increase or decrease, but no change in such limitations shall otherwise be made. ***Notwithstanding the provisions of this section or KRS 342.740, the average weekly wage for calendar years 1995 and 1996 shall be determined to be no higher than the average weekly wage determined to be in effect in the calendar year of 1994. If the average weekly wage is determined to be lower than the 1994 calendar year wage, the average weekly wage may be lowered as provided by this section. Beginning in calendar year 1997 and annually thereafter, the average weekly wage shall be calculated based upon the state average weekly wage in effect two (2) years prior to that calculation.***

PART 8

ATTORNEY'S FEES

Section 30. KRS 342.320 is amended to read as follows:

(1) All fees of attorneys and physicians, and all charges of hospitals under this chapter, shall be subject to the approval of the

administrative law judge pursuant to the statutes and administrative regulations. In an original claim, no ***attorney's*** [~~attorney~~] fees shall be allowed or approved against any party not represented by ***an*** [~~said~~] attorney, nor shall any ***attorney's*** [~~attorney~~] fee be allowed or approved exceeding an amount equal to twenty percent (20%) of the first twenty-five thousand dollars ($25,000), fifteen percent (15%) of the next ten thousand dollars ($10,000)***,*** and five percent (5%) of the remainder of the amount recovered***, except where applicable in the case of death and then by the use of*** [~~as actuarially determined on past and future benefits according to the life expectancies contained in the overall male or female mortality tables in the most recent available edition of the U.S. Decennial Life Tables and~~] the Remarriage Tables of the Dutch Royal Insurance Institute. ***However, in no event shall the attorney's fee exceed fifteen thousand dollars ($15,000).*** [~~If the most recent edition of the U.S. Decennial Life Tables includes Kentucky tables, those tables shall be used. If it does not, the national tables shall be used. Provided, however,~~] The administrative law judge, in making an allowance of ***attorney's*** [~~attorney~~] fees, shall in each case examine the record to ascertain the extent of the services rendered, and fix a reasonable fee for the services rendered, not to exceed the maximum authorized by this section. The factors to be considered by the administrative law judge in making the allowance of ***an attorney's*** [~~attorney~~] fees shall include, but not necessarily be limited to: nature, scope, and quality of the attorney's services; level of skill and competence required of the attorney in rendering the services; results achieved; experience and skill level of the attorney; and contingent nature of the case. [~~In the order making the allowance of attorney fees, the administrative law judge shall set forth findings sufficient to support the amount approved.~~] The administrative law judge may reduce the attorney's fee to an amount commensurate with the services performed, or may deny or reduce an attorney's fee upon proof of solicitation of employment. ***Any award made to a claimant in a nonresisted claim under KRS 342.732, 342.316 or in a claim under KRS 342.732(1)(a) for an employee who continues to work in the mining industry in the severance or processing of coal as defined in KRS 342.0011(23)(a) shall result in an award of an attorney's fee not exceeding seven hundred fifty dollars ($750). The date of injury or last exposure shall control the applicable maximum attorney's fee, except that the date the claim is filed shall control the maximum fee as to all claims filed under KRS 342.732(1)(a) for an employee who continues to work in the mining industry engaged in the severance or processing of coal is defined in KRS 342.0011(23)(a).*** Any award made to a claimant in a nonresisted claim as established under the provisions of KRS 342.316 shall result in an award of an ***attorney's*** [~~attorney~~] fee not exceeding seven hundred fifty dollars ($750).

(2) ***(a)*** No attorney's fee in any case involving benefits under this chapter shall be paid until the fee is approved by the administrative law judge, and any contract for the payment of attorney's fees otherwise than as provided in this section shall be void. The motion for approval of an ***attorney's*** [~~attorney~~] fee shall be submitted within thirty (30) days following finality of the last appealable order of the administrative law judge. The ***attorney's*** [~~attorney~~] fee shall be paid in one (1) of the following ways:

[~~(a) The entire attorney's fee in a lump sum shall be paid directly to the attorney of record and the administrative law judge shall order the payment of same, commuting sufficient of the final payments of compensation payable under the award to a lump sum for that purpose; or~~]

1.(b) The claimant may pay the attorney's fee out of his personal funds ***or from the proceeds of a lump-sum settlement***; or

2.[~~(c)~~] The administrative law judge, upon request of the claimant, may order the payment of the attorney's fee in a lump sum directly to the attorney of record and deduct the attorney's fee from the weekly benefits payable to the claimant in equal installments over the duration of the award or until the attorney's fee has been paid***, commuting sufficient sums to pay the fee***.

(3) The attorney shall explain to the claimant the methods by which this section provides for the payment of the attorney's fee, and the claimant shall select the method in which his attorney's fee[~~,~~] is to be paid. His selection and statement that he fully understands the method to be used shall be submitted ***by his attorney***, on a notarized form signed by the claimant, [~~by his attorney~~] at the time the motion for approval of the attorney's fee is submitted. The ***commissioner*** [~~board~~] shall develop the format and content of the form to be used pursuant to this section. The form to be used shall list on its face all options permitted in this section for the payment of ***an attorney's*** [~~attorney~~] fees and an explanation in nontechnical language of each method.

(4) The General Assembly declares that by the enactment of subsection (2)(b) of KRS 342.316, it is the legislative intent to encourage settlement and prompt administrative handling of ***those*** [~~such~~] claims and thereby reduce expenses to claimants for compensation under the provisions of KRS 342.316, and the administrative law judge shall give due regard to ***this*** [~~such~~] legislative intent in the handling of uncontested claims and the allowance of attorney's fees therein.

(5) The administrative law judge shall approve any contract between attorney and client if the ***fees are reviewed and approved by the administrative law judge pursuant to subsection (1) of this section and if the*** limits on fees enumerated below are followed:

(a) When the claim is uncontested under the provisions of KRS 342.316, the ***attorney's*** [~~attorney~~] fee shall not exceed an amount equal to seven hundred fifty dollars ($750).

(b) In all other claims, the fee of the attorney shall not exceed the amounts provided in subsection (1) of this section.

(6) (a) In a claim that has been reopened pursuant to the provisions of this chapter, an ***attorney's*** [~~attorney~~] fee may be awarded by the administrative law judge. In awarding the ***attorney's*** [~~attorney~~] fee, the administrative law judge shall consider the factors set forth in subsection (1) of this section.

(b) Thereafter, the administrative law judge shall fix the ***attorney's*** [~~attorney~~] fee. No ***attorney's*** [~~attorney~~] fee shall be allowed or approved against any party not represented by ***that*** [~~said~~] attorney, nor shall any ***attorney's*** [~~attorney~~] fee be allowed or approved exceeding the amounts provided in subsection (1) of this section applicable to any additional amount recovered. If there is no additional amount recovered in a reopened claim, there shall be no ***attorney's*** [~~attorney~~] fee.

(7) The provisions of this section which provide for maximum allowable attorney's fees and the review requirements relating to those fees shall be applicable to an attorney who represents an employer or his carrier to the same extent as they are applicable to an attorney who represents a claimant.

PART 9

SPECIAL FUND - SCOPE AND COVERAGE

Section 31. KRS 342.120 is amended to read as follows:

(1) There is created the Division of the Special Fund in the Department of Workplace Standards which shall be responsible for the administration of the legal representation of the fund and the maintenance of records regarding the payment of claims by the fund. The Division of the Special Fund shall be headed by a director appointed by the commissioner, with the prior written approval of the governor pursuant to KRS 12.050. The director shall be responsible for overseeing the administration of the legal representation of the fund and the maintenance of records regarding the payment of claims by the fund.

(2) A claimant may name the special fund as a party in the original application for benefits, or either party shall ***as soon as practicable,*** by motion [~~not later than forty-five (45) days prior to the first scheduled prehearing conference~~], unless there is a showing of good cause, request the administrative law judge to and the administrative law judge shall, cause the special fund to be made a party to the proceedings if either or both of the following appears:

(a) The employee is disabled, whether from a compensable injury, occupational disease, pre-existing disease, or otherwise, and has received a subsequent compensable injury by accident, or has developed an occupational disease;

(b) The employee is found to have a dormant nondisabling disease or condition which was aroused or brought into disabling reality by reason of a subsequent compensable injury by accident or an occupational disease.

(3) All motions to join the special fund shall include proper allegations demonstrating the basis for joinder and certification of the fact that a copy of the motion and the entire case file has been forwarded to the special fund at the cost of the movant.

(4) Failure to move for joinder of the special fund within the time limit prescribed by this section, without a showing of good cause, shall bar any recovery against the special fund.

(5) When the special fund has been made a party, the administrative law judge may direct the procedures provided in KRS 342.121.

(6) If it is found that the employee is a person mentioned in paragraphs (a) or (b) of subsection (2) of this section and a subsequent compensable injury or occupational disease has resulted in additional permanent disability so that the degree of disability caused by the combined disabilities is greater than that which would have resulted from the subsequent injury or occupational disease alone, and the employee is entitled to receive compensation on the basis of the combined disabilities, the employer shall be liable for the payment of all income benefits until the benefits paid have reached a percentage of the full income benefits awarded by the administrative law judge which is equal to the percentage of disability which would have resulted from the latter injury or occupational disease had there been no pre-existing disability or dormant, but aroused disease or condition.

(7) The remaining compensation for which such resulting condition would entitle the employee, including any compensation for disability resulting from a dormant disease or condition aroused into disabling reality by the injury or occupational disease, but excluding all compensation which the provisions of this chapter would have afforded on account of prior disabling disease or injury had it been compensated thereunder, shall be paid out of the special fund provided for in KRS 342.122. Such remaining compensation shall be paid directly to the employee under such regulations as the secretary of finance and administration may provide for such purpose.

(8) In making the computation for the apportionment of benefits under this section, the administrative law judge shall determine the amount of the employee's weekly income benefits and apportion the award ***commencing with*** [~~between~~] the employer and special fund as follows:

(a) For benefits awarded under ***this chapter*** [~~KRS 342.730(1)(b)~~], the portions shall be based on the number of weeks stated therein;

(b) ***In instances where the employer has settled its liability for income benefits and thereafter a determination***

has been made of the special fund's liability, the special fund portion of the benefit rate shall be paid over the maximum period provided for by statute for that disability, unless otherwise agreed by all parties [~~For all other benefits awarded under this chapter, except retraining incentive benefits awarded pursuant to KRS 342.732, the portions shall be based on the life expectancies contained in the overall male or female mortality tables in the most recent available edition of the U.S. Decennial Life Tables. If the most recent edition of the U.S. Decennial Life Tables includes Kentucky tables, these tables shall be used. If it does not, the national tables shall be used~~].

Section 32. KRS 342.1202 is amended to read as follows:

(1) An award for income benefits for permanent total or permanent partial disability under this chapter based, in whole or in part, on a pre-existing disease or pre-existing condition of the back, or of the heart shall be apportioned, by the administrative law judge, fifty percent (50%) to the employer and fifty percent (50%) to the special fund. Apportionment required by this section shall not be a cause of appeal.

(2) The special fund's liability for income benefits for all other injury claims shall not exceed fifty percent (50%) of the income benefits awarded for permanent disability. In those injury claims where the administrative law judge determines that the apportionment to the special fund under KRS 342.120 exceeds fifty percent (50%) of the award of permanent disability, that portion of the award exceeding fifty percent (50%) shall be paid by the employer.

PART 10

SPECIAL FUND ASSESSMENTS, KWCFC, AND DEDUCTIBLE POLICIES

Section 33. KRS 342.122 is amended to read as follows:

(1) (a) For the purpose of funding and prefunding the liabilities of the special fund, financing the administration and operation of the Division of Special Fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and, financing the expenditures for all programs in the Labor Cabinet, except the Division of Employment Standards and Mediation and the Office of Labor-Management Relations, as reflected in the enacted budget of the Commonwealth enacted by the General Assembly, a special fund assessment at the rate of sixteen and nine-tenths percent (16.9%) is hereby imposed upon the amount of workers' compensation premiums received on and after January 1, 1990, by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every group of self-insurers operating under the provisions of KRS 342.350(4) and there is hereby imposed on and after January 1, 1990, a special fund assessment at the rate of sixteen and nine-tenths percent (16.9%) against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

(b) In addition to the assessment imposed in paragraph (a) of this subsection, an additional special fund assessment at the rate of forty-seven percent (47%) is hereby imposed upon the amount of workers' compensation premiums received on and after January 1, 1990, by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every group of self-insurers operating under the provisions of KRS 342.350(4), from employers engaged in the severance or processing of coal. Likewise, on and after January 1, 1990, an additional assessment at the rate of forty-seven percent (47%) of premium shall be paid by every employer engaged in the severance or processing of coal who is carrying his own risk.

(c) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on such premiums.

(2) [~~On November 15, 1991, and~~] Each November 15, [~~thereafter,~~] the funding commission shall determine the amount of premiums reported and assessments imposed in subsection (1) of this section for ***the*** [~~such~~] past period as appropriate. If the funding commission determines that the special fund assessment rate imposed to produce seventy million dollars ($70,000,000) or the additional special fund assessment rate imposed to produce forty million dollars ($40,000,000) are likely to produce more or less than seventy million dollars ($70,000,000) or forty million dollars ($40,000,000) during the next annual period, the commission shall, based upon such determination, calculate such adjustments to each rate as shall be necessary to provide seventy million dollars ($70,000,000) and forty million dollars ($40,000,000) respectively, during the next annual period beginning on January 1 of each year. On or before December 1 of each year, the commission shall notify each insurance company writing workers' compensation insurance in the Commonwealth, every group of self-insurers, and each employer carrying his own risk of the adjusted rates which shall become effective on January 1, of each year, unless modified by the General Assembly.

(3) ***(a) Notwithstanding the assessment rates in subsection (1) of this section or the special fund assessment amounts specified in subsection (2) of this section, for calendar year 1995, the funding commission shall impose a special fund assessment rate necessary to produce seventy-eight million, six hundred sixty-two thousand sixty-two dollars ($78,662,062) and an additional assessment rate necessary to produce forty million dollars ($40,000,000).***

(b) For calendar year 1996 the funding commission shall impose a special fund assessment rate necessary to produce eighty-eight million, six thousand two hundred forty-one dollars ($88,006,241) and an additional assessment rate necessary to produce forty million dollars ($40,000,000).

(c) 1. The assessment rate calculated to produce seventy-eight million, six hundred sixty-two thousand sixty-two dollars ($78,662,062) under paragraph (a) of this subsection shall be imposed upon the amount of

workers' compensation premiums received on and after January 1, 1995, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

2. In addition to the assessment calculated under subparagraph 1. of this paragraph, the funding commission shall calculate an assessment rate calculated to produce forty million dollars ($40,000,000), pursuant to paragraph (a) of this subsection, which shall be imposed upon the amount of workers' compensation premiums received on and after January 1, 1995, by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every group of self-insurers operating under the provisions of KRS 342.350(4), from employers engaged in the severance or processing of coal, and upon the premium, as defined in KRS 342.0011 of every employer engaged in the severance or processing of coal who is carrying his own risk.

(d) 1. The assessment rate calculated to produce eighty-eight million, six thousand two hundred forty-one dollars ($88,006,241) under paragraph (b) of this subsection shall be imposed upon the amount of workers' compensation premiums received on and after January 1, 1996, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

2. In addition to the assessment calculated under subparagraph 1. of this paragraph, the funding commission shall calculate an assessment rate calculated to produce forty million dollars ($40,000,000), pursuant to paragraph (b) of this subsection which shall be imposed upon the amount of workers' compensation premiums received on and after January 1, 1996 by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every group of self-insurers operating under the provisions of KRS 342.350(4), from employers engaged in the severance or processing of coal, and upon the premiums, as defined in KRS 342.0011 by every employer engaged in the severance or processing of coal who is carrying his own risk.

(e) On or before December 1 of 1994 and 1995, the commission shall notify each insurance carrier writing workers' compensation insurance in the Commonwealth, every group of self-insurers, and each employer carrying his own risk of the special fund assessment rates established in this subsection which shall become effective on January 1, 1995, and January 1, 1996, respectively, unless modified by the General Assembly. The payment schedules and other matters relating to the payment of the special fund assessments required pursuant to this section shall apply to the assessment rates and amounts required under this subsection.

(f) For calendar year 1997 and for each calendar year thereafter, the assessment rates and amounts contained in the provisions of subsections (1) and (2) of this section shall apply.

All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.

(5)[~~(4)~~] *These* [~~Such~~] assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.

(6)[~~(5)~~] The assessments [~~herein~~] imposed *by this section* may be collected by the insurance carrier from his insured*.*[~~, provided~~] However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, *the* [~~such~~] assessment shall be collected at the same time and in the same proportion as the premium is collected. *The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible.* Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages *imposed by this chapter. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible* [~~in effect at the time the statement of the premium is sent to the insured~~]. *The percentages imposed by this chapter for an insurance policy issued by an insurance company shall be those percentages in effect on the annual effective date of the policy, regardless of the date that the premium is actually received by the insurance company.*

(7) A group self-insurance association may elect to report its premiums and to have its assessments computed in the same manner as insurance companies. This election may not be rescinded for at least ten (10) years, nor may this election be made a second time for at least another ten (10) years.

(8)[~~(6)~~] The funding commission, as part of the collection and auditing of the special fund assessments required *by this section* [~~herein~~], shall annually require each insurance carrier and each group self-insurer to provide a list of employers

which it has insured or which are members and the amount collected from each [~~such~~] employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or group self-insurer may require its insureds or members to furnish the SIC code for each of their employees*.*[~~, provided~~] However, the failure of any employer to furnish said codes shall not relieve the insurance carrier or group self-insurer from the obligation to furnish same to the funding commission. The Division of Unemployment Insurance is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.

(9)[~~(7)~~] Each self-insured employer, group self-insurer or insurance carrier shall provide any information and submit any reports the Revenue Cabinet or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.

(10)[~~(8)~~] The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. *The* [~~Such~~] registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.

(11)[~~(9)~~] The fund heretofore designated as the subsequent claim fund is abolished and there is substituted therefor the special fund as [~~herein~~] set out *by this section* and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.

(12)[~~(10)~~] Notwithstanding any other provision of this section or this chapter, or the Kentucky Revised Statutes, generally, the assessment rates for the special fund, as determined *by this section* [~~herein~~], which were in force and effect on January 1, 1990, shall continue in force and effect until December 1, 1991, and the total amount of funds collected pursuant to *the* [~~such~~] assessment rates shall not be limited to the provisions of this section.

Section 34. KRS 342.1221 is amended to read as follows:

Assessments levied pursuant to KRS 342.122 and unpaid on the date on which they are due and payable shall bear interest at the rate specified in KRS 131.183 plus a penalty of one and one-half percent (1.5%) per month *or portion thereof without proration* from the date *on which the* [~~such~~] assessment was due and payable.

Section 35. KRS 342.1222 is amended to read as follows:

(1) Every insurance carrier shall be entitled to a refund or credited with assessments paid on all canceled or returned premiums, including dividends paid or credited to policyholders*, if the assessments are returned by the insurance carrier to the policyholder in addition to the canceled or returned premium*.

(2) The assessments paid pursuant to the provisions of this chapter shall be refunded or credited in the manner provided in KRS 134.580 *if, effective January 1, 1994,* [~~provided that~~] the claim for refund or credit is made by the insurance carrier within one (1) year *from the transaction date of the activity that generated the refund* [~~of the end of the policy year~~].

(3) A claim for refund or credit shall be made on a form prescribed by the funding commission and shall contain *any* [~~such~~] information *that* [~~as~~] the funding commission may require.

(4) No insurance carrier shall be entitled to a refund or credit of the assessments paid pursuant to the provisions of this chapter where the assessments have been collected from an employer as provided by KRS 342.122, unless the amount of assessments collected from the employer are refunded to him by the insurance carrier who paid the assessments to the funding commission.

PART 11

SELF-INSURANCE

Section 36. KRS 342.340 is amended to read as follows:

(1) Every employer under this chapter shall either insure and keep insured his liability for compensation hereunder in some corporation, association, or organization authorized to transact the business of workers' compensation insurance in this state or shall furnish to the *commissioner* [~~board~~] satisfactory proof of his financial ability to pay directly the compensation in the amount and manner and when due as provided for in this chapter. In the latter case*,* the *commissioner* [~~board~~] shall require the deposit of an acceptable security, indemnity, or bond to secure, to *the* [~~such an~~] extent [~~as~~] the *commissioner* [~~board~~] directs, the payment of compensation liabilities as they are incurred.

(2) Every employer subject to this chapter shall file, or have filed on its behalf, with the *department* [~~Workers' Compensation Board~~], as often as may be necessary, evidence of its compliance with the provisions of this section and all others relating hereto. *Any insurance carrier or group self-insurance association providing workers' compensation insurance coverage for a Kentucky location shall file on behalf of the employer, with the commissioner, evidence of the employer's compliance with this chapter. The filing shall be made within ten (10) days after the issuance of a policy, endorsement to a policy, or similar documentation of coverage.* Every employer who has complied with the

foregoing provision and has subsequently canceled its insurance or its membership in an approved group self-insurance association, as the case may be, shall immediately notify, or have notice given on its behalf to the *department* [~~Workers' Compensation Board~~] of *the* [~~such~~] cancellation, the date thereof, and the reasons therefor; and every insurance carrier or group self-insurance association shall in like manner notify the *commissioner* [~~Workers' Compensation Board~~] upon the cancellation, lapse, termination, expiration by reason of termination of policy period, or nonrenewal of any policy issued by it or termination of any membership agreement, whichever is applicable under the provisions of this chapter, except that the carrier or group self-insurance association need not set forth its reasons therefor unless requested by the *commissioner* [~~Workers' Compensation Board~~]. The above filings are to be made on the forms prescribed by the *commissioner* [~~board~~]. Termination of any policy of insurance issued under the provisions of this chapter shall take effect no greater than ten (10) days prior to the receipt of *the* [~~such~~] notification by the *commissioner* [~~Workers' Compensation Board~~] unless the employer has obtained other insurance and the *commissioner* [~~Workers' Compensation Board~~] is notified of that fact by the insurer assuming the risk. Upon determination that any employer under this chapter has failed to comply with these provisions, the *commissioner* [~~board~~] shall promptly notify interested government agencies of *this* [~~said~~] failure and, with particular reference to employers engaged in coal mining, the *commissioner* [~~board~~] shall promptly report any [~~such~~] failures to the Department of Mines and Minerals so that appropriate action may be undertaken pursuant to KRS 351.175.

Section 37. KRS 342.345 is amended to read as follows:

(1) Whenever an employer has complied with the provisions of KRS 342.340 relating to self-insurance, the *commissioner* [~~board~~] shall issue to *the* [~~such~~] employer a certificate which shall remain in force for a period fixed by the *commissioner* [~~board~~]. But the *commissioner* [~~board~~] may, upon at least *ten (10)* [~~sixty (60)~~] days' notice and a hearing to the employer, revoke *or suspend* the certificate upon satisfactory evidence *that* [~~for such~~] revocation *or suspension is appropriate* [~~having been presented~~]. *If the commissioner revokes a certificate,* the *commissioner* [~~board~~] may thereafter, upon petition of the employer and a hearing, grant a new certificate, but the employer shall not, as a matter of right, be entitled to a hearing for this purpose sooner than six (6) months *following an order of the commissioner revoking the employer's certificate* [~~after a previous revocation of his certificate~~].

(2) A self-insurer whose certificate to self-insure has been revoked is not relieved of its obligations for compensation to its employees for work-related injuries or occupational diseases that occur during the period of self-insurance. The required security shall be maintained with the commissioner or under the commissioner's control until each claim for workers' compensation benefits has been paid, been settled, or lapsed under this chapter.

SECTION 38. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding the provisions of KRS 342.340, 342.350, or any administrative regulations promulgated pursuant to those provisions, the commissioner shall annually review the adequacy of the financial or other security requirements contained in administrative regulations, promulgated pursuant to the self-insurance provisions in this chapter. The commissioner shall report the results of the review to the Labor and Industry Committee and any recommendations for proposed changes to insure the financial soundness of the individual self-insurers and the self-insurance groups authorized pursuant to this chapter. In addition, the commissioner shall report not less often than annually a summary report on the financial soundness of the individual self-insurers and self-insurance groups.

(2) The Labor and Industry Committee shall annually review the administrative regulations promulgated pursuant to the self-insurance provisions under this chapter.

PART 12

SECTION 39. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly finds and declares that:

- *(a) An adequate and available workers' compensation insurance market does not exist for employers in the Commonwealth;*
- *(b) Approximately fifty percent (50%) of the private workers' compensation insurance market resides in the residual market mechanism for workers' compensation;*
- *(c) The voluntary insurance market has declined to the point that employers in the Commonwealth, who lack the financial capability to cover their own risk, have few insurance options except the residual market mechanism through which to maintain their statutorily required workers' compensation coverage;*
- *(d) A lack of an adequate market for workers' compensation insurance threatens the economic welfare of the Commonwealth and its ability to create and maintain jobs for the citizens of Kentucky;*
- *(e) Employers in the Commonwealth and other states are required by law to provide workers' compensation coverage to their employees and, therefore, the General Assembly has a responsibility to ensure employers an available and adequate insurance mechanism through which employers may discharge their statutory duty*

regarding workers' compensation; and

(2) Therefore, it is the intent of the General Assembly in creating the Employers' Mutual Insurance Authority to establish a self-supporting competitive state fund for the purpose of providing both a market of last resort for employers in the Commonwealth and another competitive source of insurance in the voluntary market through which employers may secure and maintain their workers' compensation coverage required under this chapter.

The authority shall function in a manner similar to a governing board for a domestic mutual insurance company and shall be subject to the provisions of Subtitle 24 and other provisions of KRS Chapter 304 applicable to domestic mutual insurance companies unless otherwise provided or exempted in Sections 39 to 61 of this Act.

(2) Except for initial funding for start-up, the authority shall be entirely self-supporting.

(2) The right to compensation under this chapter resulting from work-related exposure to the human immunodeficiency virus shall be barred unless notice of the injurious exposure is given in accordance with subsection (1) of this section and unless an application for adjustment of claim for compensation shall have been made with the commissioner within five (5) years after the injurious exposure to the virus.

SECTION 70. A NEW SECTION OF SUBTITLE 20 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Any insurer providing workers' compensation insurance coverage for a Kentucky location shall provide proof of coverage to the commissioner of the Department of Workers' Claims in the Labor Cabinet in accordance with Section 36 of this Act.

Section 71. KRS 342.700 is amended to read as follows:

(1) Whenever an injury for which compensation is payable under this chapter has been sustained under circumstances creating in some other person than the employer a legal liability to pay damages, the injured employee may either claim compensation or proceed at law by civil action against ***the*** [~~such~~] other person to recover damages, or proceed both against the employer for compensation and ***the*** [~~such~~] other person to recover damages, but he shall not collect from both. If the injured employee elects to proceed at law by civil action against ***the*** [~~such~~] other person to recover damages, he shall give due and timely notice to the employer ***and the special fund*** of the filing of ***the*** [~~such~~] action. If compensation

is awarded under this chapter, the employer, his insurance carrier, the special fund, and the uninsured employer's fund, or any of them, having paid the compensation or having become liable therefor, may recover in his or its own name or that of the injured employee from the other person in whom legal liability for damages exists, not to exceed the indemnity paid and payable to the injured employee, less the employee's legal fees and expense. ***The notice of civil action shall conform in all respects to the requirements of KRS 411.188(2).***

(2) A principal contractor, intermediate, or subcontractor shall be liable for compensation to any employee injured while in the employ of any one (1) of his intermediate or subcontractors and engaged upon the subject matter of the contract, to the same extent as the immediate employer. Any principal, intermediate, or subcontractor who pays ***the*** [~~such~~] compensation may recover the amount paid from any subordinate contractor through whom he has been rendered liable under this section. Every claim to compensation under this subsection shall in the first instance be presented to and instituted against the immediate employer, but ***the*** [~~such~~] proceedings shall not constitute a waiver of the employee's rights to recover compensation under this chapter from the principal or intermediate contractor nor shall ***the*** [~~such~~] claim be barred by limitations, ***if the*** [~~provided such~~] claim is filed against the principal or intermediate contractor within one (1) year after a final unappealed order has been rendered by an administrative law judge determining that immediate employer has insufficient security to pay the full and maximum benefits that could be determined to be due him under this chapter. The collection of full compensation from one employer shall bar recovery by the employee against any other. But he shall not collect from all a total compensation in excess of the amount for which his immediate employer is liable. This subsection shall apply only in cases where the injury occurred on, in, or about the premises on which the principal contractor has undertaken to execute work or which are under his control otherwise or management.

(3) It shall be considered to be contrary to public policy and unlawful for any owner or employer to require another employer to waive its remedies granted by this section as a condition of receiving a contract or purchase order. Furthermore, in selecting between two (2) or more contractors or suppliers, consideration may not be given by an owner or employer to whether one (1) contractor or supplier voluntarily waives its remedies under this section or offers to accept lesser compensation than another contractor or supplier for such waiver of remedies.

PART 15

GENERAL CONFORMING AMENDMENTS

Section 75. KRS 342.040 is amended to read as follows:

(1) Except as provided in KRS 342.020, no income benefits shall be payable for the first seven (7) days of disability unless disability continues for a period of more than two (2) weeks, in which case income benefits shall be allowed from the first day of disability. All income benefits shall be payable on the regular payday of the employer, commencing with the first regular payday after seven (7) days after the injury or disability resulting from an occupational disease, with interest at the rate of twelve percent (12%) per annum on each installment from the time it is due until paid except that if the administrative law judge determines that a denial, delay, or termination in the payment of income benefits was without reasonable foundation, the rate of interest shall be eighteen percent (18%) per annum. In no event shall income benefits be instituted later than the ***fifteenth*** [~~15th~~] day after the employer has knowledge of the disability or death. Income benefits shall be due and payable not less often than semimonthly. If the employer should terminate, or fail to make payments when due, the employer shall notify the ***commissioner*** [~~board~~] of ***the*** [~~such~~] termination or failure to make payments and the ***commissioner*** [~~board~~] shall, in writing, advise the employee or known dependent of right to prosecute a claim under this chapter.

(2) If overdue temporary total disability income benefits are recovered in a proceeding brought under this chapter by an attorney for an employee, or paid by the employer after receipt of notice of the attorney's representation, a reasonable attorney's fee for these services may be awarded. The award of attorney's fees shall be paid by the employer if the administrative law judge determines that the denial or delay was without reasonable foundation. No part of the fee for representing the employee in connection with the recovery of overdue temporary total disability benefits withheld without reasonable foundation shall be charged against or deducted from benefits otherwise due the employee.

(3) All retraining incentive benefits awarded pursuant to KRS 342.732 shall be payable on the regular payday of the employer, commencing with the second regular payday after the award of the retraining incentive benefit by the administrative law judge becomes final. Retraining incentive benefits shall be due and payable not less often than semimonthly.

(4) Upon written request of the employee, all payments of compensation shall be mailed to the employee at his last known address.

Section 76. KRS 342.140 is amended to read as follows:

The average weekly wage of the injured employee at the time of the injury or last injurious exposure shall be determined as follows:

(1) If at the time of the injury which resulted in death or disability or the last date of injurious exposure preceding death or disability from an occupational disease:

(a) The wages were fixed by the week, the amount so fixed shall be the average weekly wage;

(b) The wages were fixed by the month, the average weekly wage shall be the monthly wage so fixed multiplied by twelve (12) and divided by fifty-two (52);

(c) The wages were fixed by the year, the average weekly wage shall be the yearly wage so fixed divided by fifty-two (52);

(d) The wages were fixed by the day, hour, or by the output of the employee, the average weekly wage shall be the wage most favorable to the employee computed by dividing by thirteen (13) the wages (not including overtime or premium pay) of said employee earned in the employ of the employer in the first, second, third, or fourth period of thirteen (13) consecutive calendar weeks in the fifty-two (52) weeks immediately preceding the injury.

(e) The employee had been in the employ of the employer less than thirteen (13) calendar weeks immediately preceding the injury, his average weekly wage shall be computed under paragraph (d), taking the wages (not including overtime or premium pay) for ***that*** [~~such~~] purpose to be the amount he would have earned had he been so employed by the employer the full thirteen (13) calendar weeks immediately preceding the injury and had worked, when work was available to other employees in a similar occupation.

(f) The hourly wage has not been fixed or cannot be ascertained, the wage for the purpose of calculating compensation shall be taken to be the usual wage for similar services where ***the*** [~~such~~] services are rendered by paid employees.

(2) In occupations which are exclusively seasonal and therefore cannot be carried on throughout the year, the average weekly wage shall be taken to be one-fiftieth (1/50) of the total wages which the employee has earned from all occupations during the twelve (12) calendar months immediately preceding the injury.

(3) In the case of volunteer firemen, police, and civil defense members or trainees, the income benefits shall be based on the average weekly wage in their regular employment.

(4) If the employee was a minor, apprentice, or trainee when injured, and it is established that under normal conditions his wages should be expected to increase during the period of disability, that fact may be considered in computing his average weekly wage.

(5) When the employee is working under concurrent contracts with two (2) or more employers and the defendant employer has knowledge of ***the*** [~~such~~] employment prior to the injury, his wages from all ***the*** [~~such~~] employers shall be considered as if earned from the employer liable for compensation.

(6) The term "wages" as used in this section and KRS 342.143 means, in addition to money payments for services rendered, the reasonable value of board, rent, housing, lodging, and fuel or similar advantage received from the employer, and gratuities received in the course of employment from others than the employer to the extent ***the*** [~~such~~] gratuities are reported for income tax purposes.

(7) The ***commissioner*** [~~board~~] shall, from time to time, based upon the best available information, determine by ***administrative*** regulation industries which ordinarily do not have a full working day for five (5) days in every week. In ***those*** [~~such~~] industries, compensation shall be computed at the average weekly wage earned by the employee at the time of injury reckoning wages as earned while working full time. "At full time" as used ***in this subsection*** [~~herein~~] means a full working day for five (5) working days in every week regardless of whether the injured employee actually worked all or part of the time.

Section 77. KRS 342.205 is amended to read as follows:

(1) After an injury and so long as compensation is claimed, the employee, if requested by a party or by the administrative law judge, shall submit himself to examination, at a reasonable time and place, to a duly qualified physician or surgeon designated and paid by the requesting party. The employee shall have the right to have a duly qualified physician or surgeon designated and paid by himself present at the examination, but this right shall not deny the requesting party's physician or surgeon the right to examine the injured employee at all reasonable times and under all reasonable conditions.

(2) The party requesting an examination pursuant to subsection (1) of this section shall make arrangements to provide all the cost of the examination. The requesting party shall also prepay the cost of transportation of the employee to and from the examination if public transportation is utilized. If the employee uses his own vehicle to travel to and from the examination, the requesting party shall prepay the employee at the state mileage rate. The requesting party shall also reimburse the employee for the cost of meals, lodging, parking, and toll charges upon proof of same by written voucher. The amounts prepaid or reimbursed by the requesting party, as required ***by this subsection*** [~~herein~~], shall be the same as, and in accordance with, state travel ***administrative*** regulations and standards promulgated and established pursuant to KRS Chapter ***45*** [~~18A~~].

(3) If an employee refuses to submit himself to or in any way obstructs ***the*** [~~such~~] examination, his right to take or prosecute any proceedings under this chapter shall be suspended until the refusal or obstruction ceases. No compensation shall be payable for the period during which the refusal or obstruction continues.

(4) Any employee receiving benefits under this chapter may be required, upon request of any party, to furnish a sworn affirmed statement of earnings and other supporting information the administrative law judge may require.

(5) The ***department*** [~~board~~] shall supply forms for the report.

Section 78. KRS 342.235 is amended to read as follows:

The ***commissioner*** [~~board~~] and [~~its~~] employees or authorized representatives ***of the department*** shall, for traveling necessitated by the discharge of official duties, be reimbursed for transportation actually paid for, not exceeding the regular fare over the most direct route, and meals and lodging actually paid for.

Section 79. KRS 342.240 is amended to read as follows:

The ***department*** [~~board~~] shall maintain its main office in Frankfort, Kentucky, using suitable rooms and offices belonging to this state, and shall be provided necessary office furniture to be paid for by the state. The ***commissioner*** [~~board~~] shall provide necessary supplies, books, [~~and~~] periodicals, and maps and shall provide [~~itself with~~] a seal for the authentication of [~~its~~] orders, awards, or proceedings [~~and those~~] of the administrative law judges, on which shall be inserted the words "***Department of Workers' Claims*** [~~Workers' Compensation Board~~], State of Kentucky, official seal." The board and the administrative law judges may hold sessions at any place within the state where necessary and shall have power to sue or institute legal proceedings in any court of this state, under existing laws as to jurisdiction of actions. Unless consented to by the ***commissioner*** [~~board~~], all actions or proceedings against ***the board*** [~~it~~] or a member in his official capacity, or against an administrative law judge or the commissioner in his official capacity shall be brought in the courts of Franklin County.

Section 80. KRS 342.260 is amended to read as follows:

(1) The ***commissioner*** [~~board~~] shall prepare [~~such~~] administrative regulations as ***he*** [~~it~~] considers necessary to carry on ***the*** [~~its~~] work ***of the department*** and the work of the administrative law judges and may promulgate administrative regulations not inconsistent with this chapter and KRS Chapter 13A for carrying out the provisions of this chapter.

(2) Processes and procedure under this chapter shall be as summary and simple as reasonably possible. The board or any member thereof or any administrative law judge for the purpose of this chapter, may subpoena witnesses, administer or cause to have administered oaths, and examine or cause to have examined ***those*** [~~such~~] parts of the books and records of the parties to a proceeding as relate to questions in dispute.

(3) The sheriff shall serve all subpoenas of the board and administrative law judges and shall receive the same fee as provided by law for like service in civil actions. Each witness who appears in obedience to ***the*** [~~such~~] subpoena of the board or any administrative law judge shall receive for attendance the fees and mileage for witnesses in civil cases in the Circuit Courts.

(4) The Circuit Court shall, on application of the board, any member thereof, or any administrative law judge, enforce by proper proceedings the attendance and testimony of witnesses and the production and examination of books, papers, and records.

Section 81. KRS 342.285 is amended to read as follows:

(1) An award or order of the administrative law judge as provided in KRS 342.275, if petition for reconsideration is not filed as provided for in KRS 342.281, shall be conclusive and binding as to all questions of fact, but either party may in accordance with administrative regulations promulgated by the ***commissioner*** [~~board~~] appeal to the Workers' Compensation Board for the review of ***the*** [~~such~~] order or award.

(2) No new or additional evidence may be introduced before the board except as to the fraud or misconduct of some person engaged in the administration of this chapter and affecting the order, ruling, or award, but the board shall otherwise hear the appeal upon the record as certified by the administrative law judge and shall dispose of the appeal in summary manner. The board shall not substitute its judgment for that of the administrative law judge as to the weight of evidence on questions of fact, its review being limited to determining whether or not:

(a) The administrative law judge acted without or in excess of his powers;

(b) The order, decision, or award was procured by fraud;

(c) The order, decision, or award is not in conformity to the provisions of this chapter;

(d) The order, decision, or award is clearly erroneous on the basis of the reliable, probative, and material evidence contained in the whole record; or

(e) The order, decision, or award is arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion.

(3) Within thirty (30) days from final submission, the board shall enter its decision affirming, modifying, or setting aside the order, decision, or award, or in its discretion remanding the claim to the administrative law judge for further proceedings in conformity with the direction of the board. The board may, before decision and upon a sufficient showing of fact, remand the claim to the administrative law judge.

Section 82. KRS 342.316 is amended to read as follows:

(1) (a) The employer liable for compensation for occupational disease shall be the employer in whose employment the employee was last exposed to the hazard of the occupational disease. During any period in which this section is applicable to a coal mine, an operator who acquired it or substantially all of its assets from a person who was its operator on and after January 1, 1973, shall be liable for, and secure the payment of, the benefits which would have been payable by the prior operator under this section with respect to miners previously employed in the mine if it had not been acquired by such later operator. At the same time, however, this subsection does not relieve the prior operator of any liability under this section. Also, it does not affect whatever rights the later operator might have against the prior operator. Said employer shall have the right to contribution from each previous employer, as determined in an independent civil action, wherein the employee was similarly exposed to the hazard of said occupational disease, in a sum equal to the ratio that each exposure employment time bears to the total exposure employment time, except as otherwise provided in paragraph (a) of subsection (10) of this section; and

(b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later, except that the time of the beginning of retraining incentive benefits awarded under KRS 342.732 shall be the date the award for ***those*** [~~such~~] benefits by the administrative law judge becomes final.

(2) (a) The procedure with respect to the giving of notice and determination of claims in occupational disease cases and the compensation and medical benefits payable for disability or death due to ***the*** [~~such~~] disease shall be the same

as in cases of accidental injury or death under the general provisions of this chapter, except that notice of claim shall be given to the employer as soon as practicable after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted ***the*** ~~[such]~~ disease, or a diagnosis of ***the*** ~~[such]~~ disease is first communicated to him, whichever shall first occur;

(b) Except as provided in paragraph (d) of this subsection, the procedure with respect to filing of claims shall be as follows:

1. a. The application shall set forth the complete work history of the applicant with a concise description of injurious exposure to a specific occupational disease, together with the name and addresses of the employer or employers with the approximate dates of employment. The application shall also include at least two (2) written medical reports supporting his claim. These medical reports shall be made on the basis of comprehensive clinical examinations performed in accordance with accepted medical standards and shall contain full and complete statements of all examinations performed and the results thereof. The reports shall be made by duly licensed physicians. ~~[Within one hundred and eighty (180) days following October 26, 1987,]~~ The ***commissioner*** ~~[board]~~ shall promulgate administrative regulations which prescribe the format of the medical reports required ***by this section*** ~~[herein]~~ and the manner in which ***the*** ~~[such]~~ reports shall be completed.

b. For coal-related occupational pneumoconiosis claims, each clinical examination shall include chest X-ray examinations and spirometric tests.

c. For other compensable occupational pneumoconiosis claims, each clinical examination shall include X-ray examinations and appropriate pulmonary function tests.

2. To be admissible, medical evidence offered in any proceeding under this chapter for determining a claim for occupational pneumoconiosis resulting from exposure to coal dust, shall comply with accepted medical standards as follows:

a. Chest X-rays shall be of acceptable quality with respect to exposure and development and shall be indelibly labeled with the date of the X-ray and the name and Social Security number of the claimant. Physicians' reports of X-ray interpretations shall: identify the claimant by name and Social Security number; include the date of the X-ray and the date of the report; classify the X-ray interpretation using the latest ILO Classification and be accompanied by a completed copy of the latest ILO Classification report.

b. Spirometric testing shall be conducted in accordance with the standards recommended in the latest edition available of the guides to the evaluation of permanent impairment published by the American Medical Association and the 1978 ATS epidemiology standardization project. The FVC or the FEV1 values shall represent the largest of such values obtained from three (3) acceptable forced expiratory volume maneuvers as corrected to BTPS (body temperature, ambient pressure and saturated with water vapor at these conditions) and the variance between the two (2) largest acceptable FVC values shall be either less than five percent (5%) of the largest FVC value or less than one hundred (100) milliliters, whichever is greater. The variance between the two (2) largest acceptable FEV1 values shall be either less than five percent (5%) of the largest FEV1 value or less than one hundred (100) milliliters, whichever is greater. Reports of spirometric testing shall include a description by the physician of the procedures utilized in conducting such spirometric testing and a copy of the spirometric chart and tracings from which spirometric values submitted as evidence were taken.

3. The ***commissioner*** ~~[board]~~ shall promulgate administrative regulations pursuant to KRS Chapter 13A as necessary to effectuate the purposes of subsection (2)(b) of this section. The ***commissioner*** ~~[board]~~ shall periodically review the applicability of the spirometric test values contained in the latest edition available of the guides to the evaluation of permanent impairment published by the American Medical Association and may by administrative regulation substitute other spirometric test values which are found to be more closely representative of the normal pulmonary function of the coal mining population.

(c) Except as provided in paragraph (d) of this subsection, the procedure with respect to the determination of claims shall be as follows:

1. Immediately upon receipt of said application for adjustment of claim, the commissioner shall notify the affected employer, the special fund and any other interested party of such claim and shall furnish them with a full and complete copy of the claim;

2. Upon receipt of notice of the claim, the employer, the special fund, and any other interested party shall have the right to have the claimant examined by competent medical experts, at their expense, including a reasonable sum for travel. Within thirty (30) days of any such examination, the claimant or his representative shall be furnished a copy of said medical report by the party requesting such report. Also,

the employer, the special fund, or any other party to the claim shall have the right to have the claimant evaluated by vocational experts or institutions, at ***the employer's*** [~~their~~] expense, including a reasonable sum for travel. Within thirty (30) days of any ***vocational*** [~~such~~] examination, the claimant or his representative, shall be furnished a copy of ***that*** [~~said~~] vocational report by the party requesting ***that*** [~~such~~] report; and

3. Within sixty (60) days of the receipt of the claim, the employer, the special fund, and any other interested party shall notify the ***commissioner*** [~~board~~] and the claimant whether or not the claim will be resisted. If the claim is not resisted, then an administrative law judge shall within ten (10) days enter an order and award for the claimant. If the claim is resisted, the administrative law judge shall set a date for a prehearing conference and shall notify all parties thereof. In litigated claims the regular procedures prescribed by the ***commissioner*** [~~Workers' Compensation Board~~] shall be followed. Upon request of an interested party and a showing of good cause, the administrative law judge may extend, one (1) time, the time period for filing a notice of resistance as prescribed in this subparagraph, ***but the*** [~~provided said~~] extension shall not exceed thirty (30) days.

(d) For claims filed under subsection (1)(a) of KRS 342.732, the procedure shall be as follows:

1. For retraining incentive benefits under KRS 342.732, the claimant shall file two (2) X-rays and the reports thereof which shall conform to the standard for X-rays contained ***in this subsection*** [~~herein~~].

2. The commissioner shall notify the affected employer of ***the*** [~~such~~] claim and shall furnish him with a full and complete copy of the claim.

3. Within sixty (60) days of the receipt of the claim, the employer shall notify the commissioner and the claimant whether or not the claim will be resisted. If the claim is not resisted, an administrative law judge shall within ten (10) days enter an order and award for the claimant. If the claim is resisted, the administrative law judge shall notify the affected employee thereof. In litigated claims, the regular procedures prescribed by the ***commissioner*** [~~Workers' Compensation Board~~] shall be followed.

(3) (a) The right to compensation under this chapter resulting from an occupational disease shall be forever barred unless a claim is filed with the ***commissioner*** [~~Workers' Compensation Board~~] within three (3) years after the last injurious exposure to the occupational hazard or after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted the disease, whichever shall last occur; and if death results from the occupational disease within ***that*** [~~said~~] period, unless a claim therefor be filed with the ***commissioner*** [~~Workers' Compensation Board~~] within three (3) years after ***the*** [~~such~~] death; ***but*** [~~provided, however,~~] that notice of [~~such~~] claim shall be deemed waived in case of disability or death where the employer, or his insurance carrier, voluntarily makes payment therefor, or, if the incurrence of the disease or the death of the employee and its cause was known to the employer. [~~Provided,~~] However, [~~that~~] the right to compensation for any occupational disease shall be forever barred, unless a claim is filed with the ***commissioner*** [~~Workers' Compensation Board~~] within five (5) years from the last injurious exposure to the occupational hazard, except that, in cases of radiation disease or asbestos-related disease, a claim must be filed within twenty (20) years from the last injurious exposure to the occupational hazard.

(b) Income or retraining incentive benefits for the disease of pneumoconiosis resulting from exposure to coal dust or death therefrom shall not be payable unless the employee has been exposed to the hazards of such pneumoconiosis in the Commonwealth of Kentucky over a continuous period of not less than two (2) years during the ten (10) years immediately preceding the date of his last exposure to such hazard, or for any five (5) of the fifteen (15) years immediately preceding the date of such last exposure.

(4) The amount of compensation payable for disability due to occupational disease or for death from ***the*** [~~such~~] disease, and the time and manner of its payment, shall be as provided for under the general provisions of the Workers' Compensation Act, but***:***

(a) In no event ***shall the payment*** [~~to~~] exceed ***the*** [~~such~~] amounts ***that*** [~~as~~] were in effect at the time of the last injurious exposure***;***[~~, and provided further, that~~]

(b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later***;***[~~,~~] and

(c) [~~provided further, that~~] In case of death where the employee has been awarded compensation or made timely claim within the period provided for in this section, ***and*** an employee has suffered continuous disability to the date of his death occurring at any time within twenty (20) years from the date of disability, his dependents, if any, shall be awarded compensation for his death as provided for under the general provisions of the Workers' Compensation Act and in this section.

(5) If an autopsy has been performed, no testimony relative thereto shall be admitted unless the employer or his representative has available findings and reports of the pathologist or doctor who performed the autopsy examination.

(6) No compensation shall be payable for occupational disease if the employee at the time of entering the employment of the

employer by whom compensation would otherwise be payable, falsely represented himself, in writing, as not having been previously disabled, laid off, or compensated in damages or otherwise, because of ***the occupational*** [~~such~~] disease, or failed or omitted truthfully to state to the best of his knowledge, in answer to written inquiry made by the employer, the place, duration, and nature of previous employment, or, to the best of his knowledge, the previous state of his health.

(7) No compensation for death from occupational disease shall be payable to any person whose relationship to the deceased, which, under the provisions of this chapter would give right to compensation, arose, subsequent to the beginning of the first compensable disability, ***except*** [~~save~~] only ***for*** [~~to~~] after-born children of a marriage existing at the beginning of such disability.

(8) Whenever any claimant misconceives his remedy and files an application for adjustment of claim under the general provisions of this chapter and it is subsequently discovered, at any time before the final disposition of ***the*** [~~such~~] cause, that the claim for injury, disability, or death which was the basis for ***his*** [~~such~~] application should properly have been made under the provisions of this section, then the application so filed may be amended in form or substance, or both, to assert a claim for [~~such~~] injury, disability, or death under the provisions of this section, and it shall be deemed to have been so filed as amended on the date of the original filing thereof, and [~~such~~] compensation may be awarded ***that*** [~~as~~] is warranted by the whole evidence pursuant to the provisions of this chapter. When [~~such~~] amendment ***of this type*** is submitted, further or additional evidence may be heard by the administrative law judge when deemed necessary. Nothing this section contains shall be construed to be or permit a waiver of any of the provisions of this chapter with reference to notice of time for filing of a claim, but notice of filing a claim, if given or done, shall be deemed to be a notice of filing of a claim under provisions of this chapter, if given or done within the time required ***by this subsection*** [~~herein~~].

(9) When an employee has an occupational disease that is covered by this chapter, the employer in whose employment he was last injuriously exposed to the hazard of the disease, and the employer's insurance carrier, if any, at the time of the exposure, shall alone be liable therefor, without right to contribution from any prior employer or insurance carrier; except as otherwise provided ***in this chapter*** [~~herein~~].

(10) (a) Except as provided in paragraph (c) of this subsection, the employer liable for compensation for occupational diseases, other than silicosis or any other compensable pneumoconiosis, which developed to the point of disability only after an exposure of five (5) or more years, or for silicosis and any other compensable pneumoconiosis, shall be the employer in whose employment the employee was last exposed to the hazard of ***that*** [~~such~~] occupational disease. In those cases where disability or death are not conclusively proven to be the result of such last exposure all compensation shall be paid out of the special fund for all claims filed prior to January 1, 1973; and seventy-five percent (75%) shall be paid by the special fund and twenty-five percent (25%) by the employer for all claims filed thereafter. In all other cases of occupational diseases, other than silicosis or any other compensable pneumoconiosis, which developed to the point of disability only after an exposure of five (5) or more years, or for silicosis and any other compensable pneumoconiosis, the compensation for disability or death due to such diseases shall be paid jointly by the employer and the special fund, and the employer shall be liable for sixty percent (60%) of the compensation due and the special fund shall be liable for forty percent (40%) of the compensation due. Provided, however, that when there is a joint award against the carrier or self-insured employer and the special fund under this section, all of the compensation awarded shall be paid pursuant to KRS 342.120 and under such regulations as the ***commissioner*** [~~board~~] may provide for such purpose; and

(b) In all claims for compensation partially payable by the special fund, the Director of the Division of the Special Fund shall be designated as codefendant.

(c) The employer in whose employment the employee was last exposed to the hazard of the disease shall alone be liable for payment of retraining incentive benefits awarded under KRS 342.732.

Section 83. KRS 342.350 is amended to read as follows:

(1) In order to comply with KRS 342.340, groups of employers may form, either among themselves or with employers in other states, mutual insurance associations, or reciprocal or interinsurance exchanges subject to the insurance laws of this state and ***any*** [~~such~~] reasonable conditions and restrictions not inconsistent therewith [~~as may be~~] fixed by the ***commissioner*** [~~board~~]. Membership in ***these*** [~~such~~] mutual insurance associations or reciprocal or interinsurance exchanges so approved, together with evidence of the payment of premiums due, shall be evidence of compliance with KRS 342.340.

(2) The ***commissioner*** [~~board~~] may, except as provided in subsection (3), require any mutual insurance association or reciprocal or interinsurance exchange to purchase an annuity or to effect reinsurance with a company authorized to transact insurance in this state or to make ***a*** [~~such~~] deposit with a bank or trust company of this state ***that*** [~~as~~] shall in either case be approved by the ***commissioner*** [~~board~~] for the purpose of fully securing the payment of all deferred installments upon any claim for compensation.

(3) Any mutual insurance association or reciprocal or interinsurance exchange possessing a surplus of at least one hundred thousand dollars ($100,000) and not less in amount than the capital required of a domestic stock insurance company transacting the same kind of insurance shall not be required to purchase an annuity or effect reinsurance with a company authorized to transact insurance in this state or to make [~~such~~] a deposit with a bank or trust company of this state for the

purpose of fully securing the payment of all deferred installments upon any claim for compensation.

(4) In addition, the ***commissioner***[~~board~~], under ***administrative*** [~~rules and~~] regulations ***that he*** [~~as it~~] shall prescribe, may permit eleven (11) or more employers or two (2) or more city, county, municipal, or urban-county employers or their agencies to enter into agreements to pool their liabilities under this chapter for the purpose of qualifying as self-insurers. Floor Amendment No. 1 to **SB 343**, by Representative Johnson:

On page 1, by inserting after line 12 the following new section:

"SECTION 2. A NEW SECTION OF KRS 65.210 TO 65.300 IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly finds that the goals of controlling health care costs and improving the quality of and access to health care services will be significantly enhanced by some cooperative arrangements involving local governmental entities that would be prohibited by state and federal antitrust laws if undertaken without governmental involvement. The purpose of this section is to create an opportunity for the state to supervise arrangements and to substitute regulation for competition when an arrangement is likely to result in lower costs, or greater access or quality, than would otherwise occur in a competitive marketplace. The legislature intends that approval of relationships be accompanied by appropriate conditions, supervision, and regulation to protect against private abuses of economic power by having the board of directors of any local governmental hospital be controlled by a majority of individuals appointed by the government subdivision. The transactions and procedures for local governmental hospitals described in subsection (2) to (6) of this section are intended to constitute sufficient approval and ongoing oversight by a subdivision of the state to constitute state action so that such transactions and procedures will be exempt from federal and state antitrust regulation.

(2) As used in this section, "local governmental hospital" means any hospital owned or controlled by a local governmental entity including, but not limited to, a county hospital, a city hospital, hospital district, hospital acting under or a nonprofit 501(c)(3) hospital organized under the Interlocal Cooperation Act pursuant to KRS 65.210 to 65.300 and whose board of directors is controlled by the local governmental entity.

(3) A local governmental hospital, with the consent of the board of trustees and upon a finding by the local government entity or the trustees or directors of the hospital appointed by or approved by a local government entity of cost savings, quality improvements, or price reductions, may contract with another licensed hospital located within a reasonable distance to share or divide specialty or costly hospital services and equipment, or a local governmental hospital, with approval, may discontinue or avoid duplication of specialty or costly hospital services and equipment otherwise available to the community served for the purpose of minimizing costs for hospital services or improving health care.

(4) A local governmental hospital, with the consent of the board of directors and upon a finding by the local government entity or the trustees or directors of the hospital appointed by or approved by a local government entity of cost savings, quality improvements, or price reductions, may require or merge with any health facility, as defined in KRS 216B.010 if the resulting entity's board of trustees is and will on an ongoing basis be composed of a majority of directors selected by the governmental entity and the provisions of 216B.010 to 216B.990 are complied with by the local governmental hospital.

(5) A local governmental hospital, upon finding by the local government entity or the trustees or directors of the hospital appointed by or approved by a local government entity of cost savings, quality improvements, or price reductions, may engage in shared services, and other cooperative ventures with any other facility.

(6) A local governmental hospital, upon a finding by the local government entity or the trustees or directors of the hospital appointed by or approved by a local government entity of cost savings, quality improvements, or price reductions, may enter into partnerships, or form or be a shareholder of corporations, or have members of its governing body serve as directors, officers or employees of any venture, association, or partnership, or corporation authorized under this section."

The effective date of the certificate shall be the date of issuance of the certificate.

(2) Before the issuance or denial of a fluidized bed combustion technology tax exemption certificate, the Revenue Cabinet [~~shall give notice in writing by mail to the special assistant to the Governor for coal and energy policy and shall~~] afford to the applicant [~~and to the special assistant to the Governor for coal and energy policy~~] an opportunity for a hearing. The hearing shall take place within sixty (60) days following notification. The [~~special assistant to the Governor for coal and energy policy along with the~~]applicant shall be notified of the hearing at least two (2) weeks prior to the hearing. Notice of an order of the Revenue Cabinet denying, revoking, or modifying a certificate in the form of certified copies shall be sent by certified mail to the applicant or the holder[~~ and shall be sent to the special assistant to the Governor for coal and energy policy. The applicant or holder and the special assistant to the Governor for coal and energy policy shall be deemed parties for the purposes of the review afforded by subsection (6) of this section~~].

(6) Any party aggrieved by the issuance, refusal to issue, revocation, or modification of a fluidized bed combustion technology tax exemption certificate may appeal from the final ruling of the Revenue Cabinet to the Kentucky Board of Tax Appeals as provided in KRS 131.340.

(7) In the event of the sale, lease, or other transfer of a fluidized bed combustion unit, not involving a different location or use, the holder of the fluidized bed construction technology tax exemption certificate for the facility may transfer the certificate by written instrument to the person who, except for the transfer of the certificate, would be obligated to pay taxes on the facilities. The transferee shall become the holder of the certificate and shall have all rights pertaining thereto, effective as the date of transfer, together with a copy of the instrument of transfer to the Revenue Cabinet.

(8) In the event a fluidized bed combustion unit for which an exemption certificate is held ceases to be used for the purpose of generating energy or is used for a purpose other than that for which the exemption certificate was granted, the holder of the certificate shall give written notice by certified mail of such change to the [~~special assistant to the Governor for coal and energy policy and the~~] Revenue Cabinet.

However, if an employer-employee bargained contract contains procedures for filling certified position openings created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a certified staff member, or creation of a new position for which certification is required, a vacancy shall not exist, unless certified positions remain open after compliance with those procedures.

(2) (a) All appointments, promotions, and transfers of principals, supervisors, teachers, and other public school employees shall be made [~~only~~] by the superintendent of schools ***and shall be approved by the board***[~~, who shall notify the board of the action taken~~]. All employees of the local district shall have the qualifications prescribed by law and by the administrative regulations of the State Board for Elementary and Secondary Education and of the employing board. Supervisors, principals, teachers, and other employees may be appointed by the superintendent for any school year at any time after February 1 preceding the beginning of the school year.

(b) When a vacancy occurs in a local school district, the superintendent shall notify the chief state school officer thirty (30) days before the position shall be filled. The chief state school officer shall keep a registry of local district vacancies which shall be made available to the public. The local school district shall post position openings in the local board office for public viewing.

(c) When a vacancy needs to be filled in less than thirty (30) days' time to prevent disruption of necessary instructional or support services of the school district, the superintendent may seek a waiver from the chief state school officer. If the waiver is approved, the appointment shall not be made until the person recommended for the position has been approved by the chief state school officer. The chief state school officer shall respond to a district's request for waiver or for approval of an appointment within two (2) working days.

(d) When a vacancy occurs in a local district, the superintendent shall conduct a search to locate minority teachers to be considered for the position.

The provisions of KRS 161.760 shall not apply to any transfer made in order to comply with the provisions of this paragraph.

(3) No superintendent shall employ in a position which involves supervisory or disciplinary power over a minor, any person who is a violent offender or has been convicted of a sex crime as defined by KRS 17.165 which is classified as a felony. The superintendent may employ, at his discretion, persons convicted of sex crimes classified as a misdemeanor. Each superintendent shall request all conviction information for any applicant for initial employment from the Justice Cabinet prior to employing the applicant.

(4) (a) If a school term has begun and a position remains unfilled or if a vacancy occurs during a school term, a superintendent may employ an individual, who will have supervisory or disciplinary authority over minors, on probationary status pending receipt of the required records. Application for the criminal record of a probationary employee shall be made no later than the date probationary employment begins.

The House of Representatives of the Commonwealth of Kentucky hereby offers its sincerest condolences and expressions of sympathy to The Lawrence Winchester Wetherby Family. Lawrence Winchester Wetherby, governor of Kentucky during 1950-55. While in office Wetherby was known for increasing both teachers' salaries and benefits to the needy and to government employees. Later, he created a separate Department of Mental Health, supported enactment of the first state law to regulate strip mining, and began construction of toll roads and a new state fair grounds. Wetherby supported the Supreme Court's desegregation order and urged its peaceful implementation as the law of the land. On this mournful occasion this prestigious body joins with Representative C. (2) Employees participating in one (1) of the state administered retirement systems who are or have been employed by a school board participating in the County Employees Retirement System***, a state operated school under Chapter 167, or a Kentucky institution of higher education which participates in the Kentucky Employees Retirement System who*** [~~to~~] work less than twelve (12) months each year may purchase the additional months of service credit needed to total one (1) year of service credit. The employee or the school board may purchase the service credit by paying the retirement system the member and employer contributions calculated on the average monthly rate multiplied by the number of months to be purchased. The payment shall be received by the retirement system by December 31 immediately following the school year in which the fractional year's service occurred. ***If the additional service credit is not purchased by December 31 following the close of each school year, the member shall pay interest on the cost of purchasing the credit at a rate established by the board of trustees*** [~~Members who have service credit prior to July 1, 1992, or their employers, may purchase service credit for previous years if payment is made by August 1, 1993~~].

(3) An employee who is simultaneously eligible for membership in more than one (1) retirement system administered by the Kentucky Retirement Systems may, at his option, choose to participate in only one (1) of those systems. Thereafter the beneficiary shall be entitled to the benefits that are payable based upon the deceased employee's total service credit.*** The provisions of

KRS 161.470 shall be met in order to regain the credit in the Teachers' Retirement System. An employee participating in the Kentucky Employees Retirement System or the County Employees Retirement System who was formerly employed by an area development district created pursuant to KRS 147A.050 which does not participate in the County Employees Retirement System may obtain credit for the period of his service with the area development district by paying to the retirement system in which he participates the full cost of the service credit purchased, as determined by the board's actuary. Payment may be by lump sum or the employee may pay by increments.

(6) Effective August 1, 1988, service credit obtained under subsections (1) to (5), (8) to (12), (14) and (15) of this section shall be disallowed and the recontribution of refund, including interest as determined by the board or other payment, if any, shall be paid to the member, upon request, if the member does not obtain for service performed six (6) months' current service credit in one (1) of the state-administered retirement systems or as an employee of a parted employer. The service requirement shall be waived if the member dies or becomes disabled as provided for by KRS 61.600.

(7) The members shall not receive benefit of service for the same period of time in another public defined benefit retirement fund.

(8) Any employee participating in one (1) of the state-administered retirement systems who has obtained for service performed six (6) months' current service credit in one (1) of the retirement systems administered by the Kentucky Retirement Systems, who formerly worked for a state university in a position which would have qualified as a regular full-time position had the university been a participating department, and who did not have the option to be covered at the university by a defined benefit retirement program, or did not participate in a retirement system which can be consolidated with other accounts pursuant to KRS 61.680(2), may obtain credit in the County Employees Retirement System, the Kentucky Employees Retirement System or the State Police Retirement System for prior and current service by paying either retirement system a delayed contribution payment for the service he would have received had his period of university employment been covered by the county employees, Kentucky Employees Retirement System or State Police Retirement System. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer.

(9) (a) Effective August 1, 1980, any county participating in the County Employees Retirement System may purchase current service, between July 1, 1958, and participation date of the county, for present employees of the county who have obtained coverage under KRS 78.540(2);

(b) Effective July 1, 1973, any department participating in the Kentucky Employees Retirement System may purchase current service between July 1, 1956, and participation date of the department, for present employees of the department who were employees on the participation date of the department and elected coverage under KRS 61.525(2);

(c) Cost of the service credit purchased under this subsection shall be determined by computing the discounted value of the additional service credit based on an actuarial formula recommended by the board's consulting actuary and approved by the board. A department shall make payment for the service credit within the same fiscal year in which the option is elected. The county shall establish a payment schedule subject to approval by the board for payment of the service credit. The maximum period allowed in a payment schedule shall be ten (10) years with interest at the rate actuarially assumed by the board; however, a shorter period is desirable and the board may approve any schedule provided it is not longer than a ten (10) year period;

(d) If a county or department elects the provisions of this subsection, any present employee who would be eligible to receive service credit under the provisions of this subsection and has purchased service credit under subsection (4) or (5) of this section shall have his payment for the service credit refunded with interest at the rate paid under KRS 61.575 or 78.640;

(e) Any payments made by a county or department under this subsection shall be deposited to the retirement allowance account of the proper retirement system and these funds shall not be considered accumulated contributions of the individual members.

(10) Interest paid by a member of the Kentucky Employees Retirement System, County Employees Retirement System, or State Police Retirement System under this section or other similar statutes under KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 prior to June 19, 1976, shall be credited to the individual member's contribution account in the appropriate retirement system and considered as accumulated contributions of the member.

(11) Members who served as assistants to officers and employees of the General Assembly who were unable to acquire service under KRS 61.510(20) may purchase credit for the service performed after January 1, 1960, if the service purchased when added to other accumulated service will total at least forty-eight (48) months. Service credit under this section shall be obtained by the payment of a delayed contribution which shall not be picked up by the employer as described in KRS 61.560(4).

(12) Effective August 1, 1988, any employee participating in one (1) of the state-administered retirement systems may purchase service credit for seasonal, emergency, or temporary employment or part-time employment averaging one hundred (100) or more hours of work per month on a calendar or fiscal year basis. If the average number of hours of work is less than one hundred (100) per month, the member shall be allowed credit only for those months he receives creditable compensation for one hundred hours of work. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4). Any noncertified employee of a school board may purchase service credit for part-time employment prior to the 1990-91 school year which averaged eighty (80) or more hours of work per month on a calendar or fiscal year basis by paying to the County Employees Retirement System a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 78.610(4), by the employer. Payment may be by lump sum or the employee may pay by increments. If the average number of hours of work is less than eighty (80) per month, the noncertified employee of a school board shall be allowed credit only for those months he receives creditable compensation for eighty (80) hours of work. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 78.610(4).

(13) A retired member, who is contributing to one (1) of the state-administered retirement programs and purchases service credit under this section in the system or systems from which he is retired, shall have his retirement allowance recomputed:

(a) Upon termination from employment, if the member is contributing to the same system or systems from which he was retired; or

(b) Upon completion of six (6) months' service credit as required under subsection (6) of this section, if the member is contributing to a system other than the system or systems from which he is retired.

(14) Any employee participating in one (1) of the state-administered retirement systems may obtain credit for prior or current service for any period of approved educational leave by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(15) Any employee participating in one (1) of the state-administered retirement systems may obtain credit for prior or current service for any period of approved maternity leave granted prior to January 1, 1972, or for any period of approved sick leave without pay, by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(16) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by making installment payments in lieu of a lump sum payment.

(a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.

(b) Twelve (12) consecutive monthly installment payments shall be made for each one thousand dollars ($1,000) or any part thereof of the total cost, except that the total number of installments shall not be less than twelve (12) and shall not exceed sixty (60).

(c) The employee shall pay the installments by payroll deduction each pay period. Upon notification by the retirement system, the employer shall report the installment payments separate from regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.

(d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

(e) If the employee dies, retires, terminates employment, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal of the purchase by lump sum. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(f) If the employer does not report installment payments on an employee for sixty (60) days, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(g) If payments have ceased under subsection (16)(e) or (f) of this section and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.

(h) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by transferring funds directly from a retirement plan maintained by his employer which is a qualified plan pursuant to Section 401(a) of the Internal Revenue Code or by a rollover of funds from the plan pursuant to the rules specified in Section 402(a)(5) of the Internal Revenue Code and the Kentucky Retirement Systems shall accept the transfer or rollover. The amount shall be credited to the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member.

(17) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems who is age sixty-five (65) or older and has forty-eight (48) months service or, if younger, who has sixty (60) months service may purchase credit in the Kentucky Employees Retirement System for up to ten (10) years service that was credited to a state administered public defined benefit plan in another state other than a defined benefit plan for teachers. The employee shall pay the full cost of the service as determined by the system. Payment may be by lump sum, or the employee may pay by increments. 1. In good faith;
2. On an informed basis; and
3. In a manner he honestly believes to be in the best interest of the Kentucky Retirement Systems.

(b) A trustee discharges his duties on an informed basis if, when he makes an inquiry into the business and affairs of the Kentucky Retirement Systems or into a particular action to be taken or decision to be made, he exercises the care an ordinary prudent person in a like position would exercise under similar circumstances.

(c) In discharging his duties, a trustee may rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by:

1. One (1) or more officers or employees of the Kentucky Retirement Systems whom the trustee honestly believes to be reliable and competent in the matters presented;

3. A committee of the board of trustees of which he is not a member if the trustee honestly believes the committee merits confidence.

(d) A trustee shall not be considered as acting in good faith if he has knowledge concerning the matter in question that makes reliance otherwise permitted by subsection (c) of this section unwarranted.

(e) Any action taken as a trustee, or any failure to take any action as a trustee, shall not be the basis for monetary damages or injunctive relief unless:

1. The trustee has breached or failed to perform the duties of the trustee's office in compliance with this section; and
2. In the case of an action for monetary damages, the breach or failure to perform constitutes willful misconduct or wanton or reckless disregard for human rights, safety, or property.

(f) A person bringing an action for monetary damages under this section shall have the burden of proving by clear and convincing evidence the provisions of paragraphs (e)1. and (e)2. of this section, and the burden of proving that the breach or failure to perform was the legal cause of damages suffered by the Kentucky Retirement Systems.

(g) Nothing in this section shall eliminate or limit the liability of any trustee for any act or omission occurring prior to July 15, 1988.

(16) (a) When an order by the system substantially impairs the benefits or rights of a member, retired member, or recipient, except action which relates to entitlement to disability benefits, the affected member, retired member, or recipient may request a hearing to be held in accordance with the administrative regulation promulgated by the board. The member, retired member, or recipient aggrieved by a final order of the board following the hearing may appeal the decision to the Franklin Circuit Court within thirty (30) days of the final order. No new or additional evidence shall be introduced and the court shall decide the case upon the record as attested.

(b) In the discharge of its duties, the board or its delegate may conduct hearings, administer oaths and affirmations, take depositions, certify official acts, and issue subpoenas to compel the attendance of witnesses and the production of books, documents, correspondence, memoranda, and other records considered necessary and relevant as evidence in connection with the administration of the systems. A subpoena shall be served in the same manner as a subpoena issued by a Circuit Court, and the sheriff, if he serves the subpoena, shall receive the same fee as provided by law for like service in civil actions. In case of refusal to obey a subpoena issued to any person, any Circuit Court of competent jurisdiction, upon application by any party, may issue to that person an order requiring him to comply with the terms of the subpoena. Failure to obey the order of the court may be punished as contempt of court.

(c) Each formal hearing shall be recorded. The system may utilize video equipment to record and preserve the proceeding at its hearings in lieu of a transcript, and the videotape shall constitute the official record. A copy of the transcript, if prepared, or the videotape shall be made available on the written request or motion of any party or by order of the hearing officer. Unless otherwise agreed, the party requesting the transcript or videotape shall provide payment for the original, and all others desiring copies shall pay the cost thereof. When certified as a true and correct copy of the testimony by the system, the transcript or videotape shall constitute the official transcript of the evidence.

Section 4. KRS 61.665 is amended to read as follows:

(1) The board shall employ at least three (3) physicians, practicing in the state and not members of the system, upon terms and conditions it prescribes to serve as medical examiners, whose duty it shall be to pass upon all medical examinations

required under KRS 61.510 to 61.705, 16.505 to 16.652, and 78.510 to 78.852, to investigate all health or medical statements and certificates made by or in behalf of any person in connection with the payment of money to the person under KRS 61.510 to 61.705, 16.505 to 16.652, and 78.510 to 78.852, and who shall report in writing to the system the conclusions and recommendations upon all matters referred to them.

(2) (a) Each employee requesting disability retirement shall furnish the retirement office with the names and addresses of two (2) or more physicians who have the necessary information to report the employee's physical and mental condition. The employee shall also submit a complete description of the job and duties from which he received his last pay;

(b) The employer shall submit a complete description of the job and duties for which the employee was last paid;

(c) The board shall prescribe forms upon which medical evidence shall be recorded. The forms shall be sent to the employee's physicians with the request that the documents be completed and filed at the retirement office;

(d) The cost of a medical examination shall be paid by the employee. The physicians shall be paid a reasonable amount by the retirement system for the filing of the medical report with the retirement office;

(e) The system shall select a medical examiner to evaluate the medical evidence submitted by the employee's physician. The examiner shall recommend that disability retirement be approved, or that disability retirement be denied. If the medical examiner recommends denial of disability benefits, the system shall submit the member's application to two (2) additional medical examiners. Both of the additional medical examiners shall recommend approval of disability benefits to overturn the original recommendation. Recommendations by the examiners shall be submitted to the board for approval;

(f) If the medical examiners recommend that the employee be approved for disability retirement, the general manager shall make retirement payments in accordance with the retirement plan selected by the employee;

(g) If the medical examiners recommend that the employee be denied disability retirement, the general manager shall notify the employee of this recommendation. The employee shall have sixty (60) days to submit additional medical information to the retirement office or to appeal his denial for disability benefits by requesting a formal hearing. An extension of time may be granted by the system for a medical examiner to evaluate additional medical information. The extensions of time shall not be for more than sixty (60) days for any one (1) extension, and no more than three (3) extensions shall be granted. The cumulative extension of time shall not exceed one hundred twenty (120) days. The extension of time shall end upon request of a formal hearing;

(h) The medical examiners shall be paid a reasonable amount by the retirement system for each case evaluated.

(i) Notwithstanding the foregoing provisions of this section, the system may pay for one (1) or more medical examinations requested by the examiners for the purpose of providing medical information deemed necessary by the examiners. The system may direct that a specialist be sought.

(3) Any person aggrieved by an order or determination of the system may request that a hearing be conducted by the system. The right to demand a hearing shall be limited to a period of sixty (60) days after the requester has had notice, as described in subsection (6) of this section, of the system's determination. If any extensions of time are granted by the system, they shall be as provided for in subsection (2)(g) of this section.

(a) Any person whose disability benefits have been reduced, discontinued, or denied pursuant to subsection (2)(g) of this section or KRS 61.615(1) may request a de novo formal hearing with the system. The right to demand a hearing shall be limited to a period of sixty (60) days after the requester has had notice, as described in subsection (6) of this section, of the system's determination. The request shall be filed with the general manager, at the system's central office in Frankfort. The request for a hearing shall include a short and plain statement of the reasons the reduction, discontinuance, or denial of disability benefits is being contested. The request shall not operate as a stay of any reduction, discontinuance, or denial of benefits.

(b) Failure of the member to request a formal hearing within the period of time specified shall preclude the member from proceeding any further with his cause of action, unless upon resubmitting his request, he can prove to the system a substantial change in his condition. This paragraph shall not limit the member's right to appeal to a court.

(c) Upon request pursuant to subsection (2)(g) of this section, the system shall schedule a hearing to be held not more than sixty (60) days after the notice of demand for a hearing has been received by the system, unless an extension is granted by the hearing officer for good cause shown. The hearing officer may recommend a favorable determination based upon the information in the member's file available prior to the hearing. If the recommended favorable action is approved, the hearing shall be canceled. The hearing officer shall not extend the time for a hearing beyond a total of one hundred twenty (120) days. The notice of hearing shall be served in accordance with subsection (6) of this section and shall include a statement of the time, place, and nature of the hearing.

(d) The system may require the member requesting the formal hearing to submit to one (1) or more medical or psychological examinations. Notice of the time and place of the examination shall be mailed to the member or his legal representative. The system shall be responsible for the cost of the examination.

(e) All formal hearings shall be de novo as to all issues of fact and law, and those findings previously adjudicated by a final order of the system following a formal hearing shall be binding against any party or parties to subsequent formal hearings. Any party to a hearing may be represented by counsel, make oral or written argument, offer testimony, orally or by deposition, cross-examine witnesses, introduce direct testimony from a physician or other expert approved by the hearing officer through a written report, or take any combination of such actions. The system or the member may compel the production of documents by the issuance of subpoenas pursuant to KRS 61.645. Witness testimony may be given by deposition in lieu of personal appearance. An impartial hearing officer appointed and paid by the board shall preside at the hearing, shall keep order, and shall conduct the hearing in accordance with reasonable administrative practice. Oaths and affirmations shall be administered by the hearing officer or court reporter. The hearing officer shall permit any party to represent himself. Failure to appear without good cause or failure to comply with any prehearing or interlocutory order of the hearing officer shall be grounds for a default.

(f) Irrelevant, immaterial, or unduly repetitious evidence shall be excluded. When necessary to ascertain facts not reasonably susceptible of proof under judicial rules of evidence, evidence not admissible thereunder may be admitted, unless precluded by statute, if it is of a type commonly relied upon by reasonable and prudent persons in the conduct of their affairs. Hearing officers shall give effect to the rules of privilege recognized by law. Objections may be made and shall be noted in the record. Subject to these requirements, when a hearing will be expedited and the interests of the parties will not be prejudiced substantially, any part of the evidence may be received in written form. Upon request, parties shall be given an opportunity to compare the copy with the original. A party may conduct cross-examinations required for a full and true disclosure of the facts. Notice may be taken of generally recognized technical or scientific facts within the system's specialized knowledge. Parties shall be notified either before or during the hearing, or by reference in preliminary reports or otherwise, of the material noticed, including any staff memoranda or data; and they shall be afforded an opportunity to contest the material so noticed. The system's experience, technical competence, and specialized knowledge may be utilized in the evaluation of the evidence.

(g) Each formal hearing shall be recorded, and a transcript made available on the motion of any party or by order of the hearing officer. Unless otherwise agreed, the party requesting the transcript shall provide payment for the original, and all others desiring copies shall pay the cost thereof. When certified as a true and correct copy of the testimony by the system, the transcript shall constitute the official transcript of the evidence. ***The system may utilize video equipment to record and preserve the proceedings at its hearings in lieu of a transcript, and the videotape shall constitute the official record. A copy of the transcript, if prepared, or the videotape shall be made available on the written request or motion of any party or by order of the hearing officer.***

(h) The hearing officer shall make a determination after hearing and based on a preponderance of the evidence appearing in the record as a whole. The hearing officer shall prepare findings of fact and conclusions of law and may recommend an approval or a reduction, discontinuance or denial of disability benefits pursuant to subsection (2)(g) of this section or KRS 61.615(1).

(i) The hearing officer shall, within thirty (30) days of the close of the formal hearing make a report and a recommended order to the board. The report and recommended order shall contain the appropriate findings of fact and conclusions of law. If the board finds upon written request of the hearing officer that additional time is needed, the board may grant a reasonable extension. The hearing officer shall mail, postage prepaid, a copy of his report and recommended order to all parties. The parties may file within fourteen (14) days of receipt of the hearing officer's report and recommended order exceptions to the report and recommended order.

(j) The board shall consider the report and recommended order and any exceptions filed and pass upon the case within a reasonable time in accordance with the administrative regulations adopted by the board. The board may remand the matter to the hearing officer, adopt the report and recommended order of the hearing officer as the system's final order, or issue their own final order.

(k) The system shall mail the final decision of the board to the member or his legal representative. If any extension of time is granted by the board for a hearing officer to complete his report, the system shall notify the member or his legal representative at the time of the granting of the extension.

(l) The board shall not grant extensions of time to the hearing officer for more than thirty (30) days for any one (1) extension, and no more than two (2) extensions shall be granted.

(m) A final order of the board shall be based on substantial evidence appearing in the record as a whole and shall set forth the decision of the board and the facts and law upon which the decision is based.

(n) A final order of the board which alters or amends the decision recommended pursuant to subsection (2)(g) of this section shall relate back and take effect on the date of the recommendation.

(o) There shall be no ex parte communications between the parties or representatives of the parties and the hearing officer regarding a particular member.

(p) Formal hearings shall be held at the system's office in Frankfort unless another location is determined by the hearing officer.

(q) All requests for a hearing pursuant to this section shall be made in writing.

(4) The board may establish an appeals committee whose members shall be appointed by the chairman and who shall have the authority to act upon the recommendations and reports of the hearing officer pursuant to this section on behalf of the board.

(5) Any person aggrieved by a final order of the board may seek judicial review after all administrative appeals have been exhausted by filing suit in the Franklin Circuit Court within thirty (30) days after the requester receives notice, as described in subsection (6) of this section, of the board's determination. No new or additional evidence shall be introduced in that proceeding and the court shall hear the case upon the record as attested.

(6) Any notice or order reducing, discontinuing, or denying disability benefits shall be served by one (1) of the following methods:

(a) The system may place a copy of the document to be served in an envelope, and address the envelope to the member to be served at the address of the member existing in the system files or at the address set forth in written instructions furnished by the member or his legal representative. The system shall affix adequate postage and place the sealed envelope in the United States mail as certified mail return receipt requested. The system shall forthwith enter the fact of mailing in the record and make an entry when the return receipt is received. If the envelope is returned with an endorsement showing failure of delivery, that fact shall be entered in the record. The system shall file the return receipt or returned envelope in the record. Service by certified mail is complete upon delivery of the envelope. The return receipt shall be proof of the time, place, and manner of service.

(b) The system may cause the document, with necessary copies, to be transferred for service to any person authorized by the system or by any statute or rule to deliver them, who shall serve the documents, and the return endorsed thereon shall be proof of the time and manner of service.

(c) The methods of service specified by this statute shall be supplemental to and shall be accepted as an alternative to any other method of service specified by other applicable law.

Section 2. KRS 158.6453 is amended to read as follows:

(1) The State Board for Elementary and Secondary Education shall be responsible for creating and implementing a statewide, primarily performance-based assessment program to ensure school accountability for student achievement of the goals set forth in KRS 158.645. ***The statewide assessment program shall not include measurement of a student's ability to become a self-sufficient individual or to become a responsible member of a family, work group, or community.*** The program shall be implemented as early as the 1993-94 school year but no later than the 1995-96 school year. The board shall also be responsible for administering an interim testing program to assess student skills in reading, mathematics, writing, science, and social studies in grades four (4), eight (8), and twelve (12). The tests shall be designed to provide the state with national comparisons and shall be the same as, or similar to those used by the National Assessment of Educational Progress. The interim testing program shall begin during the 1991-92 school year and shall be administered to a sample of students representative of each school and the state as a whole. The test scores shall be used, along with other factors described in KRS 158.6451, to establish a baseline for determining school success during the 1993-94 school year.

(2) Upon July 13, 1990, the state board shall contract with three (3) or more authorities in the field of performance assessment to design the specifications for the interim and full-scale statewide assessment development effort. The bid specifications shall include requirements that the successful bidder:

(a) Be a consultant to the Council on School Performance Standards as it develops the educational outcomes expected of students;

(b) Direct the development of the interim and full-scale assessment program; and

(c) Direct the development of the formula to be used to determine successful schools pursuant to KRS 158.6455.

The assessment authorities shall review the bids and make a recommendation to the board. The authorities shall have no pecuniary interest with the successful bidder.

(3) In addition to statewide testing for the purpose of determining school success, the board shall have the responsibility of assisting local school districts and schools in developing and using continuous assessment strategies needed to assure student progress.

(4) By October 1 of each year, local boards of education shall publish in the newspaper with the largest circulation in the county an annual performance report on district accomplishments and activities pertaining to performance goals including, but not limited to, retention rates and student performance, the districts' goals for the succeeding year, and other items as may be set forth in State Board for Elementary and Secondary Education administrative regulations.

Section 3. KRS 158.6455 is amended to read as follows:

It is the intent of the General Assembly that schools succeed with all students and receive the appropriate consequences in proportion to that success.

(1) The State Board for Elementary and Secondary Education shall promulgate administrative regulations to establish a system of determining successful schools and dispensing appropriate rewards. The system shall be based on the following:

(a) A school shall be the unit of measure to determine success;

(b) School success shall be determined by measuring a school's improvement over a two (2) year period;

(c) A school shall be rewarded for an increased proportion of successful students, including those students who are at risk of school failure;

(d) A threshold level for school improvement shall be established by the board to determine the amount of success needed for a school to receive a reward. The threshold definition shall establish the percentage of increase required in a school's percentage of successful students as compared to a school's present proportion of successful students, with consideration given to the fact that a school closest to having one hundred percent (100%) successful students will have a lower percentage increase required;

(e) Rewards shall be given to the school on behalf of the full-time, part-time, and itinerant instructional staff of a school who generate the reward when the school achieves at least one percent (1%) gain over its threshold as defined in paragraph (d) of this subsection. Substitute teachers shall not be used in calculating the reward;

(f) Rewards shall be calculated by applying the percentage set by the General Assembly in the biennial budget to the current annual salary of each certified staff person employed in the school on the last working day of the year of the reward. The reward for part-time and itinerant staff shall be calculated for the proportion of time spent in the school. In determining the percentage to be applied to a school for calculation of the rewards for the school's staff, consideration shall be given to the fact that schools already having a high percentage of successful students shall have a lower requirement for a percentage increase in its number of successful students. The staff person's identity in connection to his share of the reward shall be maintained when his share of the reward is deposited to the school's account;

(g) The certified staff members shall by majority rule collectively decide on the ways the reward funds shall be spent. Each individual staff person shall use the amount he earned in accordance with the decisions made by the total staff. Rewards shall not be added to a staff person's base salary and shall not be defined as compensation for retirement purposes under KRS 161.220(10); and

(h) The Department of Education shall send the school's reward to the local district office for transmittal to the school.

(2) The State Board for Elementary and Secondary Education, after adopting the goals of the Council on School Performance Standards and determining the definition of a successful student, shall adopt by administrative regulation the formula to be used to determine successful schools. The formula shall be a calculus of factors which reflect the school ***goals*** ~~[outcomes]~~ described in KRS 158.6451***, except there shall be no measurement of the goals included in subsection (1)(b)3 and (1)(b)4***.

(3) A school that does not reach its threshold level as defined in paragraph (d) of subsection (1) of this section but maintains the previous proportion of successful students shall be required to develop a school improvement plan and shall be eligible to receive funds from the school improvement fund pursuant to KRS 158.805. A school that does not reach its threshold level but maintains the previous proportion of successful students after the second biennial review shall be required to meet the provisions of subsection (4) of this section.

(4) A school in which the proportion of successful students declines by less than five percent (5%) shall be required to develop a school improvement plan, shall be eligible to receive funds from the school improvement fund, and shall have one (1) or more Kentucky distinguished educators assigned to the school to carry out the duties as described in KRS 158.782. If the school does not meet its original threshold after the next biennial review ***or after the 1996-98 biennial review, whichever is later***, the school shall be subject to the requirements of subsection (5) of this section.

(5) A school in which the proportion of successful students declines by five percent (5%) or more ***in any biennium beginning with the 1994-96 biennium*** shall be declared by the State Board for Elementary and Secondary Education to be a "school in crisis." When a school is declared to be a "school in crisis," the following actions shall be required:

(a) The full-time and part-time certified staff of that school shall be placed on probation;

(b) The principal shall immediately notify the students' parents of the students' right to transfer to a successful school, with procedures for initiating the request;

(c) Within thirty (30) days after the declaration by the state board under this subsection or no later than thirty (30) days before the start of the next school year, whichever is later, any student in that school may request and shall be allowed to transfer to a successful school as determined under the provisions of subsection (2) of this section. The superintendent shall select the receiving successful school in the home district or make arrangements with a neighboring district. If two (2) districts cannot agree, the superintendent of the student's resident district shall request the State Board for Elementary and Secondary Education to resolve the issue and make a decision on the placement of the student within thirty (30) days of the request. The board of the district in which the student resides shall be responsible for all tuition and transportation costs incurred as a result of a student transferring from a "school in crisis" to a successful school. If a decline in student enrollment causes overstaffing at the "school in crisis," personnel shall be reduced or transferred pursuant to KRS 161.760 and 161.800.

(d) One (1) or more Kentucky distinguished educators shall be assigned to the school by the commissioner of education to carry out the duties as described in KRS 158.782. Notwithstanding any other statute to the contrary, at the end of six (6) months, the Kentucky distinguished educator shall evaluate and make a recommendation to the superintendent regarding the retention, dismissal, or transfer of each full-time and part-time certified staff member. Recommendations for transfer shall conform to any employer-employee bargained contract which is in effect. Recommendations for dismissal shall be binding on the superintendent who shall notify the staff member pursuant to KRS 161.790. This evaluation process shall continue every six (6) months until the school is no longer a "school in crisis" as determined by the State Board for Elementary and Secondary Education; and

(e) The school shall be required to develop a school improvement plan and shall be eligible to receive funds from the school improvement fund.

(6) The State Board for Elementary and Secondary Education shall develop a system of rewards and sanctions for certified staff who are not assigned to a school in a local school district. The system shall be analogous to the system described in subsections (1) through (5) of this section. Rewards shall be given to non-school-based staff when the district's proportion of successful students increases above a threshold adopted by the state board and comparable to the threshold adopted for schools. Sanctions shall be imposed when the proportion of successful students in the district declines in the same proportion used to determine school sanctions under subsections (3), (4), and (5) of this section. A school district

that does not meet its threshold shall be required to develop a district improvement plan defined in KRS 158.650.

(7) A school district in which the proportion of successful students declines by five percent (5%) or more ***in any biennium beginning with the 1994-96 biennium*** shall be assigned one (1) or more Kentucky distinguished educators to assist the system, evaluate personnel, and notwithstanding any other statute to the contrary, make personnel recommendations every six (6) months on retention, dismissal, or transfer. Personnel recommendations shall be made to the superintendent. Recommendations on the superintendent's status shall be made to the local board of education. If the recommendation is to terminate the superintendent, the board shall terminate the contract pursuant to KRS 160.350. If a district has a declining proportion of successful students for two (2) consecutive biennial assessment periods, the district shall be declared an education development district pursuant to KRS 158.685 and the board members and the superintendent shall be removed under the provisions of KRS 156.132 and 156.136.

(8) The State Board for Elementary and Secondary Education shall adopt administrative regulations to establish a process whereby a school shall be allowed to appeal a performance judgment which it considers grossly unfair. The state board may adjust a performance judgment on appeal when evidence of highly unusual circumstances warrants the conclusion that the performance judgment is based on fraud or a mistake in computations, is arbitrary, is lacking any reasonable basis, or when there are significant new circumstances occurring during the biennial assessment period which are beyond the control of the school.

Section 4. KRS 158.782 is amended to read as follows:

(1) The State Board for Elementary and Secondary Education shall promulgate administrative regulations to set forth the criteria for the Kentucky Distinguished Educators Program which shall be implemented by July 1, 1991. The designation of "Kentucky Distinguished Educator" shall be given to the state's most outstanding and highly skilled certified educators who deserve recognition and are willing to fulfill the following purposes of the program:

(a) Serving as teaching ambassadors to spread the message that teaching is an important and fulfilling profession;

(b) Assisting the Department of Education with research projects and staff development efforts;

(c) Accepting assignments in schools whose percentage of successful students declined as described in KRS 158.6455. The assignments shall require the educator to:

1. Work in a school ***on a*** full-time ***or part-time basis*** for a designated period of time to assist the school staff with implementing its school improvement plan. The educator shall have the authority to make decisions previously made by the school staff;

2. Help to increase the effectiveness of the staff, parents, the civic and business community, and government and private agencies in improving the school's performance; and

3. Evaluate and make recommendations on the retention, dismissal, or transfer of certified staff in a "school in crisis."

4. Complete an intensive training program, provided by the Department of Education and approved by the State Board for Elementary and Secondary Education, prior to being assigned to assist a school's staff with implementing its school improvement plan. The training program shall include, but shall not be limited to instruction in the methods of personnel evaluation, school organization, school curriculum, and assessment.

(2) The Kentucky Distinguished Educators Program criteria shall include:

(a) A selection process which shall allow for self nomination, provide a broad spectrum of instructional positions, and generate statewide representation.

(b) Beginning with the 1992-93 school year, special recognition shall be given to five (5) Kentucky distinguished educators each year in the form of a one (1) year sabbatical leave to work with instructional personnel across the state and to serve as teaching ambassadors to the state at large.

(c) Each recipient shall receive a monetary award of two hundred fifty dollars ($250) when selected and shall also be paid in accordance with his current salary for other program requirements which arise pursuant to subsection (1) of this section. The Department of Education shall be responsible for all expenses incurred as a result of the Kentucky Distinguished Educators Program, except those expenses associated with the funding of the position of the person who replaces the Kentucky distinguished educator when he is assigned to an unsuccessful school or district.

(d) Kentucky distinguished educators assigned to an unsuccessful school shall receive a salary supplement of fifty percent (50%) of his annual salary for each year of service in that capacity. The state board shall determine if reimbursement for vehicle mileage shall be allowed. If his assigned school achieves the threshold level in the next biennial review, he shall receive his portion of the reward due to the entire staff calculated on his base salary regardless of decisions made by the school staff pursuant to KRS 158.6455(1)(g).

(e) The Kentucky distinguished educator shall be granted professional leave pursuant to KRS 161.770 though the time may exceed two (2) years if determined by the state board to be necessary. The Kentucky distinguished educator shall not lose any employee benefits as a result of his special assignment.

(f) A Kentucky distinguished educator shall not be assigned to a school or to a district assignment in the district in which he is employed.

Section 5. For the 1994-96 biennium, the State Board for Elementary and Secondary Education is directed to conduct the tests that are the same as or similar to the National Assessment of Education Progress and the performance events portion of the accountability assessment for high schools pursuant to KRS 158.6453 in the eleventh grade. The portfolio or exhibitions collected for accountability purposes may be completed in the eleventh grade or the twelfth grade or both. Nothing in this section shall be construed as prohibiting the Department of Education from administering assessments to twelfth graders in order to make the physchometric adjustments necessary to implement the provisions of this section. The State Board is also directed to review the manner in which the accountability assessment is conducted in the elementary and middle schools to find ways to distribute the work load relating to assessment tasks so as not to place the total responsibility on the teachers of any one (1) grade level or subject area.

(2) When imposing a sentence of probation or conditional discharge, the court may, in addition to any other reasonable condition, require that the defendant:

(a) Avoid injurious or vicious habits;

(b) Avoid persons or places of disreputable or harmful character;

(c) Work faithfully at suitable employment as far as possible;

For good cause shown, the testing fee way be waived by the court.

(3) When imposing a sentence of probation or conditional discharge in a case where a victim of a crime has suffered monetary damage as a result of the crime due to his property having been converted, stolen, or unlawfully obtained, or its value substantially decreased as a result of the crime, or where the victim suffered actual medical expenses, direct out-of-pocket losses, or loss of earning as a direct result of the crime, or if as a direct result of the crime the victim incurred medical expenses that were paid by the Cabinet for Human Resources, the Crime Victims Compensation Board, or any other governmental entity, the court shall order the defendant to make restitution in addition to any other penalty provided for the commission of the offense. Payment of restitution to the victim shall have priority over payment of restitution to any government agency. Restitution shall be ordered in the full amount of the damages, unless the damages exceed one hundred thousand dollars ($100,000) or twice the amount of the gain from the commission of the offense, whichever is greater, in which case the higher of these two (2) amounts shall be awarded. The court may, in lieu of ordering monetary restitution, order the defendant to make restitution by working for or on behalf of the victim. The court shall determine the number of hours of work necessary by applying the then prevailing federal minimum wage to the total amount of monetary damage caused by or incidental to the commission of the crime. The court may, with the consent of the agency, order the defendant to work as specified in KRS 533.070. Any work ordered pursuant to this section shall not be deemed employment for any purpose, nor shall the person performing the work be deemed an employee for any purpose. Where there is more than one (1) defendant or more than one (1) victim, restitution may be apportioned. Restitution shall be subject to the following additional terms and conditions:

(a) Restitution by payment may be ordered in a lump sum or in specified payments;

(b) Restitution by payment may be ordered paid through the circuit clerk who shall disburse the moneys as ordered by the court;

(c) Where property which is unlawfully in the possession of the defendant is in substantially undamaged condition from its condition at the time of the taking, return of the property shall be ordered in lieu of monetary restitution;

(d) Restitution by payment to governmental agencies shall be made through payments to and disbursement by the circuit clerk;

(e) The circuit clerk shall assess an additional fee of two percent (2%) to defray the administrative costs of collection of payments or property. This fee shall be paid by the defendant and shall enure to the general fund of the State Treasury;

(f) When a defendant fails to make restitution ordered to be paid through the circuit clerk, the circuit clerk shall notify the court. The court shall hold a hearing to determine if the defendant is in contempt of the court or has violated the terms of his probation; and

(g) An order of restitution shall not preclude the owner of property or the victim who suffered personal physical or mental injury or out-of-pocket loss of earnings or support or other damages from proceeding in a civil action to recover damages from the defendant. A civil verdict shall be reduced by the amount paid under the criminal restitution order.

(4) In addition to any other terms and conditions imposed under this section, the court may require the probationer, as a condition of his probation, to make one (1) payment to a crime stoppers organization in an amount not to exceed the amount of the reward paid by a crime stoppers organization, as defined by KRS 431.570, relative to the probationer.

(5) When a defendant is sentenced to probation or conditional discharge, he shall be given a written statement explicitly setting forth the conditions under which he is being released.

(6) When imposing a sentence of probation or conditional discharge, the court, in addition to conditions imposed under this section, may require as a condition of the sentence that the defendant submit to a period of imprisonment in the county jail or to a period of home incarceration at whatever time or intervals, consecutive or nonconsecutive, the court shall determine. The time actually spent in confinement or home incarceration pursuant to this provision shall not exceed six (6) months or the maximum term of imprisonment assessed pursuant to KRS Chapter 532, whichever is the shorter. Time spent in confinement or home incarceration under this subsection shall be credited against the maximum term of imprisonment assessed for the defendant pursuant to KRS Chapter 532, if probation or conditional discharge is revoked

and the defendant is sentenced to imprisonment. Any prohibitions against probation, shock probation, or conditional discharge under KRS 533.060(2), or 532.045 shall not apply to persons convicted of a misdemeanor or Class D felony and sentenced to a period of confinement or home incarceration under this section.

HB 681, AN ACT relating to environmental audits.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF SUBCHAPTER 1 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) As used in this section:

(a) "Environmental audit" means a voluntary, internal, and comprehensive evaluation of one (1) or more

facilities or an activity at one (1) or more facilities regulated under this chapter, or federal, regional, or local counterparts or extensions thereof, or of management systems related to that facility or activity, that is designed to identify and prevent noncompliance and to improve compliance with statutory or regulatory requirements. An environmental audit may be conducted by the owner or operator, by the owner's or operator's employees, or by independent contractors; and

(b) "Environmental audit report" means a set of documents, each labeled "environmental audit report: privileged document" and prepared as a result of an environmental audit. An environmental audit report may include field notes and records of observations, findings, suggestions, conclusions, drafts, memoranda, drawings, photographs, computer-generated or electronically recorded information, maps, charts, graphs, and surveys, provided the supporting information is collected or developed for the primary purpose and in the course of an environmental audit. An environmental audit report, when completed, shall have three (3) components:

1. An audit report prepared by an auditor, which shall include the scope and date of the audit and the information gained in the audit together with exhibits and appendices, and may include conclusions and recommendations;

2. Memoranda and documents analyzing part or all of the audit report and discussing implementation issues; and

3. An audit implementation plan that addresses correcting past noncompliance, improving current compliance, and preventing future noncompliance.

(2) In order to encourage owners and operators of facilities and persons conducting other activities regulated under this chapter, or its federal, regional, or local counterparts or extensions, both to conduct voluntary internal environmental audits of their compliance programs and management systems and to assess and improve compliance with statutory and regulatory requirements, an environmental audit privilege is created to protect the confidentiality of communications relating to voluntary internal environmental audits.

(3) An environmental audit report shall be privileged and shall not be admissible as evidence in any legal action in any civil, criminal, or administrative proceeding, except as provided in subsections (4) and (5) of this section.

(4) The privilege described in subsection (3) of this section does not apply to the extent that:

(a) It is waived expressly or waived by implication by the owner or operator of a facility or persons conducting an activity that prepared or caused to be prepared the environmental audit report;

(b) The owner or operator of a facility or person conducting an activity seeks to introduce an environmental audit report as evidence. Seeking to introduce any part of the report shall constitute waiver of the privilege described in subsection (3) of this section for the entire report;

(c) In a civil or administrative proceeding, a court of record, after a private review consistent with the Kentucky Rules of Civil Procedure, shall require disclosure of material for which the privilege described in subsection (3) of this section is asserted, if the court determines that:

1. The privilege is asserted for a fraudulent purpose;

2. The material is not subject to the privilege; or

3. Even if subject to the privilege, the material shows evidence of noncompliance with this chapter, or with the federal, regional, or local counterparts or extensions thereof, and appropriate efforts to achieve compliance were not promptly initiated and pursued with reasonable diligence.

(d) In a criminal proceeding, a court of record, after a private review as described in subsection (5) of this section, shall require disclosure of material for which the privilege described in subsection (3) of this section is asserted, if the court determines that:

1. The privilege is asserted for a fraudulent purpose;

2. The material is not subject to the privilege;

3. Even if subject to the privilege, the material shows evidence of noncompliance with this chapter, or with the federal, regional, or local counterparts or extensions thereof, and appropriate efforts to achieve compliance were not promptly initiated and pursued with reasonable diligence; or

4. The material contains evidence relevant to commission of an offense under subsection (3), (4), (6), (10), or (11) of KRS 224.99-010, and the prosecuting authority has a need for the information.

(e) A party asserting the environmental audit privilege in subsection (3) of this section has the burden of proving the privilege, including, if there is evidence of noncompliance with this chapter, or the federal, regional, or local counterparts or extensions thereof, proof that appropriate efforts to achieve compliance were promptly initiated and pursued with reasonable diligence. A party seeking disclosure under subsection (4)(c)1. of this section has the burden of proving that the privilege is asserted for a fraudulent purpose. The prosecuting

authority seeking disclosure under subsection (4)(d)4. of this section has the burden of proving the conditions for disclosure set forth in subsection (4)(d)4. of this section. The party seeking disclosure under subsection (4)(d)1. of this section has the burden of proving that the privilege is asserted for a fraudulent purpose.

(5) (a) The prosecuting authority, having probable cause to believe an offense has been committed under subsection (3), (4), (6), (10), or (11) of KRS 224.99-010, based upon information obtained from a source independent of an environmental audit report, may obtain an environmental audit report for which a privilege is asserted under subsection (3) of this section pursuant to a search warrant, criminal subpoena, or discovery as allowed by the Kentucky Rules of Criminal Procedure or any applicable statute. The prosecuting authority shall immediately place the report under seal and shall not review or disclose its contents.

(b) Within twenty (20) days of the prosecuting authority obtaining an environmental audit report, the owner or operator who prepared or caused to be prepared the report, or the prosecuting authority, may file with the appropriate court a petition requesting a private hearing on whether the environmental audit report or portions thereof are privileged under this section or subject to disclosure. Failure by the owner or operator to file such a petition shall waive the privilege.

(c) Upon filing a petition, the court shall issue an order scheduling a private hearing, within thirty (30) days of the filing of the petition, to determine whether the environmental audit report or parts of the report are privileged under this section or subject to disclosure. The order shall also allow the prosecuting authority immediately to remove the seal from the report and to review the entire report and shall place appropriate limitations on distribution and review of the report to protect against unnecessary disclosure. The prosecuting authority may consult with enforcement agencies regarding the contents of the report as necessary to prepare for the private hearing. However, the information used in preparation for the private hearing shall not be used in any investigation or in any proceeding against the defendant, and shall otherwise be kept confidential, unless and until the information is found by the court to be subject to disclosure.

(d) The parties may at any time stipulate to the entry of an order directing that specific information contained in an environmental audit report is or is not subject to the privilege provided under subsection (3) of this section.

(e) Upon making a determination under subsection (4)(c) of this section, the court may compel the disclosure only of those portions of an environmental audit report relevant to issues in dispute in the proceeding.

(6) The privilege described in subsection (3) of this section shall not extend to:

(a) Documents, communications, data, reports, or other information required to be collected, developed, maintained, reported, or made available to a regulatory agency pursuant to this chapter, or administrative regulations promulgated pursuant thereto, or other federal, state, or local law, ordinance, regulation, permit, or order, and any information developed relating to any release subject to KRS 224.01-400(19);

(b) Information obtained by observation, sampling, or monitoring by any regulatory agency; or

(c) Information obtained from a source independent of the environmental audit.

(7) Nothing in this section shall limit, waive, or abrogate the scope or nature of any statutory or common law privilege, including the work product doctrine and the attorney-client privilege.

(8) Nothing in this section shall limit, waive, or abrogate any reporting requirement in accordance with KRS Chapter 224 or permit conditions.

(9) An environmental audit report found subject to disclosure under subsection (4)(c) of this section shall not be deemed privileged in any criminal proceeding.

(a) The amount for one hundred eighty-five (185) days on the district's salary schedule summary for instructional salaries paid with state funds the preceding year; plus

(b) The additional amount for instructional salaries to be received by the district under the biennial budget schedule for a one hundred eighty-five (185) day school term by assuming the same rank and experience of teachers in the current year as in the preceding year.

(3) A district that compensates its teachers or employees for unused sick leave at the time of retirement, pursuant to KRS 161.155, may create an escrow account to maintain the amount of funds necessary to pay teachers or employees who qualify for receipt of the benefit. The fund is limited to not more than fifty percent (50%) of the maximum liability for the current year. Interest generated by the account shall be calculated as part of the total amount. The funds shall not be used for any purpose other than compensation for unused sick leave at the time of retirement and shall not be considered as part of the general fund balance in determining available local revenue for purposes of KRS 157.620.

(4) The per pupil capital outlay allotment for each district from the public school fund and from local sources shall be kept in a separate account and may be used by the district only for capital outlay projects approved by the chief state school officer in accordance with requirements of law, and based on a survey made in accordance with administrative regulations of the State Board for Elementary and Secondary Education. These funds shall be used for the following capital outlay purposes:

(a) For direct payment of construction costs;

(b) For debt service on voted and funding bonds;

(c) For payment or lease-rental agreements under which the board eventually will acquire ownership of a school plant;

(d) For the retirement of any deficit resulting from over-expenditure for capital construction, if such deficit resulted from an emergency declared by the State Board for Elementary and Secondary Education under KRS 160.550; and

(e) As a reserve fund for the above-named purposes, to be carried forward in ensuing budgets.

(5) If any district has a special levy for capital outlay or debt service that is equal to the capital outlay allotment or a proportionate fraction thereof, and spends the proceeds of that levy for the above-named purposes, the chief state school officer under administrative regulations of the State Board for Elementary and Secondary Education, may authorize the district to use all or a proportionate fraction of its capital outlay allotment for current expenses. However, a district which uses capital outlay funds for current expenses shall not be eligible to participate in the School Facilities Construction Commission funds.

(6) If a survey shows that a school district has no capital outlay needs as shown in paragraphs (a), (b), (c), and (d) of subsection (4) of this section, upon approval of the chief state school officer, these funds may be used for school plant maintenance, repair, insurance on buildings, replacement of equipment, purchase of school buses, and the purchase of modern technological equipment, including telecommunications hardware, televisions, computers, and other technological hardware to be utilized for educational purposes only.

(7) In surveying the schools, the Department of Education shall designate each school facility as a permanent, functional, or transitional center.

(a) "Permanent center" means a center which meets the program standards approved by the State Board for Elementary and Secondary Education, is located so that students are not subjected to an excessive amount of time being transported to the site, and has established an attendance area which will maintain enrollment at capacity but will also avoid overcrowding.

(b) "Functional center" means a center which does not meet all the criteria established for a permanent facility, but is adequate to meet accreditation program standards to insure no substantial academic or building deficiency. The facility plan shall include additions and renovations necessary to meet current accreditation standards for which federal, state, and local funds may be used.

(c) "Transitional center" means a center which the local board of education has determined shall no longer be designated permanent or functional. The center shall be destined to be closed and shall not be eligible for new construction, additions, or major renovation. However, the board of education shall maintain any operating transitional center to provide a safe and healthy environment for students.

(8) If a local school board authorized elementary, middle, or secondary education classes in a facility of a historical settlement school on January 1, 1994, the board shall continue to use the facilities provided by the settlement school if the facilities meet health and safety standards for education facilities as required by administrative regulations. The local school board and the governing body of the settlement school shall enter into a cooperative agreement that delineates the role, responsibilities, and financial obligations for each party.

PROVIDER ARBITRATION AND MEDIATION

SECTION 18. KRS CHAPTER 417A IS ESTABLISHED AND A NEW SECTION THEREOF IS CREATED TO READ AS FOLLOWS:

The following provisions shall apply to actions prior to filing a lawsuit against a health care provider alleging personal injury or wrongful death:

(1) Any person, or the personal representative of a deceased person, aggrieved by reason of any action or inaction of a health care provider may, in person or by counsel, file with the clerk of the Circuit Court a preliminary complaint which alleges the names and addresses of the health care provider or providers by whom the party claims to have been injured and sets forth sufficient facts to establish where, when, and how the patient was injured, and requests mediation prior to submission of a formal complaint. Upon filing the preliminary complaint the clerk of the court shall notify the health care provider or providers of the allegation and request to mediate. Upon receipt of written agreement by the health care provider or providers, a mediation process shall be initiated.

(2) The filing of the preliminary complaint shall initiate the mediation process pursuant to Section 19 of this Act, and shall toll the statute of limitations so long as the preliminary complaint is filed within the period allowed for filing a complaint against a health care provider.

(3) The notification issued against the health care provider or providers shall state that the subject matter of the preliminary complaint shall be submitted to mediation; shall identify the mediator; and shall state the time and place of the mediation which shall be scheduled no sooner than thirty (30) days following the filing of the preliminary complaint nor later than sixty (60) days from the filing of the preliminary complaint.

(4) The health care provider or providers may file a responsive pleading to a preliminary complaint within a time allowed by the court.

(5) If the aggrieved party is not represented by counsel, then the health care provider or providers shall be encouraged to respond to mediation without counsel, but may engage counsel at the health care provider's option.

(6) If the mediation does not result in a resolution of the dispute, the aggrieved party has ninety (90) days after the mediator files a report with the court in which to file a complaint for lawsuit, within the Kentucky Rules of Civil Procedure, and to issue summons to be served upon the health care provider or providers for that purpose.

(7) If the mediation does not result in the resolution of the dispute and the aggrieved party files a complaint under the Rules of Civil Procedure, then the mediation process required under Section 18 shall be waived.

SECTION 19. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

The following provisions shall apply to any action filed in Circuit Court by a patient or patient's representative against a health care provider alleging personal injury or wrongful death:

(1) Upon filing of a complaint in a personal injury action alleging negligence of a health care provider, the plaintiff's attorney shall file an affidavit stating as follows:

(a) That the plaintiff's attorney has gathered all pertinent medical records and has had those records reviewed by an actively practicing physician of the same specialty or subspecialty as the plaintiff and who is qualified to render opinions on the appropriate standard of care under the same or similar circumstances, and that person, after reviewing the records, has given the opinion, predicated upon reasonable medical probability, that there was a departure from the standard of care and that the departure was a substantial factor in causing the injury or death; or

(b) That, because of significant time constraints posed by the applicable statute of limitations, the plaintiff's attorney has not had time to do the acts required in paragraph (a) of this subsection, in which case the plaintiff's attorney shall within ninety (90) days of the date of the filing of the complaint file the required affidavit, with the time for the health care provider and any other defendants to file a responsive pleading not to commence until after the affidavit is filed.

(2) The complaint shall be dismissed at the cost of the plaintiff and any other sanctions as the trial court deems appropriate may be assessed against the plaintiff and plaintiff's attorney for failure to comply with the provisions of paragraph (a) or (b) of subsection (1) of this section.

(3) In all actions covered by this section the case shall be referred to mediation as follows:

(a) After the expiration of ninety (90) days from the date of service of summons upon the health care provider, or at an earlier time as the health care provider may agree, the trial court shall order the parties to mediation which mediation shall be held no later than one hundred and eighty (180) days from the date of service of summons upon the health care provider or at an earlier date as the parties may agree;

(b) The parties may serve interrogatories, requests for documents, requests for admissions, and obtain medical records by agreement or subpoena prior to mediation without leave of court, but any depositions to be taken

shall be taken only with leave of court upon a showing of good cause, or by agreement of the parties;

(c) The parties shall attend a mediation conference on a date and at a time certain with the following persons required to be present:

1. The parties in the case of individuals, or the duly-appointed personal representative of an estate, or in the case of a corporate entity, a duly-authorized representative with authority to settle;

2. Each party's counsel of record, if any;

3. A representative of each party's insurer who is not the counsel for the health care provider and who has authority to settle at any amount up to the total liability covered provided without further consultation; and

4. Other persons as the trial court may order, or the parties may agree, including but not limited to factual and expert witnesses.

(d) The mediation conference shall be at a time and place set by order of the court in which the action is pending and shall be conducted by a mediator appointed by the court to consider the possibility of settlement, the simplification of issues, and any other matters which the mediator and the parties determine may aid in the handling of the disposition of the proceedings. The mediator may schedule additional conferences necessary to complete the process and mediation shall continue until the parties have reached a settlement, until they are unwilling to proceed further, or until the mediator determines that further efforts would be futile. The mediator shall report to the court whether or not mediation was successful, or if further mediation might be considered after additional discovery, but the mediator shall not make findings of facts, nor shall the mediator assign blame to any party for the failure of the mediation process.

(e) If any party fails to appear at a duly-noticed and scheduled mediation conference without good cause, the trial court shall upon motion impose sanctions against the party or counsel, or both, which sanctions may include an award of attorney's fees and other reasonable costs and expenses.

1. At least ten (10) days prior to the mediation conference, each party shall submit to the mediator a written statement of the case. The statement shall be confidential and shall not be disclosed to the other party or parties without first obtaining permission of the party presenting the statement. Each statement shall contain the following information:

a. When and by whom the patient was treated and the nature of that treatment;

b. The alleged propriety or impropriety of the treatment and the nature and extent of the patient's injuries and damages; and

c. The amount, if any, that the parties would be willing to settle the matter at that stage of the proceeding.

2. Each party shall provide copies of the medical records believed by that party to be relevant, to the mediator and to all other parties.

3. Upon conclusion of the mediation conference the mediator shall return to the parties the written statements of the case, unless otherwise agreed by the parties.

(4) The procedure for mediation shall be as follows:

(a) All persons required by paragraph (c) of subsection (3) of this section shall be present with the mediator presiding;

(b) The plaintiff if an individual, the personal representative of the patient's estate, or the attorney representing the plaintiff may present the facts, and if the party states the facts, the attorney may elaborate upon them or make positional or conclusionary statements regarding the facts;

(c) The defendant, or, in the case of a corporate entity, the representative of that health care provider, or the attorney for the health care provider may make statements of facts as deemed necessary and the attorney for each health care provider may make additional statements or make positional or conclusionary statements regarding the facts; and

(d) The mediator shall discuss the facts with all parties and their attorneys to determine the areas of conflict and shall confer with them as the mediator deems proper in accordance with the mediator's training and experience, with the intent and purpose of reaching a compromise on all or as many of the issues as is possible.

(5) Except as otherwise provided for in this section, all mediation documents and mediation communications are privileged and confidential and shall not:

(a) Be disclosed;

(b) Be subject to disclosure through discovery or any other process;

(c) Be admissible into evidence in any judicial or administrative proceeding; or

(d) Be considered a public record.

(6) Any party may, during the mediation process, name an expert witness, but no party may depose that expert unless the party identifying the expert later advises that the expert will be called as a witness at the trial. The opposing party shall not later designate the expert as a witness, nor may the witness be examined concerning any report that may have been furnished during the mediation process, unless the party producing the witness intends to offer the report into evidence.

(7) There is no privilege and no restriction on release of information considered privileged or confidential under subsection (5) of this section if:

(a) All parties consent in writing;

(b) The mediation communication or mediation document gives the mediator knowledge of or a reasonable cause to suspect a child has been abused or neglected, but only to the extent and for the specific purpose the communication or document is required to be disclosed; or

(c) The mediation communications were made in furtherance of the commission of a crime or fraud or as part of a plan to commit a crime or fraud, but only to the extent and for the specific purpose the communication or document is required to be disclosed.

(8) Guidelines and procedures for medical negligence mediation under this section, including mediator qualifications and mediation training, shall be developed by the Supreme Court of Kentucky and issued as rules.

(9) The Supreme Court of Kentucky shall, by rule, set a fee schedule for mediation services under this section.

(10) The trial court shall, utilizing the fee schedule, set a reasonable fee for the mediator based upon the complexity of issues and the time required for mediation. This fee shall be assessed among the parties on a pro rata basis. The court in which the action is pending may, utilizing the fee schedule, upon motion, increase the mediator's fee due to the complexity of the case, or the time involved.

(11) The mediators shall successfully complete mediation training in a program approved by the Administrative Offices of the Courts.

(12) Nothing contained in this section shall be construed to limit or prohibit the trial court, upon the motion of all parties, from referring a pending case against a health care provider to mediation at any time prior to the entry of a final judgment and any subsequent referral to mediation after the initial mediation conference shall be in accordance with the provisions of this section.

(13) In any action brought against a health care provider under this section, the trial court may, after an evidentiary hearing, award attorney's fees and expenses if the court finds as fact that:

(a) The claim or defense is totally without merit; and

(b) The party against which the award is made persisted in the claim or defense after it was known that the claim or defense was without merit, after having been placed upon notice by the opposing party.

SECTION 20. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

Notwithstanding any of the provisions of this chapter to the contrary, the provisions of Section 21 of this Act shall be applicable to the arbitration of a dispute, controversy, or issue arising out of or resulting from injury to, or the death of, a person caused by an error, omission, or negligence in the performance of professional services by a health care provider in Kentucky.

SECTION 21. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) Any person who receives allegedly negligent health care from a health care provider shall have the option to execute an agreement to arbitrate a dispute, controversy, or issue arising out of the allegedly negligent health care or treatment, in lieu of civil action.

(2) Arbitration shall not commence without the voluntary agreement of the claimant and all defendants. The agreement to arbitrate shall not be valid if executed prior to receipt of medical services or treatment which are at issue in the arbitration.

(3) The form of the agreement shall be established by the Supreme Court and shall be accompanied by an information brochure developed by the Administrative Office of the Courts which clearly details the agreement provisions including, but not limited to, the limit on damages of five hundred thousand dollars ($500,000).

SECTION 22. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) In a proceeding pursuant to Sections 20 to 37 of this Act:

(a) The parties may be represented by counsel, be heard, present evidence material to the controversy, and cross-examine any witness;

(b) The prevailing standard of duty, practice, or care applicable in a civil action shall be the standard applied in

the arbitration, except as provided by Section 37 of this Act; and

(c) Damages shall be limited in total value to five hundred thousand dollars ($500,000).

(2) A party may appear without counsel and shall be advised of this right and the right to retain counsel in a manner calculated to inform the person of the nature and complexity of a proceeding by a simple concise form to be distributed by the Administrative Office of the Courts.

(3) Actions commenced under this section shall be in accordance with KRS 413.140.

SECTION 23. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) The arbitration process shall administer the proceeding without charge to the claimant. The administrative expense shall be one hundred fifty dollars ($150) per party per case, or as may be agreed by the parties and the Administrative Office of the Courts.

(2) An arbitration under Sections 20 to 37 of this Act shall be heard by a panel of three (3) arbitrators. The first panel member shall be an attorney who shall be chosen by the plaintiff from a list of three (3) volunteers submitted to the Administrative Office of the Courts by the Kentucky Academy of Trial Attorneys, pursuant to subsection (3) of this section. The second panel member shall be a physician, from the defendant's medical specialty, who shall be chosen by the defendant from a list of three (3) volunteer physicians submitted to the Administrative Office of the Courts by the Kentucky Medical Association, pursuant to subsection (3) of this section. The third panel member shall be a person chosen by agreement of the physician and attorney panel members from a list of experienced arbitrators who are Kentucky residents. The third panel member shall also serve as chairperson of the panel and shall determine hearing dates and locations.

(3) The third panel member shall be a qualified experienced arbitrator selected from a pool of candidates generated by the Administrative Office of the Courts. The Administrative Office of the Courts shall send simultaneously to each party an identical list of three (3) arbitrator candidates together with a brief biographical statement on each candidate. A party may strike from the list any name which is unacceptable and shall number the remaining names in order of preference. When the lists are returned, they shall be compared and the first mutually agreeable candidate in each category shall be invited to serve.

(4) Where no mutually agreed upon arbitrator is selected, the Administrative Office of the Courts shall generate a second list for consideration pursuant to the process defined in subsection (3) of this section. Where no mutually agreed upon arbitrator is selected from the second list, the Administrative Office of the Courts shall randomly select the arbitrator.

(5) The parties shall be restricted to the list of panel candidates submitted to them for consideration.

(6) The physician panel member shall not reside in the area development district where the defendant physician practices or resides, except upon agreement of the plaintiff and defendant.

(7) The attorney panel member shall not reside in the area development district where the plaintiff's attorney practices or resides, except on agreement of the defendant and plaintiff.

(8) The Administrative Office of the Courts, through its director or the director's designee, shall operate the arbitration process, with the initial claims filed with the Administrative Office of the Courts.

(9) All fees pursuant to subsection (1) of this section shall be submitted to the Administrative Office of the Courts to defray related expenses.

(10) Panel members shall be paid at the rate of one hundred dollars ($100) per day plus an amount for necessary expenses, as determined by the Administrative Office of the Courts.

SECTION 24. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) The Kentucky Medical Association and the Kentucky Academy of Trial Attorneys shall make an initial screening for bias and shall require a candidate for a particular case to attest and complete a current personal disclosure statement. In addition to other relevant information, the statement shall disclose any personal acquaintance with any of the parties or their counsel and the nature of the acquaintance. If the statement reveals facts which suggest the possibility of partiality, the Kentucky Medical Association or the Kentucky Academy of Trial Attorneys shall communicate those facts to the Administrative Office of the Courts. The Administrative Office of the Courts shall make a final screening for bias and may eliminate from consideration any candidate determined to be unreasonably partial. The Administrative Office of the Courts shall communicate any facts regarding the possibility of the partiality of any arbitrator candidate to the defendant and claimant.

(2) Any party may propound reasonable questions to an arbitrator candidate if the questions are propounded within ten (10) days of the receipt of the candidate's name. Questions shall be propounded through the Administrative Office of the Courts, and the candidate shall respond to the Administrative Office of the Courts within ten (10) days of receipt.

(3) A party shall not communicate with a candidate directly or indirectly except through the Administrative Office of the Courts, the Kentucky Medical Association, or the Kentucky Association of Trial Attorneys any time after the filing of the request for arbitration. Any candidate who is aware of a communication shall immediately notify the

Administrative Office of the Courts.

SECTION 25. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) A minor child shall be bound by a written agreement to arbitrate disputes, controversies, or issues upon the execution of an agreement on his behalf by a parent or legal guardian. The minor child shall not subsequently disaffirm the agreement.

(2) In cases involving a common question of law or fact, if a number of defendants are involved, the disputes, controversies, and issues shall be consolidated into a single arbitration proceeding if the consolidation is consistent with the Kentucky Rules of Civil Procedure.

(3) A person who is not a party to the arbitration agreement may join in the arbitration or be joined at the request of any party with all the rights and obligations of the original parties. Each party to an arbitration under Sections 20 to 37 of this Act shall be required to arbitrate with all parties, whether the parties are original or joined pursuant to this section.

SECTION 26. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) Prior to the institution of a proceeding or claim by a patient, any offer of reparations and all communications incidental thereto made in writing to a patient by a health care provider or hospital is privileged and shall not be used by any party to establish the liability or measure of damages attributable to the offeror.

(2) An offer of reparations shall provide that a patient has thirty (30) days to accept or reject the offer, or a lesser period of time as may be necessitated by the condition of the health of the patient.

(3) After any rejection or the lapse of the applicable time, any party may request binding arbitration.

(4) Any offer to a patient shall include a statement that the patient may consult legal counsel before rejecting or accepting the offer.

(5) If a potential claim is identified by a health care provider or hospital where, in its judgment, reparations are not appropriate, the provider may, at its option, file a request for arbitration which shall identify the potential claim and deny liability.

SECTION 27. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) After the appointment of the panel, the parties to the arbitration may take depositions and obtain discovery regarding the subject matter of the arbitration and use and exercise the same rights, remedies, and procedures, and be subject to the same duties, liabilities, and obligations in the arbitration with respect to the subject matter thereof, as if the subject matter of the arbitration were pending in a civil action in Circuit Court.

(2) The panel shall conclude the entire proceeding as expeditiously as possible.

(3) Discovery shall commence no earlier than twenty (20) days after all parties have received a copy of the agreement to arbitrate and shall be completed within five (5) months after the date that the last party received a copy of the agreement to arbitrate.

(4) A party may be granted an extension of time to complete discovery upon a showing that the extension is not the result of neglect and that the extension is necessary in order to avoid substantial prejudice to the rights of the party.

SECTION 28. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) The name of any expert witnesses who will be called at the arbitration shall be disclosed to the opposing party, who may depose the witness.

(2) Any party may also provide discovery of that party's expert witnesses by the written interrogatory procedure provided in the Kentucky Rules of Civil Procedure. A party may disclose without request or shall disclose, upon request, the name of each expert the party expects to call at the hearing, the subject matter on which the expert will testify, the substance of facts and opinions to which the expert will testify, and a summary of the grounds for each opinion.

(3) If a party is provided or requests the discovery procedure in subsection (2) of this section and the provision or request occurs prior to the date on which an expert is noticed for deposition or other discovery is commenced under prevailing civil practice, any further discovery of the expert by any other party by deposition or otherwise shall obligate the other party to compensate the expert for time and expenses in a reasonable amount as may be determined by the panel.

SECTION 29. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) An arbitration hearing established pursuant to Sections 20 to 37 of this Act shall adhere to the Kentucky Rules of Civil Procedure.

(2) Testimony shall be taken under oath and a record of the proceedings shall be made by a video tape recording. Any party, at that party's expense, may have transcriptions or copies of the recording made or may provide for a written transcript of the proceedings. The cost of any transcription ordered by the panel for its own use shall be deemed part of the cost of the proceedings.

(3) Expert testimony shall not be required; but if expert testimony is used, it shall be admitted under the same circumstances as in a civil trial and be subject to cross-examination.

(4) The party with the burden of establishing a standard of care and breach thereof shall establish standards, either by the introduction of expert testimony or by other competent proof of the standard and breach thereof, which may include the use of works as provided in subsection (5) of this section.

(5) Authoritative, published works on the general and specific subjects in issue may be admitted and argued from, upon prior notice to all other parties.

(6) The panel shall accord that weight and probative worth to expert evidence which it deems appropriate. The panel may call a neutral expert on its own motion, which expert witness shall be subject to cross-examination by the parties. The cost of the expert shall be deemed a cost of the proceeding.

SECTION 30. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

The panel or its chairperson in the arbitration proceeding shall, upon application by a party to the proceeding, and may upon its own determination, issue a subpoena requiring a person to appear and be examined with reference to a matter within the scope of the proceeding, and to produce books, records, or papers pertinent to the proceeding. In case of disobedience to the subpoena, the chairperson or a majority of the arbitration panel in the arbitration proceeding may petition the Circuit Court of the county in which the witness resides or the Circuit Court of the county in which the inquiry is being held to require the attendance and testimony of the witness and the production of books, papers, and documents. A Circuit Court, in case of contumacy or refusal to obey a subpoena, may issue an order requiring the person to appear and to produce books, records, and papers and give evidence related to the matter in question, or which may give rise to matters relevant to the issues in question. Failure to obey the order of the court may be punished by the court as contempt.

SECTION 31. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) On application of a party to the arbitration, the panel or its chairperson may order the deposition of a witness to be taken for use as evidence and not for discovery if the witness cannot be compelled to attend the hearing or if exceptional circumstances exist making it desirable, in the interest of justice and with due regard to the importance of presenting the testimony of witnesses orally at the hearing, to allow the deposition to be taken. The deposition shall be taken in the manner prescribed by law or court rule for the taking of depositions in civil actions.

(2) In addition to the power of determining the merits of the arbitration, the panel may enforce the rights, remedies, procedures, duties, liabilities, and obligations of discovery by the imposition of the same terms, conditions, consequences, liabilities, sanctions, and penalties as may be imposed in like circumstances in a civil action by a Circuit Court of the Commonwealth, except the power to order the arrest or imprisonment of a person.

(3) For the purpose of enforcing the duty to make discovery, to produce evidence or information, including books and records, and to produce persons to testify at a deposition or at a hearing, and to impose terms, conditions, consequences, liabilities, sanctions, and penalties upon a party for violation of a duty, a party shall be deemed to include every affiliate of the party as defined in subsection (4) of this section. For that purpose, the personnel of an affiliate shall be deemed to be the officers, directors, managing agents, agents, and employees of that party to the same degree as each of them, respectively, bears that status to the affiliate; and the files, books, and records of an affiliate shall be deemed to be in the possession and control of, and capable of production by, the party.

(4) As used in this section, "affiliate" of the party to the arbitration means and includes a party or person for whose immediate benefit the action or proceeding is prosecuted or defended or an officer, director, administrator, member, agent, employee, or managing agent of that party or person.

SECTION 32. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) Except for the parties to the arbitration and their agents, officers, and employees, all witnesses appearing pursuant to subpoena shall be entitled to receive fees and mileage in the same amount and under the same circumstances as prescribed by law for witnesses in civil actions in the Circuit Court. The fee and mileage of a witness subpoenaed upon the application of a party to the arbitration shall be paid by that party. The fee and mileage of a witness subpoenaed solely upon the determination of the arbitrator or the majority of a panel of arbitrators shall be paid in the manner provided for the payment of the arbitrator's expenses.

(2) The cost of each arbitrator's fees and expenses, together with any administrative fee, may be assessed against any party in the arbitration decision or may be assessed among parties in the proportions determined in the arbitration decision.

SECTION 33. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) A majority of the panel of arbitrators may grant any relief found to be equitable and just, including money damages, provision for hospitalization, medical, or rehabilitative procedures, support, or any combination thereof.

(2) The panel may order submission of written briefs within thirty (30) days after the close of hearings. In written briefs, each party may summarize the evidence and testimony and may propose a comprehensive award of remedial or compensatory elements.

(3) The panel shall render its decision within thirty (30) days after the close of the hearing or the receipt of briefs, if ordered.

(4) The decision in the arbitration proceeding shall be in writing and shall be signed by the chairperson or by the majority of the panel. The decision shall include a determination of all the questions submitted to arbitration by each party, the resolution of which is necessary to determine the dispute, controversy, or issue.

SECTION 34. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) In addition to the decision, the panel shall render a written opinion which states its reasoning for the finding of liability or nonliability, and the reasoning for the amount and kind of any award. A panel member who disagrees with the majority may write a dissenting opinion.

(2) The panel shall determine the degree to which each defendant party was at fault for the total damages accruing to any other party to the arbitration, considering all sources of damage involving parties to the arbitration, but excluding the damages attributable to persons not parties to the arbitration.

(3) The panel shall prepare a schedule of contributions according to the relative fault of each party, which schedule shall be binding as between those parties, but that determination shall not affect a claimant's right to recover jointly and severally from all parties where that right otherwise exists in the law.

SECTION 35. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) In the case of an award, any element of which includes remedial services, contracts, annuities, or other noncash award element, the panel shall determine the current cash value of each element of the award and shall also determine a total current cash value of the entire award, which shall not exceed five hundred thousand dollars ($500,000).

(2) An award of remedial surgery or care shall not require that the patient undergo that treatment or care by the health care provider whose conduct resulted in the award.

(3) A claimant may refuse to accept the benefits of an award for remedial surgery or other noncash award element, and the refusal shall not affect the claimant's right to receive any other part of the award, nor shall the refusal entitle the claimant to payment of the current cash value of the portion refused.

SECTION 36. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) The Administrative Office of the Courts shall transmit to the commissioner of insurance and the applicable licensing board of any defendant party a copy of the demand for arbitration within ten (10) days of filing. A copy of the decision and opinion of the panel shall be transmitted to the same parties within ten (10) days of the filing of the decision and opinion. The decision and opinion shall be filed for informational purposes and the making or filing of the decision and opinion shall not of itself be a ground for discipline.

(2) The commissioner of insurance shall by July 1, on odd numbered years, compile a report of the total number and type of demands for arbitration and the nature of the decisions and opinions reached and shall transmit the report to the Governor, Legislative Research Commission, Interim Joint Committees on Banking and Insurance and Health and Welfare, and the Kentucky Health Policy Board.

SECTION 37. A NEW SECTION OF KRS CHAPTER 417A IS CREATED TO READ AS FOLLOWS:

(1) In each action brought against a physician relating to alleged negligence, the arbitration panel created pursuant to Section 23 of this Act, shall consider separately, and render a decision within thirty (30) days, any claim that the plaintiff's allegations were without probable cause or merit or were frivolous. For the purposes of this section, "frivolous" allegations means those allegations found by the arbitration panel to be so totally lacking in merit that the allegation appears to have been made in bad faith.

(2) A claim that an allegation was frivolous or was made without probable cause or merit shall be made by the defendant and asserted in the defendant's initial response to the claim, or the recourse established under this section shall be waived.

(3) If a claim that an allegation was frivolous or was made without probable cause or merit is found to be correct by the arbitration panel, the plaintiff shall pay all associated costs and defendant's attorney fees and other expenses, as determined to be reasonable by the arbitration panel.

(4) If a claim of frivolous allegation or of an allegation without probable cause or merit is found to be incorrect by the arbitration panel, the defendant shall pay all associated costs and the plaintiff's attorney fees and other expenses, incurred to consider the claim, as determined to be reasonable by the arbitration panel.

(5) For the purposes of this section, the standard of proof in arbitration panel hearings shall be whether the physician rendered care consistent with applicable practice parameters which existed at the time of service. "Applicable practice parameters" means those guidelines or parameters adopted by the national specialty board governing the procedure or by the federal Agency for Health Care Policy and Research or by other agencies as accepted by the arbitration panel or court.

PART 6

SELF-REFERRAL RESTRICTIONS

SECTION 38. A NEW SECTION OF KRS CHAPTER 216 IS CREATED TO READ AS FOLLOWS:

(1) Except as otherwise provided in KRS 205.510 to 205.630, no provider shall knowingly solicit, receive, or offer any remuneration (including any kickback, bribe, or rebate) for furnishing medical assistance benefits or in return for purchasing, leasing, ordering, or arranging for or recommending purchasing, leasing, or ordering any goods, facility, service, or item for which payment may be received regardless of source of payment.

(2) (a) No provider shall knowingly make, offer, or receive a payment, a rebate of a fee, or a charge for referring a patient to another provider for furnishing of benefits regardless of source of payment.

(b) Any conduct or activity which does not violate or which is protected under the provisions of 42 U.S.C. sec. 1395nn or 42 U.S.C. sec. 1320A-7B(b), as amended, or federal regulations promulgated under those statutes, shall not be deemed to violate the provisions of this section and the conduct or activity shall be accorded the same protections allowed under federal law and regulation.

(3) Any person who violates subsection (1) or (2) of this section shall be guilty of a Class A misdemeanor unless the combination or aggregation of offenses is valued at three hundred dollars ($300) or more, in which case it shall be a Class D felony. In addition to any other penalty authorized by law, any person who violates the provisions of subsection (2)(a) of this section shall not be entitled to bill or collect from the patient or any third party payor and shall repay any payments due the Commonwealth for services provided which were related to the referral.

PART 7

TWENTY-FOUR HOUR HEALTH COVERAGE

SECTION 39. A NEW SECTION OF KRS CHAPTER 216 IS CREATED TO READ AS FOLLOWS:

(1) By January 1, 1995, the Kentucky Health Policy Board shall promulgate administrative regulations pursuant to KRS Chapter 13A authorizing the establishment by March 1, 1995, of pilot projects for twenty-four (24) hour health coverage. The total number of participants in the pilot projects cannot exceed five percent (5%) of all insured persons who are covered both by workers compensation and general health insurance. The administrative regulations for the pilot projects shall provide that:

(a) A twenty-four (24) hour policy may cover general health care for purposes of general health insurance, auto insurance, workers' compensation, or health care normally covered by any line of insurance written in the Commonwealth;

(b) A twenty-four (24) hour coverage policy shall not contain deductibles or copayments for medical services or treatment for work-related injuries or diseases; and

(c) There shall be no transfer of liabilities or expenses between or among particular lines of insurance whose medical or health components have been combined into a twenty-four (24) hour coverage for health care.

(2) No policy for twenty-four (24) hour coverage shall become effective until it is reviewed and approved by the board, in consultation with the commissioner of the Department of Insurance.

(3) Notwithstanding any other provision of the Kentucky Revised Statutes to the contrary, each insurer authorized or licensed to write insurance in the Commonwealth shall provide any information requested by the board for the purpose of developing a twenty-four (24) hour health policy.

(4) The purchase of a twenty-four (24) hour health policy shall not constitute an exemption from statutory provisions which require other nonmedical insurance coverage. However, an insurance carrier shall reduce its premium for insurance coverage written without the medical or health care component. Notwithstanding the provisions of Subtitle 13 of KRS Chapter 304, the premium reduction required in this subsection shall be subject to the approval of the commissioner of the Department of Insurance.

(5) If an employer obtains a twenty-four (24) hour health insurance policy, pursuant to this section, to secure payment of compensation for medical care and treatment under KRS Chapter 342, the employer shall also procure an insurance policy which shall provide indemnity benefits to ensure that the total coverage afforded by both the twenty-four (24) hour insurance policy and the policy providing indemnity benefits, shall provide the total compensation required by KRS Chapter 342.

The employee may select the physician to treat ***the*** [~~his~~] injury, and the hospital in which ***treatment may be rendered*** [~~he shall be treated~~]. The employer, or an insurer on behalf of the employer, shall make all payments for services rendered to an employee directly to the provider of such services within thirty (30) days of receipt of a statement for services. The provider of medical services shall submit the statement for services within forty-five (45) days of the day treatment is initiated and every forty-five (45) days thereafter if appropriate as long as medical services are rendered.

(2) ***Notwithstanding any provision of the Kentucky Revised Statutes to the contrary, medical services and treatment provided under this chapter shall not be subject to copayments or deductibles.***

(3) When a compensable injury or occupational disease results in the amputation of an arm, leg, or foot, or the loss of hearing, or the enucleation of an eye or loss of teeth, the employer shall initially pay for, in addition to the other medical, surgical, and hospital treatment enumerated in subsection (1) and this subsection, a modern artificial member and, where required, proper braces.

(4)[~~(3)~~] Upon motion of the employer, with sufficient notice to the employee for a response to be filed, if it is shown to the satisfaction of the administrative law judge by affidavits or testimony that, because of the physician selected by the employee to treat ***the*** [~~his~~] injury or disease, or because of the hospital selected by the employee in which ***treatment is being rendered*** [~~he is being treated~~], that the employee is not receiving proper medical treatment and ***the*** [~~his~~] recovery is being substantially affected or delayed; or that the funds for [~~his~~] medical expenses are being spent without reasonable benefit to the employee; or that because of the physician selected by the employee or because of the type of medical treatment being received by the employee that the employer will substantially be prejudiced in any compensation proceedings resulting from the employee's injury or disease; then the administrative law judge may allow the employer to select a physician to treat the employee and the hospital or hospitals in which the employee is treated for ***the*** [~~his~~] injury or disease. No action shall be brought against any employer subject to this chapter by any person to recover damages for malpractice or improper treatment received by any employee from any physician, hospital, or attendant thereof.

(5)[~~(4)~~] An employee who reports an injury alleged to be work-related or files an application for adjustment of a claim shall execute a waiver and consent of any physician-patient, psychiatrist-patient, or chiropractor-patient privilege with respect to any condition or complaint reasonably related to the condition for which the employee claims compensation. Notwithstanding any other provision in the Kentucky Revised Statutes, any physician, psychiatrist, chiropractor, podiatrist, hospital, or health care provider shall, within a reasonable time after written request by the employee, employer, workers' compensation insurer, special fund, uninsured employers' fund, or the administrative law judge, provide the requesting party with any information or written material reasonably related to any injury for which the employee claims compensation.

(8) The alliance board of directors shall employ a chief executive officer and comptroller for the alliance. The chief executive officer shall employ any professional staff necessary to carry out the duties of the alliance and any regional advisory board subject to the approval of the Kentucky Health Policy Board.

(9) No member of the alliance board of directors or any regional advisory board shall be subject to any personal liability for any loss sustained or damage suffered on account of any action or inaction of the alliance.

(10) Nothing in Sections 66 to 72 of this Act shall be construed to prohibit or compel the health purchasing alliance or an accountable health plan from using the services of a licensed insurance agent or broker in order to assist in marketing, consumer education, claims assistance, grievance resolution, and servicing of health benefit coverage offered by the accountable health plan or through the health purchasing alliance. Any commissions or compensation paid by an accountable health plan to a licensed insurance agent or broker shall be determined between the accountable health plan and the agent or broker. An accountable health plan shall not vary compensation or commissions to such agents, brokers, contractors, or producers based directly or indirectly, on the anticipated or actual claims experience or health status associated with particular employers to which each plan is sold.

SECTION 68. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(15) Collecting premiums on behalf of participating accountable health plans, including the remittance of the share of the group premium paid by both an employer and an employee. The alliance shall pay participating accountable health plans their contracting premium amounts on a prepaid monthly basis, or as otherwise mutually agreed upon;

(16) Setting reasonable fees, of one and one-half percent (1.5%), which upon approval of the board may be increased to a maximum of three percent (3%), of annual premiums for health benefit plans offered by the alliance, which shall finance all reasonable and necessary costs incurred in administering the alliance. Imposition of fees shall be subject to the approval of the board;

(17) Administering a risk adjustment process established by the Kentucky Health Policy Board pursuant to Section 77 of this Act if so directed by the board, but only as to accountable health plans participating in the alliance; and

(b) Assurance that the individuals in the employer group are employees and have not been added for the purpose of securing health benefit coverage;

(c) Assurance that an employer that lays off or terminates the employment of an employee allows the employee, at the employee's expense, the opportunity to continue coverage with any health benefit plan with which the employee was enrolled at the time of the layoff or termination of employment. The employee shall not be required to pay a premium that exceeds the amount charged to the employer or other employees; and

(d) Assurance that any employee who voluntarily terminates employment with an employer shall be permitted to continue to participate, at the employee's expense, in any health benefit plan with which the employee was enrolled at the effective date of the voluntary termination. The employee shall not be required to pay a premium that exceeds the amount charged to the employer or other employees.

(2) The alliance may require an employer seeking membership to agree to participate in the alliance for a specified minimum period of time, not to exceed one (1) year.

(3) The alliance shall not require an employer to pay any portion of premiums as a condition of participation in the alliance.

(4) Except as provided in subsection (5) of this section, if an employer who is a member of the alliance offers more than one (1) health benefit plan and the employer contributes to the coverage of employees or dependents of the employee, the alliance shall require that the employer contribute the same dollar amount for each employee, regardless of the health benefit plan chosen by the employee.

(5) If an employer, required by subsection (4) of this section to contribute the same dollar amount for coverage of each employee, employs part-time employees, the employer may proportionately reduce the dollar amount paid for coverage for part-time employees based on the difference between full-time employee hours and part-time employee hours.

(6) For a minimum of one (1) year after January 1, 1995, an employer that seeks to participate in the alliance shall be allowed to keep the same coverage that the employer offered to its employees immediately prior to becoming a member of the alliance.

(a) For nonpayment of the required premiums by the policyholder or contract holder;

(b) For fraud or misrepresentation of the policyholder or contract holder;

(c) For noncompliance with health benefit plan provisions;

(d) If the insurer ceases doing business in Kentucky and notice of the decision to cease to do business in Kentucky is provided to the Kentucky Health Policy Board, the department, and to either the policyholder or contract holder. An insurer that ceases to do business in Kentucky shall not reenter Kentucky for a period of five (5) years from the date of the notice required under this paragraph.

(2) (a) Pre-existing conditions provisions shall not exclude or limit coverage for a period beyond six (6) months following the individual's effective date of coverage and may only relate to conditions which had, during the six (6) months immediately preceding the effective date of coverage, manifested themselves in a manner that would cause an ordinarily prudent person to seek medical advice, diagnosis, care, or treatment or for which medical advice, diagnosis, care, or treatment was recommended or received or as to a pregnancy existing on the effective date of coverage;

(b) In determining whether a pre-existing conditions provision applies to a person covered under a plan, all health benefit plans shall credit the time the person was covered under a previous health benefit plan provided by an insurer, including Medicaid and Medicare, if the previous coverage was continuous to a date not more than sixty (60) days prior to the effective date of the new coverage.

(3) Health care benefit plans shall not discriminate against any class of health care provider in their coverage of services.

SECTION 75. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding any other provisions of this chapter to the contrary:

(a) Each insurer maintaining policies or contracts under this chapter on February 1, 1994, shall, by September 1, 1994, file with the Kentucky Health Policy Board its rates, fees, dues, and other charges paid by insureds, members, enrollees, or subscribers in effect on February 1, 1994.

(b) Each insurer that issues, delivers, or renews any policy or contract after October 1, 1994, shall, before use thereof, file with the Kentucky Health Policy Board its rates, fees, dues, and other charges paid by insureds, members, enrollees, or subscribers and shall comply with the provisions of this section. The insurer shall adhere to its rates, fees, dues, and other charges as filed with the Kentucky Health Policy Board. The insurer may submit new filings from time to time as it deems proper, except as provided in paragraph (d) of this subsection.

(c) Each insurer that issues, delivers, or renews any standard health benefit plan under Section 80 of this Act shall, before use thereof, file with the Kentucky Health Policy Board its rates, fees, dues, and other charges paid by insureds, members, enrollees, or subscribers and shall comply with the provisions of this section. The insurer shall adhere to its rates, fees, dues, and other charges as filed with the Kentucky Health Policy Board. The insurer may submit new filings from time to time as it deems proper, except as provided in paragraph (d) of this subsection.

(d) No insurer shall increase rates to any group or individual policyholder, contract holder, subscriber, member, or enrollee until at least twelve (12) months have elapsed following the effective date of that group's or individual's last rate increase, except for a change in benefit plan design or in the composition of the group, which change causes an actuarially justified rate increase during the applicable twelve (12) month period.

(2) (a) No filing proposing to increase rates, fees, dues, and other charges under paragraph (b) or (c) of subsection (1) of this section shall become effective until the Kentucky Health Policy Board, created by Section 2 of this Act, has issued an order approving the filing within thirty (30) days after receiving the filing. At the expiration of the thirty (30) day period, the filing shall be deemed approved unless prior thereto it has been affirmatively approved or disapproved by order of the Kentucky Health Policy Board or a hearing has been held. The Kentucky Health Policy Board may hold a hearing within thirty (30) days after receiving a filing under this subtitle and shall issue an order approving or disapproving the filing within thirty (30) days following the conclusion of the hearing.

(b) In approving or disapproving a filing under paragraph (a) of this subsection, the Kentucky Health Policy shall consider:

1. Whether the benefits provided are reasonable in relation to the premium or fee charged;

2. Whether the fees paid to providers for the covered services are reasonable in relation to the premium or fee charged;

3. Previous premium rates or fees for the policies or contracts to which the filing applies;

4. The effect of the rate or rate increase on policyholders, enrollees, and subscribers;

5. Whether discounts given to providers are reflected in the premium or fee; and

6. Whether the rates, fees, dues, or other charges are excessive, inadequate, or unfairly discriminatory.

(c) Not less than ten (10) days in advance of a hearing held under paragraph (a) of this subsection, the Kentucky Health Policy Board shall notify the Attorney General in writing of the hearing. The Attorney General shall be considered a party to the hearing if the Attorney General chooses to participate.

(d) No insurer receiving the Kentucky Health Policy Board's approval of a filing under this section shall submit a new filing containing a rate or fee increase for any of the same policies or contracts until at least twelve (12) months have elapsed following the effective date of the approved increase, except that, prior to July 15, 1995, an insurer that has been regularly increasing rates or fees for any policies or contracts on a six (6) month basis shall not submit a new filing containing a rate or fee increase for those policies or contracts until at least six (6) months have elapsed following the effective date of the approved increase. After July 15, 1995, no insurer shall submit a new filing containing a rate or fee increase for any of the same policies or contracts until at least twelve (12) months have elapsed following the effective date of the approved increase.

(e) At any time, the Kentucky Health Policy Board, after a public hearing of which at least thirty (30) days' notice has been given, may withdraw approval of rates or fees previously approved under this section and may order an appropriate refund to policyholders, enrollees, and subscribers if the board determines that the benefits are no longer reasonable in relation to the premium or fee charged.

(3) The Kentucky Health Policy Board may by administrative regulation prescribe any additional information it deems relevant to be included in the filings and the form of the filings required by this section.

(4) As a condition of doing business in Kentucky, each insurer as defined in Section 73 of this Act shall comply with the provisions of this section.

SECTION 76. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) For all health benefit plans issued or renewed on or after July 15, 1995, to employers with one hundred (100) employees or less, individuals, and participants in the Kentucky Health Purchasing Alliance, insurers shall use a modified community rating methodology filed with the Kentucky Health Policy Board in which the premium for each individual policy and group policy is determined solely on the basis of age, geography, family composition, benefit plan design and cost containment provisions, whether or not the product is offered through an alliance, and limited discounts for healthy lifestyles. Community rates may be established separately for employer groups, individuals, public employees, and medicaid enrollees within and outside the Kentucky Health Purchasing Alliance, as applicable.

(2) Premium variations based on age shall not vary more than three hundred percent (300%) from the lowest to the highest price.

(3) The Kentucky Health Policy Board shall establish guidelines for geographic rating areas that take into consideration the following:

(a) Geographic rating should not be used to prevent areas with lower cost, more efficient delivery systems from cross-subsidizing areas where health benefit plans and providers operate inefficiently;

(b) Geographic rating shall not increase rates of higher risk and needier populations relative to healthier and wealthier populations, nor to effectively discriminate on the basis of race or socioeconomic class;

(c) Geographic rating areas may include entire communities and single metropolitan statistical areas but shall not fold lower cost and lower income rural areas into the same rating areas as higher cost urban areas.

(4) The rate structure shall differentiate between single individuals, couples, single-parent families, and two-parent families with children.

SECTION 77. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The Kentucky Health Policy Board shall promulgate administrative regulations for the establishment of a risk adjustment process to be used in equalizing risk between insurers which participate within and outside of the Kentucky Health Purchasing Alliance.

(2) The risk adjustment process shall at minimum be based on gender, retiree status, continuation status, and medical condition information which represent the relative risk of individuals participating with various insurers. The risk adjustment process is not intended to, and shall not, neutralize cost variations among insurers based on efficiency, ability to manage health costs and patient care, and the administration of policy provisions. The process shall not base adjustment for insurers on their individual premiums, administrative expenses, claims, or use of health care

services. Preset amounts shall be established to reflect the demographic and medical risk characteristics of individuals enrolled by insurers.

(3) The risk adjustment process shall be administered by the board so that the process can be applied on a marketwide basis. All insurers shall submit information designated by the board as necessary to administer the risk adjustment process. All insurers shall contribute on an annual basis a preset amount for each person covered toward the establishment and administration of the risk adjustment process. Insurers shall receive from, or contribute amounts to, the board based on the insurer's relative risk profile as determined by the risk adjustment process.

(4) The risk adjustment process shall be established by no later than April 1, 1995. The board may authorize one (1) or more pilot projects as part of an ongoing reevaluation and refinement of the risk adjustment process.

SECTION 78. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

All health benefit plans issued or renewed on or after July 15, 1995, which provide coverage for a family member of the insured shall provide that the health plan benefits applicable for children shall be payable with respect to legally adopted children of the insured or any child for which the insured is a court appointed guardian from and after the date of the filing of the petition for adoption or the filing of the application for appointment of guardian.

SECTION 79. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) On and after July 15, 1995, it is an unfair trade practice for an insurer as defined in Section 73 of this Act, agent, broker, or any other person in the business of marketing and selling health plans, to commit or perform any of the following acts:

(a) Encourage individuals or groups to refrain from filing an application for coverage with the insurer because of the individual's or group's health status, claims experience, industry, occupation, or geographic location; or

(b) Encourage or direct individuals or groups to seek coverage from another insurer because of the individual's or group's health status, claims experience, industry, occupation, or geographic location; or

(c) Encourage an employer to exclude an employee from coverage.

The provisions of paragraphs (a) and (b) of this subsection shall not apply to information provided regarding the established geographic service area of an insurer.

(2) It is an unfair trade practice for an insurer to compensate an agent, broker, or any other person in the business of marketing and selling health plans on the basis of the health status, claims experience, industry, occupation, or geographic location of the insured or prospective insured.

(3) The remedy provided by KRS 304.12-120 shall be available for conduct proscribed by subsections (1) and (2) of this section.

SECTION 80. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The Kentucky Health Policy Board shall define no more than five (5) standard health benefit plans, one (1) of which shall be a basic benefit plan and one (1) of which shall provide coverage exactly comparable to the coverage provided under Kentucky Kare Standard as of January 1, 1994. The board may define a limited number of supplemental health benefit plans. The board shall submit the plans to the commissioner no later than February 1, 1995. The commissioner shall review the plans and return them with written comments to the board within thirty (30) days of receipt. After consideration of the commissioner's comments, the board shall give final approval to the standard health benefit plans no later than April 1, 1995, and the plans shall become operational on July 15, 1995.

(2) Notwithstanding any other provision of this chapter to the contrary, on and after July 15, 1995:

(a) No insurer doing business in Kentucky shall issue or renew health benefit plans other than the standard health benefit plans established by the board, and any of the standard health benefit plans offered shall be offered on a guaranteed-issue basis;

(b) Every insurer shall, as a condition of transacting business in this state, offer and issue the basic health benefit plan on a guaranteed-issue basis;

(c) Each insurer that offers any standard health benefit plan may only offer supplemental benefit plans established by the board to persons it insures under a standard health benefit plan and the offer of supplemental plans shall be on a guaranteed-issue basis;

(d) An insurer may elect to offer health benefit plans only to individuals and groups that purchase coverage through the Kentucky Health Purchasing Alliance and not offer coverage to individuals and groups that purchase coverage outside the alliance; and

(e) No insurer shall exclude any eligible person or dependent, who would otherwise be covered under a group

health benefit plan, on the basis of an actual or expected health condition of the person.

(3) Each of the standard health benefit plans shall be in two (2) forms, one (1) of which shall be in the form of insurance and the second of which shall be consistent with the basic method of operation and benefit plans of health maintenance organizations, including federally qualified health maintenance organizations. Each of the standard plans shall provide for two (2) levels of cost sharing. The board shall take into consideration the levels of benefits provided in health benefit plans in Kentucky and appropriate medical and economic factors. The plans shall include cost containment features, such as utilization review of health care services, including review of medical necessity of hospital and physician services; case management benefit alternatives; selective contracting with hospitals, physicians, and other health care providers; reasonable benefit differentials applicable to participating and nonparticipating providers; and other managed care provisions. If a standard health benefit plan issued by an insurer covers services which the plan's beneficiaries lawfully obtain from health departments established pursuant to KRS Chapter 212 in medically-underserved areas designated by the Kentucky Health Policy Board, that insurer shall pay the plan's established rate for those services to the health department.

(4) All policies and contracts providing health care benefits issued or renewed on or after July 15, 1995, shall be uniform in structure, language, designation, and format to the standard benefit plans defined by the board and shall be filed with and approved by the board before being delivered or issued for delivery in Kentucky.

(5) The board shall inform residents of Kentucky of the existence and provisions of the standard benefit plans. The board shall develop an outline and chart of coverage that describes the features of each of the standard benefit plans available in Kentucky. The board shall broadly publicize a twenty-four hour toll-free telephone number for information on health care benefit plans available in Kentucky.

(6) The commissioner and the department shall render assistance on approval of plans and any other insurance matter as requested by the board.

(7) Any insurer that between the effective date of this Act and July 15, 1995, knowingly and willfully terminates coverage of any insured or dependent solely because the insured is eligible for coverage through a health purchasing alliance shall be prohibited from issuing or delivering any health benefit plan in the Commonwealth for a period of five (5) years from the date of exclusion.

SECTION 81. A NEW SECTION OF SUBTITLE 38 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) On and after July 15, 1995, no health maintenance organization shall deliver or issue for delivery in this state any contract describing health benefits available, or any endorsement, rider, or application which becomes a part thereof, or any amendments thereto or modifications thereof, until a copy of that form has been filed with and approved by the Kentucky Health Policy Board created pursuant to Section 2 of this Act. Each form shall contain a complete and clear statement of:

(a) The health care services to which the enrollee is entitled;

(b) Any limitations on the services, kind of services, benefits to be provided, including any deductible or copayment feature;

(c) Where and in what manner information is available as to how services may be obtained; and

(d) Any other provisions pertaining to the delivery of health care services.

(2) At the expiration of thirty (30) days, the form so filed shall be deemed approved unless prior thereto it has been affirmatively approved or disapproved by order of the board, or a hearing has been scheduled by order of the board. In the event that a hearing is held, the thirty (30) day waiting period shall begin anew after the close of such hearing. Approval of any such form by the board shall constitute a waiver of any unexpired portion of such waiting period. The board may extend by not more than an additional thirty (30) day period within which the board may affirmatively approve or disapprove any such form by giving notice to the insurer of such extension before expiration of the initial thirty (30) day period. At the expiration of any such period as so extended, and in the absence of such prior affirmative approval or disapproval, any such form shall be deemed approved. The board may at any time withdraw any such approval.

SECTION 82. A NEW SECTION OF SUBTITLE 32 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) On and after July 15, 1995, no corporation subject to the provisions of this subtitle shall deliver or issue for delivery in this state any subscription certificate or membership certificate describing health benefits available, or any indorsement, rider, or application which becomes a part thereof, until a copy of such form has been filed with and approved by the Kentucky Health Policy Board created pursuant to Section 2 of this Act.

(2) At the expiration of thirty (30) days the form so filed shall be deemed approved unless prior thereto it has been affirmatively approved or disapproved by order of the board, or a hearing has been scheduled by order of the board. In the event that a hearing is held, the thirty (30) day waiting period shall begin anew after the close of such

hearing. Approval of any such form by the board shall constitute a waiver of any unexpired portion of such waiting period. The board may extend by not more than an additional thirty (30) day period within which the board may so affirmatively approve or disapprove any such form, by giving notice to the insurer of such extension before expiration of the initial thirty (30) day period. At the expiration of any such period as so extended, and in the absence of such prior affirmative approval or disapproval, any such form shall be deemed approved. PART 15

STATE EMPLOYEE HEALTH CARE PLAN BUY-IN

SECTION 117. A NEW SECTION OF KRS 18A.225 TO 18A.229 IS CREATED TO READ AS FOLLOWS:

(1) Any citizen of the Commonwealth shall be permitted to purchase health insurance coverage provided to state employees pursuant to KRS 18A.225 and 18A.2281, under the same terms and conditions as state employees. The premium charged for coverage for high risk individuals as defined by the Kentucky Health Policy Board shall not exceed two hundred percent (200%) of the premium paid by the Commonwealth for state employees.

(2) The secretary of the Finance and Administration Cabinet and the secretary of the Cabinet for Human Resources shall provide for a system to enroll any citizen who elects to purchase health insurance coverage under subsection (1) of this section using the county offices of the Cabinet for Human Resources. Citizens desiring to purchase coverage shall do so through the office of the Cabinet for Human Resources in the county of the citizen's residence. Payment for premiums shall be made in advance on a quarterly or annual basis, in a manner to be determined by administrative regulations of the Finance and Administration Cabinet promulgated pursuant to KRS Chapter 13A.

(3) Following the close of each calendar year, the Kentucky Health Policy Board shall determine for each of the insurance plans providing coverage to state employees and persons electing to purchase coverage pursuant to this section, the net premium, being premiums less administrative expense allowances, the plan expenses, and claim expenses losses for the year, taking into account investment income and other appropriate gains and losses.

(4) Each health insurer's proportion of participation in the state employee health plan shall be determined annually by the Kentucky Health Policy Board based on annual statements and other reports deemed necessary by the board and filed by the insurer with the board. The proportion of participation shall be determined by multiplying the total cost of each state health insurance plan coverage operation by a fraction, the numerator of which equals that insurer's premium and subscriber contract charges for health insurance written in the state during the preceding calendar year and the denominator of which equals the total of all premiums and subscriber contract charges written in the state. The amount of the assessment shall also be adjusted to ensure that the Commonwealth's cost of providing coverage to state employees does not increase more than the average rate of premium growth for state employees during the five (5) years preceding the effective date of this Act.

(5) Any deficit incurred by the state employee health insurance plan shall be recouped by assessments on all health insurers doing business in the Commonwealth pursuant to the assessment formula set forth by the Kentucky Health Policy Board. The insurers may recover these amounts in the normal course of their respective businesses without time limitation.

(6) The Kentucky Health Policy Board may abate or defer, in whole or in part, the assessment of an insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the insurer to fulfill its contractual obligations. If an assessment against an insurer is abated or deferred in whole or in part, the amount by which the assessment is abated or deferred may be assessed against the other insurers in a manner consistent with the basis for assessments set forth in this section. The insurer receiving an abatement or deferment shall remain liable to the Commonwealth for the deficiency for four (4) years.

(7) If assessments exceed actual losses and administrative expenses of the plan, the excess shall be held at interest and used by the Commonwealth to offset future losses or to reduce premiums. As used in this subsection, "future losses" includes reserves for incurred but not reported claims.

Section 118. KRS 18A.225 is amended to read as follows:

(1) (a) The term "health maintenance organization" for the purposes of this section means a health maintenance organization as defined in KRS 304.38-030 or as a nonprofit hospital, medical-surgical, dental, and health service

(6) No payment of premium by the state or department, board, or agency shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other

expense incurred by the state or department, board, or agency shall be considered a proper cost of administration.

(7) The policy or policies may contain such provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, continuation of insurance or coverage after retirement, and such other provisions as the commissioner of insurance may approve.

(4) No contribution by the state or department, board, or agency shall constitute compensation to an insured employee for purposes of any statute fixing or limiting the compensation of such employee. Any expense incurred by the state or department, board, or agency shall be considered a proper cost of administration.

(5) The self-funded plan may contain provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, continuation of insurance or coverage after retirement, and such other provisions as the Department of Personnel may approve.

SECTION 140. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) It is the finding of the General Assembly that the American Medical Association and Kentucky Medical Association have determined that agreements between health care providers that allow or encourage the enforcement of contractual provisions by which one (1) health care provider agrees not to compete against another health care provider or group of health care providers for a period of time upon the severance of any relationship between the health care providers is unethical. It is further the finding of the General Assembly that these agreements serve to increase health care costs by creating a barrier in the physician and patient relationship which forces the patient to seek alternate care from another health care provider, even if the original treating provider remains in the community. It is therefore the finding of the General Assembly that these agreements are contrary to the public policy of the Commonwealth.

(2) An agreement between health care providers that allows or encourages the enforcement of contractual provisions by which one (1) health care provider agrees not to compete against another health care provider or group of health care providers for a period of time upon the severance of any relationship between the health care providers shall be void as against public policy and not enforceable if the period of time is for one (1) year or longer."; and

HB 517, with Senate Committee Amendments and Senate Floor Amendments attached thereto, taken from the Orders of the Day. Representative Stumbo moved that it be placed upon its passage. Agreed.

The Senate Committee Amendment No. 1 to **HB 517** is as follows:

On page 1, line 23, by adding thereafter the following:

"Section 2. KRS 6.505 is amended to read as follows:

(1) Each legislator in office on July 1, 1980, may within thirty (30) days after that date, and any legislator thereafter taking office may within thirty (30) days after the date thereof, elect to make monthly contributions to the Legislators' Retirement Plan, in an amount equal to five percent (5%) of his monthly creditable compensation, as defined in KRS 61.510(13). The election shall be effective to establish membership in the plan as of July 1, 1980, or as of the date from which the thirty (30) day period is measured, as the case may be. Provided, however, that any legislator who was in office on July 1, 1980, and who is in office at the time he makes the election may, after the expiration of the thirty (30) day period and until May 1, 1982, make the election, in which event he shall pay to the Legislators' Retirement Plan, for the months between July 1, 1980, and the date of his election such sum as, when added to any member's contribution by him that is transferred from another retirement system under KRS 6.535, will equal the member's contribution required by this section. If the member makes his election after February 1, 1981, he shall in addition pay to the plan interest on the foregoing sum, at six percent (6%) per annum, calculated as if the sum consisted of equal monthly payments, one (1) of which was due at the end of each month between July 1, 1980, and the date the election was made. The election shall be addressed to and filed with the secretary of the Finance and Administration Cabinet and shall constitute an authorization to the secretary to thereafter cause to be deducted from the member's monthly creditable compensation an amount equal to five percent (5%) thereof, as a voluntarily elected contribution by the member towards the funding of the Legislators' Retirement Plan. Such election shall operate to create an inviolable contract between such member and the Commonwealth, guaranteeing to and vesting in the member the rights and benefits provided for under KRS 6.515 to 6.530. An election once made under this section either to participate or not to participate in the Legislators' Retirement Plan, shall be considered to apply to all future service as a legislator, whether in the same or a different office as a legislator, and whether or not it is in successive terms.

(2) The state shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employee contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(10). The picked-up employee contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982, by the employee contribution, and the picked-up employee contribution shall be in lieu of an employee contribution. The state shall pay these picked-up employee contributions from the same source of funds which is used to pay earnings to the employee. The employee shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employee contributions picked up after August 1, 1982, shall be treated for all purposes of KRS 6.500 to 6.535 in the same manner and to the same extent as employee contributions made prior to August 1, 1982.

(3) When any legislator elects membership in the Legislators' Retirement Plan in accordance with this section, his active membership in the Kentucky Employees Retirement System, State Police Retirement System, County Employees Retirement System, or Teachers' Retirement System shall terminate, as of the date his membership in the Legislators' Retirement Plan becomes effective, and any credit in such other system or systems, earned for service as a legislator, which he then has or which he subsequently regains while being an active member of the Legislators' Retirement Plan, shall be transferred to and counted as service credit in the Legislators' Retirement Plan, and shall no longer constitute credit in such other retirement system except for the purpose of validating any other credit in that system. However, any credit he then has in such other retirement system, earned for service in any capacity other than a legislator, shall not be affected. ***A legislator who is vested in the Teachers' Retirement System for service as a member as defined in KRS***

161.220(4) may purchase up to five (5) years of service credit for service to an institution defined in KRS 161.220(4) while he was contributing to the Legislators' Retirement Plan. The legislator shall pay to the Teachers' Retirement System the employee contribution on the annual compensation for each year purchased, plus interest as determined by the Teachers' Retirement System. These contributions shall not be "picked up" pursuant to KRS 161.540(2). ~~[No person may attain credit in more than one (1) of the retirement plans or systems mentioned in this section, for the same period of service.]~~

(4) A member of the Legislators' Retirement Plan who would be entitled, under KRS 61.552, to repurchase credit in the Kentucky Employees Retirement System, for previous service as a legislator, which credit had been lost by refund of contributions, may pay the amount required by KRS 61.552 directly to the Legislators' Retirement Plan and thereby obtain credit in that plan for such service, rather than making payment to the Kentucky Employees Retirement System for credit which would be transferred to the Legislators' Retirement Plan. In such event, the Kentucky Employees Retirement System shall transfer to the Legislators' Retirement Plan an amount equal to the employer's contributions that originally were made to the Kentucky Employees' Retirement System for the regained service credit, with interest as provided in KRS 6.535. Six (6) months' current service shall be required in the Legislators' Retirement Plan in order for the repurchased credit to remain in force, the same as provided in KRS 61.552.".

The Senate Committee Amendment No. 2 to **HB 517** is as follows:

On page 1, after line 23, by adding the following:

"Section 2. KRS 61.559 is amended to read as follows:

(1) In lieu of any other benefits due under KRS 61.510 to 61.705 and KRS 78.520 to 78.852, a member who has attained the age of sixty-five (65) and who has obtained at least one (1) month of service credit but no more than forty-seven (47) months of service may elect to receive an annual retirement allowance payable monthly or less frequently, as determined by the board, which shall be determined by multiplying his accumulated contributions by two (2) and converting this amount to an annual retirement allowance based on an annuity rate adopted by the board which would pay the actuarial equivalent of twice his accumulated contributions over the lifetime of the retired member.

(2) A member sixty-five (65) years of age or older is eligible for a retirement allowance determined under KRS 61.595 provided such member has forty-eight (48) months of service, at least twelve (12) of which are current service, or a retirement allowance determined under KRS 61.595 prior to age sixty-five (65) provided:

(a) The member has attained age fifty-five (55) and has service of sixty (60) months at least twelve (12) of which are current service; or

(b) The member is a retired member of the State Police Retirement System, has attained age fifty-five (55), and has service of forty-eight (48) months at least twelve (12) of which are current service; or

(c) The member is less than age fifty-five (55) and has twenty-five (25) or more years of service, at least fifteen (15) of which are current service; or

(d) The member has thirty (30) or more years of service at least fifteen (15) of which are current service, or the member of the Kentucky Employees Retirement System or the County Employees Retirement System has twenty-seven (27) or more years of service, at least fifteen (15) of which are current service; or

(e) ***The member of the Kentucky Employees Retirement System has, at least, twenty-six (26) years of service credit, at least sixteen (16) of which are current consecutive years of service as a cabinet secretary or administrative head of one (1) of the three (3) branches of government; or***

(f) The member has attained age fifty-five (55) and was an employee of a parted employer at the time his employer became ineligible to continue participation in the system, and his service in the system when added to his service with the parted employer subsequent to his separation from state government equals the early retirement service eligibility requirement of the system on the date his employer became ineligible to continue participation in the system.

Section 3. KRS 61.595 is amended to read as follows:

(1) Effective July 1, 1990, upon retirement at normal retirement date, or subsequent thereto, a member may receive an annual retirement allowance, payable monthly during his lifetime, which shall consist of an amount equal to two and two-tenths percent (2.2%) for the County Employees Retirement System and one and ninety-seven hundredths percent (1.97%) for the Kentucky Employees Retirement System of final compensation multiplied by the number of years of service credit, except that:

(a) The annual normal retirement allowance for members of the General Assembly, who serve during the 1974 or 1976 General Assembly, and will have eight (8) years or more of total legislative service as of January 6, 1978, shall not be less than two hundred forty dollars ($240) multiplied by the number of years of service as a member of the General Assembly;

(b) The annual normal retirement allowance for members of the General Assembly who will have fewer than eight

(8) years of service as of December 31, 1975, shall be as prescribed in Chapter 116, section 36(1), Acts of the 1972 General Assembly for legislative service prior to January 1, 1974;

(c) Former members of the General Assembly who have eight (8) or more years of legislative service prior to the 1976 regular session are eligible for an increased retirement allowance of two hundred forty dollars ($240) times the years of legislative service, if the member pays to the Kentucky Employees Retirement System thirty-five percent (35%) of the actuarial cost of the higher benefit, as determined by the system, except that a former member with sixteen (16) or more years of legislative service, or his beneficiary, who is receiving a retirement allowance, also is eligible under this section and may apply for a recomputation of his retirement allowance. The employer's share of sixty-five percent (65%) of the computed actuarial cost shall be paid from the State Treasury to the Kentucky Employees Retirement System upon presentation of a properly documented claim to the Finance and Administration Cabinet. If any member with sixteen (16) or more years of legislative service previously applied for and is receiving a retirement allowance, he may reapply and his retirement allowance shall be recomputed in accordance with this paragraph, and he shall thereafter be paid in accordance with the option selected by him at the time of the reapplication;

(d) The annual normal retirement allowance for a member with ten (10) or more years of service, in the Kentucky Employees Retirement System, at least one (1) of which is current service, shall not be less than five hundred twelve dollars ($512); and

(e) The annual retirement allowance for a member of the Kentucky employees retirement system or County Employees Retirement System shall not exceed the maximum benefit as set forth in the Internal Revenue Code.

(2) (a) Upon service retirement prior to normal retirement date, a member may receive an annual retirement allowance payable monthly during his lifetime which shall be determined in the same manner as for retirement at his normal retirement date with years of service and final compensation being determined as of the date of his actual retirement, but the amount of the retirement allowance so determined shall be reduced to reflect the earlier commencement of benefits.

(b) There shall be no reduction in the retirement allowance of the member who has thirty (30) or more years of service credit, at least fifteen (15) of which are current service but a member of the Kentucky Employees Retirement System or the County Employees Retirement System who has twenty-seven (27) or more years of service credit, at least fifteen (15) of which are current service, may retire with no reduction in the retirement allowance. A member who has earned vested service credit in a retirement system, other than the Teachers' Retirement System, sponsored by a Kentucky institution of higher education or the Higher Education Assistance Authority, may count the vested service toward attaining thirty (30) years of service credit to qualify for an unreduced retirement allowance. The credit from a Kentucky institution of higher education or the Higher Education Assistance Authority shall not be used to calculate his retirement allowance pursuant to this section. The provisions of this paragraph shall not be construed to limit the use of Teachers' Retirement System credit pursuant to KRS 61.680(2)(a).

(c) There shall be no reduction in the retirement allowance of the member who has twenty-six (26) years of service, sixteen (16) of which are current consecutive years of service as a cabinet secretary or administrative head of one (1) of the three (3) branches of government who has retired under the provisions of KRS 61.559(2)(e).

(3) The retirement allowance shall be calculated by using the member's known creditable compensation prior to his last month's employment and an estimate of his creditable compensation during the last month he was employed. Based upon this calculation, the State Treasurer shall be requested to issue the initial retirement payment.

(4) A new calculation shall be made when the official report has been received of the member's creditable compensation during his last month's employment. However, the retirement allowance determined in accordance with subsection (3) of this section shall be the official retirement allowance unless the new calculation derives an amount which is one dollar ($1) greater or less than the amount of the initial retirement payment."

On page 1, line 23, by adding thereafter:

"Section 2. While KRS 78.540 states that employees who are simultaneously contributing to another public retirement fund within Kentucky, other than those administered by the Kentucky Retirement Systems, cannot also be members of the County Employees Retirement System, the County Employees Retirement System has accepted employee and employer contributions made in good faith by and for employees participating in the Kentucky Teachers' Retirement System. Because contributions were made in good faith and employees have planned for the eventual receipt of County Employees Retirement System benefits, the County Employees Retirement System shall accept the employee and employer contributions made prior to the effective date of this Act and shall grant the service credit attributable to these contributions. If members have received a refund of employee contributions and have cashed their checks, they may reinstate their service credit by returning the refunds if the employer also returns any employer contribution refunds.".

The Senate Committee Substitute to **HB 388** is as follows:

HB 388, AN ACT relating to the funding of the statewide public advocacy system, and making an appropriation therefor.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 31.051 is amended to read as follows:

(1) With the exception of the administrative fee contained in subsection (2) of this section, all moneys received by the public advocate from indigent defendants pursuant to KRS Chapter 31 or which are collected by the public advocate pursuant to KRS Chapter 431 shall be credited to the public advocate fund of the county in which the trial is held and shall not be credited to any general account maintained by or for the public advocate. Moneys credited to a county public advocate fund may be used only to support the public advocate program of that county.

(2) Any person provided counsel under the provisions of this chapter shall be assessed at the time of appointment, a nonrefundable forty dollar ($40) administrative fee, payable, at the court's discretion, in a lump sum or in installments. The court may reduce or waive the fee if the person remains in custody or does not have the financial resources to pay the fee. In any case or legal action a needy person shall be assessed a total administrative fee of no more than forty dollars ($40), regardless of the stages of the matter at which the needy person is provided appointed counsel. In the event the defendant fails to pay the fee, the fee shall be deducted from any posted cash bond or shall constitute a lien upon any property which secures the person's bail, regardless of whether the bond is posted by the needy person or another. The failure to pay the fee shall not reduce or in any way affect the rendering of public defender services to the person.

(3) The administrative fee shall be in addition to any other contribution or recoupment assessed by the court pursuant to KRS 31.120 and shall be collected in accordance with that section.

(4) The administrative fees collected pursuant to this subsection (2) shall be placed in a special trust and agency account for the Department of Public Advocacy, and the funds shall not lapse.

Section 2. KRS 31.120 is amended to read as follows:

(1) The determination of whether a person covered by KRS 31.110 is a needy person shall be deferred no later than his first appearance in court or in a suit for payment or reimbursement under KRS 31.150, whichever occurs earlier. Thereafter, the court concerned shall determine, with respect to each step in the proceedings, whether he is a needy person. However, nothing herein shall prevent appointment of counsel at the earliest necessary proceeding at which the person is entitled to counsel, upon declaration by the person that he is needy under the terms of this chapter. In that event, the person involved shall be required to make reimbursement for the representation involved if he later is determined not a needy person under the terms of this chapter. At arraignment, the court shall conduct a nonadversarial hearing to determine whether a person ***who has requested*** [~~for whom~~] a public defender [~~has been appointed~~] is able to pay a partial fee.

(2) In determining whether a person is a needy person and in determining the extent of his, and, in the case of an unemancipated minor under KRS 31.100(3)(c), his custodial parent's or guardian's inability to pay, the court concerned shall consider such factors as income, property owned, outstanding obligations, and the number and ages of his dependents. Release on bail, or any other method of release provided in KRS Chapter 431, shall not necessarily prevent him from being a needy person. In each case, the person, and, if an unemancipated minor under KRS 31.100(3)(c) and (d), his custodial parent or guardian, subject to the penalties for perjury, shall certify by affidavit of indigency ***which shall be*** compiled by the pre-trial release officer[~~, where practical~~], as provided under KRS Chapter 431 and Supreme Court Rules or orders promulgated pursuant thereto, the material factors relating to his ability to pay in the form the Supreme Court prescribes.

(3) It shall be prima facie evidence that a person is not indigent or needy within the meaning of this chapter if he and, in the case of an unemancipated minor under KRS 31.100(3)(c) and (d), if his custodial parent or guardian:

- (a) Owns real property in the Commonwealth or without the Commonwealth;
- (b) Is not receiving, or if not receiving is not eligible to receive, public assistance payments at the time the affidavit of indigency is executed;
- (c) Has paid money bail (other than a property bond of another), whether deposited by himself or another, to secure his release from confinement on the present charge of which he stands accused or convicted; or
- (d) Owns more than one (1) motor vehicle.

(4) To the extent that a person covered by KRS 31.110, and, in the case of an unemancipated minor under KRS 31.100(3)(c) and (d), his custodial parent or guardian, is able to provide for an attorney, the other necessary services and facilities of

representation, and court costs, the court shall order payment in an amount determined by the court and may order that the payment be made in a lump sum or by installment payments. The determination shall be made at each stage of the proceedings.

(5) The court shall order all moneys collected pursuant to subsection (4) of this section be paid to the clerk of that court pursuant to the schedule of payment. The clerk shall forward to the Office for Public Advocacy on a monthly basis a copy of all the orders and the moneys collected pursuant thereto with an accounting as to each case.

(6) The affidavit of indigency, to be subscribed and sworn to by the person, and, in the case of an unemancipated minor under KRS 31.100(3)(c), by his custodial parent or guardian, shall be as set out herein:

(1) All persons convicted of violation of KRS 189A.010 shall be sentenced to pay a service fee of *two* [~~one~~] hundred [~~fifty~~] dollars *($200)*[~~($150)~~], which shall be in addition to all other penalties authorized by law.

If he considers their use impractical, the court concerned may authorize the use of private facilities to be paid for on court order by the county.

(2) The fiscal court of each county containing less than ten (10) circuit judges shall annually appropriate twelve and a half ($0.125) cents per capita of the population of the county, as determined by the Council of Local Governments'

most recent population statistics, to a special account to be administered by the Finance and Administration Cabinet to pay court orders entered against counties pursuant to subsection (1) of this section. The funds in this account shall not lapse and shall remain in the special account.

(3) The Finance and Administration Cabinet shall pay all court orders entered pursuant to subsection (1) of this section from the special account until the funds in the account are depleted. If in any given year the special account, including any funds from prior years is depleted and court orders entered against counties pursuant to subsection (1) of this section for that year or any prior year remain unpaid, the Finance and Administration Cabinet shall pay those orders from the Treasury in the same manner in which judgments against the Commonwealth and its agencies are paid.

(4) Only court orders entered after July 15, 1994, shall be payable from the special account administered by the Finance and Administration Cabinet or from the Treasury as provided in subsections (2) and (3) of this section.

(5) Each county with a judicial district containing ten (10) or more Circuit Judges shall be solely liable for any court order entered against it pursuant to subsection (1) of this section.

Section 5. KRS 31.200 is amended to read as follows:

(1) Subject to KRS 31.190, any direct expense, including the cost of a transcript or bystander's bill of exceptions or other substitute for a transcript that is necessarily incurred in representing a needy person under this chapter, is a charge against the county on behalf of which the service is performed***; provided, however, that such a charge shall not exceed the established rate charged by the Commonwealth and its agencies.***

(2) The cost of a transcript or bystander's bill of exceptions or other substitute for a transcript shall be paid from the special account established in KRS 31.185(2) and in accordance with the procedures provided in KRS 31.185(3).

(3)[~~(2)~~] If two (2) or more counties jointly establish an office for public advocacy, the expenses not otherwise allocable among the participating counties under subsection (1) shall be allocated, unless the counties otherwise agree, on the basis of population according to the most recent decennial census.

(4)[~~(3)~~] Expenses incurred in the representation of needy persons confined in a state correctional institution shall be borne by the state Department of Public Advocacy.

Section 6. The funds made available to the trust and agency account established by Sections 1 and 3 of this Act are hereby appropriated for expenditure for the purposes provided for by this Act.

Recommendation of fine or penalty assessment by the department shall occur only after a notice of intent to do so has been presented by registered mail to the private provider. The notice of intent shall incorporate the findings of the department and other agencies, if appropriate.

(e) Issue a written statement by the factfinder as to the evidence relied on and the reasons for transferring the prisoner; and

(8) All sums paid by the defendant pursuant to this section shall be paid into the general fund, except as provided in subsection (13) of this section.

(9) When granting a release of any defendant by way of probation, parole, or otherwise, the releasing authority shall make the payment of this fee a condition of release, unless the fee has been waived, reduced, or delayed as provided in this section. Nonpayment shall be grounds for revocation of the release as provided in KRS 533.050.

(10) The releasing authority, if the Department of Corrections petitions the releasing authority to modify the fee, shall consider the petition and may waive the payment of the fee in whole or in part, delay payment of the fee, increase the fee, or deny the petition.

For purposes of implementing KRS 439.315 the Division of Probation and Parole shall be the releasing authority.

If the person convicted claims to be exempt from this statute because that person was the victim of domestic violence and abuse as defined in KRS 403.720, the trial judge shall conduct a hearing and make findings to determine the validity of the claim and applicability of this exemption. DEFINITIONS

Section 1. KRS 342.0011 is amended to read as follows:

As used in this chapter, unless the context otherwise requires:

(1) "Injury" means any work-related harmful change in the human organism, arising out of and in the course of employment, including damage to or loss of a prosthetic appliance, but does not include any communicable disease unless the risk of contracting ***the*** [~~such~~] disease is increased by the nature of the employment. "Injury" when used generally, unless the context indicates otherwise, shall include an occupational disease***, but shall not include a psychological, psychiatric, or stress-related change in the human organism, unless it is a direct result of a physical injury***.

(2) "Occupational disease" means a disease arising out of and in the course of the employment.

(3) An occupational disease as defined in this section shall be deemed to arise out of the employment if there is apparent to the rational mind, upon consideration of all the circumstances, a causal connection between the conditions under which the work is performed and the occupational disease, and which can be seen to have followed as a natural incident to the work as a result of the exposure occasioned by the nature of the employment and which can be fairly traced to the employment as the proximate cause. The occupational disease shall be incidental to the character of the business and not independent of the relationship of employer and employee. An occupational disease need not have been foreseen or expected but, after its contraction, it must appear to be related to a risk connected with the employment and to have flowed from that source as a rational consequence.

(4) "Injurious exposure" as used in KRS 342.316 shall mean that exposure to occupational hazard which would, independently of any other cause whatsoever, produce or cause the disease for which ***the*** claim is made.

(5) "Death" means death resulting from an injury or occupational disease.

(6) "Carrier" means any insurer, or legal representative thereof, authorized to insure the liability of employers under this chapter and includes a self-insurer.

(7) "Self-insurer" is an employer who has been authorized under the provisions of this chapter to carry his own liability on his employees covered by this chapter.

(8) "Department" means the Department of Workers' Claims in the Labor Cabinet.

(9) "Commissioner" means the commissioner of the Department of Workers' Claims [~~under the direction and supervision of the Workers' Compensation Board~~].

(10) "Board" means the Workers' Compensation Board.

(11) "Disability" means a decrease of wage earning capacity due to injury or loss of ability to compete to obtain the kind of work the employee is customarily able to do, in the area where he lives, taking into consideration his age, occupation, education, effect upon employee's general health of continuing in the kind of work he is customarily able to do, and impairment or disfigurement.

(12) "Income benefits" means payments made under the provisions of this chapter to the disabled worker or his dependents in case of death, excluding medical and related benefits.

(13) "Medical and related benefits" means payments made for medical, hospital, burial and other services as provided in this chapter, other than income benefits.

(14) "Compensation" means all payments made under the provisions of this chapter representing the sum of income benefits and medical and related benefits.

(15) "Medical services" means medical, surgical, dental, hospital, nursing, and medical rehabilitation services, medicines, and fittings for artificial or prosthetic devices.

(16) "Person" means any individual, partnership, firm, association, trust, joint venture, corporation, or legal representative thereof.

(17) "Wages" means, in addition to money payments for services rendered, the reasonable value of board, rent, housing, lodging, fuel or similar advantages received from the employer, and gratuities received in the course of employment from others than the employer***, if reported for tax purposes,*** as evidenced by the employee's federal and state tax returns.

(18) "Agriculture" means the operation of farm premises, including the planting, cultivation, producing, growing, harvesting, and preparation for market of agricultural or horticultural commodities thereon, the raising of livestock for food products and for racing purposes, and poultry thereon, and any work performed as an incident to or in conjunction with ***the*** [~~such~~] farm operations. It shall not include the commercial processing, packing, drying, storing, or canning of such commodities for market, or making cheese or butter or other dairy products for market.

(19) "Beneficiary" means any person who is entitled to income benefits or medical and related benefits under this chapter.

(20) "United States***,***" when used in a geographic sense, means the several states, the District of Columbia, the Commonwealth of Puerto Rico, the Canal Zone, and the territories of the United States.

(21) "Alien" means a person who is not a citizen, a national or a resident of the United States or Canada. Any person not a citizen or national of the United States who relinquishes or is about to relinquish his residence in the United States shall be regarded as an alien.

(22) "Insurance carrier" means every insurance carrier or insurance company authorized to do business in the Commonwealth writing workers' compensation insurance coverage and includes every group of self-insurers operating under the provisions of this chapter.

(23) (a) "Severance or processing of coal" means all activities performed in the Commonwealth at underground, auger and surface mining sites, all activities performed at tipple or processing plants that clean, break, size, or treat coal, and all activities performed at coal loading facilities for trucks, railroads, and barges. Severance or processing of coal shall not include acts performed by a final consumer if *the* [~~such~~] acts are performed at the site of final consumption.

(b) "Engaged in severance or processing of coal" shall include all individuals, partnerships, corporations, joint ventures, associations, or any other business entity in the Commonwealth which has employees on its payroll who perform any of the acts stated in paragraph (a) of this subsection, regardless of whether *the* [~~such~~] acts are performed as owner of the coal or on a contract or fee basis for the actual owner of the coal. A business entity engaged in the severance or processing of coal, including, but not limited to, administrative or selling functions, shall be considered wholly engaged in the severance or processing of coal for the purpose of this chapter. [~~Provided~~] However, a business entity which is engaged in a separate business activity not related to coal, for which a separate premium charge is not made, shall be deemed to be engaged in the severance or processing of coal only to the extent that the number of employees engaged in the severance or processing of coal bears to the total number of employees. Any employee who is involved in the business of severing or processing of coal and business activities not related to coal shall be prorated based on the time involved in severance or processing of coal bears to his total time.

(24) "Premium" for every group of self-insurers means any and all assessments levied on its members by such group or contributed to it by the members thereof.

(25) *(a) "Premiums received" for policies effective on or after January 1, 1994, for insurance companies means direct written premiums as reported in the annual statement to the Kentucky Department of Insurance by insurance companies, except that "premiums received" includes premiums charged off or deferred, and, on insurance policies or other evidence of coverage with provisions for deductibles, the calculated cost for coverage, including experience modification and premium surcharge or discount, prior to any reduction for deductibles. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premiums received" includes the initial premium plus any reimbursements invoiced for losses, expenses, and fees charged under the deductibles. The special fund assessment rates in effect for reimbursements invoiced for losses, expenses, or fees charged under the deductibles shall be those percentages in effect on the effective date of the insurance policy.*

(b) "Direct written premium" for insurance companies means the gross premium written less return premiums and premiums on policies not taken but including policy and membership fees.

(c) "Premium," for policies effective on or after January 1, 1994, for insurance companies means all consideration, whether designated as premium or otherwise, for workers' compensation insurance paid to an insurance company or its representative, including, on insurance policies with provisions for deductibles, the calculated cost for coverage, including experience modification and premium surcharge or discount, prior to any reduction for deductibles. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premium" includes the initial consideration plus any reimbursements invoiced for losses, expenses, or fees charged under the deductibles.

(d) "Return premiums" for insurance companies means amounts returned to insureds due to endorsements, retrospective adjustments, cancellations, dividends, or errors.

(26) "Insurance policy" for an insurance company or group self-insurer means the term of insurance coverage commencing from the date coverage is extended, whether a new policy or a renewal, through its expiration, not to exceed the anniversary date of the renewal for the following year.

(27) "Self-insurance year" for a group self-insurer means the annual period of certification of the group created pursuant to KRS 342.350(4).

(28) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1) shall be the projected value of the employer's workers' compensation claims for the next calendar year as calculated by the *commissioner* [~~Workers' Compensation Board~~] using generally accepted actuarial methods as follows:

(a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The *commissioner* [~~board~~] shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each [~~such~~] claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim, plus the cost of medical and vocational rehabilitation paid to date and projected to be paid. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of ***the*** [~~such~~] claims using the adjusted weekly benefit shall then be calculated by the ***commissioner*** [~~board~~]. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating organization defined in Subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period.

(b) The ***commissioner*** [~~board~~] shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from [~~board~~] records ***of the department*** and from the records of the Division of Unemployment Insurance. The ***commissioner*** [~~board~~] shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period.

(c) The ***commissioner*** [~~board~~] shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.12 and shall then be multiplied by the employer's most recent annualized payroll, calculated using [~~board~~] records ***of the department*** and ***the*** Division of Unemployment Insurance data which shall be made available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122.

(d) For November 1, 1987, through December 31, 1988, premium for each employer carrying his own risk shall be an amount calculated by the board pursuant to the provisions contained in this subsection and such premium shall be provided to each employer carrying his own risk and to the funding commission on or before January 1, 1988. Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews his application for certification to carry his own risk for the next twelve (12) month period and submits payroll and other data in support of the application. The employer and the funding commission shall be notified at the time of the certification or recertification of the premium calculated by the ***commissioner,*** [~~board~~] which shall form the employer's basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification.

(e) If an employer having fewer than five (5) years of doing business in this state applies to carry his own risk and is so certified, his premium for the purposes of KRS 342.122 shall be based on ***the*** [~~such~~] lesser number of years of experience as may be available including the two (2) most recent years if necessary to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation, then his premium shall be the greater of the value obtained by the calculation called for in this subsection or the amount of security required by the ***commissioner*** [~~board~~] pursuant to KRS 342.340(1).

(f) If an employer is certified to carry his own risk after having previously insured ***the*** [~~such~~] risk, his premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is certified to carry his own risk and has paid all amounts due for assessments upon premiums paid while insured***,*** he shall be assessed only upon the premium calculated under this subsection.

(g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection, except that the value for each such employer's claims shall be the total of the indemnity benefits paid by the employer, adjusted to current benefit levels, plus the medical benefits paid.

(29)[~~(26)~~] "SIC code" as used in this chapter means the Standard Industrial Classification Code contained in the latest edition of the Standard Industrial Classification Manual published by the Federal Office of Management and Budget.

(30) "Investment interest" means any pecuniary or beneficial interest in a provider of medical services or treatment under this chapter, other than a provider in which that pecuniary or investment interest is obtained on terms equally available to the public through trading on a registered national securities exchange, such as the New York Stock Exchange or the American Stock Exchange, or on the National Association of Securities Dealers Automated Quotation System.

(31) "Managed health care system" means a health care system that employs gatekeeper providers, performs utilization review, and does medical bill audits.

(1) In addition to all other compensation provided in this chapter, the employer shall pay for the cure and relief from the effects of an injury or occupational disease the medical, surgical, and hospital treatment, including nursing, medical, and surgical supplies and appliances, as may reasonably be required at the time of the injury and thereafter during disability, or as may be required for the cure and treatment of an occupational disease. ***The employer's obligation to pay the benefits specified in this section shall continue for so long as the employee is disabled regardless of the duration of the employee's income benefits. In the absence of designation of a managed health care system by the employer, the employee may select medical providers to treat his injury or occupational disease. Even if the employer has designated a managed health care system, the injured employee may elect to continue treating with a physician who provided emergency medical care or treatment to the employee.*** [~~The employee may select the physician to treat his injury, and the hospital in which he shall be treated.~~] The employer, or an insurer on behalf of the employer, shall make all payments for services rendered to an employee directly to the provider of ***the*** [~~such~~] services within thirty (30) days of receipt of a statement for services. The provider of medical services shall submit the statement for services within forty-five (45) days of the day treatment is initiated and every forty-five (45) days thereafter***,*** if appropriate***,*** as long as medical services are rendered. ***The fee, charge, or request for reimbursement shall be billed at the medical service provider's lowest rate or lowest schedule of charges except for Medicaid. Except as provided in subsection (4) of this section, in no event shall a medical fee exceed the limitations of an adopted medical fee schedule or other limitations contained in KRS 342.035, whichever is lower. The commissioner may promulgate regulations establishing the form and content of a statement for services and procedures by which disputes relative to the necessity, effectiveness, frequency, and cost of services may be resolved.***

(2) ***Notwithstanding any provision of the Kentucky Revised Statutes to the contrary, medical services and treatment provided under this chapter shall not be subject to copayments or deductibles.***

(3) Employers may provide medical services through a managed health care system. The managed health care system shall file with the Department of Workers' Claims a plan for the rendition of health care services for work-related injuries and occupational diseases to be approved by the commissioner pursuant to administrative regulations promulgated by the commissioner.

(4) All managed health care systems rendering medical services under this chapter shall include the following features in plans for workers' compensation medical care:

(a) Copayments or deductibles shall not be required for medical services rendered in connection with a work-related injury or occupational disease;

(b) The employee shall be allowed choice of provider within the plan;

(c) The managed health care system shall provide an informal procedure for the expeditious resolution of disputes concerning rendition of medical services;

(d) The employee shall be allowed to obtain a second opinion, at the employer's expense, from an outside physician if a managed health care system physician recommends surgery;

(e) The employee may obtain medical services from providers outside the managed health care system, at the employer's expense, when treatment is unavailable through the managed health care system;

(f) The managed health care system shall establish procedures for utilization review of medical services to assure that a course of treatment is reasonably necessary; diagnostic procedures are not unnecessarily duplicated; the frequency, scope, and duration of treatment is appropriate; pharmaceuticals are not unnecessarily prescribed; and that ongoing and proposed treatment is not experimental, cost ineffective, or harmful to the employee; and

(g) Statements for services shall be audited regularly to assure that charges are not duplicated and do not exceed those authorized in the applicable fee schedules.

(h) A schedule of fees for all medical services to be provided under this chapter which shall not be subject to the limitations on medical fees contained in this chapter.

(5) Except for emergency medical care, medical services rendered pursuant to this chapter shall be under the supervision of a single treating physician or physicians' group having the authority to make referrals, as reasonably necessary, to appropriate facilities and specialists. The employee may change his designated physician one (1) time and thereafter shall show reasonable cause in order to change physicians.

(6) When a compensable injury or occupational disease results in the amputation of an arm, leg, or foot, or the loss of hearing, or the enucleation of an eye or loss of teeth, the employer shall [~~initially~~] pay for, in addition to the other medical, surgical, and hospital treatment enumerated in subsection (1) and this subsection, a modern artificial member and, where required, proper braces ***as may reasonably be required at the time of the injury and thereafter during disability***.

(7)[~~(3)~~] Upon motion of the employer, with sufficient notice to the employee for a response to be filed, if it is shown to the satisfaction of the administrative law judge by affidavits or testimony that, because of the physician selected by the employee to treat his injury or disease, or because of the hospital selected by the employee in which he is being treated, that the employee is not receiving proper medical treatment and his recovery is being substantially affected or delayed; or that the funds for his medical expenses are being spent without reasonable benefit to the employee; or that because of the physician selected by the employee or because of the type of medical treatment being received by the employee that the employer will substantially be prejudiced in any compensation proceedings resulting from the employee's injury or disease; then the administrative law judge may allow the employer to select a physician to treat the employee and the hospital or hospitals in which the employee is treated for his injury or disease. No action shall be brought against any employer subject to this chapter by any person to recover damages for malpractice or improper treatment received by any employee from any physician, hospital, or attendant thereof.

(8)[~~(4)~~] An employee who reports an injury alleged to be work-related or files an application for adjustment of a claim shall execute a waiver and consent of any physician-patient, psychiatrist-patient, or chiropractor-patient privilege with respect to any condition or complaint reasonably related to the condition for which the employee claims compensation. Notwithstanding any other provision in the Kentucky Revised Statutes, any physician, psychiatrist, chiropractor, podiatrist, hospital, or health care provider shall, within a reasonable time after written request by the employee, employer, workers' compensation insurer, special fund, uninsured employers' fund, or the administrative law judge, provide the requesting party with any information or written material reasonably related to any injury ***or disease*** for which the employee claims compensation.

(9) When a provider of medical services or treatment, required by this chapter, makes referrals for medical services or treatment by this chapter, to a provider or entity in which the provider making the referral has an investment interest, the referring provider shall disclose that investment interest to the employee, the commissioner, and the employer's insurer or the party responsible for paying for the medical services or treatment, within thirty (30) days from the date the referral was made.

Section 18. KRS 342.033 is amended to read as follows:

In a claim for benefits, no party may introduce direct testimony from more than ***two (2)*** [~~three (3)~~] physicians without prior consent from the administrative law judge. The motion requesting additional testimony shall clearly demonstrate the need for such additional testimony. A party may introduce direct testimony from a physician through a written medical report. ***The*** [~~Such~~] report shall become a part of the evidentiary record, subject to the right of an adverse party to object to the admissibility of ***the*** [~~such~~] report and to cross-examine the reporting physician. In determining what fees are reasonable, the ***commissioner*** [~~board~~] may also consider the increased security of payment afforded by this chapter. ***In addition to the limitation on fees adopted pursuant to this section, no provider of medical services as defined in this chapter shall charge or attempt to collect a fee, charge or reimbursement for medical services or supplies rendered after the effective date of this Act greater than one hundred twenty percent (120%) of the maximum amount allowed or permitted to be charged by a provider of medical services under the federal Medicare program (Title XVIII of the Social Security Act). Unless specifically adopted by administrative regulations promulgated by the commissioner, any medical practice standards adopted by the federal Medicare program shall not be utilized in determining the reasonableness or appropriateness of medical care.***

(2) *No provider of medical services or treatment required by this chapter, its agent, servant, employee, assignee, employer, or independent contractor acting on behalf of any medical provider, shall knowingly collect, attempt to collect, coerce, or attempt to coerce, directly or indirectly, the payment of any charge, for services covered by a workers' compensation insurance plan for the treatment of a work-related injury or occupational disease, in excess of that provided by a schedule of fees, or cause the credit of any employee to be impaired by reason of the employee's failure or refusal to pay the excess charge. In addition to the penalty imposed in KRS 342.990 for violations of this subsection, any individual who sustains damages by any act in violation of the provisions of this subsection shall have a civil cause of action in Circuit Court to enjoin further violations and to recover the actual damages sustained by the individual, together with the costs of the lawsuit, including a reasonable attorney's fee.*

(3) Where *these* [~~such~~] requirements are furnished by a public hospital or other institution, payment thereof shall be made to the proper authorities conducting it. No compensation shall be payable for the death or disability of an employee if his death is caused, or if and insofar as his disability is aggravated, caused, or continued, by an unreasonable failure to submit to or follow any competent surgical treatment or medical aid or advice.

(4) The commissioner shall, by December 1, 1994, promulgate administrative regulations to adopt a schedule of fees for the purpose of regulating charges by medical providers and other health care professionals for testimony presented and medical reports furnished in the litigation of a claim by an injured employee against the employer.

(5) (a) To ensure compliance with subsections (1) and (4) of this section, the commissioner shall promulgate administrative regulations by December 31, 1994, which require each insurance carrier, group self-insurer, and self-insured employer to certify to the commissioner the program or plan it has adopted to ensure compliance.

(b) In addition, the commissioner shall periodically have an independent audit conducted by a qualified independent person, firm, company, or other entity hired by the commissioner, in accordance with the personal service contract provisions contained in KRS 45A.690 to 45A.725, to ensure that the requirements of subsection (1) of this section are being met. The independent person, firm, company, or other entity selected by the commissioner to conduct the audit shall protect the confidentiality of any information it receives during the audit, shall divulge information received during the audit only to the commissioner, and shall use the information for no other purpose than the audit required by this paragraph.

(c) The commissioner shall promulgate administrative regulations governing medical provider utilization review activities conducted by an insurance carrier, group self-insurer, or self-insured employer pursuant to this chapter.

(d) Periodically, or upon request, the commissioner shall report to the Interim Joint Committee on Labor and Industry of the Legislative Research Commission or to the corresponding standing committees of the General Assembly, as appropriate, the degree of compliance or lack of compliance with the provisions of this section and make recommendations thereon.

(e) The cost of implementing and carrying out the requirements of this subsection shall be paid from funds collected pursuant to KRS 342.122.

(6) The commissioner may promulgate administrative regulations incorporating managed care or other concepts intended to reduce costs or to speed the delivery or payment of medical services to employees receiving medical and related benefits under this chapter.

(7) For purposes of this chapter, any medical provider shall charge only its customary fee for photocopying requested documents. However, in no event shall a photocopying fee of a medical provider or photocopying service exceed fifty cents ($0.50) per page. In addition, there shall be no charge for reviewing any records of a medical provider, during regular business hours, by any party who is authorized to review the records and who requests a review pursuant to this chapter.

(8) (a) The commissioner shall develop or adopt practice parameters or guidelines for clinical practice for use by medical providers under this chapter. The commissioner may adopt any parameters for clinical practice as developed and updated by the federal Agency for Health Care Policy Research, or the commissioner may adopt other parameters for clinical practice which are developed by qualified bodies, as determined by the commissioner, with periodic updating based on data collected during the application of the parameters.

(b) Any provider of medical services under this chapter who has followed the practice parameters or guidelines developed or adopted pursuant to this subsection shall be presumed to have met the appropriate legal standard of care in medical malpractice cases regardless of any unanticipated complication that may thereafter develop or be discovered.

SECTION 20. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

(1) The commissioner shall promulgate administrative regulations pursuant to KRS Chapter 13A:

(a) Establishing the form and content of a statement for services;

(b) Specifying the manner in which the employee may designate and change the designation of physicians;

(c) Requiring selection of gatekeeper physicians;

(d) Requiring reports from providers on the condition of the employee; and

(e) Establishing procedures by which disputes relative to the necessity, effectiveness, frequency, and cost of medical services shall be resolved.

(2) Pending the effective date of administrative regulations promulgated by the commissioner, all administrative regulations heretofore promulgated by the Workers' Compensation Board pertaining to these matters shall remain in effect, it being determined that those administrative regulations are within the statutory grant of authority, meet legislative intent, and are not in conflict with the provisions of this chapter.

Section 21. KRS 342.735 is amended to read as follows:

The ***commissioner*** [~~board~~] shall ***promulgate administrative*** [~~establish rules and~~] regulations to expedite the payment of temporary total disability and medical expense benefits. ***The commissioner may promulgate administrative regulations incorporating managed care intended to reduce costs or to speed the delivery or payment of medical services to employees receiving medical and related benefits under this chapter. The commissioner shall promulgate administrative regulations pursuant to KRS Chapter 13A establishing an expedited method for resolving medical issues prior to the filing of a claim with the Department of Workers' Claims. The administrative regulations shall permit an employee or other interested party, prior to the filing of a claim, to request a determination by an administrative law judge on medical issues relating to the reasonableness or appropriateness of the proposed medical care or relating to the obligation of the employer or the employer's insurance carrier to make payment of contested medical bills. However, the employee has the burden of proof to show the medical expenses are related to the injury, reasonable and necessary prior to an application of benefits being filed and before an award or order of benefits. Thereafter, the burden is upon the employer. The respondent to the moving party shall be given ten (10) days to answer a request for an expedited determination of medical issues, and the administrative law judge shall issue a ruling within seven (7) days thereafter. The interested parties shall be provided a form to provide to the medical care provider and the completed form filed with the department and served upon the respondent shall initiate the time for response and determination.***

Section 22. KRS 342.710 is amended to read as follows:

(1) One of the primary purposes of this chapter shall be restoration of the injured employee to gainful employment***, and preference shall be given to returning the employee to employment with the same employer or to the same or similar employment***.

(2) The ***commissioner*** [~~board~~] shall continuously study the problems of rehabilitation, both physical and vocational, and shall investigate and maintain a directory of all rehabilitation facilities, both private and public. [~~The board shall approve as qualified such facilities, institutions, and physicians as are capable of rendering competent rehabilitation service to seriously injured employees. No facility or institution shall be considered as qualified unless it is specifically equipped to provide rehabilitation services for persons suffering either from some specialized type of disability or general type of disability within the field of occupational injury and is staffed with trained and qualified personnel, and with respect to physical rehabilitation, unless it is supervised by a physician qualified to render such service. No physician shall be considered qualified unless he has had the experience and training specified by the board.~~]

(3) An employee who has suffered an injury covered by this chapter shall be entitled to prompt medical rehabilitation services for whatever period of time is necessary to accomplish physical rehabilitation goals which are feasible, practical, and justifiable. When as a result of the injury he is unable to perform work for which he has previous training or experience, he shall be entitled to such vocational rehabilitation services, including retraining and job placement, as may be reasonably necessary to restore him to suitable employment. In all such instances, the administrative law judge shall inquire whether such services have been voluntarily offered and accepted. The administrative law judge on his own motion, or upon application of any party or carrier, after affording the parties an opportunity to be heard, may refer the employee to a qualified physician or facility for evaluation of the practicability of, need for, and kind of service, treatment, or training necessary and appropriate to render him fit for a remunerative occupation. Upon receipt of such report, the administrative law judge may order that the services and treatment recommended in the report, or such other rehabilitation treatment or service ***likely to return the employee to suitable, gainful employment*** [~~the administrative law judge may deem necessary~~], be provided at the expense of the employer or his insurance carrier. Vocational rehabilitation training, treatment, or service shall not extend for a period of more than fifty-two (52) weeks, except in unusual cases when by special order of the administrative law judge, after hearing and upon a finding, determined by sound medical evidence which indicates such further rehabilitation is feasible, practical, and justifiable, the period may be extended for additional periods.

(4) Where rehabilitation requires residence at or near the facility or institution, away from the employee's customary residence, reasonable cost of his board, lodging, or travel shall be paid for by the employer or his insurance carrier.

(5) Refusal to accept rehabilitation pursuant to an order of an administrative law judge shall result in a fifty percent (50%) loss of compensation for each week of the period of refusal.

(6) The ***commissioner*** [~~board~~] shall cooperate on a reciprocal basis with the Kentucky Office of Rehabilitation of the Department of Education and the Department of Employment Services of the Kentucky Cabinet for Human Resources. In the event medical treatment, medical rehabilitation services, or vocational rehabilitation services are purchased for an injured employee by the Office of Vocational Rehabilitation or Department for Employment Services following the refusal by the employer or his insurance carrier to provide such services, the administrative law judge, after affording the parties an opportunity to be heard, may order reimbursement of the cost of such treatment or services by the employer or his insurance carrier as apportioned in the award. ***This section shall not be interpreted to require mandatory evaluation of employees based on length of disability. Any administrative regulations promulgated pursuant to this section that require mandatory referral to a qualified rehabilitation counselor shall expire on the effective date of this section.***

(7) ***Prior to an order from an administrative law judge, the provisions of this section shall not be mandatory*** [~~The board shall, by July 1, 1988, promulgate administrative regulations to effectuate the provisions of this section. The administrative regulations shall ensure early intervention; prompt and cost efficient delivery of rehabilitation services; and vigorous monitoring of qualified rehabilitation providers, facilities, and agencies~~].

PART 6

TWENTY-FOUR HOUR COVERAGE

SECTION 23. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

(1) The commissioner may establish one (1) or more pilot programs for interested employers of integrated management of an employer's workers' compensation and group health insurance claims by an insurer authorized to do business in the Commonwealth and may promulgate any administrative regulations necessary to implement the provisions of this subsection. The integrated management of such claims shall in no event affect any benefits, rights, or coverage established pursuant to a workers' compensation insurance policy. Treatment for work-related conditions shall not be subject to either copayments or deductibles. The commissioner shall make a report comparing the results of each pilot program to the expected results under traditional workers' compensation insurance and traditional workers' compensation with a managed care program. The pilot program shall serve as a tentative model for future experiments. Unless continued or modified by law, this subsection shall expire effective September 1, 1998.

(2) No policy for twenty-four (24) hour coverage shall become effective until it is reviewed and approved by the commissioner, in consultation with the commissioner of the Department of Insurance.

(3) The purchase of a twenty-four (24) hour health policy shall not constitute an exemption from statutory provisions which require other nonmedical insurance coverage. However, an insurance carrier shall reduce its premium for insurance coverage written without the medical or health care component. Notwithstanding the provisions of Subtitle 13 of KRS Chapter 304, the premium reduction required in this subsection shall be subject to the approval of the commissioner of the Department of Insurance.

(4) If an employer obtains a twenty-four (24) hour health insurance policy, pursuant to this section, to secure payment of compensation for medical care and treatment under this chapter, the employer shall also procure an insurance policy which shall provide indemnity benefits to ensure that the total coverage afforded by both the twenty-four (24) hour insurance policy and the policy providing indemnity benefits, shall provide the total compensation required by this chapter.

(5) The participants in a pilot project for twenty-four (24) hour health coverage shall comply with periodic reporting requirements of the commission.

(6) Each agency of state government shall cooperate with the commissioner if requested to provide information for the purposes of this section.

Section 24. KRS 342.375 is amended to read as follows:

Every policy or contract of workers' compensation insurance under this chapter, issued or delivered in this state, shall cover the entire liability of the employer for compensation to every one of his employees subject to this chapter, except as otherwise provided in KRS 342.345 ***or in Section 23 of this Act***. However, if specifically authorized by the commissioner, a separate insurance policy may be issued for a specified plant or work location if the liability of ***the*** [~~such~~] employer under this chapter to all his other employees subject to this chapter is otherwise secured and provided that no employee transferred from one plant or work location to another within the employment of the same employer shall thereby lose any benefit rights accumulated under the average weekly wage concept.

PART 7

PERMANENT PARTIAL DISABILITY, RIB, TELEDYNE, AND REOPENING

Section 25. KRS 342.730 is amended to read as follows:

(1) Except as provided in KRS 342.732, income benefits for disability shall be paid to the employee as follows:

(a) For total disability ***due to a work-related injury or occupational disease***, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined in KRS 342.740 during ***that*** [~~such~~] disability. ***Nonwork-related disability shall not be considered in determining whether the employee is totally disabled for purposes of this subsection.***

(b) For permanent, partial disability, ***where an employee returns to work at a wage equal to or greater than the employee's preinjury wage,*** sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740, multiplied by his percentage of disability caused by the injury or occupational disease as determined by "Guides to the Evaluation of Permanent Impairment," American Medical Association, latest edition available, [~~or by his percentage of disability as determined under KRS 342.0011(11), whichever is greater,~~] for a maximum period, from the date the disability arises, of four hundred twenty-five (425) weeks***, subject to the provisions of subsection (4) of this section. The period of disability under this paragraph for nonwork-related disabilities shall not extend the maximum period of disability under this paragraph***. Any temporary total disability period within the maximum period for permanent, partial disability benefits shall extend the maximum period but shall not make payable a weekly benefit exceeding that determined in subsection (1)(a) of this section. Notwithstanding any section of this chapter to the contrary, there shall be no minimum weekly income benefit for permanent partial disability and medical benefits shall be paid for the duration of the disability.

(c) For permanent, partial disability, except all cases described in subsection (1)(b) of this section, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740, multiplied by his percentage of disability caused by the injury or occupational disease as determined by the "Guides to the Evaluation of Permanent Impairment," American Medical Association, latest edition available, or under KRS 342.0011(11), whichever is greater, for a maximum period from the date the disability arises, of four hundred twenty-five (425) weeks, subject, however, to the provisions of subsection (4) of this section. The period of disability under this paragraph for nonwork-related disabilities shall not extend the maximum period of disability under this paragraph. Any temporary total disability period within the maximum period for permanent, partial disability benefits shall extend the maximum period but shall not make payable a weekly benefit exceeding that determined in subsection (1)(a) of this section. Notwithstanding any section of this chapter to the contrary, there shall be no minimum weekly income benefit for permanent partial disability and medical benefits shall be paid for the duration of the disability.

(2) The period of any income benefits payable under this section on account of any injury shall be reduced by the period of income benefits paid or payable under this chapter on account of a prior injury if income benefits in both cases are for disability of the same member or function, or different parts of the same member or function, and the income benefits payable on account of the subsequent disability in whole or in part would duplicate the income benefits payable on account of the pre-existing disability.

(3) ***Subject to the limitations contained in subsection (4) of this section,*** when an employee, who has sustained disability compensable under this chapter, and who has filed, or could have timely filed, a valid claim in his lifetime, dies from causes other than the injury before the expiration of the compensable period specified, portions of the income benefits specified and unpaid at the individual's death, whether or not accrued or due at his death, shall be paid, under an award made before or after ***the*** [~~such~~] death, for the period specified in this section, to and for the benefit of the persons within the classes at the time of death and in the proportions and upon the conditions specified in this section and in the order named:

(a) To the widow or widower, if there is no child under the age of eighteen (18) or incapable of self-support, benefits at fifty percent (50%) of the rate specified in the award; or

(b) If there are both [~~such~~] a widow or widower and such a child or children, to ***the*** [~~such~~] widow or widower, forty-five percent (45%) of the benefits specified in the award, or forty percent (40%) of ***those*** [~~such~~] benefits if such a child or children are not living with the widow or widower; and, in addition thereto, fifteen percent (15%) of the benefits specified in the award to each child. Where there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided among all the children, share and share alike; or

(c) If there is no [~~such~~] widow or widower but such a child or children, then to ***the*** [~~such~~] child or children, fifty percent (50%) of the benefits specified in the award to one (1) child, and fifteen percent (15%) of ***those*** [~~such~~] benefits to a second child, to be shared equally. If there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided equally among all the children; or

(d) If there is no survivor in the above classes, then the parent or parents wholly or partly actually dependent for support upon the decedent, or to other wholly or partly actually dependent relatives listed in paragraph (g) of subsection (1) of KRS 342.750, or to both, in [~~such~~] proportions ***that*** [~~as~~] the ***commissioner provides*** [~~board may provide~~] by ***administrative*** regulation.

(e) To the widow or widower upon remarriage, up to two (2) years, benefits as specified in the award and proportioned under paragraphs (a) or (b) of this subsection, if ***the*** [~~such~~] proportioned benefits remain unpaid, to be paid in a lump sum.

(4) If the injury or last exposure occurs prior to the employee's sixty-fifth birthday, any income benefits awarded under KRS 342.750, 342.316, 342.730 or 342.732 shall be reduced by ten percent (10%) beginning at age sixty-five (65); ten percent (10%) at age sixty-six (66); and an additional twenty percent (20%) each year thereafter until age seventy (70). However, if the injury or last exposure occurs at or after age sixty-five (65) but before age sixty-eight (68), income benefits shall be payable to the employee as awarded for two (2) years and thereafter the employee shall receive benefits as though the award had been made prior to age sixty-five (65) with the benefits continuing until age seventy (70). Income benefits shall be paid only until the employee's seventieth birthday, unless the injury or last exposure occurs on or after the employee's sixty-eighth birthday, in which event income benefits shall be payable as awarded for two (2) years without the reduction provided for by this subsection.

Section 26. KRS 342.732 is amended to read as follows:

(1) Notwithstanding any other provision of this chapter, income benefits and retraining incentive benefits for occupational pneumoconiosis resulting from exposure to coal dust shall be paid as follows:

(a) If the administrative law judge finds that an employee has a radiographic classification of category 1/0, 1/1, or 1/2, based on the latest ILO International Classification of Radiographics, resulting from exposure to coal dust, which is validated by two (2) X-rays and reports of the X-rays which conform to the standards for X-rays contained in subsection (2) of KRS 342.316, he shall award a one (1) time only retraining incentive benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740, multiplied by fifty percent (50%) and shall be payable for a period not to exceed two hundred and eight (208) weeks. ***These benefits shall be paid directly to the employee only if the employee is not working in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a), in which event the one (1) time only retraining incentive benefit awarded under this paragraph may be collected semimonthly as provided in KRS 342.040. In no event shall the benefit be paid to the employee while the employee is working in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a)*** [~~The one (1) time only retraining incentive benefit awarded under this paragraph may be collected semimonthly as provided in KRS 342.040, by the employee while he continues to work in the mining industry. The retraining incentive benefit may be collected in a lump sum when the employee leaves his hazardous employment in the mining industry if the parties agree and the agreement is approved by the administrative law judge. Based upon this examination, the administrative law judge may make appropriate findings and enter an award if indicated~~].

(b) If the administrative law judge finds that an employee has a radiographic classification of category 1/0, 1/1, [~~or~~] 1/2, ***2/1, 2/2, or 2/3,*** based on the latest ILO International Classification of Radiographics, and respiratory impairment resulting from exposure to coal dust as evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values contained in the chapter on the respiratory system of the latest edition available of the guides to the evaluation of permanent impairment published by the American Medical Association, there shall be an irrebuttable presumption that the employee has an occupational disability rating of seventy-five percent (75%) resulting from exposure to coal dust and the administrative law judge shall award an income benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage multiplied by the disability rating of seventy-five (75%) but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740. The award shall be payable for a period not to exceed four hundred and twenty-five (425) weeks***, but in no event shall a claim be filed under this subsection while the employee continues to work in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a)***.

(c) If the administrative law judge finds that an employee has a radiographic classification of category 1/0, 1/1, [~~or~~] 1/2, ***2/1, 2/2, or 2/3,*** based on the latest ILO International Classification of Radiographics, and respiratory impairment as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values contained in the chapter on the respiratory system of the latest edition available of the Guides to the Evaluation of Permanent Impairment published by the American Medical Association, there shall be an irrebuttable presumption that the employee is totally disabled resulting from exposure to coal dust and the administrative law judge shall award income benefits which shall be equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined by KRS 342.740. Income benefits awarded under this paragraph shall be payable to the employee during ***the*** [~~such~~] disability***, but in no event shall a claim be filed under this subsection while the employee continues to work in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a)***.

(d) If the administrative law judge finds that an employee has occupational pneumoconiosis with a radiographic classification of category [~~2/1, 2/2, 2/3,~~] 3/2, 3/3, or progressive massive fibrosis, based on the latest ILO International Classification of Radiographics, there shall be an irrebuttable presumption that the employee is totally disabled resulting from exposure to coal dust and the administrative law judge shall award income benefits equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the average weekly wage of the state as determined by KRS 342.740. Income benefits awarded under this paragraph shall be payable to the employee during such disability***, but in no event shall a claim be filed under this subsection while the employee continues to work in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a)***.

(2) The presence of respiratory impairment resulting from exposure to coal dust shall be established by using the largest forced vital capacity (FVC) value or the largest forced expiratory volume in one second (FEV1) value determined from the totality of all such spirometric testing performed in compliance with accepted medical standards.

(3) When valid spirometric tests are not provided and a physician certifies to the administrative law judge that spirometric testing is not medically indicated because of the permanent physical condition of the employee, the administrative law judge shall make his decision on the basis of evidence admitted which establishes the existence of a diagnosis of occupational pneumoconiosis and respiratory impairment due to ***the*** [~~such~~] occupational pneumoconiosis. The evidence submitted by the employee shall include one (1) or more arterial blood gas studies performed in accordance with accepted medical standards. Income benefits shall not be awarded in the absence of valid spirometric tests if the claimant's PO2 arterial blood gas value is equal to or higher than one (1) standard deviation from the normal value obtained by the formula (103.5 - 0.42X), where X equals the claimant's age at the time of the arterial blood gas study.

(4) In no event shall income benefits awarded under paragraphs (a) or (b) of subsection (1) of this section be stacked or added to income benefits awarded under KRS 342.730 to extend the period of disability.

Section 27. KRS 342.125 is amended to read as follows:

(1) ***(a) In claims where an award or order is entered pursuant to KRS 342.730(1)(a) or (1)(b), and*** upon its own motion or upon the application of any party and a showing of change of occupational disability, mistake or fraud***,*** or newly***-***discovered evidence, the administrative law judge may at any time reopen and review any award or order, except as provided in subsection (2) of this section, ending, diminishing***,*** or increasing the compensation previously awarded, within the maximum and minimum provided in this chapter, or change or revoke his previous order, sending immediately to the parties a copy of his subsequent order or award. ***Any final award increasing or diminishing benefits shall require a showing of a change in occupational disability.***

(b) In claims where an award or order is entered pursuant to KRS 342.730(1)(c), and upon its own motion or upon the application of any party and a showing of change of physical and medical condition, mistake, or fraud, or newly-discovered evidence, the administrative law judge may at any time reopen and review any award or order, except as provided in subsection (2) of this section, ending, diminishing, or increasing the compensation previously awarded, within the maximum and minimum provided in this chapter or the administrative law judge may change or revoke his previous order, sending immediately to the parties a copy of his subsequent order or award. Any final award increasing or diminishing benefits shall require a showing of a change in occupational disability.

(c) Reopening and review under this section shall be had upon notice to the parties and in the same manner as provided for an initial proceeding hereunder but shall not affect the previous order or award as to any sums already paid thereunder. The employer shall not suspend the payment of benefits during the pendency of any reopening procedures. ***Review shall be made only if the motion is filed during the compensable period for which an award or settlement had been made. A lump-sum settlement shall not reduce the period of time for reopening. If a claim is reopened during the initial compensable period for permanent partial disability and an increase is awarded, the benefit period shall not extend beyond the maximum period of four hundred twenty-five (425) weeks unless it is determined that the employee is totally disabled.***

(2) (a) Upon the application of the affected employee, and a showing of progression of his previously diagnosed occupational pneumoconiosis resulting from exposure to coal dust and development of respiratory impairment due to ***that*** [~~such~~] pneumoconiosis, the administrative law judge may review an award of a retraining incentive benefit because of ***the*** [~~such~~] diagnosis, and upon a finding of respiratory impairment due to ***that*** [~~such~~] pneumoconiosis shall make an award for benefits as provided in KRS 342.732. Such a reopening may also occur upon a showing of progression of respiratory impairment in a claim for which benefits were previously awarded under the provisions of KRS 342.732. An application for review under this subsection shall be made within one (1) year of the date the employee knew or reasonably should have known that a progression of his disease and development or progression of respiratory impairment have occurred. Review under this subsection shall include a review of all evidence admitted in all prior proceedings.

(b) Benefits awarded as a result of a review under this subsection shall be reduced by the amount of retraining incentive benefits previously awarded and, if applicable, also by the amount of income benefits previously awarded under KRS 342.732. The amount to be deducted shall be subtracted from the total amount awarded, and the remaining amount shall be divided by the number of weeks, for which the award was made, to arrive at the weekly benefit amount which shall be apportioned in accordance with the provisions of KRS 342.316.

(3) Where an agreement has become an award by approval of the administrative law judge, and a reopening and review of ***that*** ~~[such an]~~ award is initiated, no statement contained in the agreement, whether as to jurisdiction, liability of the employer, nature and extent of disability, or as to any other matter, shall be considered by the administrative law judge as an admission against the interests of any party. The parties may raise any issue upon reopening and review of this type of award which could have been considered upon an original application for benefits.

Section 28. KRS 342.750 is amended to read as follows:

If the injury causes death, income benefits shall be payable in the amount and to or for the benefit of the persons following, subject to the maximum limits specified in subsections (3) and (4) of this section:

(1) (a) If there is a widow or widower and no children of the deceased, to such widow or widower 50 percent of the average weekly wage of the deceased, during widowhood or widowerhood.

(b) To the widow or widower, if there is a child or children living with the widow or widower, 45 percent of the average weekly wage of the deceased, or 40 percent, if such child is not or such children are not living with a widow or widower, and in addition thereto, 15 percent for each child. Where there are more than two (2) such children, the indemnity benefits payable on account of such children shall be divided among such children, share and share alike.

(c) Two (2) years' indemnity benefits in one (1) lump sum shall be payable to a widow or widower upon remarriage.

(d) To the children, if there is no widow or widower, 50 percent of such wage for one (1) child, and 15 percent for each additional child, divided among such children, share and share alike.

(e) The income benefits payable on account of any child under this section shall cease when he dies, marries, or reaches the age of eighteen (18), or when a child over such age ceases to be physically or mentally incapable of self-support, or if actually dependent ceases to be actually dependent, or, if enrolled as a full-time student in any accredited educational institution, ceases to be so enrolled or reaches the age of 22. A child who originally qualified as a dependent by virtue of being less than 18 years of age may, upon reaching age 18, continue to qualify if he satisfies the tests of being physically or mentally incapable of self-support, actual dependency, or enrollment in an educational institution.

(f) To each parent, if actually dependent, 25 percent.

(g) To the brothers, sisters, grandparents, and grandchildren, if actually dependent, 25 percent to each such dependent. If there should be more than one (1) of such dependents, the total income benefits payable on account of such dependents shall be divided share and share alike.

(h) The income benefits of each beneficiary under paragraphs (f) and (g) above shall be paid until he, if a parent or grandparent, dies, marries, or ceases to be actually dependent, or, if a brother, sister, or grandchild, dies, marries, or reaches the age of eighteen (18) or if over that age ceases to be physically or mentally incapable of self-support, or ceases to be actually dependent.

(i) A person ceases to be actually dependent when his income from all sources exclusive of workers' compensation income benefits is such that, if it had existed at the time as of which the original determination of actual dependency was made, it would not have supported a finding of dependency. In any event, if the present annual income of an actual dependent person including workers' compensation income benefits at any time exceeds the total annual support received by the person from the deceased employee, the workers' compensation benefits shall be reduced so that the total annual income is no greater than such amount of annual support received from the deceased employee. In all cases, a person found to be actually dependent shall be presumed to be no longer actually dependent three (3) years after each time as of which the person was found to be actually dependent. This presumption may be overcome by proof of continued actual dependency as defined in this subsection, but full payments shall not be suspended during the pendency of any proceeding to determine dependency.

(2) Upon the cessation of income benefits under this section to or on account of any person, the income benefits of the remaining persons entitled to income benefits for the unexpired part of the period during which their income benefits are payable shall be that which such persons would have received if they had been the only persons entitled to income benefits at the time of the decedent's death.

(3) For the purposes of this section, the average weekly wage of the employee shall be taken as not more than the average weekly wage of the state as determined in KRS 342.740. In no case shall the aggregate weekly income benefits payable to all beneficiaries under this section exceed the maximum income benefit that was or would have been payable for total disability to the deceased, including benefits to his dependents.

(4) The maximum weekly income benefits payable for all beneficiaries in case of death shall not exceed 75 percent of the average weekly wage of the deceased as calculated under KRS 342.140, subject to the maximum limits in subsection (3) above. The maximum aggregate limitation shall not operate in case of payment of two (2) years' income benefits to the widow or widower upon remarriage as provided under paragraph (c) of subsection (1) of this section, to prevent the immediate recalculation and payments of benefits to the remaining beneficiaries as provided under subsection (2) of this section, but the weekly income benefits as to such remaining beneficiaries shall not exceed the weekly income benefit that was or would have been payable for total disability to the deceased. The classes of beneficiaries specified in

paragraphs (a), (b), and (d) of subsection (1) shall have priority over all other beneficiaries in the apportionment of income benefits. If the provisions of this subsection should prevent payment to other beneficiaries of the income benefits to the full extent otherwise provided for by this section, the gross remaining amount of income benefits payable to such other beneficiaries shall be apportioned by class, proportionate to the interest of each class in the remaining amount. Parents shall be considered to be in one class and those specified in paragraph (f) of subsection (1) in another class.

(5) All relations of dependency referred to in this section shall mean dependency existing at the time of the accident to the employee or at the time his disability from an occupational disease began.

(6) If death occurs as a direct result of a work related injury, and the deceased has no statutory dependents, as determined by this section, a lump-sum payment of $10,000 shall be paid to his estate, in addition to the amount provided for in KRS 342.720; provided, however, that the lump-sum payment shall be reduced by any income benefits previously paid on account of that injury.

(7) All benefits awarded pursuant to this section shall be subject to the limitations contained in KRS 342.730(4).

Section 29. KRS 342.143 is amended to read as follows:

For the purposes of this chapter the average weekly wage of the state shall be determined by the commissioner as follows: On or before September 1 of each year, the total wages reported by subject employers under the Kentucky Unemployment Insurance Law for the preceding calendar year shall be divided by the average monthly number of insured workers (determined by dividing the total number of insured workers reported for the preceding year by twelve (12)). The average annual wage thus obtained shall be divided by fifty-two (52) and the average weekly wage thus determined rounded to the nearest cent. ***The*** [~~Such~~] average weekly wage shall be certified to the commissioner by the Cabinet for Human Resources in a manner prescribed by the ***commissioner*** [~~Workers' Compensation Board~~] by ***administrative*** regulation. The average weekly wage as so determined shall be applicable for the full period during which income or death benefits are payable, when the date of occurrence of injury or of disability in the case of disease, or of death, falls within the calendar year commencing January 1 following the September 1 determination. Whenever a change in the average weekly wage of the state is of such amount that the minimum weekly income benefits for total disability or for death are increased or decreased by one dollar ($1) or more, or the maximum weekly income benefits for total disability or for death are increased or decreased by two dollars ($2) or more, computed in each case and rounded to the nearest dollar, an adjustment in those minimums or maximums which are affected in the requisite amount by the change in the average weekly wage of the state shall be made which will reflect this increase or decrease, but no change in such limitations shall otherwise be made. ***Notwithstanding the provisions of this section, KRS 342.740, 342.140, or any other provision of this chapter, the average weekly wage for calendar years 1995 and 1996 shall be determined to be no higher than the average weekly wage determined to be in effect in the calendar year of 1994. If the average weekly wage is determined to be lower than the 1994 calendar year wage, the average weekly wage may be lowered as provided by this section. Beginning in calendar year 1997 and annually thereafter, the average weekly wage shall be calculated based upon the state average weekly wage in effect two (2) years prior to that calculation.***

PART 8

ATTORNEY'S FEES

Section 30. KRS 342.320 is amended to read as follows:

(1) All fees of attorneys and physicians, and all charges of hospitals under this chapter, shall be subject to the approval of the administrative law judge pursuant to the statutes and administrative regulations. In an original claim, no ***attorney's*** [~~attorney~~] fees shall be allowed or approved against any party not represented by ***an*** [~~said~~] attorney, nor shall any ***attorney's*** [~~attorney~~] fee be allowed or approved exceeding an amount equal to twenty percent (20%) of the first twenty-five thousand dollars ($25,000), fifteen percent (15%) of the next ten thousand dollars ($10,000)***,*** and five percent (5%) of the remainder of the amount recovered***, except where applicable in the case of death and then by the use of*** [~~as actuarially determined on past and future benefits according to the life expectancies contained in the overall male or female mortality tables in the most recent available edition of the U.S. Decennial Life Tables and~~] the Remarriage Tables of the Dutch Royal Insurance Institute. ***However, in no event shall the attorney's fee exceed ten thousand dollars ($10,000).*** [~~If the most recent edition of the U.S. Decennial Life Tables includes Kentucky tables, those tables shall be used. If it does not, the national tables shall be used. Provided, however,~~] The administrative law judge, in making an allowance of ***attorney's*** [~~attorney~~] fees, shall in each case examine the record to ascertain the extent of the services rendered, and fix a reasonable fee for the services rendered, not to exceed the maximum authorized by this section. The factors to be considered by the administrative law judge in making the allowance of ***an attorney's*** [~~attorney~~] fees shall include, but not necessarily be limited to: nature, scope, and quality of the attorney's services; level of skill and competence required of the attorney in rendering the services; results achieved; experience and skill level of the attorney; and contingent nature of the case. [~~In the order making the allowance of attorney fees, the administrative law judge shall set forth findings sufficient to support the amount approved.~~] The administrative law judge may reduce the attorney's fee to an amount commensurate with the services performed, or may deny or reduce an attorney's fee upon proof of solicitation of employment. Any award made to a claimant in a nonresisted claim as established under the provisions of KRS 342.316 shall result in an award of an ***attorney's*** [~~attorney~~] fee not exceeding seven hundred fifty dollars ($750).

(2) ***(a)*** No attorney's fee in any case involving benefits under this chapter shall be paid until the fee is approved by the

administrative law judge, and any contract for the payment of attorney's fees otherwise than as provided in this section shall be void. The motion for approval of an ***attorney's*** [~~attorney~~] fee shall be submitted within thirty (30) days following finality of the last appealable order of the administrative law judge. The ***attorney's*** [~~attorney~~] fee shall be paid in one (1) of the following ways:

[~~(a) The entire attorney's fee in a lump sum shall be paid directly to the attorney of record and the administrative law judge shall order the payment of same, commuting sufficient of the final payments of compensation payable under the award to a lump sum for that purpose; or~~]

1.(b) The claimant may pay the attorney's fee out of his personal funds ***or from the proceeds of a lump-sum settlement***; or

2.[~~(c)~~] The administrative law judge, upon request of the claimant, may order the payment of the attorney's fee in a lump sum directly to the attorney of record and deduct the attorney's fee from the weekly benefits payable to the claimant in equal installments over the duration of the award or until the attorney's fee has been paid***, commuting sufficient sums to pay the fee***.

(3) The attorney shall explain to the claimant the methods by which this section provides for the payment of the attorney's fee, and the claimant shall select the method in which his attorney's fee[~~,~~] is to be paid. His selection and statement that he fully understands the method to be used shall be submitted ***by his attorney***, on a notarized form signed by the claimant, [~~by his attorney~~] at the time the motion for approval of the attorney's fee is submitted. The ***commissioner*** [~~board~~] shall develop the format and content of the form to be used pursuant to this section. The form to be used shall list on its face all options permitted in this section for the payment of ***an attorney's*** [~~attorney~~] fees and an explanation in nontechnical language of each method.

(4) The General Assembly declares that by the enactment of subsection (2)(b) of KRS 342.316, it is the legislative intent to encourage settlement and prompt administrative handling of ***those*** [~~such~~] claims and thereby reduce expenses to claimants for compensation under the provisions of KRS 342.316, and the administrative law judge shall give due regard to ***this*** [~~such~~] legislative intent in the handling of uncontested claims and the allowance of attorney's fees therein.

(5) The administrative law judge shall approve any contract between attorney and client if the ***fees are reviewed and approved by the administrative law judge pursuant to subsection (1) of this section and if the*** limits on fees enumerated below are followed:

(a) When the claim is uncontested under the provisions of KRS 342.316, the ***attorney's*** [~~attorney~~] fee shall not exceed an amount equal to seven hundred fifty dollars ($750).

(b) In all other claims, the fee of the attorney shall not exceed the amounts provided in subsection (1) of this section.

(6) (a) In a claim that has been reopened pursuant to the provisions of this chapter, an ***attorney's*** [~~attorney~~] fee may be awarded by the administrative law judge. In awarding the ***attorney's*** [~~attorney~~] fee, the administrative law judge shall consider the factors set forth in subsection (1) of this section.

(b) Thereafter, the administrative law judge shall fix the ***attorney's*** [~~attorney~~] fee. No ***attorney's*** [~~attorney~~] fee shall be allowed or approved against any party not represented by ***that*** [~~said~~] attorney, nor shall any ***attorney's*** [~~attorney~~] fee be allowed or approved exceeding the amounts provided in subsection (1) of this section applicable to any additional amount recovered. If there is no additional amount recovered in a reopened claim, there shall be no ***attorney's*** [~~attorney~~] fee.

PART 9

SPECIAL FUND - SCOPE AND COVERAGE

Section 31. KRS 342.120 is amended to read as follows:

(1) There is created the Division of the Special Fund in the Department of Workplace Standards which shall be responsible for the administration of the legal representation of the fund and the maintenance of records regarding the payment of claims by the fund. The Division of the Special Fund shall be headed by a director appointed by the commissioner, with the prior written approval of the governor pursuant to KRS 12.050. The director shall be responsible for overseeing the administration of the legal representation of the fund and the maintenance of records regarding the payment of claims by the fund.

(2) A claimant may name the special fund as a party in the original application for benefits, or either party shall ***as soon as practicable***, by motion [~~not later than forty-five (45) days prior to the first scheduled prehearing conference~~], unless there is a showing of good cause, request the administrative law judge to and the administrative law judge shall, cause the special fund to be made a party to the proceedings if either or both of the following appears:

(a) The employee is disabled, whether from a compensable injury, occupational disease, pre-existing disease, or otherwise, and has received a subsequent compensable injury by accident, or has developed an occupational disease;

(b) The employee is found to have a dormant nondisabling disease or condition which was aroused or brought into disabling reality by reason of a subsequent compensable injury by accident or an occupational disease.

(3) All motions to join the special fund shall include proper allegations demonstrating the basis for joinder and certification of the fact that a copy of the motion and the entire case file has been forwarded to the special fund at the cost of the movant.

(4) Failure to move for joinder of the special fund within the time limit prescribed by this section, without a showing of good cause, shall bar any recovery against the special fund.

(5) When the special fund has been made a party, the administrative law judge may direct the procedures provided in KRS 342.121.

(6) If it is found that the employee is a person mentioned in paragraphs (a) or (b) of subsection (2) of this section and a subsequent compensable injury or occupational disease has resulted in additional permanent disability so that the degree of disability caused by the combined disabilities is greater than that which would have resulted from the subsequent injury or occupational disease alone, and the employee is entitled to receive compensation on the basis of the combined disabilities, the employer shall be liable for the payment of all income benefits until the benefits paid have reached a percentage of the full income benefits awarded by the administrative law judge which is equal to the percentage of disability which would have resulted from the latter injury or occupational disease had there been no pre-existing disability or dormant, but aroused disease or condition.

(7) The remaining compensation for which such resulting condition would entitle the employee, including any compensation for disability resulting from a dormant disease or condition aroused into disabling reality by the injury or occupational disease, but excluding all compensation which the provisions of this chapter would have afforded on account of prior disabling disease or injury had it been compensated thereunder, shall be paid out of the special fund provided for in KRS 342.122. Such remaining compensation shall be paid directly to the employee under such regulations as the secretary of finance and administration may provide for such purpose.

(8) In making the computation for the apportionment of benefits under this section, the administrative law judge shall determine the amount of the employee's weekly income benefits and apportion the award ***commencing with*** ~~[between]~~ the employer and special fund as follows:

(a) For benefits awarded under ***this chapter*** ~~[KRS 342.730(1)(b)]~~, the portions shall be based on the number of weeks stated therein;

(b) ***In instances where the employer has settled its liability for income benefits and thereafter a determination has been made of the special fund's liability, the special fund portion of the benefit rate shall be paid over the maximum period provided for by statute for that disability, unless otherwise agreed by all parties*** ~~[For all other benefits awarded under this chapter, except retraining incentive benefits awarded pursuant to KRS 342.732, the portions shall be based on the life expectancies contained in the overall male or female mortality tables in the most recent available edition of the U.S. Decennial Life Tables. If the most recent edition of the U.S. Decennial Life Tables includes Kentucky tables, these tables shall be used. If it does not, the national tables shall be used]~~.

Section 32. KRS 342.1202 is amended to read as follows:

(1) An award for income benefits for permanent total or permanent partial disability under this chapter based, in whole or in part, on a pre-existing disease or pre-existing condition of the back, or of the heart shall be apportioned, by the administrative law judge, fifty percent (50%) to the employer and fifty percent (50%) to the special fund. Apportionment required by this section shall not be a cause of appeal.

(2) The special fund's liability for income benefits for all other injury claims shall not exceed fifty percent (50%) of the income benefits awarded for permanent disability. In those injury claims where the administrative law judge determines that the apportionment to the special fund under KRS 342.120 exceeds fifty percent (50%) of the award of permanent disability, that portion of the award exceeding fifty percent (50%) shall be paid by the employer.

PART 10

SPECIAL FUND ASSESSMENTS, KWCFC, AND DEDUCTIBLE POLICIES

Section 33. KRS 342.122 is amended to read as follows:

(1) (a) For the purpose of funding and prefunding the liabilities of the special fund, financing the administration and operation of the Division of Special Fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and, financing the expenditures for all programs in the Labor Cabinet, except the Division of Employment Standards and Mediation and the Office of Labor-Management Relations, as reflected in the enacted budget of the Commonwealth enacted by the General Assembly, a special fund assessment at the rate of sixteen and nine-tenths percent (16.9%) is hereby imposed upon the amount of workers' compensation premiums received on and after January 1, 1990, by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every group of self-insurers operating under the provisions of KRS 342.350(4) and there is hereby imposed on and after January 1, 1990, a special fund assessment at the rate of sixteen and nine-tenths percent (16.9%) against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

(b) In addition to the assessment imposed in paragraph (a) of this subsection, an additional special fund assessment at the rate of forty-seven percent (47%) is hereby imposed upon the amount of workers' compensation premiums received on and after January 1, 1990, by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every group of self-insurers operating under the provisions of KRS 342.350(4), from employers engaged in the severance or processing of coal. Likewise, on and after January 1, 1990, an additional assessment at the rate of forty-seven percent (47%) of premium shall be paid by every employer engaged in the severance or processing of coal who is carrying his own risk.

(c) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on such premiums.

(2) ~~[On November 15, 1991, and]~~ Each November 15, ~~[thereafter,]~~ the funding commission shall determine the amount of premiums reported and assessments imposed in subsection (1) of this section for ***the*** ~~[such]~~ past period as appropriate. If the funding commission determines that the special fund assessment rate imposed to produce seventy million dollars ($70,000,000) or the additional special fund assessment rate imposed to produce forty million dollars ($40,000,000) are likely to produce more or less than seventy million dollars ($70,000,000) or forty million dollars ($40,000,000) during the next annual period, the commission shall, based upon such determination, calculate such adjustments to each rate as shall be necessary to provide seventy million dollars ($70,000,000) and forty million dollars ($40,000,000) respectively, during the next annual period beginning on January 1 of each year. On or before December 1 of each year, the commission shall notify each insurance company writing workers' compensation insurance in the Commonwealth, every group of self-insurers, and each employer carrying his own risk of the adjusted rates which shall become effective on January 1, of each year, unless modified by the General Assembly.

(3) ***(a) Notwithstanding the assessment rates in subsection (1) of this section or the special fund assessment amounts specified in subsection (2) of this section, for calendar year 1995, the funding commission shall impose a special fund assessment rate necessary to produce seventy-eight million, six hundred sixty-two thousand sixty-two dollars ($78,662,062) and an additional assessment rate necessary to produce forty million dollars ($40,000,000).***

(b) For calendar year 1996 the funding commission shall impose a special fund assessment rate necessary to produce eighty-eight million, six thousand two hundred forty-one dollars ($88,006,241) and an additional assessment rate necessary to produce forty million dollars ($40,000,000).

(c) 1. The assessment rate calculated to produce seventy-eight million, six hundred sixty-two thousand sixty-two dollars ($78,662,062) under paragraph (a) of this subsection shall be imposed upon the amount of workers' compensation premiums received on and after January 1, 1995, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

2. In addition to the assessment calculated under subparagraph 1. of this paragraph, the funding commission shall calculate an assessment rate calculated to produce forty million dollars ($40,000,000), pursuant to paragraph (a) of this subsection, which shall be imposed upon the amount of workers' compensation premiums received on and after January 1, 1995, by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every group of self-insurers operating under the provisions of KRS 342.350(4), from employers engaged in the severance or processing of coal, and upon the premium, as defined in KRS 342.0011 of every employer engaged in the severance or processing of coal who is carrying his own risk.

(d) 1. The assessment rate calculated to produce eighty-eight million, six thousand two hundred forty-one dollars ($88,006,241) under paragraph (b) of this subsection shall be imposed upon the amount of workers' compensation premiums received on and after January 1, 1996, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

2. In addition to the assessment calculated under subparagraph 1. of this paragraph, the funding commission shall calculate an assessment rate calculated to produce forty million dollars ($40,000,000), pursuant to paragraph (b) of this subsection which shall be imposed upon the amount of workers' compensation premiums received on and after January 1, 1996 by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every group of self-insurers operating under the provisions of KRS 342.350(4), from employers engaged in the severance or processing of coal, and upon the premiums, as defined in KRS 342.0011 by every employer engaged in the severance or processing of coal who is carrying his own risk.

(e) On or before December 1 of 1994 and 1995, the commission shall notify each insurance carrier writing workers' compensation insurance in the Commonwealth, every group of self-insurers, and each employer carrying his own risk of the special fund assessment rates established in this subsection which shall become effective on January 1, 1995, and January 1, 1996, respectively, unless modified by the General Assembly.

The payment schedules and other matters relating to the payment of the special fund assessments required pursuant to this section shall apply to the assessment rates and amounts required under this subsection.

(f) For calendar year 1997 and for each calendar year thereafter, the assessment rates and amounts contained in the provisions of subsections (1) and (2) of this section shall apply.

All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.

(5)[~~(4)~~] *These* [~~Such~~] assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.

(6)[~~(5)~~] The assessments [~~herein~~] imposed *by this section* may be collected by the insurance carrier from his insured*.*[~~, provided~~] However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, *the* [~~such~~] assessment shall be collected at the same time and in the same proportion as the premium is collected. *The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible.* Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages *imposed by this chapter. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible* [~~in effect at the time the statement of the premium is sent to the insured~~]. *The percentages imposed by this chapter for an insurance policy issued by an insurance company shall be those percentages in effect on the annual effective date of the policy, regardless of the date that the premium is actually received by the insurance company.*

(7) A group self-insurance association may elect to report its premiums and to have its assessments computed in the same manner as insurance companies. This election may not be rescinded for at least ten (10) years, nor may this election be made a second time for at least another ten (10) years.

(8)[~~(6)~~] The funding commission, as part of the collection and auditing of the special fund assessments required *by this section* [~~herein~~], shall annually require each insurance carrier and each group self-insurer to provide a list of employers which it has insured or which are members and the amount collected from each [~~such~~] employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or group self-insurer may require its insureds or members to furnish the SIC code for each of their employees*.*[~~, provided~~] However, the failure of any employer to furnish said codes shall not relieve the insurance carrier or group self-insurer from the obligation to furnish same to the funding commission. The Division of Unemployment Insurance is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.

(9)[~~(7)~~] Each self-insured employer, group self-insurer or insurance carrier shall provide any information and submit any reports the Revenue Cabinet or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.

(10)[~~(8)~~] The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. *The* [~~Such~~] registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.

(11)[~~(9)~~] The fund heretofore designated as the subsequent claim fund is abolished and there is substituted therefor the special fund as [~~herein~~] set out *by this section* and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.

(12)[~~(10)~~] Notwithstanding any other provision of this section or this chapter, or the Kentucky Revised Statutes, generally, the assessment rates for the special fund, as determined *by this section* [~~herein~~], which were in force and effect on January 1, 1990, shall continue in force and effect until December 1, 1991, and the total amount of funds collected pursuant to *the* [~~such~~] assessment rates shall not be limited to the provisions of this section.

Section 34. KRS 342.1221 is amended to read as follows:

Assessments levied pursuant to KRS 342.122 and unpaid on the date on which they are due and payable shall bear interest at the rate specified in KRS 131.183 plus a penalty of one and one-half percent (1.5%) per month *or portion thereof without proration* from the date *on which the* [~~such~~] assessment was due and payable. *The funding commission shall have the authority to waive part or all of the penalty, but not the interest, where it is shown to the satisfaction of the commission that failure to timely pay assessments is due to reasonable cause.*

Section 35. KRS 342.1222 is amended to read as follows:

(1) Every insurance carrier shall be entitled to a refund or credited with assessments paid on all canceled or returned premiums, including dividends paid or credited to policyholders***, if the assessments are returned by the insurance carrier to the policyholder in addition to the canceled or returned premium***.

(2) The assessments paid pursuant to the provisions of this chapter shall be refunded or credited in the manner provided in KRS 134.580, provided that the claim for refund or credit***, with respect to all claims filed on or after July 13, 1990,*** is made by the insurance carrier within ***four (4) years*** ~~[one (1) year]~~ of the ***date the insurance carrier returns the assessments to the employer*** ~~[end of the policy year]~~.

(3) A claim for refund or credit shall be made on a form prescribed by the funding commission and shall contain ***any*** ~~[such]~~ information ***that*** ~~[as]~~ the funding commission may require.

(4) No insurance carrier shall be entitled to a refund or credit of the assessments paid pursuant to the provisions of this chapter where the assessments have been collected from an employer as provided by KRS 342.122, unless the amount of assessments collected from the employer are refunded to him by the insurance carrier who paid the assessments to the funding commission.

PART 11

SELF-INSURANCE

Section 36. KRS 342.340 is amended to read as follows:

(1) Every employer under this chapter shall either insure and keep insured his liability for compensation hereunder in some corporation, association, or organization authorized to transact the business of workers' compensation insurance in this state or shall furnish to the ***commissioner*** ~~[board]~~ satisfactory proof of his financial ability to pay directly the compensation in the amount and manner and when due as provided for in this chapter. In the latter case***,*** the ***commissioner*** ~~[board]~~ shall require the deposit of an acceptable security, indemnity, or bond to secure, to ***the*** ~~[such an]~~ extent ~~[as]~~ the ***commissioner*** ~~[board]~~ directs, the payment of compensation liabilities as they are incurred.

(2) Every employer subject to this chapter shall file, or have filed on its behalf, with the ***department*** ~~[Workers' Compensation Board]~~, as often as may be necessary, evidence of its compliance with the provisions of this section and all others relating hereto. ***Any insurance carrier or group self-insurance association providing workers' compensation insurance coverage for a Kentucky location shall file on behalf of the employer, with the commissioner, evidence of the employer's compliance with this chapter. The filing shall be made within ten (10) days after the issuance of a policy, endorsement to a policy, or similar documentation of coverage.*** Every employer who has complied with the foregoing provision and has subsequently canceled its insurance or its membership in an approved group self-insurance association, as the case may be, shall immediately notify, or have notice given on its behalf to the ***department*** ~~[Workers' Compensation Board]~~ of ***the*** ~~[such]~~ cancellation, the date thereof, and the reasons therefor; and every insurance carrier or group self-insurance association shall in like manner notify the ***commissioner*** ~~[Workers' Compensation Board]~~ upon the cancellation, lapse, termination, expiration by reason of termination of policy period, or nonrenewal of any policy issued by it or termination of any membership agreement, whichever is applicable under the provisions of this chapter, except that the carrier or group self-insurance association need not set forth its reasons therefor unless requested by the ***commissioner*** ~~[Workers' Compensation Board]~~. The above filings are to be made on the forms prescribed by the ***commissioner*** ~~[board]~~. Termination of any policy of insurance issued under the provisions of this chapter shall take effect no greater than ten (10) days prior to the receipt of ***the*** ~~[such]~~ notification by the ***commissioner*** ~~[Workers' Compensation Board]~~ unless the employer has obtained other insurance and the ***commissioner*** ~~[Workers' Compensation Board]~~ is notified of that fact by the insurer assuming the risk. Upon determination that any employer under this chapter has failed to comply with these provisions, the ***commissioner*** ~~[board]~~ shall promptly notify interested government agencies of ***this*** ~~[said]~~ failure and, with particular reference to employers engaged in coal mining, the ***commissioner*** ~~[board]~~ shall promptly report any ~~[such]~~ failures to the Department of Mines and Minerals so that appropriate action may be undertaken pursuant to KRS 351.175.

Section 37. KRS 342.345 is amended to read as follows:

(1) Whenever an employer has complied with the provisions of KRS 342.340 relating to self-insurance, the ***commissioner*** ~~[board]~~ shall issue to ***the*** ~~[such]~~ employer a certificate which shall remain in force for a period fixed by the ***commissioner*** ~~[board]~~. But the ***commissioner*** ~~[board]~~ may, upon at least ***ten (10)*** ~~[sixty (60)]~~ days' notice and a hearing to the employer, revoke ***or suspend*** the certificate upon satisfactory evidence ***that*** ~~[for such]~~ revocation ***or suspension is appropriate*** ~~[having been presented]~~. ***If the commissioner revokes a certificate,*** the ***commissioner*** ~~[board]~~ may thereafter, upon petition of the employer and a hearing, grant a new certificate, but the employer shall not, as a matter of right, be entitled to a hearing for this purpose sooner than six (6) months ***following an order of the commissioner revoking the employer's certificate*** ~~[after a previous revocation of his certificate]~~.

(2) A self-insurer whose certificate to self-insure has been revoked is not relieved of its obligations for compensation to its employees for work-related injuries or occupational diseases that occur during the period of self-insurance. The required security shall be maintained with the commissioner or under the commissioner's control until each claim

for workers' compensation benefits has been paid, been settled, or lapsed under this chapter.

SECTION 38. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

The Kentucky Workers' Compensation Insurance Plan shall be deemed to be a mandated residual market mechanism as defined in KRS 304.13-011(8).

(2) As used in Sections 39 to 46 of this Act, "plan" means the Kentucky Workers' Compensation Insurance Plan referenced in subsection (1) of this section.

SECTION 40. A NEW SECTION OF SUBTITLE 13 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

The commissioner shall prepare a request for proposals and issue invitations for bids pursuant to KRS 45A.365 on contracts providing for at least two (2) but not more than five (5) qualified insurance companies to act as servicing carriers for each year of the plan. The request for proposal shall include establishing and operating a Kentucky office by the plan, loss prevention services, qualified claims administration, auditing, billing and collection procedures, and a fee for the supervision of the plan by the commissioner. The plan shall employ a qualified advisory organization as administrator of the plan.

SECTION 41. A NEW SECTION OF SUBTITLE 13 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The commissioner shall review filings by the plan within thirty (30) days of the time the filing was made. Each filing shall be on file for a waiting period of thirty (30) days before it becomes effective, which period may be extended by the commissioner for an additional period not to exceed thirty (30) days if he gives written notice within the waiting period to the administrator of the plan that additional time is needed for consideration of the filing.

(2) The commissioner may, when he deems it to be in the public interest, hold a public hearing not later than sixty (60) days after the filing was made to determine whether the filing is excessive, inadequate, or unfairly discriminatory. In the event a hearing is held under the provisions of this subsection, the filing shall become effective thirty (30) days after the hearing unless disapproved by the commissioner pursuant to subsection (3) of this section.

(3) The commissioner shall disapprove a rate filing in whole or in part only if the commissioner demonstrates that the rate filing is excessive, inadequate, or unfairly discriminatory. (1) Fraudulent; or

(2) Material either to the acceptance of the risk, or to the hazard assumed by the insurer; or

(3) The insurer in good faith would either not have issued the policy or contract, or would not have issued it at the same premium rate, or would not have issued a policy or contract in as large an amount, or would not have provided coverage with respect to the hazard resulting in the loss, if the true facts had been made known to the insurer as required either by the application for the policy or contract or otherwise. ***This subsection shall not apply to applications taken for workers' compensation insurance coverage.***

(1) Every employer, or its designated agent, which is assigned an experience modification factor for workers' compensation in order to determine its workers compensation premium shall be furnished upon request without charge a complete copy of the data and calculations of the experience modification by the insurance company or any entity to which the insurance company may delegate the duty of calculating and promulgating the experience modification or, if applicable, by any self-insurance group of which the employer is a member.

(2) Experience modification shall be based upon all payrolls and claims experience for the applicable period regardless of whether the employer was insured by an insurance company, was a member of a self-insurance group, or was a member of the Kentucky Workers' Compensation Assigned Risk Plan for part or all of the period.

Section 52. KRS 342.012 is amended to read as follows:

(1) For the purposes of this chapter, an owner or owners of a business, including qualified partners of a partnership owning a business, whether or not employing any other person to perform a service for hire, shall be included within the meaning of the term employee if ***the*** [~~such~~] owner, owners, or qualified partners elect to come under the provisions of this chapter and provide the insurance required thereunder. Nothing in this section shall be construed to limit the responsibilities of ***the*** [~~such~~] owners or partners to provide coverage for their employees and nonqualified partners, if any, required under this chapter.

(2) When an owner, owners, or qualified partners have elected to be included as employees, ***this inclusion*** [~~such~~] shall be accomplished by the issuance of an appropriate endorsement to a workers' compensation insurance policy.

(3) For the purpose of this section, "qualified partner" means a partner who has entered into a meaningful partnership agreement which shows on its face that the partner will substantially participate in the profit or loss of the business engaged in by the partnership and that the partner has made some contribution to the partnership which entitles him to participate in the profits of the business as well as to participate in the decision-making process of the partnership.

(4) For the purposes of this section, "nonqualified partner" means a person who has entered into a partnership agreement which shows on its face that this person will receive regular payments in exchange for work for the business engaged in by the partnership; that the person will not participate in the decision-making of the partnership and will not participate in the profits and losses of the business engaged in by the partnership.

(5) Every partnership filing a partnership agreement for the purpose of exemption pursuant to the provisions of KRS 342.340[~~,~~] shall, on or before April 15 of each year, file with the ***commissioner*** [~~board~~] the partnership identification number assigned to the partnership by the Internal Revenue Service[~~, and shall also file a copy of the tax return of the partnership~~]. ***On or before April 15 of each year, each partnership having an agreement on file with the commissioner shall file a copy of the tax return of the partnership with the commissioner.*** Failure to comply with the provisions of this subsection shall be prima facie evidence that the partnership agreement filed with the ***commissioner*** [~~board~~] is composed of "nonqualified partners" as defined in this section, and the ***commissioner*** [~~board~~] shall promptly

notify interested government agencies of the failure of the filed partnership agreement to ***indicate compliance with*** [~~provide exemption of the partnership from the provisions of~~] KRS 342.340. With particular reference to employers engaged in coal mining, the ***commissioner*** [~~board~~] shall promptly report the failure to comply with the provisions of this subsection to the Department of Mines and Minerals so that appropriate action may be undertaken pursuant to KRS 351.175.

(3) ***Every employer subject to this chapter shall report to his workers' compensation insurance carrier or the party responsible for the payment of workers' compensation benefits any work-related injury or disease or alleged work-related injury or disease within three (3) working days of receiving notification of the incident or alleged incident.***

(4) Every employer or insurer subject to this chapter shall file additional reports covering specifically voluntary payments and settlements, and ***any*** [~~such~~] other reports [~~as~~] are required by the ***commissioner*** [~~Workers' Compensation Board~~] by ***administrative*** regulation for the determination of the promptness of voluntary payment and validity and fairness of agreements. In addition, the ***commissioner*** [~~board~~] may require additional information as may be necessary to comply with a federal statute or regulation or any state statute.

(5)[~~(4)~~] Upon the termination of the disability of the injured employee, or if the disability extends beyond a period of sixty (60) days, then also at the expiration of ***that*** [~~such~~] period***,*** the employer shall make a supplementary report to the ***commissioner*** [~~board~~] on blanks procured from the ***department*** [~~board~~] for the purpose.

Section 54. KRS 342.185 is amended to read as follows:

(1) Except as provided in subsection (2) of this section, no proceeding under this chapter for compensation for an injury or death shall be maintained unless a notice of the accident shall have been given to the employer as soon as practicable after the happening thereof and unless an application for adjustment of claim for compensation with respect to ***the*** [~~such~~] injury shall have been made with the ***department*** [~~board~~] within two (2) years after the date of the accident, or in case of death, within two (2) years after ***the*** [~~such~~] death, whether or not a claim has been made by the employee himself for compensation. ***The*** [~~Such~~] notice and ***the*** [~~such~~] claim may be given or made by any person claiming to be entitled to compensation or by someone in his behalf. If payments of income benefits [~~as such~~] have been made***,*** [~~voluntarily~~] the filing of an application for adjustment of claim with the ***department*** [~~board~~] within ***the*** [~~such~~] period shall not be required, but shall become requisite within two (2) years following the suspension of [~~such voluntary~~] payments or within two (2) years of the date of the accident, whichever is later.

(2) The right to compensation under this chapter resulting from work-related exposure to the human immunodeficiency virus shall be barred unless notice of the injurious exposure is given in accordance with subsection (1) of this section and unless an application for adjustment of claim for compensation shall have been made with the commissioner within five (5) years after the injurious exposure to the virus.

SECTION 55. A NEW SECTION OF SUBTITLE 20 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Any insurer providing workers' compensation insurance coverage for a Kentucky location shall provide proof of coverage to the commissioner of the Department of Workers' Claims in the Labor Cabinet in accordance with Section 36 of this Act.

Section 56. KRS 342.700 is amended to read as follows:

(1) Whenever an injury for which compensation is payable under this chapter has been sustained under circumstances creating in some other person than the employer a legal liability to pay damages, the injured employee may either claim compensation or proceed at law by civil action against ***the*** [~~such~~] other person to recover damages, or proceed both against the employer for compensation and ***the*** [~~such~~] other person to recover damages, but he shall not collect from both. If the injured employee elects to proceed at law by civil action against ***the*** [~~such~~] other person to recover damages, he shall give due and timely notice to the employer ***and the special fund*** of the filing of ***the*** [~~such~~] action. If compensation is awarded under this chapter, the employer, his insurance carrier, the special fund, and the uninsured employer's fund, or any of them, having paid the compensation or having become liable therefor, may recover in his or its own name or that of the injured employee from the other person in whom legal liability for damages exists, not to exceed the indemnity paid and payable to the injured employee, less the employee's legal fees and expense. ***The notice of civil action shall conform in all respects to the requirements of KRS 411.188(2).***

(2) A principal contractor, intermediate, or subcontractor shall be liable for compensation to any employee injured while in the employ of any one (1) of his intermediate or subcontractors and engaged upon the subject matter of the contract, to

the same extent as the immediate employer. Any principal, intermediate, or subcontractor who pays ***the*** [~~such~~] compensation may recover the amount paid from any subordinate contractor through whom he has been rendered liable under this section. Every claim to compensation under this subsection shall in the first instance be presented to and instituted against the immediate employer, but ***the*** [~~such~~] proceedings shall not constitute a waiver of the employee's rights to recover compensation under this chapter from the principal or intermediate contractor nor shall ***the*** [~~such~~] claim be barred by limitations, ***if the*** [~~provided such~~] claim is filed against the principal or intermediate contractor within one (1) year after a final unappealed order has been rendered by an administrative law judge determining that immediate employer has insufficient security to pay the full and maximum benefits that could be determined to be due him under this chapter. The collection of full compensation from one employer shall bar recovery by the employee against any other. But he shall not collect from all a total compensation in excess of the amount for which his immediate employer is liable. This subsection shall apply only in cases where the injury occurred on, in, or about the premises on which the principal contractor has undertaken to execute work or which are under his control otherwise or management.

(3) It shall be considered to be contrary to public policy and unlawful for any owner or employer to require another employer to waive its remedies granted by this section as a condition of receiving a contract or purchase order. Furthermore, in selecting between two (2) or more contractors or suppliers, consideration may not be given by an owner or employer to whether one (1) contractor or supplier voluntarily waives its remedies under this section or offers to accept lesser compensation than another contractor or supplier for such waiver of remedies.

SECTION 57. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

Beginning on January 1, 1995, and pursuant to administrative regulations promulgated under KRS Chapter 13A by the commissioner, each insurance company writing workers' compensation insurance policies in the Commonwealth, every group of self-insurers, and each employer carrying its own risk shall file in the manner directed by the commissioner, detailed claim information contained in the model regulation developed by the National Association of Insurance Commissioners (NAIC) in conjunction with the International Association of Industrial Accident Boards and Commissions (IAIABC).

These additional expenditures shall be financed by funds collected for the special fund pursuant to KRS 342.122.

Section 59. KRS 342.765 is amended to read as follows:

(1) Notwithstanding the provisions of KRS Chapter 342 to the contrary, the office of the Attorney General shall be responsible for the administration of the uninsured employers' fund and shall be charged with the conservation of the assets of the fund. Funds to reimburse the Attorney General's office for expenses incurred in litigation and administration in defense of the uninsured employers' fund shall be transferred upon request of the Attorney General's office and approval by the secretary of the Labor Cabinet.

(2) The office of the Attorney General shall report monthly to the Interim Joint Committee on Appropriations and Revenue***, the Interim Joint Committee on Labor and Industry, and the commissioner*** the amount of the agency fund expenditures in each month for the uninsured employers' fund and the nature of ***these*** [~~such~~] expenditures. ***In addition, the Office of the Attorney General shall report quarterly to the commissioner on the amount of funds recouped from uninsured employers.***

The petition for reconsideration shall clearly set out the errors relied upon with the reasons and argument for reconsideration of the pending award, order, or decision. All other parties shall have ten (10) days thereafter to file a response to the petition. The administrative law judge shall be limited in ***the*** [~~such~~] review to the correction of errors patently appearing upon the face of the award, order, or decision and shall overrule the petition for reconsideration or make ***any*** [~~such~~] correction within ten (10) days after submission. ***The failure to file a petition for reconsideration shall not preclude an appeal on any issue.***

PART 15

GENERAL CONFORMING AMENDMENTS

Section 61. KRS 342.040 is amended to read as follows:

(1) Except as provided in KRS 342.020, no income benefits shall be payable for the first seven (7) days of disability unless disability continues for a period of more than two (2) weeks, in which case income benefits shall be allowed from the first day of disability. All income benefits shall be payable on the regular payday of the employer, commencing with the first regular payday after seven (7) days after the injury or disability resulting from an occupational disease, with interest at the rate of twelve percent (12%) per annum on each installment from the time it is due until paid except that if the administrative law judge determines that a denial, delay, or termination in the payment of income benefits was without

reasonable foundation, the rate of interest shall be eighteen percent (18%) per annum. In no event shall income benefits be instituted later than the ***fifteenth*** [~~15th~~] day after the employer has knowledge of the disability or death. Income benefits shall be due and payable not less often than semimonthly. If the employer should terminate, or fail to make payments when due, the employer shall notify the ***commissioner*** [~~board~~] of ***the*** [~~such~~] termination or failure to make payments and the ***commissioner*** [~~board~~] shall, in writing, advise the employee or known dependent of right to prosecute a claim under this chapter.

(2) If overdue temporary total disability income benefits are recovered in a proceeding brought under this chapter by an attorney for an employee, or paid by the employer after receipt of notice of the attorney's representation, a reasonable attorney's fee for these services may be awarded. The award of attorney's fees shall be paid by the employer if the administrative law judge determines that the denial or delay was without reasonable foundation. No part of the fee for representing the employee in connection with the recovery of overdue temporary total disability benefits withheld without reasonable foundation shall be charged against or deducted from benefits otherwise due the employee.

(3) All retraining incentive benefits awarded pursuant to KRS 342.732 shall be payable on the regular payday of the employer, commencing with the second regular payday after the award of the retraining incentive benefit by the administrative law judge becomes final. (d) The wages were fixed by the day, hour, or by the output of the employee, the average weekly wage shall be the wage most favorable to the employee computed by dividing by thirteen (13) the wages (not including overtime or premium pay) of said employee earned in the employ of the employer in the first, second, third, or fourth period of thirteen (13) consecutive calendar weeks in the fifty-two (52) weeks immediately preceding the injury.

(e) The employee had been in the employ of the employer less than thirteen (13) calendar weeks immediately preceding the injury, his average weekly wage shall be computed under paragraph (d), taking the wages (not including overtime or premium pay) for ***that*** [~~such~~] purpose to be the amount he would have earned had he been so employed by the employer the full thirteen (13) calendar weeks immediately preceding the injury and had worked, when work was available to other employees in a similar occupation ***with the employer at the time of injury***.

(f) The hourly wage has not been fixed or cannot be ascertained, the wage for the purpose of calculating compensation shall be taken to be the usual wage for similar services where ***the*** [~~such~~] services are rendered by paid employees.

(2) In occupations which are exclusively seasonal and therefore cannot be carried on throughout the year, the average weekly wage shall be taken to be one-fiftieth (1/50) of the total wages which the employee has earned from all occupations during the twelve (12) calendar months immediately preceding the injury.

(3) In the case of volunteer firemen, police, and civil defense members or trainees, the income benefits shall be based on the average weekly wage in their regular employment.

(4) If the employee was a minor, apprentice, or trainee when injured, and it is established that under normal conditions his wages should be expected to increase during the period of disability, that fact may be considered in computing his average weekly wage.

(5) When the employee is working under concurrent contracts with two (2) or more employers and the defendant employer has knowledge of ***the*** [~~such~~] employment prior to the injury, his wages from all ***the*** [~~such~~] employers shall be considered as if earned from the employer liable for compensation.

(6) The term "wages" as used in this section and KRS 342.143 means, in addition to money payments for services rendered, the reasonable value of board, rent, housing, lodging, and fuel or similar advantage received from the employer, and gratuities received in the course of employment from others than the employer to the extent ***the*** [~~such~~] gratuities are reported for income tax purposes.

(7) The ***commissioner*** [~~board~~] shall, from time to time, based upon the best available information, determine by ***administrative*** regulation industries which ordinarily do not have a full working day for five (5) days in every week. In ***those*** [~~such~~] industries, compensation shall be computed at the average weekly wage earned by the employee at the time of injury reckoning wages as earned while working full time. "At full time" as used ***in this subsection*** [~~herein~~] means a full working day for five (5) working days in every week regardless of whether the injured employee actually worked all or part of the time.

Section 63. KRS 342.205 is amended to read as follows:

(1) After an injury and so long as compensation is claimed, the employee, if requested by a party or by the administrative law judge, shall submit himself to examination, at a reasonable time and place, to a duly qualified physician or surgeon designated and paid by the requesting party. The employee shall have the right to have a duly qualified physician or surgeon designated and paid by himself present at the examination, but this right shall not deny the requesting party's physician or surgeon the right to examine the injured employee at all reasonable times and under all reasonable conditions.

(2) The party requesting an examination pursuant to subsection (1) of this section shall make arrangements to provide all the cost of the examination. The requesting party shall also prepay the cost of transportation of the employee to and from the examination if public transportation is utilized. If the employee uses his own vehicle to travel to and from the examination, the requesting party shall prepay the employee at the state mileage rate. The requesting party shall also reimburse the employee for the cost of meals, lodging, parking, and toll charges upon proof of same by written voucher. The amounts prepaid or reimbursed by the requesting party, as required ***by this subsection*** [~~herein~~], shall be the same as, and in accordance with, state travel ***administrative*** regulations and standards promulgated and established pursuant to KRS Chapter ***45*** [~~18A~~].

(3) If an employee refuses to submit himself to or in any way obstructs ***the*** [~~such~~] examination, his right to take or prosecute any proceedings under this chapter shall be suspended until the refusal or obstruction ceases. No compensation shall be payable for the period during which the refusal or obstruction continues.

(4) Any employee receiving benefits under this chapter may be required, upon request of any party, to furnish a sworn affirmed statement of earnings and other supporting information the administrative law judge may require.

(5) The ***department*** [~~board~~] shall supply forms for the report.

Section 64. KRS 342.235 is amended to read as follows:

The ***commissioner*** [~~board~~] and [~~its~~] employees or authorized representatives ***of the department*** shall, for traveling necessitated by the discharge of official duties, be reimbursed for transportation actually paid for, not exceeding the regular fare over the most direct route, and meals and lodging actually paid for.

Section 65. KRS 342.240 is amended to read as follows:

The ***department*** [~~board~~] shall maintain its main office in Frankfort, Kentucky, using suitable rooms and offices belonging to this state, and shall be provided necessary office furniture to be paid for by the state. The ***commissioner*** [~~board~~] shall provide necessary supplies, books, [~~and~~] periodicals, and maps and shall provide [~~itself with~~] a seal for the authentication of [~~its~~] orders, awards, or proceedings [~~and those~~] of the administrative law judges, on which shall be inserted the words "***Department of Workers' Claims*** [~~Workers' Compensation Board~~], State of Kentucky, official seal." The board and the administrative law judges may hold sessions at any place within the state where necessary and shall have power to sue or institute legal proceedings in any court of this state, under existing laws as to jurisdiction of actions. Unless consented to by the ***commissioner*** [~~board~~], all actions or proceedings against ***the board*** [~~it~~] or a member in his official capacity, or against an administrative law judge or the commissioner in his official capacity shall be brought in the courts of Franklin County.

Section 66. KRS 342.260 is amended to read as follows:

(1) The ***commissioner*** [~~board~~] shall prepare [~~such~~] administrative regulations as ***he*** [~~it~~] considers necessary to carry on ***the*** [~~its~~] work ***of the department*** and the work of the administrative law judges and may promulgate administrative regulations not inconsistent with this chapter and KRS Chapter 13A for carrying out the provisions of this chapter.

(2) Processes and procedure under this chapter shall be as summary and simple as reasonably possible. The board or any member thereof or any administrative law judge for the purpose of this chapter, may subpoena witnesses, administer or cause to have administered oaths, and examine or cause to have examined ***those*** [~~such~~] parts of the books and records of the parties to a proceeding as relate to questions in dispute.

(3) The sheriff shall serve all subpoenas of the board and administrative law judges and shall receive the same fee as provided by law for like service in civil actions. Each witness who appears in obedience to ***the*** [~~such~~] subpoena of the board or any administrative law judge shall receive for attendance the fees and mileage for witnesses in civil cases in the Circuit Courts.

(4) The Circuit Court shall, on application of the board, any member thereof, or any administrative law judge, enforce by proper proceedings the attendance and testimony of witnesses and the production and examination of books, papers, and records.

Section 67. KRS 342.285 is amended to read as follows:

(1) An award or order of the administrative law judge as provided in KRS 342.275, if petition for reconsideration is not filed as provided for in KRS 342.281, shall be conclusive and binding as to all questions of fact, but either party may in accordance with administrative regulations promulgated by the ***commissioner*** [~~board~~] appeal to the Workers' Compensation Board for the review of ***the*** [~~such~~] order or award.

(2) No new or additional evidence may be introduced before the board except as to the fraud or misconduct of some person engaged in the administration of this chapter and affecting the order, ruling, or award, but the board shall otherwise hear the appeal upon the record as certified by the administrative law judge and shall dispose of the appeal in summary manner. The board shall not substitute its judgment for that of the administrative law judge as to the weight of evidence on questions of fact, its review being limited to determining whether or not:

(a) The administrative law judge acted without or in excess of his powers;

(b) The order, decision, or award was procured by fraud;

(c) The order, decision, or award is not in conformity to the provisions of this chapter;

(d) The order, decision, or award is clearly erroneous on the basis of the reliable, probative, and material evidence contained in the whole record; or

(e) The order, decision, or award is arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion.

(3) Within thirty (30) days from final submission, the board shall enter its decision affirming, modifying, or setting aside the order, decision, or award, or in its discretion remanding the claim to the administrative law judge for further proceedings in conformity with the direction of the board. The board may, before decision and upon a sufficient showing of fact, remand the claim to the administrative law judge.

Section 68. KRS 342.316 is amended to read as follows:

(1) (a) The employer liable for compensation for occupational disease shall be the employer in whose employment the employee was last exposed to the hazard of the occupational disease. During any period in which this section is applicable to a coal mine, an operator who acquired it or substantially all of its assets from a person who was its operator on and after January 1, 1973, shall be liable for, and secure the payment of, the benefits which would have been payable by the prior operator under this section with respect to miners previously employed in the mine if it had not been acquired by such later operator. At the same time, however, this subsection does not relieve the prior operator of any liability under this section. Also, it does not affect whatever rights the later operator might have against the prior operator. Said employer shall have the right to contribution from each previous employer, as determined in an independent civil action, wherein the employee was similarly exposed to the hazard of said occupational disease, in a sum equal to the ratio that each exposure employment time bears to the total exposure employment time, except as otherwise provided in paragraph (a) of subsection (10) of this section; and

(b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later, except that the time of the beginning of retraining incentive benefits awarded under KRS 342.732 shall be the date the award for ***those*** [~~such~~] benefits by the administrative law judge becomes final.

(2) (a) The procedure with respect to the giving of notice and determination of claims in occupational disease cases and the compensation and medical benefits payable for disability or death due to ***the*** [~~such~~] disease shall be the same as in cases of accidental injury or death under the general provisions of this chapter, except that notice of claim shall be given to the employer as soon as practicable after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted ***the*** [~~such~~] disease, or a diagnosis of ***the*** [~~such~~] disease is first communicated to him, whichever shall first occur;

(b) Except as provided in paragraph (d) of this subsection, the procedure with respect to filing of claims shall be as follows:

1. a. The application shall set forth the complete work history of the applicant with a concise description of injurious exposure to a specific occupational disease, together with the name and addresses of the employer or employers with the approximate dates of employment. The application shall also include at least two (2) written medical reports supporting his claim. These medical reports shall be made on the basis of comprehensive clinical examinations performed in accordance with accepted medical standards and shall contain full and complete statements of all examinations performed and the results thereof. The reports shall be made by duly licensed physicians. [~~Within one hundred and eighty (180) days following October 26, 1987,~~] The ***commissioner*** [~~board~~] shall promulgate administrative regulations which prescribe the format of the medical reports required ***by this section*** [~~herein~~] and the manner in which ***the*** [~~such~~] reports shall be completed.

b. For coal-related occupational pneumoconiosis claims, each clinical examination shall include chest X-ray examinations and spirometric tests.

c. For other compensable occupational pneumoconiosis claims, each clinical examination shall include X-ray examinations and appropriate pulmonary function tests.

2. To be admissible, medical evidence offered in any proceeding under this chapter for determining a claim for occupational pneumoconiosis resulting from exposure to coal dust, shall comply with accepted medical standards as follows:

a. Chest X-rays shall be of acceptable quality with respect to exposure and development and shall be indelibly labeled with the date of the X-ray and the name and Social Security number of the claimant. Physicians' reports of X-ray interpretations shall: identify the claimant by name and Social Security number; include the date of the X-ray and the date of the report; classify the X-ray interpretation using the latest ILO Classification and be accompanied by a completed copy of the latest ILO Classification report.

b. Spirometric testing shall be conducted in accordance with the standards recommended in the latest edition available of the guides to the evaluation of permanent impairment published by the American Medical Association and the 1978 ATS epidemiology standardization project. The FVC or the FEV1 values shall represent the largest of such values obtained from three (3) acceptable forced expiratory volume maneuvers as corrected to BTPS (body temperature, ambient pressure and saturated with water vapor at these conditions) and the variance between the two (2) largest acceptable FVC values shall be either less than five percent (5%) of the largest FVC value or less than one hundred (100) milliliters, whichever is greater. The variance between the two (2) largest acceptable FEV1 values shall be either less than five percent (5%) of the largest FEV1 value or less than one hundred (100) milliliters, whichever is greater. Reports of spirometric testing shall include a description by the physician of the procedures utilized in conducting such spirometric testing and a copy of the spirometric chart and tracings from which spirometric values submitted as evidence were taken.

3. The ***commissioner*** [~~board~~] shall promulgate administrative regulations pursuant to KRS Chapter 13A as necessary to effectuate the purposes of subsection (2)(b) of this section. The ***commissioner*** [~~board~~] shall periodically review the applicability of the spirometric test values contained in the latest edition available of the guides to the evaluation of permanent impairment published by the American Medical Association and may by administrative regulation substitute other spirometric test values which are found to be more closely representative of the normal pulmonary function of the coal mining population.

(c) Except as provided in paragraph (d) of this subsection, the procedure with respect to the determination of claims shall be as follows:

1. Immediately upon receipt of said application for adjustment of claim, the commissioner shall notify the affected employer, the special fund and any other interested party of such claim and shall furnish them with a full and complete copy of the claim;

2. Upon receipt of notice of the claim***,*** the employer, the special fund, and any other interested party shall have the right to have the claimant examined by competent medical experts, at their expense, including a reasonable sum for travel. Within thirty (30) days of any such examination, the claimant or his representative shall be furnished a copy of said medical report by the party requesting such report. Also, the employer, the special fund, or any other party to the claim shall have the right to have the claimant evaluated by vocational experts or institutions, at ***the employer's*** [~~their~~] expense, including a reasonable sum for travel. Within thirty (30) days of any ***vocational*** [~~such~~] examination, the claimant or his representative, shall be furnished a copy of ***that*** [~~said~~] vocational report by the party requesting ***that*** [~~such~~] report; and

3. Within sixty (60) days of the receipt of the claim, the employer, the special fund, and any other interested party shall notify the ***commissioner*** [~~board~~] and the claimant whether or not the claim will be resisted. If the claim is not resisted, then an administrative law judge shall within ten (10) days enter an order and award for the claimant. If the claim is resisted, the administrative law judge shall set a date for a prehearing conference and shall notify all parties thereof. In litigated claims the regular procedures prescribed by the ***commissioner*** [~~Workers' Compensation Board~~] shall be followed. Upon request of an interested party and a showing of good cause, the administrative law judge may extend, one (1) time, the time period for filing a notice of resistance as prescribed in this subparagraph, ***but the*** [~~provided said~~] extension shall not exceed thirty (30) days.

(d) For claims filed under subsection (1)(a) of KRS 342.732, the procedure shall be as follows:

1. For retraining incentive benefits under KRS 342.732, the claimant shall file two (2) X-rays and the reports thereof which shall conform to the standard for X-rays contained ***in this subsection*** [~~herein~~].

2. The commissioner shall notify the affected employer of ***the*** [~~such~~] claim and shall furnish him with a full and complete copy of the claim.

3. Within sixty (60) days of the receipt of the claim, the employer shall notify the commissioner and the claimant whether or not the claim will be resisted. If the claim is not resisted, an administrative law judge shall within ten (10) days enter an order and award for the claimant. If the claim is resisted, the administrative law judge shall notify the affected employee thereof. In litigated claims, the regular procedures prescribed by the ***commissioner*** [~~Workers' Compensation Board~~] shall be followed.

(3) (a) The right to compensation under this chapter resulting from an occupational disease shall be forever barred unless a claim is filed with the ***commissioner*** [~~Workers' Compensation Board~~] within three (3) years after the last injurious exposure to the occupational hazard or after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted the disease, whichever shall last occur; and if death results from the occupational disease within ***that*** [~~said~~] period, unless a claim therefor be filed with the ***commissioner*** [~~Workers' Compensation Board~~] within three (3) years after ***the*** [~~such~~] death; ***but*** [~~provided, however,~~] that notice of [~~such~~] claim shall be deemed waived in case of disability or death where the employer, or his insurance carrier, voluntarily makes payment therefor, or, if the incurrence of the disease or the death of the employee and its cause was known to the employer. [~~Provided,~~] However, [~~that~~] the right to compensation for any occupational disease shall be forever barred, unless a claim is filed with the ***commissioner*** [~~Workers' Compensation Board~~] within five (5) years from the last injurious exposure to the occupational hazard, except that, in cases of radiation disease or asbestos-related disease, a claim must be filed within twenty (20) years from the last injurious exposure to the occupational hazard.

(b) Income or retraining incentive benefits for the disease of pneumoconiosis resulting from exposure to coal dust or death therefrom shall not be payable unless the employee has been exposed to the hazards of such pneumoconiosis in the Commonwealth of Kentucky over a continuous period of not less than two (2) years during the ten (10) years immediately preceding the date of his last exposure to such hazard, or for any five (5) of the fifteen (15) years immediately preceding the date of such last exposure.

(4) The amount of compensation payable for disability due to occupational disease or for death from ***the*** [~~such~~] disease, and the time and manner of its payment, shall be as provided for under the general provisions of the Workers' Compensation Act, but***:***

(a) In no event ***shall the payment*** [~~to~~] exceed ***the*** [~~such~~] amounts ***that*** [~~as~~] were in effect at the time of the last injurious exposure***;***[~~, and provided further, that~~]

(b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later***;***[~~,~~] and

(c) [~~provided further, that~~] In case of death where the employee has been awarded compensation or made timely claim within the period provided for in this section, ***and*** an employee has suffered continuous disability to the date of his death occurring at any time within twenty (20) years from the date of disability, his dependents, if any, shall be awarded compensation for his death as provided for under the general provisions of the Workers' Compensation Act and in this section.

(5) If an autopsy has been performed, no testimony relative thereto shall be admitted unless the employer or his representative has available findings and reports of the pathologist or doctor who performed the autopsy examination.

(6) No compensation shall be payable for occupational disease if the employee at the time of entering the employment of the employer by whom compensation would otherwise be payable, falsely represented himself, in writing, as not having been previously disabled, laid off, or compensated in damages or otherwise, because of ***the occupational*** [~~such~~] disease, or failed or omitted truthfully to state to the best of his knowledge, in answer to written inquiry made by the employer, the place, duration***,*** and nature of previous employment, or, to the best of his knowledge, the previous state of his health.

(7) No compensation for death from occupational disease shall be payable to any person whose relationship to the deceased, which, under the provisions of this chapter would give right to compensation, arose, subsequent to the beginning of the first compensable disability, ***except*** [~~save~~] only ***for*** [~~to~~] after-born children of a marriage existing at the beginning of such disability.

(8) Whenever any claimant misconceives his remedy and files an application for adjustment of claim under the general provisions of this chapter and it is subsequently discovered, at any time before the final disposition of ***the*** [~~such~~] cause, that the claim for injury, disability***,*** or death which was the basis for ***his*** [~~such~~] application should properly have been made under the provisions of this section, then the application so filed may be amended in form or substance, or both, to assert a claim for [~~such~~] injury, disability***,*** or death under the provisions of this section, and it shall be deemed to have been so filed as amended on the date of the original filing thereof, and [~~such~~] compensation may be awarded ***that*** [~~as~~] is warranted by the whole evidence pursuant to the provisions of this chapter. When [~~such~~] amendment ***of this type*** is submitted, further or additional evidence may be heard by the administrative law judge when deemed necessary. Nothing this section contains shall be construed to be or permit a waiver of any of the provisions of this chapter with reference to notice of time for filing of a claim, but notice of filing a claim, if given or done, shall be deemed to be a notice of filing of

a claim under provisions of this chapter, if given or done within the time required ***by this subsection*** [~~herein~~].

(9) When an employee has an occupational disease that is covered by this chapter, the employer in whose employment he was last injuriously exposed to the hazard of the disease, and the employer's insurance carrier, if any, at the time of the exposure, shall alone be liable therefor, without right to contribution from any prior employer or insurance carrier, except as otherwise provided ***in this chapter*** [~~herein~~].

(10) (a) Except as provided in paragraph (c) of this subsection, the employer liable for compensation for occupational diseases, other than silicosis or any other compensable pneumoconiosis, which developed to the point of disability only after an exposure of five (5) or more years, or for silicosis and any other compensable pneumoconiosis, shall be the employer in whose employment the employee was last exposed to the hazard of ***that*** [~~such~~] occupational disease. In those cases where disability or death are not conclusively proven to be the result of such last exposure all compensation shall be paid out of the special fund for all claims filed prior to January 1, 1973; and seventy-five percent (75%) shall be paid by the special fund and twenty-five percent (25%) by the employer for all claims filed thereafter. In all other cases of occupational diseases, other than silicosis or any other compensable pneumoconiosis, which developed to the point of disability only after an exposure of five (5) or more years, or for silicosis and any other compensable pneumoconiosis, the compensation for disability or death due to such diseases shall be paid jointly by the employer and the special fund, and the employer shall be liable for sixty percent (60%) of the compensation due and the special fund shall be liable for forty percent (40%) of the compensation due. Provided, however, that when there is a joint award against the carrier or self-insured employer and the special fund under this section, all of the compensation awarded shall be paid pursuant to KRS 342.120 and under such regulations as the ***commissioner*** [~~board~~] may provide for such purpose; and

(b) In all claims for compensation partially payable by the special fund, the Director of the Division of the Special Fund shall be designated as codefendant.

(c) The employer in whose employment the employee was last exposed to the hazard of the disease shall alone be liable for payment of retraining incentive benefits awarded under KRS 342.732.

Section 69. KRS 342.350 is amended to read as follows:

(1) In order to comply with KRS 342.340, groups of employers may form, either among themselves or with employers in other states, mutual insurance associations***,*** or reciprocal or interinsurance exchanges subject to the insurance laws of this state and ***any*** [~~such~~] reasonable conditions and restrictions not inconsistent therewith [~~as may be~~] fixed by the ***commissioner*** [~~board~~]. Membership in ***these*** [~~such~~] mutual insurance associations or reciprocal or interinsurance exchanges so approved, together with evidence of the payment of premiums due, shall be evidence of compliance with KRS 342.340.

(2) The ***commissioner*** [~~board~~] may, except as provided in subsection (3), require any mutual insurance association or reciprocal or interinsurance exchange to purchase an annuity or to effect reinsurance with a company authorized to transact insurance in this state or to make ***a*** [~~such~~] deposit with a bank or trust company of this state ***that*** [~~as~~] shall in either case be approved by the ***commissioner*** [~~board~~] for the purpose of fully securing the payment of all deferred installments upon any claim for compensation.

(3) Any mutual insurance association or reciprocal or interinsurance exchange possessing a surplus of at least one hundred thousand dollars ($100,000) and not less in amount than the capital required of a domestic stock insurance company transacting the same kind of insurance shall not be required to purchase an annuity or effect reinsurance with a company authorized to transact insurance in this state or to make [~~such~~] a deposit with a bank or trust company of this state for the purpose of fully securing the payment of all deferred installments upon any claim for compensation.

(4) In addition, the ***commissioner***[~~board~~], under ***administrative*** [~~rules and~~] regulations ***that he*** [~~as it~~] shall prescribe, may permit eleven (11) or more employers or two (2) or more city, county, municipal, or urban-county employers or their agencies to enter into agreements to pool their liabilities under this chapter for the purpose of qualifying as self-insurers. Employers securing certification as group self-insurers are regulated by the ***administrative*** [~~rules and~~] regulations drawn by the ***commissioner*** [~~Workers' Compensation Board~~] and are not to be in any way subject to the provisions of subsections (1), (2), and (3) of this section; [~~provided,~~] however, [~~that~~] the Governor may assign the regulatory authority under this subsection to another board or agency pursuant to KRS 12.028.

Section 70. KRS 342.380 is amended to read as follows:

No policy of insurance or rider to be used therewith shall be issued or delivered until a copy of its form has been filed with the commissioner [~~of the Department of Insurance~~] at least thirty (30) days before such issue or delivery, unless before the expiration of thirty (30) days the commissioner has approved the form thereof in writing; nor if the commissioner notifies the company in writing that in his opinion the form of the policy or rider does not comply with the laws of this state, specifying fully the reasons for his opinion. Upon petition of the company***,*** the decision of the commissioner shall be subject to review by the Franklin Circuit Court and to appeal therefrom to the Court of Appeals.

Section 71. KRS 342.382 is amended to read as follows:

(1) Any insurer authorized to write a policy of workers' compensation insurance shall transmit the following information on

its workers' compensation experience only to the Department of ***Workers' Claims***[~~Insurance~~] and the Workers' Compensation Advisory Council each year***,*** and ***that*** [~~such~~] information shall be certified and reported on a net basis with respect to reinsurance for nationwide experience and direct basis with respect to Kentucky experience:

(d) Losses paid;

(e) Allocated loss adjustment expenses;

(f) The ratio of allocated loss adjustment expenses to losses paid;

(g) Unallocated loss adjustment expenses;

(h) The ratio of unallocated loss adjustment expenses to losses paid;

(i) The total of losses paid and unallocated and allocated loss adjustment expenses;

(j) The ratio of losses paid and unallocated and allocated loss adjustment expenses to premiums earned;

(k) The number of claims outstanding as of December 31 of each year;

(l) The total amount of losses unpaid as of December 31 of each year;

(m) The total amount of allocated and unallocated loss adjustment expenses unpaid as of December 31 of each year;

(n) The total of losses paid and allocated loss adjustment expenses and unallocated loss adjustment expenses, plus the total of losses unpaid as of December 31 of each year and loss adjustment expenses unpaid as of December 31 of each year; and

(o) Net investment gain or loss.

(2) [~~(a)~~] The first report of the information required in subsection (1) of this section shall include the information for the year ending December 31, 1987. Such report shall be filed no later than August 1, 1988. Beginning with the report for the period ending December 31, 1989, all future reports shall have all information required by subsection (1) of this section broken down by year for the current and two (2) preceding years.

[~~(b) Within thirty (30) days after March 1, 1989, the Department of Insurance shall commence a review of the rates of all workers' compensation insurers in effect at the time. If, after the review, the department finds on a preliminary basis that the rate may be excessive, inadequate, or unfairly discriminatory, the department shall so notify the insurer. Upon being so notified, the filer shall within sixty (60) days file with the department all information which the filer believes proves the reasonableness, adequacy, and fairness of the rate. In such instances, the filer shall carry the burden of proof. In the event the department finds that a rate is excessive, inadequate, or unfairly discriminatory, the department shall order that a new rate schedule be thereafter filed by the filer and shall further specify the manner in which noncompliance shall be corrected.~~]

Section 72. KRS 342.395 is amended to read as follows:

(1) Where an employer is subject to this chapter, then every employee of ***that*** [~~such~~] employer, as a part of his contract of hiring or who may be employed at the time of the acceptance of the provisions of this chapter by ***the*** [~~such~~] employer, shall be deemed to have accepted all the provisions of this chapter and shall be bound thereby unless he shall have filed, prior to the injury or incurrence of occupational disease, written notice to the contrary with the employer; and ***the*** [~~such~~] acceptance shall include all of the provisions of this chapter with respect to traumatic personal injury, silicosis***,*** and any other occupational disease. However, before an employee's written notice of rejection shall be considered effective, the employer ***shall*** [~~must~~] file the employee's notice of rejection with the ***Department of Workers' Claims***[~~Workers' Compensation Board~~]. The ***commissioner of that department*** [~~Workers' Compensation Board~~] shall not give effect to any rejection of this chapter not voluntarily made by the employee. If an employee withdraws his rejection, the employer shall notify the ***commissioner***[~~Workers' Compensation Board~~].

(2) Until [~~such~~] notice to the contrary ***as specified in subsection (1) of this section*** is [~~so~~] given to the employer, the measure of liability of ***the*** [~~such~~] employer shall be determined according to the compensation provisions of this chapter. Any [~~such~~] employee, may, without prejudice to any existing right or claim, withdraw his election to reject this chapter by filing with the employer a written notice of withdrawal, stating the date when the withdrawal is to become effective. Following the filing of ***that*** [~~such~~] notice, the status of the party withdrawing shall become the same as if the former election to reject this chapter had not been made, except that withdrawal shall not be effective as to any injury sustained or disease incurred less than one (1) week after the notice is filed.

Section 73. KRS 342.402 is amended to read as follows:

The ***commissioner***[~~Workers' Compensation Board~~], upon showing a certification of noncompliance, may temporarily restrain or temporarily or permanently enjoin the further operation of any employer covered by this chapter. ***The*** [~~Such~~] action shall be brought in Franklin Circuit Court.

Section 74. KRS 342.425 is amended to read as follows:

The occupational disease shall be incidental to the character of the business and not independent of the relationship of employer and employee. An occupational disease need not have been foreseen or expected but, after its contraction, it must appear to be related to a risk connected with the employment and to have flowed from that source as a rational consequence.

(4) "Injurious exposure" as used in KRS 342.316 shall mean that exposure to occupational hazard which would, independently of any other cause whatsoever, produce or cause the disease for which ***the*** claim is made.

(11) "Disability" means a decrease of wage earning capacity due to injury or loss of ability to compete to obtain the kind of work the employee is customarily able to do, in the area where he lives, taking into consideration his age, occupation, education, effect upon employee's general health of continuing in the kind of work he is customarily able to do, and impairment or disfigurement.

(12) "Income benefits" means payments made under the provisions of this chapter to the disabled worker or his dependents in case of death, excluding medical and related benefits.

(13) "Medical and related benefits" means payments made for medical, hospital, burial and other services as provided in this chapter, other than income benefits.

deductibles. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premiums received" includes the initial premium plus any reimbursements invoiced for losses, expenses, and fees charged under the deductibles. The special fund assessment rates in effect for reimbursements invoiced for losses, expenses, or fees charged under the deductibles shall be those percentages in effect on the effective date of the insurance policy.

(b) "Direct written premium" for insurance companies means the gross premium written less return premiums and premiums on policies not taken but including policy and membership fees.

(d) "Return premiums" for insurance companies means amounts returned to insureds due to endorsements, retrospective adjustments, cancellations, dividends, or errors.

(26) "Insurance policy" for an insurance company or group self-insurer means the term of insurance coverage commencing from the date coverage is extended, whether a new policy or a renewal, through its expiration, not to exceed the anniversary date of the renewal for the following year.

(28) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1) shall be the projected value of the employer's workers' compensation claims for the next calendar year as calculated by the *commissioner* [~~Workers' Compensation Board~~] using generally accepted actuarial methods as follows:

(a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The *commissioner* [~~board~~] shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each [~~such~~] claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim, plus the cost of medical and vocational rehabilitation paid to date and projected to be paid. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of *the* [~~such~~] claims using the adjusted weekly benefit shall then be calculated by the *commissioner* [~~board~~]. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating organization defined in Subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period.

(b) The *commissioner* [~~board~~] shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from [~~board~~] records *of the department* and from the records of the Division of Unemployment Insurance. The *commissioner* [~~board~~] shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period.

(c) The *commissioner* [~~board~~] shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.12 and shall then be multiplied by the employer's most recent annualized payroll, calculated using [~~board~~] records *of the department* and *the* Division of Unemployment Insurance data which shall be made available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122.

(d) For November 1, 1987, through December 31, 1988, premium for each employer carrying his own risk shall be an amount calculated by the board pursuant to the provisions contained in this subsection and such premium shall be provided to each employer carrying his own risk and to the funding commission on or before January 1, 1988. Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews his application for certification to carry his own risk for the next twelve (12) month period and submits payroll and other data in support of the application. The employer and the funding commission shall be notified at the time of the certification or recertification of the premium calculated by the ***commissioner,*** [~~board~~] which shall form the employer's basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification.

(e) If an employer having fewer than five (5) years of doing business in this state applies to carry his own risk and is so certified, his premium for the purposes of KRS 342.122 shall be based on ***the*** [~~such~~] lesser number of years of experience as may be available including the two (2) most recent years if necessary to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation, then his premium shall be the greater of the value obtained by the calculation called for in this subsection or the amount of security required by the ***commissioner*** [~~board~~] pursuant to KRS 342.340(1).

(f) If an employer is certified to carry his own risk after having previously insured ***the*** [~~such~~] risk, his premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is certified to carry his own risk and has paid all amounts due for assessments upon premiums paid while insured***,*** he shall be assessed only upon the premium calculated under this subsection.

(g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection, except that the value for each such employer's claims shall be the total of the indemnity benefits paid by the employer, adjusted to current benefit levels, plus the medical benefits paid.

(29)[~~(26)~~] "SIC code" as used in this chapter means the Standard Industrial Classification Code contained in the latest edition of the Standard Industrial Classification Manual published by the Federal Office of Management and Budget.

(30) "Investment interest" means any pecuniary or beneficial interest in a provider of medical services or treatment under this chapter, other than a provider in which that pecuniary or investment interest is obtained on terms equally available to the public through trading on a registered national securities exchange, such as the New York Stock Exchange or the American Stock Exchange, or on the National Association of Securities Dealers Automated Quotation System.

(2) Except with respect to uncontested claims for retraining incentive benefits by reason of occupational pneumoconiosis related to exposure to coal dust, or for disability or death by reason of occupational diseases, within thirty (30) days after the application has been received the commissioner shall set the date for a prehearing conference, to be held as soon as practicable in view of the matter involved, and shall notify the parties at issue of the time and place of the prehearing conference.

(3) The prehearing conference shall be held at or convenient to the place where the employee resides, provided that such prehearing conference shall be held within the boundaries of the Commonwealth. PART 5

MEDICAL PROVISIONS: MANAGED CARE, STATEMENT FOR SERVICES, FEE SCHEDULES, ANTI-BALANCE BILLING, SELF-REFERRAL

Section 17. KRS 342.020 is amended to read as follows:

(1) In addition to all other compensation provided in this chapter, the employer shall pay for the cure and relief from the effects of an injury or occupational disease the medical, surgical, and hospital treatment, including nursing, medical, and surgical supplies and appliances, as may reasonably be required at the time of the injury and thereafter during disability, or as may be required for the cure and treatment of an occupational disease. ***The employer's obligation to pay the benefits specified in this section shall continue for so long as the employee is disabled regardless of the duration of the employee's income benefits. In the absence of designation of a managed health care system by the employer, the employee may select medical providers to treat his injury or occupational disease. Even if the employer has designated a managed health care system, the injured employee may elect to continue treating with a physician who provided emergency medical care or treatment to the employee.*** [~~The employee may select the physician to treat his~~

~~injury, and the hospital in which he shall be treated.~~] The employer, or an insurer on behalf of the employer, shall make all payments for services rendered to an employee directly to the provider of *the* [~~such~~] services within thirty (30) days of receipt of a statement for services. The provider of medical services shall submit the statement for services within forty-five (45) days of the day treatment is initiated and every forty-five (45) days thereafter*,* if appropriate*,* as long as medical services are rendered. *Except as provided in subsection (4) of this section, in no event shall a medical fee exceed the limitations of an adopted medical fee schedule or other limitations contained in KRS 342.035, whichever is lower. The commissioner may promulgate administrative regulations establishing the form and content of a statement for services and procedures by which disputes relative to the necessity, effectiveness, frequency, and cost of services may be resolved.*

(2) *Notwithstanding any provision of the Kentucky Revised Statutes to the contrary, medical services and treatment provided under this chapter shall not be subject to copayments or deductibles.*

(3) Employers may provide medical services through a managed health care system. The managed health care system shall file with the Department of Workers' Claims a plan for the rendition of health care services for work-related injuries and occupational diseases to be approved by the commissioner pursuant to administrative regulations promulgated by the commissioner.

(4) All managed health care systems rendering medical services under this chapter shall include the following features in plans for workers' compensation medical care:

(a) Copayments or deductibles shall not be required for medical services rendered in connection with a work-related injury or occupational disease;

(b) The employee shall be allowed choice of provider within the plan;

(c) The managed health care system shall provide an informal procedure for the expeditious resolution of disputes concerning rendition of medical services;

(d) The employee shall be allowed to obtain a second opinion, at the employer's expense, from an outside physician if a managed health care system physician recommends surgery;

(e) The employee may obtain medical services from providers outside the managed health care system, at the employer's expense, when treatment is unavailable through the managed health care system;

(f) The managed health care system shall establish procedures for utilization review of medical services to assure that a course of treatment is reasonably necessary; diagnostic procedures are not unnecessarily duplicated; the frequency, scope, and duration of treatment is appropriate; pharmaceuticals are not unnecessarily prescribed; and that ongoing and proposed treatment is not experimental, cost ineffective, or harmful to the employee; and

(g) Statements for services shall be audited regularly to assure that charges are not duplicated and do not exceed those authorized in the applicable fee schedules.

(h) A schedule of fees for all medical services to be provided under this chapter which shall not be subject to the limitations on medical fees contained in this chapter.

(i) Restrictions on provider selection imposed by a managed health care system authorized by this chapter shall not apply to emergency medical care.

(5) Except for emergency medical care, medical services rendered pursuant to this chapter shall be under the supervision of a single treating physician or physicians' group having the authority to make referrals, as reasonably necessary, to appropriate facilities and specialists. The employee may change his designated physician one (1) time and thereafter shall show reasonable cause in order to change physicians.

(6) When a compensable injury or occupational disease results in the amputation of an arm, leg, or foot, or the loss of hearing, or the enucleation of an eye or loss of teeth, the employer shall [~~initially~~] pay for, in addition to the other medical, surgical, and hospital treatment enumerated in subsection (1) and this subsection, a modern artificial member and, where required, proper braces *as may reasonably be required at the time of the injury and thereafter during disability*.

(7)[~~(3)~~] Upon motion of the employer, with sufficient notice to the employee for a response to be filed, if it is shown to the satisfaction of the administrative law judge by affidavits or testimony that, because of the physician selected by the employee to treat his injury or disease, or because of the hospital selected by the employee in which he is being treated, that the employee is not receiving proper medical treatment and his recovery is being substantially affected or delayed; or that the funds for his medical expenses are being spent without reasonable benefit to the employee; or that because of the physician selected by the employee or because of the type of medical treatment being received by the employee that the employer will substantially be prejudiced in any compensation proceedings resulting from the employee's injury or disease; then the administrative law judge may allow the employer to select a physician to treat the employee and the hospital or hospitals in which the employee is treated for his injury or disease. No action shall be brought against any employer subject to this chapter by any person to recover damages for malpractice or improper treatment received by any

employee from any physician, hospital, or attendant thereof.

(8)~~[(4)]~~ An employee who reports an injury alleged to be work-related or files an application for adjustment of a claim shall execute a waiver and consent of any physician-patient, psychiatrist-patient, or chiropractor-patient privilege with respect to any condition or complaint reasonably related to the condition for which the employee claims compensation. Notwithstanding any other provision in the Kentucky Revised Statutes, any physician, psychiatrist, chiropractor, podiatrist, hospital, or health care provider shall, within a reasonable time after written request by the employee, employer, workers' compensation insurer, special fund, uninsured employers' fund, or the administrative law judge, provide the requesting party with any information or written material reasonably related to any injury ***or disease*** for which the employee claims compensation.

(9) When a provider of medical services or treatment, required by this chapter, makes referrals for medical services or treatment by this chapter, to a provider or entity in which the provider making the referral has an investment interest, the referring provider shall disclose that investment interest to the employee, the commissioner, and the employer's insurer or the party responsible for paying for the medical services or treatment, within thirty (30) days from the date the referral was made.

Section 18. KRS 342.033 is amended to read as follows:

In a claim for benefits, no party may introduce direct testimony from more than ***two (2)*** ~~[three (3)]~~ physicians without prior consent from the administrative law judge. The motion requesting additional testimony shall clearly demonstrate the need for such additional testimony. A party may introduce direct testimony from a physician through a written medical report. ***The*** ~~[Such]~~ report shall become a part of the evidentiary record, subject to the right of an adverse party to object to the admissibility of ***the*** ~~[such]~~ report and to cross-examine the reporting physician. The ***commissioner*** ~~[board]~~ shall promulgate administrative regulations prescribing the format and content of written medical reports.

Section 19. KRS 342.035 is amended to read as follows:

(1) ~~[Within one hundred eighty (180) days following January 4, 1988, and]~~ Periodically ~~[thereafter]~~, the ***commissioner*** ~~[board]~~ shall promulgate administrative regulations to adopt a schedule of fees for the purpose of ensuring that all fees, charges***,*** and reimbursements under KRS 342.020 ***and this section*** shall be fair, current, and reasonable and shall be limited to such charges as are fair, current, and reasonable for similar treatment of injured persons ***in the same community for like services, where treatment is paid for by general health insurers***~~[of a like standard of living in the same community and where such treatment is paid for by the injured person himself]~~. In determining what fees are reasonable, the ***commissioner*** ~~[board]~~ may also consider the increased security of payment afforded by this chapter. ***On or before November 1, 1994, and on July 1 every two (2) years thereafter, the schedule of fees contained in administrative regulations promulgated pursuant to this section shall be reviewed and updated, if appropriate. Within ten (10) days of the effective date of this Act, the commissioner shall execute a contract with an appropriately qualified consultant pursuant to which each of the following elements within the workers' compensation system are evaluated: the methods of health care delivery; quality assurance and utilization mechanisms; type, frequency, and intensity of services; risk management programs; and the schedule of fees contained in administrative regulation. The consultant shall present recommendations based on its review to the commissioner not later than sixty (60) days following execution of the contract. The commissioner shall consider these recommendations and, not later than thirty (30) days after their receipt, promulgate a regulation which shall be effective on an emergency basis, to effect a twenty-five percent (25%) reduction in the total medical costs within the program.***

(2) ***No provider of medical services or treatment required by this chapter, its agent, servant, employee, assignee, employer, or independent contractor acting on behalf of any medical provider, shall knowingly collect, attempt to collect, coerce, or attempt to coerce, directly or indirectly, the payment of any charge, for services covered by a workers' compensation insurance plan for the treatment of a work-related injury or occupational disease, in excess of that provided by a schedule of fees, or cause the credit of any employee to be impaired by reason of the employee's failure or refusal to pay the excess charge. In addition to the penalty imposed in KRS 342.990 for violations of this subsection, any individual who sustains damages by any act in violation of the provisions of this subsection shall have a civil cause of action in Circuit Court to enjoin further violations and to recover the actual damages sustained by the individual, together with the costs of the lawsuit, including a reasonable attorney's fee.***

(3) Where ***these*** ~~[such]~~ requirements are furnished by a public hospital or other institution, payment thereof shall be made to the proper authorities conducting it. No compensation shall be payable for the death or disability of an employee if his death is caused, or if and insofar as his disability is aggravated, caused***,*** or continued, by an unreasonable failure to submit to or follow any competent surgical treatment or medical aid or advice.

(4) The commissioner shall, by December 1, 1994, promulgate administrative regulations to adopt a schedule of fees for the purpose of regulating charges by medical providers and other health care professionals for testimony presented and medical reports furnished in the litigation of a claim by an injured employee against the employer.

(5) (a) To ensure compliance with subsections (1) and (4) of this section, the commissioner shall promulgate administrative regulations by December 31, 1994, which require each insurance carrier, group self-insurer, and self-insured employer to certify to the commissioner the program or plan it has adopted to ensure

compliance.

(b) In addition, the commissioner shall periodically have an independent audit conducted by a qualified independent person, firm, company, or other entity hired by the commissioner, in accordance with the personal service contract provisions contained in KRS 45A.690 to 45A.725, to ensure that the requirements of subsection (1) of this section are being met. The independent person, firm, company, or other entity selected by the commissioner to conduct the audit shall protect the confidentiality of any information it receives during the audit, shall divulge information received during the audit only to the commissioner, and shall use the information for no other purpose than the audit required by this paragraph.

(c) The commissioner shall promulgate administrative regulations governing medical provider utilization review activities conducted by an insurance carrier, group self-insurer, or self-insured employer pursuant to this chapter.

(d) Periodically, or upon request, the commissioner shall report to the Interim Joint Committee on Labor and Industry of the Legislative Research Commission or to the corresponding standing committees of the General Assembly, as appropriate, the degree of compliance or lack of compliance with the provisions of this section and make recommendations thereon.

(e) The cost of implementing and carrying out the requirements of this subsection shall be paid from funds collected pursuant to KRS 342.122.

(6) The commissioner may promulgate administrative regulations incorporating managed care or other concepts intended to reduce costs or to speed the delivery or payment of medical services to employees receiving medical and related benefits under this chapter.

(7) For purposes of this chapter, any medical provider shall charge only its customary fee for photocopying requested documents. However, in no event shall a photocopying fee of a medical provider or photocopying service exceed fifty cents ($0.50) per page. In addition, there shall be no charge for reviewing any records of a medical provider, during regular business hours, by any party who is authorized to review the records and who requests a review pursuant to this chapter.

(8) (a) The commissioner shall develop or adopt practice parameters or guidelines for clinical practice for use by medical providers under this chapter. The commissioner may adopt any parameters for clinical practice as developed and updated by the federal Agency for Health Care Policy Research, or the commissioner may adopt other parameters for clinical practice which are developed by qualified bodies, as determined by the commissioner, with periodic updating based on data collected during the application of the parameters.

(b) Any provider of medical services under this chapter who has followed the practice parameters or guidelines developed or adopted pursuant to this subsection shall be presumed to have met the appropriate legal standard of care in medical malpractice cases regardless of any unanticipated complication that may thereafter develop or be discovered.

SECTION 20. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

(1) The commissioner shall promulgate administrative regulations pursuant to KRS Chapter 13A:

(a) Establishing the form and content of a statement for services;

(b) Specifying the manner in which the employee may designate and change the designation of physicians;

(c) Requiring selection of gatekeeper physicians;

(d) Requiring reports from providers on the condition of the employee; and

(e) Establishing procedures by which disputes relative to the necessity, effectiveness, frequency, and cost of medical services shall be resolved.

(2) Pending the effective date of administrative regulations promulgated by the commissioner, all administrative regulations heretofore promulgated by the Workers' Compensation Board pertaining to these matters shall remain in effect, it being determined that those administrative regulations are within the statutory grant of authority, meet legislative intent, and are not in conflict with the provisions of this chapter.

Section 21. KRS 342.735 is amended to read as follows:

The *commissioner* [~~board~~] shall *promulgate administrative* [~~establish rules and~~] regulations to expedite the payment of temporary total disability and medical expense benefits. *The commissioner may promulgate administrative regulations incorporating managed care intended to reduce costs or to speed the delivery or payment of medical services to employees receiving medical and related benefits under this chapter. The commissioner shall promulgate administrative regulations pursuant to KRS Chapter 13A establishing an expedited method for resolving medical issues prior to the filing of a claim with the Department of Workers' Claims. The administrative regulations shall permit an employee or other interested party, prior to the filing of a claim, to request a determination by an administrative law judge on medical issues relating to the reasonableness or appropriateness of the proposed medical care or relating to the obligation of the employer or the*

employer's insurance carrier to make payment of contested medical bills. However, the employee has the burden of proof to show the medical expenses are related to the injury, reasonable and necessary prior to an application of benefits being filed and before an award or order of benefits. Thereafter, the burden is upon the employer. The respondent to the moving party shall be given ten (10) days to answer a request for an expedited determination of medical issues, and the administrative law judge shall issue a ruling within seven (7) days thereafter. The interested parties shall be provided a form to provide to the medical care provider and the completed form filed with the department and served upon the respondent shall initiate the time for response and determination.

Section 22. KRS 342.710 is amended to read as follows:

(1) One of the primary purposes of this chapter shall be restoration of the injured employee to gainful employment***, and preference shall be given to returning the employee to employment with the same employer or to the same or similar employment***.

(2) The ***commissioner*** [~~board~~] shall continuously study the problems of rehabilitation, both physical and vocational, and shall investigate and maintain a directory of all rehabilitation facilities, both private and public. [~~The board shall approve as qualified such facilities, institutions, and physicians as are capable of rendering competent rehabilitation service to seriously injured employees. No facility or institution shall be considered as qualified unless it is specifically equipped to provide rehabilitation services for persons suffering either from some specialized type of disability or general type of disability within the field of occupational injury and is staffed with trained and qualified personnel, and with respect to physical rehabilitation, unless it is supervised by a physician qualified to render such service. No physician shall be considered qualified unless he has had the experience and training specified by the board.~~]

(3) An employee who has suffered an injury covered by this chapter shall be entitled to prompt medical rehabilitation services for whatever period of time is necessary to accomplish physical rehabilitation goals which are feasible, practical, and justifiable. When as a result of the injury he is unable to perform work for which he has previous training or experience, he shall be entitled to such vocational rehabilitation services, including retraining and job placement, as may be reasonably necessary to restore him to suitable employment. In all such instances, the administrative law judge shall inquire whether such services have been voluntarily offered and accepted. The administrative law judge on his own motion, or upon application of any party or carrier, after affording the parties an opportunity to be heard, may refer the employee to a qualified physician or facility for evaluation of the practicability of, need for, and kind of service, treatment, or training necessary and appropriate to render him fit for a remunerative occupation. Upon receipt of such report, the administrative law judge may order that the services and treatment recommended in the report, or such other rehabilitation treatment or service ***likely to return the employee to suitable, gainful employment*** [~~the administrative law judge may deem necessary~~], be provided at the expense of the employer or his insurance carrier. Vocational rehabilitation training, treatment, or service shall not extend for a period of more than fifty-two (52) weeks, except in unusual cases when by special order of the administrative law judge, after hearing and upon a finding, determined by sound medical evidence which indicates such further rehabilitation is feasible, practical, and justifiable, the period may be extended for additional periods.

(4) Where rehabilitation requires residence at or near the facility or institution, away from the employee's customary residence, reasonable cost of his board, lodging, or travel shall be paid for by the employer or his insurance carrier.

(5) Refusal to accept rehabilitation pursuant to an order of an administrative law judge shall result in a fifty percent (50%) loss of compensation for each week of the period of refusal.

(6) The ***commissioner*** [~~board~~] shall cooperate on a reciprocal basis with the Kentucky Office of Rehabilitation of the Department of Education and the Department of Employment Services of the Kentucky Cabinet for Human Resources. In the event medical treatment, medical rehabilitation services, or vocational rehabilitation services are purchased for an injured employee by the Office of Vocational Rehabilitation or Department for Employment Services following the refusal by the employer or his insurance carrier to provide such services, the administrative law judge, after affording the parties an opportunity to be heard, may order reimbursement of the cost of such treatment or services by the employer or his insurance carrier as apportioned in the award. ***This section shall not be interpreted to require mandatory evaluation of employees based on length of disability. Any administrative regulations promulgated pursuant to this section that require mandatory referral to a qualified rehabilitation counselor shall expire on the effective date of this section.***

(7) ***Prior to an order from an administrative law judge, the provisions of this section shall not be mandatory*** [~~The board shall, by July 1, 1988, promulgate administrative regulations to effectuate the provisions of this section. The administrative regulations shall ensure early intervention; prompt and cost-efficient delivery of rehabilitation services; and vigorous monitoring of qualified rehabilitation providers, facilities, and agencies~~].

PART 6

TWENTY-FOUR HOUR COVERAGE

SECTION 23. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

(1) The commissioner may establish one (1) or more pilot programs for interested employers of integrated management of an employer's workers' compensation and group health insurance claims by an insurer authorized to do business

in the Commonwealth and may promulgate any administrative regulations necessary to implement the provisions of this subsection. The integrated management of such claims shall in no event affect any benefits, rights, or coverage established pursuant to a workers' compensation insurance policy. Treatment for work-related conditions shall not be subject to either copayments or deductibles. The commissioner shall make a report comparing the results of each pilot program to the expected results under traditional workers' compensation insurance and traditional workers' compensation with a managed care program. The pilot program shall serve as a tentative model for future experiments. Unless continued or modified by law, this subsection shall expire effective September 1, 1998.

(2) No policy for twenty-four (24) hour coverage shall become effective until it is reviewed and approved by the commissioner, in consultation with the commissioner of the Department of Insurance.

(3) The purchase of a twenty-four (24) hour health policy shall not constitute an exemption from statutory provisions which require other nonmedical insurance coverage. However, an insurance carrier shall reduce its premium for insurance coverage written without the medical or health care component. Notwithstanding the provisions of Subtitle 13 of KRS Chapter 304, the premium reduction required in this subsection shall be subject to the approval of the commissioner of the Department of Insurance.

(4) If an employer obtains a twenty-four (24) hour health insurance policy, pursuant to this section, to secure payment of compensation for medical care and treatment under this chapter, the employer shall also procure an insurance policy which shall provide indemnity benefits to ensure that the total coverage afforded by both the twenty-four (24) hour insurance policy and the policy providing indemnity benefits, shall provide the total compensation required by this chapter.

(5) The participants in a pilot project for twenty-four (24) hour health coverage shall comply with periodic reporting requirements of the commission.

(6) Each agency of state government shall cooperate with the commissioner if requested to provide information for the purposes of this section.

Section 24. KRS 342.375 is amended to read as follows:

Every policy or contract of workers' compensation insurance under this chapter, issued or delivered in this state, shall cover the entire liability of the employer for compensation to every one of his employees subject to this chapter, except as otherwise provided in KRS 342.345 ***or in Section 30 of this Act***. However, if specifically authorized by the commissioner, a separate insurance policy may be issued for a specified plant or work location if the liability of ***the*** [~~such~~] employer under this chapter to all his other employees subject to this chapter is otherwise secured and provided that no employee transferred from one plant or work location to another within the employment of the same employer shall thereby lose any benefit rights accumulated under the average weekly wage concept.

PART 7

PERMANENT PARTIAL DISABILITY, RIB, TELEDYNE, AND REOPENING

Section 25. KRS 342.730 is amended to read as follows:

(1) Except as provided in KRS 342.732, income benefits for disability shall be paid to the employee as follows:

(a) For total disability ***due to a work-related injury or occupational disease***, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined in KRS 342.740 during ***that*** [~~such~~] disability. ***Nonwork-related disability shall not be considered in determining whether the employee is totally disabled for purposes of this subsection.***

(b) For permanent, partial disability, ***where an employee returns to work at a wage equal to or greater than the employee's preinjury wage,*** sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740, multiplied by his percentage of ***impairment***[~~disability~~] caused by the injury or occupational disease as determined by "Guides to the Evaluation of Permanent Impairment," American Medical Association, latest edition available, ***unless the employee establishes a greater*** [~~or by his~~] percentage of disability as determined under KRS 342.0011(11), ***in which event the benefits shall not exceed two (2) times the functional impairment rate*** [~~whichever is greater~~], for a maximum period, from the date the disability arises, of four hundred twenty-five (425) weeks ***subject to the provisions of subsection (1)(d) of this section. The period of disability under this paragraph for nonwork-related disabilities shall not extend the maximum period of disability under this paragraph***. Any temporary total disability period within the maximum period for permanent, partial disability benefits shall extend the maximum period but shall not make payable a weekly benefit exceeding that determined in subsection (1)(a) of this section. Notwithstanding any section of this chapter to the contrary, there shall be no minimum weekly income benefit for permanent partial disability and medical benefits shall be paid for the duration of the disability.

(c) For permanent, partial disability, except all cases described in subsection (1)(b) of this section, sixty-six and two-thirds percent (66 2/3%) of the employee's average weekly wage but not more than seventy-five percent

(75%) of the state average weekly wage as determined by KRS 342.740, multiplied by his percentage of disability caused by the injury or occupational disease as determined by the "Guides to the Evaluation of Permanent Impairment," American Medical Association, latest edition available, or under KRS 342.0011(11), whichever is greater, for a maximum period from the date the disability arises, of four hundred twenty-five (425) weeks, subject, however, to the provisions of subsection (1)(d) of this section. The period of disability under this paragraph for nonwork-related disabilities shall not extend the maximum period of disability under this paragraph. Any temporary total disability period within the maximum period for permanent, partial disability benefits shall extend the maximum period but shall not make payable a weekly benefit exceeding that determined in subsection (1)(a) of this section. Notwithstanding any section of this chapter to the contrary, there shall be no minimum weekly income benefit for permanent partial disability and medical benefits shall be paid for the duration of the disability.

(d) For permanent, partial disability, if an employee sustains impairment or disability in excess of fifty percent (50%) as a result of a work-related injury or occupational disease and prior work-related active disability the compensable permanent partial disability period shall then be five hundred twenty (520) weeks from the date the impairment or disability exceeding fifty percent (50%) arises. Nonwork-related impairment or disability and claims under KRS 342.732 shall not be considered in determining whether the employee is impaired or disabled in excess of fifty percent (50%) for purposes of this subsection.

(2) The period of any income benefits payable under this section on account of any injury shall be reduced by the period of income benefits paid or payable under this chapter on account of a prior injury if income benefits in both cases are for disability of the same member or function, or different parts of the same member or function, and the income benefits payable on account of the subsequent disability in whole or in part would duplicate the income benefits payable on account of the pre-existing disability.

(3) ***Subject to the limitations contained in subsection (4) of this section,*** when an employee, who has sustained disability compensable under this chapter, and who has filed, or could have timely filed, a valid claim in his lifetime, dies from causes other than the injury before the expiration of the compensable period specified, portions of the income benefits specified and unpaid at the individual's death, whether or not accrued or due at his death, shall be paid, under an award made before or after ***the*** [~~such~~] death, for the period specified in this section, to and for the benefit of the persons within the classes at the time of death and in the proportions and upon the conditions specified in this section and in the order named:

(a) To the widow or widower, if there is no child under the age of eighteen (18) or incapable of self-support, benefits at fifty percent (50%) of the rate specified in the award; or

(b) If there are both [~~such~~] a widow or widower and such a child or children, to ***the*** [~~such~~] widow or widower, forty-five percent (45%) of the benefits specified in the award, or forty percent (40%) of ***those*** [~~such~~] benefits if such a child or children are not living with the widow or widower; and, in addition thereto, fifteen percent (15%) of the benefits specified in the award to each child. Where there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided among all the children, share and share alike; or

(c) If there is no [~~such~~] widow or widower but such a child or children, then to ***the*** [~~such~~] child or children, fifty percent (50%) of the benefits specified in the award to one (1) child, and fifteen percent (15%) of ***those*** [~~such~~] benefits to a second child, to be shared equally. If there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided equally among all the children; or

(d) If there is no survivor in the above classes, then the parent or parents wholly or partly actually dependent for support upon the decedent, or to other wholly or partly actually dependent relatives listed in paragraph (g) of subsection (1) of KRS 342.750, or to both, in [~~such~~] proportions ***that*** [~~as~~] the ***commissioner provides*** [~~board may provide~~] by ***administrative*** regulation.

(e) To the widow or widower upon remarriage, up to two (2) years, benefits as specified in the award and proportioned under paragraphs (a) or (b) of this subsection, if ***the*** [~~such~~] proportioned benefits remain unpaid, to be paid in a lump sum.

(4) If the injury or last exposure occurs prior to the employee's sixty-fifth birthday, any income benefits awarded under KRS 342.750, 342.316, 342.730 or 342.732 shall be reduced by ten percent (10%) beginning at age sixty-five (65) and, by ten percent (10%) each year thereafter until and including age seventy (70). Income benefits shall be not be reduced beyond the employee's seventieth birthday.

Section 26. KRS 342.732 is amended to read as follows:

(1) Notwithstanding any other provision of this chapter, income benefits and retraining incentive benefits for occupational pneumoconiosis resulting from exposure to coal dust shall be paid as follows:

(a) If the administrative law judge finds that an employee has a radiographic classification of category 1/0, 1/1, or 1/2, based on the latest ILO International Classification of Radiographics, resulting from exposure to coal dust, which is validated by two (2) X-rays and reports of the X-rays which conform to the standards for X-rays contained in subsection (2) of KRS 342.316, he shall award a one (1) time only retraining incentive benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740, multiplied by fifty percent (50%) and shall be payable for a period not to exceed two hundred and eight (208) weeks. ***These benefits may be paid directly to the employee only if the employee is not working in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a), in which event the one (1) time only retraining incentive benefit awarded under this paragraph may be collected semimonthly as provided in KRS 342.040. While the employee is working in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a), and if the employee is enrolled and actively participating in a bona fide training or education program approved under administrative regulations to be promulgated by the commissioner, benefits awarded under this paragraph shall be paid directly to the institution conducting the training or education program on a semimonthly basis. The benefit shall not be paid for a period in which the employee ceases to participate in the program. In no event shall the benefit be paid to the employee while the employee is working in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a), nor shall the employee personally receive any benefits pursuant to this award other than for traveling expenses. When the employee, through no fault of his own, is no longer working in the mining industry in the severance or processing of coal as defined in KRS 342.0011(23)(a), then any remaining benefits shall be paid directly to the employee on the same monthly basis as provided in KRS 342.040*** {~~The one (1) time only retraining incentive benefit awarded under this paragraph may be collected semimonthly as provided in KRS 342.040, by the employee while he continues to work in the mining industry. The retraining incentive benefit may be collected in a lump sum when the employee leaves his hazardous employment in the mining industry if the parties agree and the agreement is approved by the administrative law judge. Based upon this examination, the administrative law judge may make appropriate findings and enter an award if indicated~~}.

(b) If the administrative law judge finds that an employee has a radiographic classification of category 1/0, 1/1, or 1/2, based on the latest ILO International Classification of Radiographics, and respiratory impairment resulting from exposure to coal dust as evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values contained in the chapter on the respiratory system of the latest edition available of the guides to the evaluation of permanent impairment published by the American Medical Association, there shall be an irrebuttable presumption that the employee has an occupational disability rating of seventy-five percent (75%) resulting from exposure to coal dust and the administrative law judge shall award an income benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage multiplied by the disability rating of seventy-five (75%) but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740. The award shall be payable for a period not to exceed four hundred and twenty-five (425) weeks***, but in no event shall a claim be filed under this subsection while the employee continues to work in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a)***.

(c) If the administrative law judge finds that an employee has a radiographic classification of category 1/0, 1/1, or 1/2, based on the latest ILO International Classification of Radiographics, and respiratory impairment as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values contained in the chapter on the respiratory system of the latest edition available of the Guides to the Evaluation of Permanent Impairment published by the American Medical Association, there shall be an irrebuttable presumption that the employee is totally disabled resulting from exposure to coal dust and the administrative law judge shall award income benefits which shall be equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined by KRS 342.740. Income benefits awarded under this paragraph shall be payable to the employee during ***the*** {~~such~~} disability***, but in no event shall a claim be filed under this subsection while the employee continues to work in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a)***.

(d) If the administrative law judge finds that an employee has occupational pneumoconiosis with a radiographic classification of category 2/1, 2/2, 2/3, 3/2, 3/3, or progressive massive fibrosis, based on the latest ILO International Classification of Radiographics, there shall be an irrebuttable presumption that the employee is totally disabled resulting from exposure to coal dust and the administrative law judge shall award income benefits equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the average weekly wage of the state as determined by KRS 342.740. Income benefits awarded under this paragraph shall be payable to the employee during such disability***, but in no event shall a claim be filed under this subsection while the employee continues to work in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a)***.

(2) The presence of respiratory impairment resulting from exposure to coal dust shall be established by using the largest forced vital capacity (FVC) value or the largest forced expiratory volume in one second (FEV1) value determined from

the totality of all such spirometric testing performed in compliance with accepted medical standards.

(3) When valid spirometric tests are not provided and a physician certifies to the administrative law judge that spirometric testing is not medically indicated because of the permanent physical condition of the employee, the administrative law judge shall make his decision on the basis of evidence admitted which establishes the existence of a diagnosis of occupational pneumoconiosis and respiratory impairment due to ***the*** [~~such~~] occupational pneumoconiosis. The evidence submitted by the employee shall include one (1) or more arterial blood gas studies performed in accordance with accepted medical standards. Income benefits shall not be awarded in the absence of valid spirometric tests if the claimant's PO2 arterial blood gas value is equal to or higher than one (1) standard deviation from the normal value obtained by the formula (103.5 - 0.42X), where X equals the claimant's age at the time of the arterial blood gas study.

(4) In no event shall income benefits awarded under paragraphs (a) or (b) of subsection (1) of this section be stacked or added to income benefits awarded under KRS 342.730 to extend the period of disability.

Section 27. KRS 342.125 is amended to read as follows:

(1) ***In claims where an award or order is entered pursuant to KRS 342.730(1)(a) or (1)(b) and*** upon its own motion or upon the application of any party and a showing of change of occupational disability, mistake or fraud, or newly discovered evidence, the administrative law judge may at any time reopen and review any award or order, except as provided in subsection (2) of this section, ending, diminishing, or increasing the compensation previously awarded, within the maximum and minimum provided in this chapter, or change or revoke his previous order, sending immediately to the parties a copy of his subsequent order or award. ***In claims where an award or order is entered pursuant to KRS 342.730(1)(c) or (d) and upon its own motion or upon the application of any party and a showing of change of medical condition, mistake, or fraud, or newly discovered evidence, the administrative law judge may at any time reopen and review any award or order, except as provided in subsection (2) of this section, ending, diminishing, or increasing the compensation previously awarded, within the maximum and minimum provided in this chapter, or the administrative law judge may change or revoke his previous order, sending immediately to the parties a copy of his subsequent order or award. Any final award increasing or diminishing benefits shall require a showing of a change in occupational disability.*** Reopening and review under this section shall be had upon notice to the parties and in the same manner as provided for an initial proceeding hereunder but shall not affect the previous order or award as to any sums already paid thereunder. The employer shall not suspend the payment of benefits during the pendency of any reopening procedures.

(2) (a) Upon the application of the affected employee, and a showing of progression of his previously diagnosed occupational pneumoconiosis resulting from exposure to coal dust and development of respiratory impairment due to ***that*** [~~such~~] pneumoconiosis, the administrative law judge may review an award of a retraining incentive benefit because of ***the*** [~~such~~] diagnosis, and upon a finding of respiratory impairment due to ***that*** [~~such~~] pneumoconiosis shall make an award for benefits as provided in KRS 342.732. Such a reopening may also occur upon a showing of progression of respiratory impairment in a claim for which benefits were previously awarded under the provisions of KRS 342.732. An application for review under this subsection shall be made within one (1) year of the date the employee knew or reasonably should have known that a progression of his disease and development or progression of respiratory impairment have occurred. Review under this subsection shall include a review of all evidence admitted in all prior proceedings.

(b) Benefits awarded as a result of a review under this subsection shall be reduced by the amount of retraining incentive benefits previously awarded and, if applicable, also by the amount of income benefits previously awarded under KRS 342.732. The amount to be deducted shall be subtracted from the total amount awarded, and the remaining amount shall be divided by the number of weeks, for which the award was made, to arrive at the weekly benefit amount which shall be apportioned in accordance with the provisions of KRS 342.316.

(3) ***In a reopening or review proceeding where there has been additional permanent partial disability awarded, the increase shall not extend the original period, unless the combined prior disability and increased disability exceeds fifty percent (50%), but less than one hundred percent (100%), in which event the awarded period shall not exceed five hundred twenty (520) weeks, from commencement date of the original disability previously awarded. The law in effect on the date of the original injury controls the rights of the parties.***

(4) Where an agreement has become an award by approval of the administrative law judge, and a reopening and review of ***that*** [~~such an~~] award is initiated, no statement contained in the agreement, whether as to jurisdiction, liability of the employer, nature and extent of disability, or as to any other matter, shall be considered by the administrative law judge as an admission against the interests of any party. The parties may raise any issue upon reopening and review of this type of award which could have been considered upon an original application for benefits.

Section 28. KRS 342.750 is amended to read as follows:

If the injury causes death, income benefits shall be payable in the amount and to or for the benefit of the persons following, subject to the maximum limits specified in subsections (3) and (4) of this section:

(1) (a) If there is a widow or widower and no children of the deceased, to such widow or widower 50 percent of the average weekly wage of the deceased, during widowhood or widowerhood.

(b) To the widow or widower, if there is a child or children living with the widow or widower, 45 percent of the average weekly wage of the deceased, or 40 percent, if such child is not or such children are not living with a widow or widower, and in addition thereto, 15 percent for each child. Where there are more than two (2) such children, the indemnity benefits payable on account of such children shall be divided among such children, share and share alike.

(c) Two (2) years' indemnity benefits in one (1) lump sum shall be payable to a widow or widower upon remarriage.

(d) To the children, if there is no widow or widower, 50 percent of such wage for one (1) child, and 15 percent for each additional child, divided among such children, share and share alike.

(e) The income benefits payable on account of any child under this section shall cease when he dies, marries, or reaches the age of eighteen (18), or when a child over such age ceases to be physically or mentally incapable of self-support, or if actually dependent ceases to be actually dependent, or, if enrolled as a full-time student in any accredited educational institution, ceases to be so enrolled or reaches the age of 22. A child who originally qualified as a dependent by virtue of being less than 18 years of age may, upon reaching age 18, continue to qualify if he satisfies the tests of being physically or mentally incapable of self-support, actual dependency, or enrollment in an educational institution.

(f) To each parent, if actually dependent, 25 percent.

(g) To the brothers, sisters, grandparents, and grandchildren, if actually dependent, 25 percent to each such dependent. If there should be more than one (1) of such dependents, the total income benefits payable on account of such dependents shall be divided share and share alike.

(h) The income benefits of each beneficiary under paragraphs (f) and (g) above shall be paid until he, if a parent or grandparent, dies, marries, or ceases to be actually dependent, or, if a brother, sister, or grandchild, dies, marries, or reaches the age of eighteen (18) or if over that age ceases to be physically or mentally incapable of self-support, or ceases to be actually dependent.

(i) A person ceases to be actually dependent when his income from all sources exclusive of workers' compensation income benefits is such that, if it had existed at the time as of which the original determination of actual dependency was made, it would not have supported a finding of dependency. In any event, if the present annual income of an actual dependent person including workers' compensation income benefits at any time exceeds the total annual support received by the person from the deceased employee, the workers' compensation benefits shall be reduced so that the total annual income is no greater than such amount of annual support received from the deceased employee. In all cases, a person found to be actually dependent shall be presumed to be no longer actually dependent three (3) years after each time as of which the person was found to be actually dependent. This presumption may be overcome by proof of continued actual dependency as defined in this subsection, but full payments shall not be suspended during the pendency of any proceeding to determine dependency.

(2) Upon the cessation of income benefits under this section to or on account of any person, the income benefits of the remaining persons entitled to income benefits for the unexpired part of the period during which their income benefits are payable shall be that which such persons would have received if they had been the only persons entitled to income benefits at the time of the decedent's death.

(3) For the purposes of this section, the average weekly wage of the employee shall be taken as not more than the average weekly wage of the state as determined in KRS 342.740. In no case shall the aggregate weekly income benefits payable to all beneficiaries under this section exceed the maximum income benefit that was or would have been payable for total disability to the deceased, including benefits to his dependents.

(4) The maximum weekly income benefits payable for all beneficiaries in case of death shall not exceed 75 percent of the average weekly wage of the deceased as calculated under KRS 342.140, subject to the maximum limits in subsection (3) above. The maximum aggregate limitation shall not operate in case of payment of two (2) years' income benefits to the widow or widower upon remarriage as provided under paragraph (c) of subsection (1) of this section, to prevent the immediate recalculation and payments of benefits to the remaining beneficiaries as provided under subsection (2) of this section, but the weekly income benefits as to such remaining beneficiaries shall not exceed the weekly income benefit that was or would have been payable for total disability to the deceased. The classes of beneficiaries specified in paragraphs (a), (b), and (d) of subsection (1) shall have priority over all other beneficiaries in the apportionment of income benefits. If the provisions of this subsection should prevent payment to other beneficiaries of the income benefits to the full extent otherwise provided for by this section, the gross remaining amount of income benefits payable to such other beneficiaries shall be apportioned by class, proportionate to the interest of each class in the remaining amount. Parents shall be considered to be in one class and those specified in paragraph (f) of subsection (1) in another class.

(5) All relations of dependency referred to in this section shall mean dependency existing at the time of the accident to the employee or at the time his disability from an occupational disease began.

(6) If death occurs as a direct result of a work related injury, and the deceased has no statutory dependents, as determined by this section, a lump-sum payment of $10,000 shall be paid to his estate, in addition to the amount provided for in KRS 342.720; provided, however, that the lump-sum payment shall be reduced by any income benefits previously paid on

account of that injury.

(7) All benefits awarded pursuant to this section shall be subject to the limitations contained in KRS 342.730(4).

Section 29. KRS 342.143 is amended to read as follows:

For the purposes of this chapter the average weekly wage of the state shall be determined by the commissioner as follows: On or before September 1 of each year, the total wages reported by subject employers under the Kentucky Unemployment Insurance Law for the preceding calendar year shall be divided by the average monthly number of insured workers (determined by dividing the total number of insured workers reported for the preceding year by twelve (12)). The average annual wage thus obtained shall be divided by fifty-two (52) and the average weekly wage thus determined rounded to the nearest cent. ***The*** ~~[Such]~~ average weekly wage shall be certified to the commissioner by the Cabinet for Human Resources in a manner prescribed by the ***commissioner*** ~~[Workers' Compensation Board]~~ by ***administrative*** regulation. The average weekly wage as so determined shall be applicable for the full period during which income or death benefits are payable, when the date of occurrence of injury or of disability in the case of disease, or of death, falls within the calendar year commencing January 1 following the September 1 determination. Whenever a change in the average weekly wage of the state is of such amount that the minimum weekly income benefits for total disability or for death are increased or decreased by one dollar ($1) or more, or the maximum weekly income benefits for total disability or for death are increased or decreased by two dollars ($2) or more, computed in each case and rounded to the nearest dollar, an adjustment in those minimums or maximums which are affected in the requisite amount by the change in the average weekly wage of the state shall be made which will reflect this increase or decrease, but no change in such limitations shall otherwise be made. ***Notwithstanding the provisions of this section, KRS 342.140, KRS 342.740, or any other provisions of this chapter to the contrary, the average weekly wage for calendar years 1995 and 1996 shall be determined to be no higher than the average weekly wage determined by the commissioner to be in effect in the calendar year of 1994. If the average weekly wage calculated by the commissioner is determined to be lower than the 1994 calendar year wage, the average weekly wage may be lowered as provided by this section. Beginning in calendar year 1997 and annually thereafter, the average weekly wage shall be calculated based upon the state average weekly wage in effect two (2) years prior to that calculation.***

PART 8

ATTORNEY'S FEES

Section 30. KRS 342.320 is amended to read as follows:

(1) All fees of attorneys and physicians, and all charges of hospitals under this chapter, shall be subject to the approval of the administrative law judge pursuant to the statutes and administrative regulations. In an original claim, no ***attorney's*** ~~[attorney]~~ fees shall be allowed or approved against any party not represented by ***an*** ~~[said]~~ attorney, nor shall any ***attorney's*** ~~[attorney]~~ fee be allowed or approved exceeding an amount equal to twenty percent (20%) of the first twenty-five thousand dollars ($25,000), fifteen percent (15%) of the next ten thousand dollars ($10,000)***,*** and five percent (5%) of the remainder of the amount recovered***, except where applicable in the case of death and then by the use of*** ~~[as actuarially determined on past and future benefits according to the life expectancies contained in the overall male or female mortality tables in the most recent available edition of the U.S. Decennial Life Tables and]~~ the Remarriage Tables of the Dutch Royal Insurance Institute. ***However, in no event shall the attorney's fee exceed fifteen thousand dollars ($15,000).*** ~~[If the most recent edition of the U.S. Decennial Life Tables includes Kentucky tables, those tables shall be used. PART 9

SPECIAL FUND - SCOPE AND COVERAGE

Section 31. KRS 342.120 is amended to read as follows:

(1) There is created the Division of the Special Fund in the Department of Workplace Standards which shall be responsible for the administration of the legal representation of the fund and the maintenance of records regarding the payment of claims by the fund. The Division of the Special Fund shall be headed by a director appointed by the commissioner, with the prior written approval of the governor pursuant to KRS 12.050. The director shall be responsible for overseeing the administration of the legal representation of the fund and the maintenance of records regarding the payment of claims by the fund.

(2) A claimant may name the special fund as a party in the original application for benefits, or either party shall ***as soon as practicable,*** by motion ~~[not later than forty-five (45) days prior to the first scheduled prehearing conference]~~, unless there is a showing of good cause, request the administrative law judge to and the administrative law judge shall, cause the special fund to be made a party to the proceedings if either or both of the following appears:

(a) The employee is disabled, whether from a compensable injury, occupational disease, pre-existing disease, or otherwise, and has received a subsequent compensable injury by accident, or has developed an occupational disease;

(b) The employee is found to have a dormant nondisabling disease or condition which was aroused or brought into disabling reality by reason of a subsequent compensable injury by accident or an occupational disease.

(3) All motions to join the special fund shall include proper allegations demonstrating the basis for joinder and certification of the fact that a copy of the motion and the entire case file has been forwarded to the special fund at the cost of the movant.

(4) Failure to move for joinder of the special fund within the time limit prescribed by this section, without a showing of good cause, shall bar any recovery against the special fund.

(5) When the special fund has been made a party, the administrative law judge may direct the procedures provided in KRS 342.121.

(6) If it is found that the employee is a person mentioned in paragraphs (a) or (b) of subsection (2) of this section and a subsequent compensable injury or occupational disease has resulted in additional permanent disability so that the degree of disability caused by the combined disabilities is greater than that which would have resulted from the subsequent injury or occupational disease alone, and the employee is entitled to receive compensation on the basis of the combined disabilities, the employer shall be liable for the payment of all income benefits until the benefits paid have reached a percentage of the full income benefits awarded by the administrative law judge which is equal to the percentage of disability which would have resulted from the latter injury or occupational disease had there been no pre-existing disability or dormant, but aroused disease or condition.

(7) The remaining compensation for which such resulting condition would entitle the employee, including any compensation for disability resulting from a dormant disease or condition aroused into disabling reality by the injury or occupational disease, but excluding all compensation which the provisions of this chapter would have afforded on account of prior disabling disease or injury had it been compensated thereunder, shall be paid out of the special fund provided for in KRS 342.122. Such remaining compensation shall be paid directly to the employee under such regulations as the secretary of finance and administration may provide for such purpose.

(8) In making the computation for the apportionment of benefits under this section, the administrative law judge shall determine the amount of the employee's weekly income benefits and apportion the award ***commencing with*** [~~between~~] the employer and special fund as follows:

(a) For benefits awarded under ***this chapter*** [~~KRS 342.730(1)(b)~~], the portions shall be based on the number of weeks stated therein;

(b) ***In instances where the employer has settled its liability for income benefits and thereafter a determination has been made of the special fund's liability, the special fund portion of the benefit rate shall be paid over the maximum period provided for by statute for that disability, unless otherwise agreed by all parties*** [~~For all other benefits awarded under this chapter, except retraining incentive benefits awarded pursuant to KRS 342.732, the portions shall be based on the life expectancies contained in the overall male or female mortality tables in the most recent available edition of the U.S. Decennial Life Tables. If the most recent edition of the U.S. Decennial Life Tables includes Kentucky tables, these tables shall be used. If it does not, the national tables shall be used~~].

Section 32. KRS 342.1202 is amended to read as follows:

(1) An award for income benefits for permanent total or permanent partial disability under this chapter based, in whole or in part, on a pre-existing disease or pre-existing condition of the back, or of the heart shall be apportioned, by the administrative law judge, fifty percent (50%) to the employer and fifty percent (50%) to the special fund. Apportionment required by this section shall not be a cause of appeal.

(2) The special fund's liability for income benefits for all other injury claims shall not exceed fifty percent (50%) of the income benefits awarded for permanent disability. In those injury claims where the administrative law judge determines that the apportionment to the special fund under KRS 342.120 exceeds fifty percent (50%) of the award of permanent disability, that portion of the award exceeding fifty percent (50%) shall be paid by the employer.

PART 10

SPECIAL FUND ASSESSMENTS, KWCFC, AND DEDUCTIBLE POLICIES

Section 33. KRS 342.122 is amended to read as follows:

(1) (a) For the purpose of funding and prefunding the liabilities of the special fund, financing the administration and operation of the Division of Special Fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and, financing the expenditures for all programs in the Labor Cabinet, except the Division of Employment Standards and Mediation and the Office of Labor-Management Relations, as reflected in the enacted budget of the Commonwealth enacted by the General Assembly, a special fund assessment at the rate of sixteen and nine-tenths percent (16.9%) is hereby imposed upon the amount of workers' compensation premiums received on and after January 1, 1990, by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every group of self-insurers operating under the provisions of KRS 342.350(4) and there is hereby imposed on and after January 1, 1990, a special fund assessment at the rate of sixteen and nine-tenths percent (16.9%) against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

(b) In addition to the assessment imposed in paragraph (a) of this subsection, an additional special fund assessment at the rate of forty-seven percent (47%) is hereby imposed upon the amount of workers' compensation premiums received on and after January 1, 1990, by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every group of self-insurers operating under the provisions of KRS 342.350(4), from employers engaged in the severance or processing of coal. Likewise, on and after January 1, 1990, an additional assessment at the rate of forty-seven percent (47%) of premium shall be paid by every employer engaged in the severance or processing of coal who is carrying his own risk.

(c) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on such premiums.

(2) ~~[On November 15, 1991, and]~~ Each November 15, ~~[thereafter,]~~ the funding commission shall determine the amount of premiums reported and assessments imposed in subsection (1) of this section for *the* ~~[such]~~ past period as appropriate. If the funding commission determines that the special fund assessment rate imposed to produce seventy million dollars ($70,000,000) or the additional special fund assessment rate imposed to produce forty million dollars ($40,000,000) are likely to produce more or less than seventy million dollars ($70,000,000) or forty million dollars ($40,000,000) during the next annual period, the commission shall, based upon such determination, calculate such adjustments to each rate as shall be necessary to provide seventy million dollars ($70,000,000) and forty million dollars ($40,000,000) respectively, during the next annual period beginning on January 1 of each year. On or before December 1 of each year, the commission shall notify each insurance company writing workers' compensation insurance in the Commonwealth, every group of self-insurers, and each employer carrying his own risk of the adjusted rates which shall become effective on January 1, of each year, unless modified by the General Assembly.

(3) *(a) Notwithstanding the assessment rates in subsection (1) of this section or the special fund assessment amounts specified in subsection (2) of this section, for calendar year 1995, the funding commission shall impose a special fund assessment rate necessary to produce seventy-eight million, six hundred sixty-two thousand sixty-two dollars ($78,662,062) and an additional assessment rate necessary to produce forty million dollars ($40,000,000).*

(b) For calendar year 1996 the funding commission shall impose a special fund assessment rate necessary to produce eighty-eight million, six thousand two hundred forty-one dollars ($88,006,241) and an additional assessment rate necessary to produce forty million dollars ($40,000,000).

(c) 1. The assessment rate calculated to produce seventy-eight million, six hundred sixty-two thousand sixty-two dollars ($78,662,062) under paragraph (a) of this subsection shall be imposed upon the amount of workers' compensation premiums received on and after January 1, 1995, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

2. In addition to the assessment calculated under subparagraph 1. of this paragraph, the funding commission shall calculate an assessment rate calculated to produce forty million dollars ($40,000,000), pursuant to paragraph (a) of this subsection, which shall be imposed upon the amount of workers' compensation premiums received on and after January 1, 1995, by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every group of self-insurers operating under the provisions of KRS 342.350(4), from employers engaged in the severance or processing of coal, and upon the premium, as defined in KRS 342.0011 of every employer engaged in the severance or processing of coal who is carrying his own risk.

(d) 1. The assessment rate calculated to produce eighty-eight million, six thousand two hundred forty-one dollars ($88,006,241) under paragraph (b) of this subsection shall be imposed upon the amount of workers' compensation premiums received on and after January 1, 1996, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

2. In addition to the assessment calculated under subparagraph 1. of this paragraph, the funding commission shall calculate an assessment rate calculated to produce forty million dollars ($40,000,000), pursuant to paragraph (b) of this subsection which shall be imposed upon the amount of workers' compensation premiums received on and after January 1, 1996 by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every group of self-insurers operating under the provisions of KRS 342.350(4), from employers engaged in the severance or processing of coal, and upon the premiums, as defined in KRS 342.0011 by every employer engaged in the severance or processing of coal who is carrying his own risk.

(e) On or before December 1 of 1994 and 1995, the commission shall notify each insurance carrier writing workers' compensation insurance in the Commonwealth, every group of self-insurers, and each employer carrying his own risk of the special fund assessment rates established in this subsection which shall become effective on January 1, 1995, and January 1, 1996, respectively, unless modified by the General Assembly. The payment schedules and other matters relating to the payment of the special fund assessments required pursuant to this section shall apply to the assessment rates and amounts required under this subsection.

(f) For calendar year 1997 and for each calendar year thereafter, the assessment rates and amounts contained in the provisions of subsections (1) and (2) of this section shall apply.

All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.

(5)[~~(4)~~] ***These*** [~~Such~~] assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.

(6)[~~(5)~~] The assessments [~~herein~~] imposed ***by this section*** may be collected by the insurance carrier from his insured***.***[~~, provided~~] However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, ***the*** [~~such~~] assessment shall be collected at the same time and in the same proportion as the premium is collected. ***The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible.*** Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages ***imposed by this chapter. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible*** [~~in effect at the time the statement of the premium is sent to the insured~~]. ***The percentages imposed by this chapter for an insurance policy issued by an insurance company shall be those percentages in effect on the annual effective date of the policy, regardless of the date that the premium is actually received by the insurance company.***

(7) A group self-insurance association may elect to report its premiums and to have its assessments computed in the same manner as insurance companies. This election may not be rescinded for at least ten (10) years, nor may this election be made a second time for at least another ten (10) years.

(8)[~~(6)~~] The funding commission, as part of the collection and auditing of the special fund assessments required ***by this section*** [~~herein~~], shall annually require each insurance carrier and each group self-insurer to provide a list of employers which it has insured or which are members and the amount collected from each [~~such~~] employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or group self-insurer may require its insureds or members to furnish the SIC code for each of their employees***.***[~~, provided~~] However, the failure of any employer to furnish said codes shall not relieve the insurance carrier or group self-insurer from the obligation to furnish same to the funding commission. The Division of Unemployment Insurance is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.

(9)[~~(7)~~] Each self-insured employer, group self-insurer or insurance carrier shall provide any information and submit any reports the Revenue Cabinet or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.

(10)[~~(8)~~] The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. ***The*** [~~Such~~] registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.

(11)[~~(9)~~] The fund heretofore designated as the subsequent claim fund is abolished and there is substituted therefor the special fund as [~~herein~~] set out ***by this section*** and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.

(12)[~~(10)~~] Notwithstanding any other provision of this section or this chapter, or the Kentucky Revised Statutes, generally, the assessment rates for the special fund, as determined ***by this section*** [~~herein~~], which were in force and effect on January 1, 1990, shall continue in force and effect until December 1, 1991, and the total amount of funds collected pursuant to ***the*** [~~such~~] assessment rates shall not be limited to the provisions of this section.

(13) Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.

Section 34. KRS 342.1221 is amended to read as follows:

Assessments levied pursuant to KRS 342.122 and unpaid on the date on which they are due and payable shall bear interest at the rate specified in KRS 131.183 plus a penalty of one and one-half percent (1.5%) per month ***or portion thereof without proration*** from the date ***on which the*** [~~such~~] assessment was due and payable. ***The funding commission shall have the authority to waive part or all of the penalty, but not the interest, where it is shown to the satisfaction of the commission that failure to timely pay assessments is due to reasonable cause.***

Section 35. KRS 342.1222 is amended to read as follows:

(1) Every insurance carrier shall be entitled to a refund or credited with assessments paid on all canceled or returned premiums, including dividends paid or credited to policyholders***, if the assessments are returned by the insurance carrier to the policyholder in addition to the canceled or returned premium***.

(2) The assessments paid pursuant to the provisions of this chapter shall be refunded or credited in the manner provided in KRS 134.580, provided that the claim for refund or credit***, with respect to all claims filed on or after July 13, 1990,*** is made by the insurance carrier within ***four (4) years*** [~~one (1) year~~] of the ***date the insurance carrier returns the assessments to the employer*** [~~end of the policy year~~].

(3) A claim for refund or credit shall be made on a form prescribed by the funding commission and shall contain ***any*** [~~such~~] information ***that*** [~~as~~] the funding commission may require.

(4) No insurance carrier shall be entitled to a refund or credit of the assessments paid pursuant to the provisions of this chapter where the assessments have been collected from an employer as provided by KRS 342.122, unless the amount of assessments collected from the employer are refunded to him by the insurance carrier who paid the assessments to the funding commission.

PART 11

SELF-INSURANCE

Section 36. KRS 342.340 is amended to read as follows:

(1) Every employer under this chapter shall either insure and keep insured his liability for compensation hereunder in some corporation, association, or organization authorized to transact the business of workers' compensation insurance in this state or shall furnish to the ***commissioner*** [~~board~~]satisfactory proof of his financial ability to pay directly the compensation in the amount and manner and when due as provided for in this chapter. In the latter case***,*** the ***commissioner*** [~~board~~] shall require the deposit of an acceptable security, indemnity, or bond to secure, to ***the*** [~~such an~~] extent [~~as~~] the ***commissioner*** [~~board~~] directs, the payment of compensation liabilities as they are incurred.

(2) Every employer subject to this chapter shall file, or have filed on its behalf, with the ***department*** [~~Workers' Compensation Board~~], as often as may be necessary, evidence of its compliance with the provisions of this section and all others relating hereto. ***Any insurance carrier or group self-insurance association providing workers' compensation insurance coverage for a Kentucky location shall file on behalf of the employer, with the commissioner, evidence of the employer's compliance with this chapter. The filing shall be made within ten (10) days after the issuance of a policy, endorsement to a policy, or similar documentation of coverage.*** Every employer who has complied with the foregoing provision and has subsequently canceled its insurance or its membership in an approved group self-insurance association, as the case may be, shall immediately notify, or have notice given on its behalf to the ***department*** [~~Workers' Compensation Board~~] of ***the*** [~~such~~] cancellation, the date thereof, and the reasons therefor; and every insurance carrier or group self-insurance association shall in like manner notify the ***commissioner*** [~~Workers' Compensation Board~~] upon the cancellation, lapse, termination, expiration by reason of termination of policy period, or nonrenewal of any policy issued by it or termination of any membership agreement, whichever is applicable under the provisions of this chapter, except that the carrier or group self-insurance association need not set forth its reasons therefor unless requested by the ***commissioner*** [~~Workers' Compensation Board~~]. The above filings are to be made on the forms prescribed by the ***commissioner*** [~~board~~]. Termination of any policy of insurance issued under the provisions of this chapter shall take effect no greater than ten (10) days prior to the receipt of ***the*** [~~such~~] notification by the ***commissioner*** [~~Workers' Compensation Board~~] unless the employer has obtained other insurance and the ***commissioner*** [~~Workers' Compensation Board~~] is notified of that fact by the insurer assuming the risk. Upon determination that any employer under this chapter has failed to comply with these provisions, the ***commissioner*** [~~board~~] shall promptly notify interested government agencies of ***this*** [~~said~~] failure and, with particular reference to employers engaged in coal mining, the ***commissioner*** [~~board~~] shall promptly report any [~~such~~] failures to the Department of Mines and Minerals so that appropriate action may be undertaken pursuant to KRS 351.175.

Section 37. KRS 342.345 is amended to read as follows:

(1) Whenever an employer has complied with the provisions of KRS 342.340 relating to self-insurance, the ***commissioner*** [~~board~~] shall issue to ***the*** [~~such~~] employer a certificate which shall remain in force for a period fixed by the ***commissioner*** [~~board~~]. But the ***commissioner*** [~~board~~] may, upon at least ***ten (10)*** [~~sixty (60)~~] days' notice and a hearing to the employer, revoke ***or suspend*** the certificate upon satisfactory evidence ***that*** [~~for such~~] revocation ***or suspension is appropriate*** [~~having been presented~~]. ***If the commissioner revokes a certificate,*** the ***commissioner*** [~~board~~] may thereafter, upon petition of the employer and a hearing, grant a new certificate, but the employer shall not, as a matter of right, be entitled to a hearing for this purpose sooner than six (6) months ***following an order of the commissioner revoking the employer's certificate*** [~~after a previous revocation of his certificate~~].

(2) A self-insurer whose certificate to self-insure has been revoked is not relieved of its obligations for compensation to its employees for work-related injuries or occupational diseases that occur during the period of self-insurance. The required security shall be maintained with the commissioner or under the commissioner's control until each claim

for workers' compensation benefits has been paid, been settled, or lapsed under this chapter.

SECTION 38. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding the provisions of KRS 342.340, 342.350, or any administrative regulations promulgated pursuant to those provisions, the commissioner shall annually review the adequacy of the financial or other security requirements contained in administrative regulations, promulgated pursuant to the self-insurance provisions in this chapter. The commissioner shall report the results of the review to the Labor and Industry Committee of the General Assembly and any recommendations for proposed changes to insure the financial soundness of the individual self-insurers and the self-insurance groups authorized pursuant to this chapter. In addition, the commissioner shall report not less often than annually a summary report on the financial soundness of the individual self-insurers and self-insurance groups.

(2) The Labor and Industry Committee of the General Assembly shall annually review the administrative regulations promulgated pursuant to the self-insurance provisions under this chapter.

(3) On July 1, 1994, the Coverage and Compliance Branch of the Department of Workers' Claims in the Labor Cabinet shall be expanded by five (5) employees. These additional employees shall be employed for the purpose of conducting financial audits, examinations, and reviews and other activities necessary to ensure and monitor the financial soundness of the self-insured employers and group self-insurers authorized pursuant to KRS 342.340.

PART 12

COMPETITIVE STATE FUND AND RESIDUAL MARKET MECHANISM

SECTION 39. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly finds and declares that:

(a) An adequate and available workers' compensation insurance market does not exist for employers in the Commonwealth;

(b) Approximately fifty percent (50%) of the private workers' compensation insurance market resides in the residual market mechanism for workers' compensation;

(c) The voluntary insurance market has declined to the point that employers in the Commonwealth, who lack the financial capability to cover their own risk, have few insurance options except the residual market mechanism through which to maintain their statutorily required workers' compensation coverage;

(d) A lack of an adequate market for workers' compensation insurance threatens the economic welfare of the Commonwealth and its ability to create and maintain jobs for the citizens of Kentucky;

(e) Employers in the Commonwealth and other states are required by law to provide workers' compensation coverage to their employees and, therefore, the General Assembly has a responsibility to ensure employers an available and adequate insurance mechanism through which employers may discharge their statutory duty regarding workers' compensation; and

(f) State funds have historically and traditionally been a viable participant in the workers' compensation insurance market, that workers' compensation state funds exist in twenty-five (25) states, and that at least seven (7) states have created competitive state funds since 1983.

(2) Therefore, it is the intent of the General Assembly in creating the Employers' Mutual Insurance Authority to establish a self-supporting competitive state fund for the purpose of providing both a market of last resort for employers in the Commonwealth and another competitive source of insurance in the voluntary market through which employers may secure and maintain their workers' compensation coverage required under this chapter.

SECTION 40. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

Section 65. KRS 304.14-110 is amended to read as follows:

All statements and descriptions in any application for an insurance policy or annuity contract, by or on behalf of the insured or annuitant, shall be deemed to be representations and not warranties. Misrepresentations, omissions and incorrect statements shall not prevent a recovery under the policy or contract unless either:

(1) Fraudulent; or

(2) Material either to the acceptance of the risk, or to the hazard assumed by the insurer; or

(3) The insurer in good faith would either not have issued the policy or contract, or would not have issued it at the same premium rate, or would not have issued a policy or contract in as large an amount, or would not have provided coverage with respect to the hazard resulting in the loss, if the true facts had been made known to the insurer as required either by the application for the policy or contract or otherwise. ***This subsection shall not apply to applications taken for workers' compensation insurance coverage.***

SECTION 66. A NEW SECTION OF SUBTITLE 13 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) Every employer, or its designated agent, which is assigned an experience modification factor for workers' compensation in order to determine its workers compensation premium shall be furnished upon request without charge a complete copy of the data and calculations of the experience modification by the insurance company or any entity to which the insurance company may delegate the duty of calculating and promulgating the experience modification or, if applicable, by any self-insurance group of which the employer is a member.

(2) Experience modification shall be based upon all payrolls and claims experience for the applicable period regardless of whether the employer was insured by an insurance company, was a member of a self-insurance group, or was a member of the Kentucky Workers' Compensation Assigned Risk Plan for part or all of the period.

Section 67. KRS 342.012 is amended to read as follows:

(1) For the purposes of this chapter***,*** an owner or owners of a business, including qualified partners of a partnership owning a business, whether or not employing any other person to perform a service for hire, shall be included within the meaning of the term employee if ***the*** [~~such~~] owner, owners, or qualified partners elect to come under the provisions of this chapter and provide the insurance required thereunder. Nothing in this section shall be construed to limit the responsibilities of ***the*** [~~such~~] owners or partners to provide coverage for their employees and nonqualified partners, if any, required under this chapter.

(2) When an owner, owners***,*** or qualified partners have elected to be included as employees, ***this inclusion*** [~~such~~] shall be accomplished by the issuance of an appropriate endorsement to a workers' compensation insurance policy.

(3) For the purpose of this section, "qualified partner" means a partner who has entered into a meaningful partnership agreement which shows on its face that the partner will substantially participate in the profit or loss of the business engaged in by the partnership and that the partner has made some contribution to the partnership which entitles him to participate in the profits of the business as well as to participate in the decision-making process of the partnership.

(4) For the purposes of this section, "nonqualified partner" means a person who has entered into a partnership agreement which shows on its face that this person will receive regular payments in exchange for work for the business engaged in by the partnership; that the person will not participate in the decision-making of the partnership and will not participate in the profits and losses of the business engaged in by the partnership.

(5) Every partnership filing a partnership agreement for the purpose of exemption pursuant to the provisions of KRS 342.340[~~,~~] shall, on or before April 15 of each year, file with the ***commissioner*** [~~board~~] the partnership identification number assigned to the partnership by the Internal Revenue Service[~~, and shall also file a copy of the tax return of the partnership~~]. ***On or before April 15 of each year, each partnership having an agreement on file with the commissioner shall file a copy of the tax return of the partnership with the commissioner.*** Failure to comply with the provisions of this subsection shall be prima facie evidence that the partnership agreement filed with the ***commissioner*** [~~board~~] is composed of "nonqualified partners" as defined in this section, and the ***commissioner*** [~~board~~] shall promptly notify interested government agencies of the failure of the filed partnership agreement to ***indicate compliance with*** [~~provide exemption of the partnership from the provisions of~~] KRS 342.340. With particular reference to employers engaged in coal mining, the ***commissioner*** [~~board~~] shall promptly report the failure to comply with the provisions of this subsection to the Department of Mines and Minerals so that appropriate action may be undertaken pursuant to KRS 351.175.

Section 68. KRS 342.038 is amended to read as follows:

(1) Every employer subject to this chapter shall keep a record of all injuries, fatal or otherwise, received by his employees in the course of their employment. Within one (1) week after the occurrence and knowledge, as provided in KRS 342.185 to 342.200, of an injury to an employee causing his absence from work for more than one (1) day, a report thereof shall be made in writing and mailed to the ***department*** [~~board~~] on blanks procured from the ***department*** [~~board~~] for the purpose.

(2) The report shall contain the name, nature, and location of the business of the employer and name, age, sex, wages, and occupation of the injured employee, and shall state the date and hour of the accident causing the injury, the nature and cause of the injury, and any other information required by the ***commissioner*** [~~board~~].

(3) ***Every employer subject to this chapter shall report to his workers' compensation insurance carrier or the party responsible for the payment of workers' compensation benefits any work-related injury or disease or alleged work-related injury or disease within three (3) working days of receiving notification of the incident or alleged incident.***

(4) Every employer or insurer subject to this chapter shall file additional reports covering specifically voluntary payments and settlements, and ***any*** ~~[such]~~ other reports ~~[as]~~ are required by the ***commissioner*** ~~[Workers' Compensation Board]~~ by ***administrative*** regulation for the determination of the promptness of voluntary payment and validity and fairness of agreements. In addition, the ***commissioner*** ~~[board]~~ may require additional information as may be necessary to comply with a federal statute or regulation or any state statute.

(5)~~[(4)]~~ Upon the termination of the disability of the injured employee, or if the disability extends beyond a period of sixty (60) days, then also at the expiration of ***that*** ~~[such]~~ period***,*** the employer shall make a supplementary report to the ***commissioner*** ~~[board]~~ on blanks procured from the ***department*** ~~[board]~~ for the purpose.

Section 69. KRS 342.185 is amended to read as follows:

(1) Except as provided in subsection (2) of this section, no proceeding under this chapter for compensation for an injury or death shall be maintained unless a notice of the accident shall have been given to the employer as soon as practicable after the happening thereof and unless an application for adjustment of claim for compensation with respect to ***the*** ~~[such]~~ injury shall have been made with the ***department*** ~~[board]~~ within two (2) years after the date of the accident, or in case of death, within two (2) years after ***the*** ~~[such]~~ death, whether or not a claim has been made by the employee himself for compensation. ***The*** ~~[Such]~~ notice and ***the*** ~~[such]~~ claim may be given or made by any person claiming to be entitled to compensation or by someone in his behalf. If payments of income benefits ~~[as such]~~ have been made***,*** ~~[voluntarily]~~ the filing of an application for adjustment of claim with the ***department*** ~~[board]~~ within ***the*** ~~[such]~~ period shall not be required, but shall become requisite within two (2) years following the suspension of ~~[such voluntary]~~ payments or within two (2) years of the date of the accident, whichever is later.

(2) The right to compensation under this chapter resulting from work-related exposure to the human immunodeficiency virus shall be barred unless notice of the injurious exposure is given in accordance with subsection (1) of this section and unless an application for adjustment of claim for compensation shall have been made with the commissioner within five (5) years after the injurious exposure to the virus.

SECTION 70. A NEW SECTION OF SUBTITLE 20 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Any insurer providing workers' compensation insurance coverage for a Kentucky location shall provide proof of coverage to the commissioner of the Department of Workers' Claims in the Labor Cabinet in accordance with the requirements of the chapter.

Section 71. KRS 342.700 is amended to read as follows:

(1) Whenever an injury for which compensation is payable under this chapter has been sustained under circumstances creating in some other person than the employer a legal liability to pay damages, the injured employee may either claim compensation or proceed at law by civil action against ***the*** ~~[such]~~ other person to recover damages, or proceed both against the employer for compensation and ***the*** ~~[such]~~ other person to recover damages, but he shall not collect from both. If the injured employee elects to proceed at law by civil action against ***the*** ~~[such]~~ other person to recover damages, he shall give due and timely notice to the employer ***and the special fund*** of the filing of ***the*** ~~[such]~~ action. If compensation is awarded under this chapter, the employer, his insurance carrier, the special fund, and the uninsured employer's fund, or any of them, having paid the compensation or having become liable therefor, may recover in his or its own name or that of the injured employee from the other person in whom legal liability for damages exists, not to exceed the indemnity paid and payable to the injured employee, less the employee's legal fees and expense. ***The notice of civil action shall conform in all respects to the requirements of KRS 411.188(2).***

(2) A principal contractor, intermediate, or subcontractor shall be liable for compensation to any employee injured while in the employ of any one (1) of his intermediate or subcontractors and engaged upon the subject matter of the contract, to the same extent as the immediate employer. Any principal, intermediate, or subcontractor who pays ***the*** ~~[such]~~ compensation may recover the amount paid from any subordinate contractor through whom he has been rendered liable under this section. Every claim to compensation under this subsection shall in the first instance be presented to and instituted against the immediate employer, but ***the*** ~~[such]~~ proceedings shall not constitute a waiver of the employee's rights to recover compensation under this chapter from the principal or intermediate contractor nor shall ***the*** ~~[such]~~ claim be barred by limitations, ***if the*** ~~[provided such]~~ claim is filed against the principal or intermediate contractor within one (1) year after a final unappealed order has been rendered by an administrative law judge determining that immediate employer has insufficient security to pay the full and maximum benefits that could be determined to be due him under this chapter. The collection of full compensation from one employer shall bar recovery by the employee against any other. But he shall not collect from all a total compensation in excess of the amount for which his immediate employer is liable. This subsection shall apply only in cases where the injury occurred on, in, or about the premises on which the principal contractor has undertaken to execute work or which are under his control otherwise or management.

(3) It shall be considered to be contrary to public policy and unlawful for any owner or employer to require another employer to waive its remedies granted by this section as a condition of receiving a contract or purchase order. Furthermore, in selecting between two (2) or more contractors or suppliers, consideration may not be given by an owner or employer to whether one (1) contractor or supplier voluntarily waives its remedies under this section or offers to accept lesser compensation than another contractor or supplier for such waiver of remedies.

SECTION 72. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

Beginning on January 1, 1995, and pursuant to administrative regulations promulgated under KRS Chapter 13A by the commissioner, each insurance company writing workers' compensation insurance policies in the Commonwealth, every group of self-insurers, and each employer carrying its own risk shall file in the manner directed by the commissioner, detailed claim information contained in the model regulation developed by the National Association of Insurance Commissioners (NAIC) in conjunction with the International Association of Industrial Accident Boards and Commissions (IAIABC).

SECTION 73. A NEW SECTION OF KRS CHAPTER 338 IS CREATED TO READ AS FOLLOWS:

Effective July 1, 1994, the Kentucky Occupational Safety and Health Program shall be expanded by sixteen (16) employees. These additional staff shall assist employers in their efforts to improve safety and health practices in their workplaces; to assure compliance with industrial health and safety regulations; and to expedite the processing of contested citations and appeals. These additional expenditures shall be financed by funds collected for the special fund pursuant to KRS 342.122.

Section 74. KRS 342.765 is amended to read as follows:

(1) Notwithstanding the provisions of KRS Chapter 342 to the contrary, the office of the Attorney General shall be responsible for the administration of the uninsured employers' fund and shall be charged with the conservation of the assets of the fund. Funds to reimburse the Attorney General's office for expenses incurred in litigation and administration in defense of the uninsured employers' fund shall be transferred upon request of the Attorney General's office and approval by the secretary of the Labor Cabinet.

(2) The office of the Attorney General shall report monthly to the Interim Joint Committee on Appropriations and Revenue***, the Interim Joint Committee on Labor and Industry, and the commissioner*** the amount of the agency fund expenditures in each month for the uninsured employers' fund and the nature of ***these*** [~~such~~] expenditures. ***In addition, the Office of the Attorney General shall report quarterly to the commissioner on the amount of funds recouped from uninsured employers.***

Section 75. KRS 342.281 is amended to read as follows:

Within fourteen (14) days from the date of the award, order***,*** or decision any party may file a petition for reconsideration of the award, order, or decision of the administrative law judge. The petition for reconsideration shall clearly set out the errors relied upon with the reasons and argument for reconsideration of the pending award, order, or decision. All other parties shall have ten (10) days thereafter to file a response to the petition. The administrative law judge shall be limited in ***the*** [~~such~~] review to the correction of errors patently appearing upon the face of the award, order, or decision and shall overrule the petition for reconsideration or make ***any*** [~~such~~] correction within ten (10) days after submission. ***The failure to file a petition for reconsideration shall not preclude an appeal on any issue.***

PART 15

GENERAL CONFORMING AMENDMENTS

Section 76. KRS 342.040 is amended to read as follows:

(1) Except as provided in KRS 342.020, no income benefits shall be payable for the first seven (7) days of disability unless disability continues for a period of more than two (2) weeks, in which case income benefits shall be allowed from the first day of disability. All income benefits shall be payable on the regular payday of the employer, commencing with the first regular payday after seven (7) days after the injury or disability resulting from an occupational disease, with interest at the rate of twelve percent (12%) per annum on each installment from the time it is due until paid except that if the administrative law judge determines that a denial, delay, or termination in the payment of income benefits was without reasonable foundation, the rate of interest shall be eighteen percent (18%) per annum. In no event shall income benefits be instituted later than the ***fifteenth*** [~~15th~~] day after the employer has knowledge of the disability or death. Income benefits shall be due and payable not less often than semimonthly. If the employer should terminate, or fail to make payments when due, the employer shall notify the ***commissioner*** [~~board~~] of ***the*** [~~such~~] termination or failure to make payments and the ***commissioner*** [~~board~~] shall, in writing, advise the employee or known dependent of right to prosecute a claim under this chapter.

(2) If overdue temporary total disability income benefits are recovered in a proceeding brought under this chapter by an attorney for an employee, or paid by the employer after receipt of notice of the attorney's representation, a reasonable attorney's fee for these services may be awarded. The award of attorney's fees shall be paid by the employer if the administrative law judge determines that the denial or delay was without reasonable foundation. No part of the fee for representing the employee in connection with the recovery of overdue temporary total disability benefits withheld without reasonable foundation shall be charged against or deducted from benefits otherwise due the employee.

(3) All retraining incentive benefits awarded pursuant to KRS 342.732 shall be payable on the regular payday of the employer, commencing with the second regular payday after the award of the retraining incentive benefit by the administrative law judge becomes final. Retraining incentive benefits shall be due and payable not less often than semimonthly.

(4) Upon written request of the employee, all payments of compensation shall be mailed to the employee at his last known address.

Section 77. KRS 342.140 is amended to read as follows:

The average weekly wage of the injured employee at the time of the injury or last injurious exposure shall be determined as follows:

(1) If at the time of the injury which resulted in death or disability or the last date of injurious exposure preceding death or disability from an occupational disease:

(a) The wages were fixed by the week, the amount so fixed shall be the average weekly wage;

(b) The wages were fixed by the month, the average weekly wage shall be the monthly wage so fixed multiplied by twelve (12) and divided by fifty-two (52);

(c) The wages were fixed by the year, the average weekly wage shall be the yearly wage so fixed divided by fifty-two (52);

(d) The wages were fixed by the day, hour, or by the output of the employee, the average weekly wage shall be the wage most favorable to the employee computed by dividing by thirteen (13) the wages (not including overtime or premium pay) of said employee earned in the employ of the employer in the first, second, third, or fourth period of thirteen (13) consecutive calendar weeks in the fifty-two (52) weeks immediately preceding the injury.

(e) The employee had been in the employ of the employer less than thirteen (13) calendar weeks immediately preceding the injury, his average weekly wage shall be computed under paragraph (d), taking the wages (not including overtime or premium pay) for ***that*** [~~such~~] purpose to be the amount he would have earned had he been so employed by the employer the full thirteen (13) calendar weeks immediately preceding the injury and had worked, when work was available to other employees in a similar occupation.

(f) The hourly wage has not been fixed or cannot be ascertained, the wage for the purpose of calculating compensation shall be taken to be the usual wage for similar services where ***the*** [~~such~~] services are rendered by paid employees.

(2) In occupations which are exclusively seasonal and therefore cannot be carried on throughout the year, the average weekly wage shall be taken to be one-fiftieth (1/50) of the total wages which the employee has earned from all occupations during the twelve (12) calendar months immediately preceding the injury.

(3) In the case of volunteer firemen, police, and civil defense members or trainees, the income benefits shall be based on the average weekly wage in their regular employment.

(4) If the employee was a minor, apprentice, or trainee when injured, and it is established that under normal conditions his wages should be expected to increase during the period of disability, that fact may be considered in computing his average weekly wage.

(5) When the employee is working under concurrent contracts with two (2) or more employers and the defendant employer has knowledge of ***the*** [~~such~~] employment prior to the injury, his wages from all ***the*** [~~such~~] employers shall be considered as if earned from the employer liable for compensation.

(6) The term "wages" as used in this section and KRS 342.143 means, in addition to money payments for services rendered, the reasonable value of board, rent, housing, lodging, and fuel or similar advantage received from the employer, and gratuities received in the course of employment from others than the employer to the extent ***the*** [~~such~~] gratuities are reported for income tax purposes.

(7) The ***commissioner*** [~~board~~] shall, from time to time, based upon the best available information, determine by ***administrative*** regulation industries which ordinarily do not have a full working day for five (5) days in every week. In ***those*** [~~such~~] industries***,*** compensation shall be computed at the average weekly wage earned by the employee at the time of injury reckoning wages as earned while working full time. "At full time" as used ***in this subsection*** [~~herein~~] means a full working day for five (5) working days in every week regardless of whether the injured employee actually worked all or part of the time.

Section 78. KRS 342.205 is amended to read as follows:

(1) After an injury and so long as compensation is claimed, the employee, if requested by a party or by the administrative law judge, shall submit himself to examination, at a reasonable time and place, to a duly qualified physician or surgeon designated and paid by the requesting party. The employee shall have the right to have a duly qualified physician or surgeon designated and paid by himself present at the examination, but this right shall not deny the requesting party's physician or surgeon the right to examine the injured employee at all reasonable times and under all reasonable conditions.

(2) The party requesting an examination pursuant to subsection (1) of this section shall make arrangements to provide all the cost of the examination. The requesting party shall also prepay the cost of transportation of the employee to and from the examination if public transportation is utilized. If the employee uses his own vehicle to travel to and from the examination, the requesting party shall prepay the employee at the state mileage rate. The requesting party shall also reimburse the employee for the cost of meals, lodging, parking, and toll charges upon proof of same by written voucher. The amounts prepaid or reimbursed by the requesting party, as required ***by this subsection*** [~~herein~~], shall be the same as, and in accordance with, state travel ***administrative*** regulations and standards promulgated and established pursuant to KRS Chapter ***45*** [~~18A~~].

(3) If an employee refuses to submit himself to or in any way obstructs ***the*** [~~such~~] examination, his right to take or prosecute any proceedings under this chapter shall be suspended until the refusal or obstruction ceases. No compensation shall be payable for the period during which the refusal or obstruction continues.

(4) Any employee receiving benefits under this chapter may be required, upon request of any party, to furnish a sworn affirmed statement of earnings and other supporting information the administrative law judge may require.

(5) The ***department*** [~~board~~] shall supply forms for the report.

Section 79. KRS 342.235 is amended to read as follows:

The ***commissioner*** [~~board~~] and [~~its~~] employees or authorized representatives ***of the department*** shall, for traveling necessitated by the discharge of official duties, be reimbursed for transportation actually paid for, not exceeding the regular fare over the most direct route, and meals and lodging actually paid for.

Section 80. KRS 342.240 is amended to read as follows:

The ***department*** [~~board~~] shall maintain its main office in Frankfort, Kentucky, using suitable rooms and offices belonging to this state, and shall be provided necessary office furniture to be paid for by the state. The ***commissioner*** [~~board~~] shall provide necessary supplies, books, [~~and~~] periodicals, and maps and shall provide [~~itself with~~] a seal for the authentication of [~~its~~] orders, awards, or proceedings [~~and those~~] of the administrative law judges, on which shall be inserted the words "***Department of Workers' Claims*** [~~Workers' Compensation Board~~], State of Kentucky, official seal." The board and the administrative law judges may hold sessions at any place within the state where necessary and shall have power to sue or institute legal proceedings in any court of this state, under existing laws as to jurisdiction of actions. Unless consented to by the ***commissioner*** [~~board~~], all actions or proceedings against ***the board*** [~~it~~] or a member in his official capacity, or against an administrative law judge or the commissioner in his official capacity shall be brought in the courts of Franklin County.

Section 81. KRS 342.260 is amended to read as follows:

(1) The ***commissioner*** [~~board~~] shall prepare [~~such~~] administrative regulations as ***he*** [~~it~~] considers necessary to carry on ***the*** [~~its~~] work ***of the department*** and the work of the administrative law judges and may promulgate administrative regulations not inconsistent with this chapter and KRS Chapter 13A for carrying out the provisions of this chapter.

(2) Processes and procedure under this chapter shall be as summary and simple as reasonably possible. The board or any member thereof or any administrative law judge for the purpose of this chapter, may subpoena witnesses, administer or cause to have administered oaths, and examine or cause to have examined ***those*** [~~such~~] parts of the books and records of the parties to a proceeding as relate to questions in dispute.

(3) The sheriff shall serve all subpoenas of the board and administrative law judges and shall receive the same fee as provided by law for like service in civil actions. Each witness who appears in obedience to ***the*** [~~such~~] subpoena of the board or any administrative law judge shall receive for attendance the fees and mileage for witnesses in civil cases in the Circuit Courts.

(4) The Circuit Court shall, on application of the board, any member thereof, or any administrative law judge, enforce by proper proceedings the attendance and testimony of witnesses and the production and examination of books, papers, and records.

Section 82. KRS 342.285 is amended to read as follows:

(1) An award or order of the administrative law judge as provided in KRS 342.275, if petition for reconsideration is not filed as provided for in KRS 342.281, shall be conclusive and binding as to all questions of fact, but either party may in accordance with administrative regulations promulgated by the ***commissioner*** [~~board~~] appeal to the Workers' Compensation Board for the review of ***the*** [~~such~~] order or award.

(2) No new or additional evidence may be introduced before the board except as to the fraud or misconduct of some person engaged in the administration of this chapter and affecting the order, ruling, or award, but the board shall otherwise hear the appeal upon the record as certified by the administrative law judge and shall dispose of the appeal in summary manner. The board shall not substitute its judgment for that of the administrative law judge as to the weight of evidence on questions of fact, its review being limited to determining whether or not:

(a) The administrative law judge acted without or in excess of his powers;

(b) The order, decision, or award was procured by fraud;

(c) The order, decision, or award is not in conformity to the provisions of this chapter;

(d) The order, decision, or award is clearly erroneous on the basis of the reliable, probative, and material evidence contained in the whole record; or

(e) The order, decision, or award is arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion.

(3) Within thirty (30) days from final submission, the board shall enter its decision affirming, modifying, or setting aside the order, decision, or award, or in its discretion remanding the claim to the administrative law judge for further proceedings in conformity with the direction of the board. The board may, before decision and upon a sufficient showing of fact, remand the claim to the administrative law judge.

Section 83. KRS 342.316 is amended to read as follows:

(1) (a) The employer liable for compensation for occupational disease shall be the employer in whose employment the employee was last exposed to the hazard of the occupational disease. During any period in which this section is applicable to a coal mine, an operator who acquired it or substantially all of its assets from a person who was its operator on and after January 1, 1973, shall be liable for, and secure the payment of, the benefits which would have been payable by the prior operator under this section with respect to miners previously employed in the mine if it had not been acquired by such later operator. At the same time, however, this subsection does not relieve the prior operator of any liability under this section. Also, it does not affect whatever rights the later operator might have against the prior operator. Said employer shall have the right to contribution from each previous employer, as determined in an independent civil action, wherein the employee was similarly exposed to the hazard of said occupational disease, in a sum equal to the ratio that each exposure employment time bears to the total exposure employment time, except as otherwise provided in paragraph (a) of subsection (10) of this section; and

(b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later, except that the time of the beginning of retraining incentive benefits awarded under KRS 342.732 shall be the date the award for ***those*** [~~such~~] benefits by the administrative law judge becomes final.

(2) (a) The procedure with respect to the giving of notice and determination of claims in occupational disease cases and the compensation and medical benefits payable for disability or death due to ***the*** [~~such~~] disease shall be the same as in cases of accidental injury or death under the general provisions of this chapter, except that notice of claim shall be given to the employer as soon as practicable after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted ***the*** [~~such~~] disease, or a diagnosis of ***the*** [~~such~~] disease is first communicated to him, whichever shall first occur;

(b) Except as provided in paragraph (d) of this subsection, the procedure with respect to filing of claims shall be as follows:

1. a. The application shall set forth the complete work history of the applicant with a concise description of injurious exposure to a specific occupational disease, together with the name and addresses of the employer or employers with the approximate dates of employment. The application shall also include at least two (2) written medical reports supporting his claim. These medical reports shall be made on the basis of comprehensive clinical examinations performed in accordance with accepted medical standards and shall contain full and complete statements of all examinations performed and the results thereof. The reports shall be made by duly licensed physicians. [~~Within one hundred and eighty (180) days following October 26, 1987,~~] The ***commissioner*** [~~board~~] shall promulgate administrative regulations which prescribe the format of the medical reports required ***by this section*** [~~herein~~] and the manner in which ***the*** [~~such~~] reports shall be completed.

b. For coal-related occupational pneumoconiosis claims, each clinical examination shall include chest X-ray examinations and spirometric tests.

c. For other compensable occupational pneumoconiosis claims, each clinical examination shall include X-ray examinations and appropriate pulmonary function tests.

2. To be admissible, medical evidence offered in any proceeding under this chapter for determining a claim for occupational pneumoconiosis resulting from exposure to coal dust, shall comply with accepted medical standards as follows:

a. Chest X-rays shall be of acceptable quality with respect to exposure and development and shall be indelibly labeled with the date of the X-ray and the name and Social Security number of the claimant. Physicians' reports of X-ray interpretations shall: identify the claimant by name and Social Security number; include the date of the X-ray and the date of the report; classify the X-ray interpretation using the latest ILO Classification and be accompanied by a completed copy of the latest ILO Classification report.

b. Spirometric testing shall be conducted in accordance with the standards recommended in the latest edition available of the guides to the evaluation of permanent impairment published by the American Medical Association and the 1978 ATS epidemiology standardization project. The FVC or the FEV1 values shall represent the largest of such values obtained from three (3) acceptable forced expiratory volume maneuvers as corrected to BTPS (body temperature, ambient pressure and saturated with water vapor at these conditions) and the variance between the two (2) largest acceptable FVC values shall be either less than five percent (5%) of the largest FVC value or less than one hundred (100) milliliters, whichever is greater. The variance between the two (2) largest acceptable FEV1 values shall be either less than five percent (5%) of the largest FEV1 value or less than one hundred (100) milliliters, whichever is greater. Reports of spirometric testing shall include a description by the physician of the procedures utilized in conducting such spirometric testing and a copy of the spirometric chart and tracings from which spirometric values submitted as evidence were taken.

3. The ***commissioner*** [~~board~~] shall promulgate administrative regulations pursuant to KRS Chapter 13A as necessary to effectuate the purposes of subsection (2)(b) of this section. The ***commissioner*** [~~board~~] shall periodically review the applicability of the spirometric test values contained in the latest edition available of the guides to the evaluation of permanent impairment published by the American Medical Association and may by administrative regulation substitute other spirometric test values which are found to be more closely representative of the normal pulmonary function of the coal mining population.

(c) Except as provided in paragraph (d) of this subsection, the procedure with respect to the determination of claims shall be as follows:

1. Immediately upon receipt of said application for adjustment of claim, the commissioner shall notify the affected employer, the special fund and any other interested party of such claim and shall furnish them with a full and complete copy of the claim;

2. Upon receipt of notice of the claim***,*** the employer, the special fund, and any other interested party shall have the right to have the claimant examined by competent medical experts, at their expense, including a reasonable sum for travel. Within thirty (30) days of any such examination, the claimant or his representative shall be furnished a copy of said medical report by the party requesting such report. Also, the employer, the special fund, or any other party to the claim shall have the right to have the claimant evaluated by vocational experts or institutions, at ***the employer's*** [~~their~~] expense, including a reasonable sum for travel. Within thirty (30) days of any ***vocational*** [~~such~~] examination, the claimant or his representative, shall be furnished a copy of ***that*** [~~said~~] vocational report by the party requesting ***that*** [~~such~~] report; and

3. Within sixty (60) days of the receipt of the claim, the employer, the special fund, and any other interested party shall notify the ***commissioner*** [~~board~~] and the claimant whether or not the claim will be resisted. If the claim is not resisted, then an administrative law judge shall within ten (10) days enter an order and award for the claimant. If the claim is resisted, the administrative law judge shall set a date for a prehearing conference and shall notify all parties thereof. In litigated claims the regular procedures prescribed by the ***commissioner*** [~~Workers' Compensation Board~~] shall be followed. Upon request of an interested party and a showing of good cause, the administrative law judge may extend, one (1) time, the time period for filing a notice of resistance as prescribed in this subparagraph, ***but the*** [~~provided said~~] extension shall not exceed thirty (30) days.

(d) For claims filed under subsection (1)(a) of KRS 342.732, the procedure shall be as follows:

1. For retraining incentive benefits under KRS 342.732, the claimant shall file two (2) X-rays and the reports thereof which shall conform to the standard for X-rays contained ***in this subsection*** [~~herein~~].

2. The commissioner shall notify the affected employer of ***the*** [~~such~~] claim and shall furnish him with a full and complete copy of the claim.

3. Within sixty (60) days of the receipt of the claim, the employer shall notify the commissioner and the claimant whether or not the claim will be resisted. If the claim is not resisted, an administrative law judge shall within ten (10) days enter an order and award for the claimant. If the claim is resisted, the administrative law judge shall notify the affected employee thereof. In litigated claims, the regular procedures prescribed by the ***commissioner*** [~~Workers' Compensation Board~~] shall be followed.

(3) (a) The right to compensation under this chapter resulting from an occupational disease shall be forever barred unless a claim is filed with the ***commissioner*** [~~Workers' Compensation Board~~] within three (3) years after the last injurious exposure to the occupational hazard or after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted the disease, whichever shall last occur; and if death results from the occupational disease within ***that*** [~~said~~] period, unless a claim therefor be filed with the ***commissioner*** [~~Workers' Compensation Board~~] within three (3) years after ***the*** [~~such~~] death; ***but*** [~~provided, however,~~] that notice of [~~such~~] claim shall be deemed waived in case of

disability or death where the employer, or his insurance carrier, voluntarily makes payment therefor, or, if the incurrence of the disease or the death of the employee and its cause was known to the employer. ~~[Provided,]~~ However, ~~[that]~~ the right to compensation for any occupational disease shall be forever barred, unless a claim is filed with the ***commissioner*** ~~[Workers' Compensation Board]~~ within five (5) years from the last injurious exposure to the occupational hazard, except that, in cases of radiation disease or asbestos-related disease, a claim must be filed within twenty (20) years from the last injurious exposure to the occupational hazard.

(b) Income or retraining incentive benefits for the disease of pneumoconiosis resulting from exposure to coal dust or death therefrom shall not be payable unless the employee has been exposed to the hazards of such pneumoconiosis in the Commonwealth of Kentucky over a continuous period of not less than two (2) years during the ten (10) years immediately preceding the date of his last exposure to such hazard, or for any five (5) of the fifteen (15) years immediately preceding the date of such last exposure.

(4) The amount of compensation payable for disability due to occupational disease or for death from ***the*** ~~[such]~~ disease, and the time and manner of its payment, shall be as provided for under the general provisions of the Workers' Compensation Act, but***:***

(a) In no event ***shall the payment*** ~~[to]~~ exceed ***the*** ~~[such]~~ amounts ***that*** ~~[as]~~ were in effect at the time of the last injurious exposure***;***~~[, and provided further, that]~~

(b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later***;***~~[,]~~ and

(c) ~~[provided further, that]~~ In case of death where the employee has been awarded compensation or made timely claim within the period provided for in this section, ***and*** an employee has suffered continuous disability to the date of his death occurring at any time within twenty (20) years from the date of disability, his dependents, if any, shall be awarded compensation for his death as provided for under the general provisions of the Workers' Compensation Act and in this section.

(5) If an autopsy has been performed, no testimony relative thereto shall be admitted unless the employer or his representative has available findings and reports of the pathologist or doctor who performed the autopsy examination.

(6) No compensation shall be payable for occupational disease if the employee at the time of entering the employment of the employer by whom compensation would otherwise be payable, falsely represented himself, in writing, as not having been previously disabled, laid off, or compensated in damages or otherwise, because of ***the occupational*** ~~[such]~~ disease, or failed or omitted truthfully to state to the best of his knowledge, in answer to written inquiry made by the employer, the place, duration***,*** and nature of previous employment, or, to the best of his knowledge, the previous state of his health.

(7) No compensation for death from occupational disease shall be payable to any person whose relationship to the deceased, which, under the provisions of this chapter would give right to compensation, arose, subsequent to the beginning of the first compensable disability, ***except*** ~~[save]~~ only ***for*** ~~[to]~~ after-born children of a marriage existing at the beginning of such disability.

(8) Whenever any claimant misconceives his remedy and files an application for adjustment of claim under the general provisions of this chapter and it is subsequently discovered, at any time before the final disposition of ***the*** ~~[such]~~ cause, that the claim for injury, disability***,*** or death which was the basis for ***his*** ~~[such]~~ application should properly have been made under the provisions of this section, then the application so filed may be amended in form or substance, or both, to assert a claim for ~~[such]~~ injury, disability***,*** or death under the provisions of this section, and it shall be deemed to have been so filed as amended on the date of the original filing thereof, and ~~[such]~~ compensation may be awarded ***that*** ~~[as]~~ is warranted by the whole evidence pursuant to the provisions of this chapter. When ~~[such]~~ amendment ***of this type*** is submitted, further or additional evidence may be heard by the administrative law judge when deemed necessary. Nothing this section contains shall be construed to be or permit a waiver of any of the provisions of this chapter with reference to notice of time for filing of a claim, but notice of filing a claim, if given or done, shall be deemed to be a notice of filing of a claim under provisions of this chapter, if given or done within the time required ***by this subsection*** ~~[herein]~~.

(9) When an employee has an occupational disease that is covered by this chapter, the employer in whose employment he was last injuriously exposed to the hazard of the disease, and the employer's insurance carrier, if any, at the time of the exposure, shall alone be liable therefor, without right to contribution from any prior employer or insurance carrier; except as otherwise provided ***in this chapter*** ~~[herein]~~.

(10) (a) Except as provided in paragraph (c) of this subsection, the employer liable for compensation for occupational diseases, other than silicosis or any other compensable pneumoconiosis, which developed to the point of disability only after an exposure of five (5) or more years, or for silicosis and any other compensable pneumoconiosis, shall be the employer in whose employment the employee was last exposed to the hazard of ***that*** ~~[such]~~ occupational disease. In those cases where disability or death are not conclusively proven to be the result of such last exposure all compensation shall be paid out of the special fund for all claims filed prior to January 1, 1973; and seventy-five percent (75%) shall be paid by the special fund and twenty-five percent (25%) by the employer for all claims filed thereafter. In all other cases of occupational diseases, other than silicosis or any other compensable pneumoconiosis, which developed to the point of disability only after an exposure of five (5) or more years, or for

silicosis and any other compensable pneumoconiosis, the compensation for disability or death due to such diseases shall be paid jointly by the employer and the special fund, and the employer shall be liable for sixty percent (60%) of the compensation due and the special fund shall be liable for forty percent (40%) of the compensation due. Provided, however, that when there is a joint award against the carrier or self-insured employer and the special fund under this section, all of the compensation awarded shall be paid pursuant to KRS 342.120 and under such regulations as the ***commissioner*** [~~board~~] may provide for such purpose; and

(b) In all claims for compensation partially payable by the special fund, the Director of the Division of the Special Fund shall be designated as codefendant.

(c) The employer in whose employment the employee was last exposed to the hazard of the disease shall alone be liable for payment of retraining incentive benefits awarded under KRS 342.732.

Section 84. KRS 342.350 is amended to read as follows:

(1) In order to comply with KRS 342.340, groups of employers may form, either among themselves or with employers in other states, mutual insurance associations***,*** or reciprocal or interinsurance exchanges subject to the insurance laws of this state and ***any*** [~~such~~] reasonable conditions and restrictions not inconsistent therewith [~~as may be~~] fixed by the ***commissioner*** [~~board~~]. Membership in ***these*** [~~such~~] mutual insurance associations or reciprocal or interinsurance exchanges so approved, together with evidence of the payment of premiums due, shall be evidence of compliance with KRS 342.340.

(2) The ***commissioner*** [~~board~~] may, except as provided in subsection (3), require any mutual insurance association or reciprocal or interinsurance exchange to purchase an annuity or to effect reinsurance with a company authorized to transact insurance in this state or to make ***a*** [~~such~~] deposit with a bank or trust company of this state ***that*** [~~as~~] shall in either case be approved by the ***commissioner*** [~~board~~] for the purpose of fully securing the payment of all deferred installments upon any claim for compensation.

(3) Any mutual insurance association or reciprocal or interinsurance exchange possessing a surplus of at least one hundred thousand dollars ($100,000) and not less in amount than the capital required of a domestic stock insurance company transacting the same kind of insurance shall not be required to purchase an annuity or effect reinsurance with a company authorized to transact insurance in this state or to make [~~such~~] a deposit with a bank or trust company of this state for the purpose of fully securing the payment of all deferred installments upon any claim for compensation.

(4) In addition, the ***commissioner***[~~board~~], under ***administrative*** [~~rules and~~] regulations ***that he*** [~~as it~~] shall prescribe, may permit eleven (11) or more employers or two (2) or more city, county, municipal, or urban-county employers or their agencies to enter into agreements to pool their liabilities under this chapter for the purpose of qualifying as self-insurers. Employers securing certification as group self-insurers are regulated by the ***administrative*** [~~rules and~~] regulations drawn by the ***commissioner*** [~~Workers' Compensation Board~~] and are not to be in any way subject to the provisions of subsections (1), (2), and (3) of this section; [~~provided,~~] however, [~~that~~] the Governor may assign the regulatory authority under this subsection to another board or agency pursuant to KRS 12.028.

Section 85. KRS 342.380 is amended to read as follows:

No policy of insurance or rider to be used therewith shall be issued or delivered until a copy of its form has been filed with the commissioner [~~of the Department of Insurance~~] at least thirty (30) days before such issue or delivery, unless before the expiration of thirty (30) days the commissioner has approved the form thereof in writing; nor if the commissioner notifies the company in writing that in his opinion the form of the policy or rider does not comply with the laws of this state, specifying fully the reasons for his opinion. Upon petition of the company***,*** the decision of the commissioner shall be subject to review by the Franklin Circuit Court and to appeal therefrom to the Court of Appeals.

Section 86. KRS 342.382 is amended to read as follows:

Upon being so notified, the filer shall within sixty (60) days file with the department all information which the filer believes proves the reasonableness, adequacy, and fairness of the rate. In such instances, the filer shall carry the burden of proof. In the event the department finds that a rate is excessive, inadequate, or unfairly discriminatory, the department shall order that a new rate schedule be thereafter filed by the filer and shall further specify the manner in which noncompliance shall be corrected.~~]

(d) If the total amount for which ***the*** ~~[such]~~ employer's insurance is liable under (c) above is less than the total of the compensation benefits to which ***the*** ~~[such]~~ employee is entitled under this chapter, the ***commissioner*** ~~[board]~~ may, if ***he*** ~~[it]~~ deems it necessary, require the employer to file security, satisfactory to the ***commissioner*** ~~[board]~~, to secure the payment of benefits due ***the*** ~~[such]~~ employee or his dependents under this chapter; and

(1) If, prior to an adjudicatory hearing, there is a reasonable cause to believe that a child before the court has committed a felony other than those described in subsections (2) and (3) of this section, a misdemeanor, or a violation, the court shall initially proceed in accordance with the provisions of this chapter.

(2) If a child charged with a capital offense, Class A felony or Class B felony, had attained age fourteen (14) at the time of the alleged commission of the offense, the court shall, upon motion of the county attorney made prior to adjudication that the child be proceeded against as a youthful offender, proceed in accordance with the provisions of KRS 640.010.

(3) If a child charged with a Class C or Class D felony has on two (2) prior separate occasions been adjudicated a public offender for a felony offense or a delinquent of a felony offense and had attained the age of sixteen (16) at the time of the alleged commission of the offense, the court shall, upon motion of the county attorney made prior to adjudication that the child be proceeded against as a youthful offender, proceed in accordance with the provisions of KRS 640.010.

(4) ***If a child charged with a Class C or Class D felony in which a firearm was used in the commission of the offense has on one (1) prior separate occasion been adjudicated a public offender for a felony offense or a delinquent for a felony offense, and had attained the age of fourteen (14) at the time of the alleged commission of the firearm-related offense, the court shall, upon motion of the county attorney made prior to adjudication that the child be proceeded against as a youthful offender, proceed in accordance with the provisions of KRS 640.010.***

(5) If a child previously convicted as a youthful offender under the provisions of KRS Chapter 640 is charged with a felony allegedly committed prior to his eighteenth birthday, the court shall, upon motion of the county attorney made prior to adjudication that the child be proceeded against as a youthful offender, proceed in accordance with the provisions of KRS 640.010.

(6)[~~(5)~~] A child who is charged as is provided in subsection (2) of this section and is also charged with a Class C or D felony, a misdemeanor or a violation arising from the same course of conduct, shall have all charges included in the same proceedings; and the court shall, upon motion of the county attorney made prior to adjudication that the child be proceeded against as a youthful offender, proceed in accordance with the provisions of KRS 640.010.

(7)[~~(6)~~] If a person who is eighteen (18) or older and before the court is charged with a felony that occurred prior to his eighteenth birthday, the court shall, upon motion of the county attorney made prior to adjudication that the child be proceeded against as a youthful offender, proceed in accordance with the provisions of KRS 640.010.

(8)[~~(7)~~] All offenses arising out of the same course of conduct shall be tried with the felony arising from that course of conduct, whether the charges are adjudicated under this chapter or under KRS Chapter 640 and transferred to Circuit Court.

Section 13. KRS 640.010 is amended to read as follows:

(1) For children who are alleged to be youthful offenders by falling in the purview of KRS 635.020(2), (3), (4), (5), (6), [~~or~~] (7), ***or (8),*** the court shall at arraignment assure that the child's rights as specified in KRS 610.060 have been explained and followed.

(2) In the case of a child alleged to be a youthful offender by falling within the purview of KRS 635.020, the court shall upon motion by the county attorney to proceed under this chapter, conduct a preliminary hearing to determine if the child should be transferred to Circuit Court as a youthful offender. The preliminary hearing shall be conducted in accordance with the Rules of Criminal Procedure.

  (a) At the preliminary hearing, the court shall determine if there is probable cause to believe that an offense was committed, that the child committed the offense, and that the child is of sufficient age and has the requisite number of prior adjudications, if any, necessary to fall within the purview of KRS 635.020.

  (b) If the court determines probable cause exists, the court shall consider the following factors before determining whether the child's case shall be transferred to the Circuit Court:

    1. The seriousness of the alleged offense;

    2. Whether the offense was against persons or property, with greater weight being given to offenses against persons;

    3. The maturity of the child as determined by his environment;

    4. The child's prior record;

    5. The best interest of the child and community;

    6. The prospects of adequate protection of the public; and

    7. The likelihood of reasonable rehabilitation of the child by the use of procedures, services, and facilities currently available to the juvenile justice system.

  (c) If, following the completion of the preliminary hearing, the court is of the opinion, after considering the factors enumerated in subsection (b) of this section, that the child should be transferred to Circuit Court, the court shall issue an order transferring the child as a youthful offender and shall state on the record the reasons for the transfer. The child shall then be proceeded against in the Circuit Court as an adult, except as otherwise provided in this chapter.

  (d) If, following completion of the preliminary hearing, the court is of the opinion, after considering the factors enumerated in subsection (b) of this section that the child shall not be transferred to the Circuit Court, the case shall be dealt with as provided in KRS Chapter 635.

(3) If the child is transferred to Circuit Court under this section and the grand jury does not find that there is probable cause to indict the child as a youthful offender, as defined in KRS 635.020(2), (3), (4), [~~and~~] (6), ***and (7),*** but does find that there is probable cause to indict the child for another criminal offense, the child shall not be tried as a youthful offender in Circuit Court but shall be returned to District Court to be dealt with as provided in KRS Chapter 635.

Section 14. KRS 640.040 is amended to read as follows:

(1) No youthful offender who has been convicted of a capital offense who was under the age of sixteen (16) years at the time of the commission of the offense shall be sentenced to capital punishment. A youthful offender may be sentenced to capital punishment if he was sixteen (16) years of age or older at the time of the commission of the offense. A youthful offender convicted of a capital offense regardless of age may be sentenced to a term of imprisonment appropriate for one who has committed a Class A felony and may be sentenced to life imprisonment without benefit of parole for twenty-five (25) years.

(2) No youthful offender shall be subject to persistent felony offender sentencing under the provisions of KRS 532.080 for offenses committed before the age of eighteen (18) years.

(3) No youthful offender shall be subject to limitations on probation, parole or conditional discharge as provided for in KRS 533.060.

(7) In the event of the sale, lease, or other transfer of a fluidized bed combustion unit, not involving a different location or use, the holder of the fluidized bed construction technology tax exemption certificate for the facility may transfer the certificate by written instrument to the person who, except for the transfer of the certificate, would be obligated to pay taxes on the facilities. The transferee shall become the holder of the certificate and shall have all rights pertaining thereto, effective as the date of transfer, together with a copy of the instrument of transfer to the Revenue Cabinet.

(1) (a) If a child is detained ***pursuant to KRS 610.265*** for the alleged commission of a public offense and not released, a hearing shall be held as soon as practical, but not to exceed twenty-four (24) hours, exclusive of weekends and holidays, of the commencement of detention ***if the child is detained in an intermittent holding facility. If the child is detained in a secure juvenile detention facility or a juvenile holding facility, then a hearing shall be held as soon as practical, but not to exceed forty-eight (48) hours, exclusive of weekends and holidays, of the commencement of detention***.

(b) If a child is detained for the alleged commission of a status offense and not released, a hearing shall be held as soon as practical, but not to exceed twenty-four (24) hours, exclusive of weekends and holidays, of the commencement of detention.

(2) The hearing shall address the following issues:

(a) If there is probable cause to believe that an offense has been committed and that the accused child committed that offense. Probable cause may be established in the same manner as in a preliminary hearing in cases involving adults accused of felonies. The child shall be afforded the right to confront and cross-examine witnesses. The Commonwealth shall bear the burden of proof and if it should fail to establish probable cause, the child shall be released and the complaint or petition dismissed unless the court determines further detention is necessary to assure the appearance of the child in court on another pending case; and

(b) In determining detention, the court shall consider the seriousness of the alleged offense, the possibility that the child would commit an offense dangerous to himself or the community pending disposition of the alleged offense, the child's prior record, if any, and whether there are other charges pending against the child.

(3) If, after completion of the detention hearing, the court is of the opinion that detention is necessary, the order shall state on the record the specific reasons for detention."

"Section 2. KRS 600.020 is amended to read as follows:

As used in KRS Chapters 600 to 645, unless the context otherwise requires:

(1) "Abused or neglected child" means a child whose health or welfare is harmed or threatened with harm when his parent, guardian or other person exercising custodial control or supervision of the child: inflicts or allows to be inflicted upon the child physical or emotional injury by other than accidental means; creates or allows to be created a risk of physical or emotional injury to the child by other than accidental means; commits or allows to be committed an act of sexual abuse, sexual exploitation, or prostitution upon the child; creates or allows to be created a risk that an act of sexual abuse, sexual exploitation, or prostitution will be committed upon the child; abandons or exploits such child; does not provide the child with adequate care, supervision, food, clothing, shelter and education or medical care necessary for the child's well-being. A parent or other person exercising custodial control or supervision of the child legitimately practicing his religious beliefs shall not be considered a negligent parent solely because he fails to provide specified medical treatment for a child for that reason alone. This exception shall not preclude a court from ordering necessary medical services for a child;

(2) "Boarding home" means a privately owned and operated home for the boarding and lodging of individuals which is approved by the cabinet for the placement of children committed to the cabinet;

(3) "Cabinet" means the Cabinet for Human Resources;

(4) "Certified juvenile holding facility staff" means individuals who meet the qualifications of, and who have completed a course of education and training developed and approved by, the Justice Cabinet after consultation with the Cabinet for Human Resources and other appropriate state agencies;

(5) "Child" means any person who has not reached his eighteenth birthday unless otherwise provided;

(6) "Child-caring facility" means any facility or group home other than a state facility, or one certified by an appropriate agency as operated primarily for educational or medical purposes, providing residential care on a twenty-four (24) hour basis to children not related by blood, adoption or marriage to the person maintaining the facility;

(7) "Child-placing agency" means any agency, other than a state agency, which supervises the placement of children in foster family homes or child-caring facilities or which places children for adoption;

(8) "Clinical treatment facility" means a facility with more than eight (8) beds designated by the cabinet for the treatment of mentally ill children. The treatment program of such facilities shall be supervised by a qualified mental health professional;

(9) "Commitment" means an order of the court which places a child under the custodial control or supervision of the Cabinet for Human Resources or another facility or agency until the child attains the age of eighteen (18) unless the committing court terminates or extends the order;

(10) "Community-based facility" means any nonsecure, homelike facility licensed, operated, or permitted to operate by the cabinet, which is located within a reasonable proximity of the child's family and home community, which affords the child the opportunity, if a Kentucky resident, to continue family and community contact;

(11) "Complaint" means a verified statement setting forth allegations in regard to the child which contain sufficient facts for the formulation of a subsequent petition;

(12) "Court" means the juvenile session of District Court;

(13) "Court designated worker" means that organization or individual delegated by the administrative office of the courts for the purposes of placing children in alternative placements prior to arraignment, conducting preliminary investigations, and formulating, entering into and supervising diversion agreements and performing such other functions as authorized by law or court order;

(14) "Department" means the Department for Social Services;

(15) "Dependent child" means any child, other than an abused or neglected child, who is under improper care, custody, control, or guardianship that is not due to an intentional act of the parent, guardian, or person exercising custodial control or supervision of the child;

(16) "Detain" means, upon a valid court order, to confine a child pending further proceedings in an intermittent holding facility, a juvenile holding facility, or a secure juvenile detention facility;

(17) "Diversion agreement" means an agreement entered into between a court designated worker and a child charged with the commission of offenses set forth in KRS Chapters 630 and 635, the purpose of which is to serve the best interest of the child and to provide redress for those offenses without court action and without the creation of a formal court record;

(18) "Emergency shelter" is a group home, private residence, foster home, or similar homelike facility which provides temporary or emergency care of children and adequate staff and services consistent with the needs of each child;

(19) "Emotional harm" means harm to the mental or psychological capacity or emotional stability of a child as testified to by a qualified mental health professional. The age and development of the child shall be considered together with the child's culture or environment in the diagnosis and determination of emotional harm;

(b) If the court determines probable cause exists, the court shall consider the following factors before determining whether the child's case shall be transferred to the ***juvenile session of District*** ~~[Circuit]~~ Court:

(c) If, following the completion of the ~~[preliminary]~~ hearing, the court is of the opinion, after considering the factors enumerated in subsection (b) of this section, that the child should be transferred to ***the juvenile session of District*** ~~[Circuit]~~ Court, the court shall issue an order transferring the child ~~[as a youthful offender]~~ and shall state on the record the reasons for the transfer. The child shall then be proceeded against in the ***District*** ~~[Circuit]~~ Court as ***a juvenile*** ~~[an adult]~~, except as otherwise provided in ***KRS Chapter 635*** ~~[this chapter]~~.

(d) If, following completion of the preliminary hearing, the court is of the opinion, after considering the factors enumerated in subsection (b) of this section that the child shall not be transferred ~~[to the Circuit Court]~~, the case shall be dealt with as provided in ***this chapter*** ~~[KRS Chapter 635]~~.

(3) If the child is ***not*** transferred ~~[to Circuit Court]~~ under this section and the grand jury does not find that there is probable cause to indict the child as a youthful offender, as defined in KRS 635.020(2), (3), (4), and (6), but does find that there is probable cause to indict the child for another criminal offense, the child shall not be tried as a youthful offender ~~[in Circuit Court]~~ but shall be returned to District Court to be dealt with as provided in KRS Chapter 635.".

The insurer shall adhere to its rates and classifications as filed with the commissioner. The insurer may change the filings from time to time as it deems proper.

(2) No filing under this section that contains an increase in premium rates shall become effective until the commissioner has issued an order approving the filing. The commissioner may hold a hearing within sixty (60) days after receiving a filing under this section containing a rate increase and shall issue an order approving or disapproving the filing within thirty (30) days following the conclusion of the hearing.

(3) The rates filed with the commissioner shall not be excessive, inadequate, or unfairly discriminatory.

(4) This section shall become null and void on July 1, 1996.

Section 82. KRS 304.17-383 is amended to read as follows:

(1) No filing under KRS 304.17-380 that contains an increase in premium rates shall become effective until the commissioner has issued an order approving the filing. The commissioner may hold a hearing within thirty (30) days after receiving a filing under this subtitle containing a rate increase, and shall issue an order approving or disapproving the filing within thirty (30) days following the conclusion of the hearing.

(2) In approving or disapproving a filing under subsection (1) of this section, the commissioner shall consider:

(a) Whether the benefits provided are reasonable in relation to the premium charged;

(b) Previous premium rates for the policies to which the filing applies; and

(c) The effect of the increase on policyholders.

(3) Not less than ten (10) days in advance of a hearing held under subsection (1) of this section, the commissioner shall notify the Attorney General in writing of the hearing and of the premium increase to be considered. The Attorney General shall be considered a party to such a hearing if he chooses to participate.

[~~(6) (a) Subsections (1) to (3) of this section shall not apply and premium rates shall be deemed approved upon filing with the Department of Insurance if the filing is accompanied by a loss ratio guarantee, and benefits shall be deemed reasonable in relation to the premium rates so long as the insurer complies with the terms of the loss ratio guarantee. This loss ratio guarantee shall be in writing and shall contain at least the following:~~

~~1. A recitation of the anticipated loss ratio standards contained in the original actuarial memorandum filed with the policy form when it was originally approved by the commissioner;~~

~~2. A guarantee that the actual Kentucky loss ratio for the calendar year in which the new rates take effect, and for each year thereafter until new rates are filed, will meet or exceed the loss ratio standards referred to in subparagraph 1. of this paragraph. If the annual earned premium volume in Kentucky under the particular policy form is less than one million dollars ($1,000,000) and therefore not actuarially credible, the loss ratio guarantee shall be based on the actual nationwide loss ratio for the policy form;~~

~~3. A guarantee that the actual Kentucky loss ratio results for each year at issue shall be independently audited at the insurer's expense. This audit shall be done in the second quarter of the next year and the audited results shall be reported to the commissioner not later than the date for filing the applicable accident and health policy experience exhibit;~~

~~4. A guarantee that affected Kentucky policyholders will be issued a proportional refund, based on premium paid, of the amount necessary to bring the actual aggregate loss ratio up to the anticipated loss ratio standards referred to in subparagraph 1. of this paragraph. The refund shall be made to all Kentucky policyholders insured under the applicable policy form as of the last of the year at issue if the refund would equal ten dollars ($10) or more per policy. The refund shall include statutory interest from the end of the year at issue until the date of payment. Payment shall be made during the third quarter of the next year; and~~

~~5. A guarantee that refunds of less than ten dollars ($10) will be aggregated by the insurer and paid to the Department of Insurance.~~

On page 148, line 23, after "***Act.***" by inserting "***Health insurance coverage provided to state employees under this section shall, at a minimum, contain the same benefits as provided under Kentucky Kare Standard as of January 1, 1994.***";

And by amending Senate Floor Amendment 89 to Second Senate Committee Substitute for House Bill 250 as follows:

On page 3, by changing the changes to pages 77 and 90 of the 2nd SCS by deleting "***additional***" and inserting in lieu thereof "***supplemental***"; and

On page 4, after "And on page 99, by deleting lines 24 to 27 in their entirety and insert in its place:" by deleting the underlined paragraph (c) and by inserting in its place:

"***(c) Each insurer may offer supplemental policies that are approved by the board and that are advertised, marketed, and designed as a supplement to the standard health benefit plans. No benefits paid under the supplemental policies shall duplicate benefits paid under the standard health benefit plans.***".

Message from the Governor

The Clerk announced receipt of the Veto Message on **HB 302**. Date Received: April 13, 1994. Time Received: 4:27 p.m.

The veto message on **HB 302** is as follows:

Pursuant to the authority vested in me by Section 88 of the Constitution of Kentucky, I, Brereton C. Jones, Governor of the Commonwealth of Kentucky, do hereby veto **House Bill 302**.

As a result of action taken by the Free Conference Committee on **House Bill 302**, the Executive Budget, I am compelled to veto the Executive Branch budget bill, **House Bill 302**. This bill was passed by both the Senate and the House of Representatives on the fifty-ninth legislative day in the wake of its transformation by the Free Conference Committee.

For this entire Regular Session, the budget bill included a variety of badly needed job creation, economic diversification, renovation and repair, and other important capital construction projects vital to the Commonwealth's well-being and future growth. On the fifty-ninth legislative day, those projects disappeared literally overnight. As a consequence, the budget passed both chambers of the General Assembly was materially different from the budget that had been reviewed in depth during the period from January 24, when the budget was introduced, through more than two months of lengthy, detailed public hearings. The final Free Conference Committee product is unacceptable.

House Bill 302 represents a tremendous opportunity foregone. Together, the Governor and the General Assembly, have no more important responsibility when the Legislature is convened in Regular Session than to enact a responsible, balanced budget that provides for both the collective needs of the people as well as the individual needs of communities across this Commonwealth.

It is lacking in one of its fundamental responsibilities -- that is, providing for jobs, growth, economic diversification, and even basic maintenance and repair of public facilities throughout the length and breadth of this Commonwealth.

Few things were more important than the program to rebuild and restore Kentucky's State Parks to be the nation's finest. The existing Parks system was largely ignored for too many years. I proposed a $100 million State Parks Revitalization Program. The vast majority of these funds were for renovation and repair projects -- essentials such as new roofs, sewage treatment plants, water systems, electrical systems, heating, ventilating, and air conditioning, satisfying life safety codes, and disabled access -- the basic "nuts and bolts" kinds of improvements that are absolute necessities, not luxuries.

As introduced, the budget also proposed certain Parks improvements that would be income generating and improve the quality of life in local communities. The majority of these Parks improvement projects are located in rural Kentucky. They are part of the economic fabric of their local communities and part of the hope for future economic diversification -- through the promotion of tourism -- that these communities will need to rely upon when starkly confronted by the decline of traditional industries like tobacco and coal.

The Free Conference Committee Report on the budget get cut out ever single project and every single dollar for Parks Revitalization no matter how meritorious, how urgently needed, or how basic. This action I view to be unacceptable.

Projects with job-creation potential essential to local communities' prosperity were also cut in this process. Among those projects are important facilities on university and college campuses. A statewide library, an important urban medical research center, and Community College classrooms are prime examples. I also believe the Kentucky History Center in Frankfort to be very important. Many of these projects have been planned and design work has been funded and finished in many instances. Communities and private individuals were and are contributing substantial matching dollars in other instances. I do not think we can afford to ignore these important partnerships. We need to foster them for the continued economic growth of this state.

These projects need to be approved as part of this current budget process; we do not have the luxury of waiting. Why is this so?

- We have documented that the need is clear and apparent now on the individual projects.
- In many instances the matching funds, federal funds, or the local contribution will not remain available if we do not avail ourselves of them now. They will go to another state or for another purpose.
- Interest rates are relatively low, the lowest in several decades, despite their modes recent increase. We now can take advantage of this good timing to sell bonds in the financial markets. If we wait, interest rates will inevitably rise and the cost of worthwhile projects will ultimately be greater, not less. This is not a cost-effective way to do the Commonwealth's business.
- Finally, our communities have waited for economic diversification for too long.

We can, and should, enact a balanced, responsible, forward-thinking budget that serves the broad needs of Kentucky's people and communities. At the beginning of this session we proposed a balanced, workable budget that met the important goals we outlined again today. As I sign this veto, I reaffirm my commitment to work with the Legislature to find a solution within existing revenues to keep Kentucky moving ahead. I have not and will not ask anyone to revise the revenue estimates. Our economic future is too important to give the people of Kentucky a budget that neglects our state parks, hinders our continued economic growth, and limits educational opportunities for our children. I think the Governor and the General Assembly, together, can.

The insurer shall adhere to its rates and classifications as filed with the commissioner. The insurer may change the filings from time to time as it deems proper.

(2) No filing under this section that contains an increase in premium rates shall become effective until the commissioner has issued an order approving the filing. The commissioner may hold a hearing within sixty (60) days after receiving a filing under this section containing a rate increase and shall issue an order approving or disapproving the filing within thirty (30) days following the conclusion of the hearing.

(3) The rates filed with the commissioner shall not be excessive, inadequate, or unfairly discriminatory.

(4) This section shall become null and void on July 1, 1996.

Section 82. KRS 304.17-383 is amended to read as follows:

(1) No filing under KRS 304.17-380 that contains an increase in premium rates shall become effective until the commissioner has issued an order approving the filing. The commissioner may hold a hearing within thirty (30) days after receiving a filing under this subtitle containing a rate increase, and shall issue an order approving or disapproving the filing within thirty (30) days following the conclusion of the hearing.

(2) In approving or disapproving a filing under subsection (1) of this section, the commissioner shall consider:

(a) Whether the benefits provided are reasonable in relation to the premium charged;

(b) Previous premium rates for the policies to which the filing applies; and

(c) The effect of the increase on policyholders.

If the annual earned premium volume in Kentucky under the particular policy form is less than one million dollars ($1,000,000) and therefore not actuarially credible, the loss ratio guarantee shall be based on the actual nationwide loss ratio for the policy form;~~

~~3. A guarantee that the actual Kentucky loss ratio results for each year at issue shall be independently audited at the insurer's expense. This audit shall be done in the second quarter of the next year and the audited results shall be reported to the commissioner not later than the date for filing the applicable accident and health policy experience exhibit;~~

The refund shall be made to all Kentucky policyholders insured under the applicable policy form as of the last of the year at issue if the refund would equal ten dollars ($10) or more per policy. The refund shall include statutory interest from the end~~

~~of the year at issue until the date of payment. Payment shall be made during the third quarter of the next year; and~~

~~5. A guarantee that refunds of less than ten dollars ($10) will be aggregated by the insurer and paid to the Department of Insurance.~~
